7 **Community school sponsor evaluations**

8 **R.C. 3314.016**

9 Removes the provisions of the bill that do all of the  
10 following regarding community school sponsor evaluations:

11 (1) Require the Department of Education to notify a sponsor  
12 of its preliminary ratings for each component of the sponsor  
13 evaluation system and permit a sponsor to request an informal  
14 hearing to dispute those ratings prior to the Department's  
15 publication of the final ratings.

16 (2) Prohibits the Department from assigning an automatic  
17 overall rating to a community school sponsor solely based on a  
18 sponsor receiving an equivalent score of "0" points on one or  
19 more individual components, not including academic performance.

20 (3) Specifies that a sponsor's overall rating is a  
21 cumulative score of the individual components of the evaluation  
22 system, unless a sponsor receives a "0" on the academic  
23 performance component.

24 (4) Requires the Department to weight the "Progress"  
25 component of the state report card at 60% of the total score for  
26 the academic performance component that comprises the community  
27 school sponsor evaluation system.

28 **Educational service centers as community school sponsors**

29 **R.C. 3314.016**

30 Removes the bill's provision that permits an educational  
31 service center (ESC) that sponsors community schools and has a  
32 sponsor rating of effective or higher to sponsor (a) an  
33 internet- or computer-based school ("e-school") without any  
34 previous experience sponsoring an e-school and (b) a community  
35 school regardless of whether or not it is located in the ESC's  
36 territory or a contiguous county.
