

Sub. H.B. 318  
As Re-Referred by the House  
Rules and Reference  
Committee

**Topic:** Facilities Construction Commission study of school security upgrades

\_\_\_\_\_ moved to amend as follows:

In line 2 of the title, after "officers" insert "and to 1  
require the Facilities Construction Commission to study and report 2  
on school building security upgrades" 3

After line 135, insert: 4

"**Section 2.** (A) The Ohio Facilities Construction Commission 5  
shall conduct a study of school security upgrades in existing 6  
school buildings operated by a school district. The study shall 7  
include the following: 8

(1) The types of security updates school districts have 9  
already retrofitted into or onto school buildings; 10

(2) Options for possible security upgrades for school 11  
buildings; 12

(3) An analysis of the most cost-effective ways to add 13  
physical security changes to existing school buildings. 14

(B) The Commission shall submit a copy of the study to the 15  
Governor and each member of the General Assembly not later than 16  
February 1, 2019." 17

The motion was \_\_\_\_\_ agreed to.
