

Chairman Tim Derickson
Community and Family Advancement Committee
Ohio House of Representatives
77 South High Street
Columbus, OH 43215

Dear Chairman Derickson and members of the committee:

As a member of Students for Life at the University of Akron, I would like to voice my support for House Bill 294, which will defund Planned Parenthood. Planned Parenthood has no redeeming qualities, and shamelessly commits murder under the guise of "women's healthcare." Its practices are barbaric, worse than those of any animal.

Please do not yield to the opposition. Contrary to what the pro-choice population claims, an unborn infant is a human being, a unique individual who is so very precious in God's sight, from the moment of conception. Thus, there is no medical situation that could ever make abortion an acceptable option.

May God bless you as you stand against the atrocities committed by Planned Parenthood.

Sincerely,

Catherine Donley
