(B) (1) The basic child support schedule created under 504
division (A) of this section shall consist of a table containing 505
a guideline income column followed by six columns for the total 506
number of children subject to the order. The table shall begin 507
at a guideline income of \$8,400 and increase at \$600 increments 508
through a guideline income of \$300,000. The child support 509
obligation amount shall be contained at each intersection of the 510
guideline income row with the column containing the number of 511
children subject to the order. The department shall derive the 512
child support obligation amounts by multiplying the guideline 513
income amount at \$600 increments by the basic obligation 514
percentages listed for each income range, for each child, as 515
indicated below: 516

person, the schedule amount shall be the lesser of the 977
following: 978

(i) The higher resulting product of the following 979
formulas: 980

(guideline income - 116% of federal poverty level) X 0.3 981

sliding scale multiplier X (guideline income - \$8,400) + 982
annual minimum support amount under section 3119.06 of the 983
Revised Code 984

(ii) The unadjusted schedule amount created in accordance 985
with division (B)(1) of this section. 986

(d) The sliding scale multipliers required for the 987
formulas in divisions (B)(2)(b) and (c) of this section are as 988
follows: 989

(i) For one child: five per cent; 990

(ii) For two children: ten per cent; 991

(iii) For three children: twelve per cent; 992

(iv) For four children: thirteen per cent; 993

(v) For five children: fourteen per cent; 994

(vi) For six or more children: fifteen per cent. 995

(C) Every four years after the effective date of this 996
section, the department shall update the basic child support 997
schedule and self-sufficiency reserve to reflect United States 998
department of labor changes in the CPI-U and for changes in the 999
federal poverty level amount for a single person as reported by 1000
the United States department of health and human services. 1001

(1) When updating the basic child support schedule for the 1002
most recent CPI-U, the department of job and family services 1003
shall update the figures in the guideline income column for the 1004
percentage difference between the most recent CPI-U and the 1005
March 2016 CPI-U. 1006

(2) When updating the self-sufficiency reserve 1007
incorporated into the basic child support schedule, the 1008
department shall set the self-sufficiency reserve based on one 1009
hundred sixteen per cent of the federal poverty level for a 1010
single person as reported by the United States department of 1011
health and human services in the most recent calendar year. 1012

Sec. 3119.022. The director of job and family services 1013
shall adopt rules pursuant to Chapter 119. of the Revised Code 1014
governing the creation of child support guideline worksheets and 1015
instructions that incorporate the requirements of Chapter 3119. 1016
of the Revised Code for the calculation of child support and 1017
cash medical support obligations. In addition, the department 1018
shall: 1019

(A) Adopt standard worksheet forms that shall be used in 1020
all courts and child support enforcement agencies when 1021
calculating child support and cash medical support obligations; 1022
and 1023

(B) Adopt a standard instruction manual to provide 1024
guidance and assistance to persons calculating support 1025
obligations. 1026

The guideline worksheet and instruction manual may be 1027
revised as needed, but shall be revised at least once every five 1028
years. 1029

Sec. 3119.023. (A) At least once every four years, the 1030

department of job and family services shall review the basic 1031
child support schedule issued by the department pursuant to 1032
section 3119.021 of the Revised Code to determine whether child 1033
support orders issued in accordance with that schedule and the 1034
worksheets created under rules adopted under section 3119.022 of 1035
the Revised Code adequately provide for the needs of children 1036
who are subject to the child support orders. The department may 1037
consider the adequacy and appropriateness of the current 1038
schedule, whether there are substantial and permanent changes in 1039
household consumption and savings patterns, particularly those 1040
resulting in substantial and permanent changes in the per cent 1041
of total household expenditures on children, and whether there 1042
have been substantial and permanent changes to the federal and 1043
state income tax code other than inflationary adjustments to 1044
such things as the exemption amount and income tax brackets, and 1045
other factors when conducting its review. The review is in 1046
addition to, and independent of, any schedule update completed 1047
as set forth in section 3119.021 of the Revised Code. The 1048
department shall prepare a report of its review and include 1049
recommendations for statutory changes, and submit a copy of the 1050
report to both houses of the general assembly. 1051

(B) For each review, the department shall establish a 1052
child support guideline advisory council to assist the 1053
department in the completion of its reviews and reports. Each 1054
council shall be composed of: 1055

(1) Obligors; 1056

(2) Obligees; 1057

(3) Judges of courts of common pleas who have jurisdiction 1058
over domestic relations and juvenile court cases that involve 1059
the determination of child support; 1060

(4) Attorneys whose practice includes a significant number of domestic relations or juvenile court cases that involve the determination of child support; 1061
1062
1063

(5) Representatives of child support enforcement agencies; 1064

(6) Other persons interested in the welfare of children; 1065

(7) Three members of the senate appointed by the president of the senate, not more than two of whom are members of the same political party; and 1066
1067
1068

(8) Three members of the house of representatives appointed by the speaker of the house, not more than two of whom are members of the same political party. 1069
1070
1071

(C) The department shall consider input from the council prior to the completion of any report under this section. The department shall submit its report on or before the first day of March of every fourth year after 2015. 1072
1073
1074
1075

(D) The advisory council shall cease to exist at the time that the department submits its review to the general assembly under this section. 1076
1077
1078

(E) Any expenses incurred by an advisory council shall be paid by the department. 1079
1080

Sec. 3119.04. ~~(A) If the combined gross income of both parents is less than six thousand six hundred dollars per year, the court or child support enforcement agency shall determine the amount of the obligor's child support obligation on a case-by-case basis using the schedule as a guideline. child support enforcement agency, with respect to an 1101

basis and shall consider the needs and the standard of living of 1104
the children who are the subject of the child support order and 1105
of the parents. The court or agency shall compute a basic 1106
combined child support obligation that is no less than the 1107
obligation that would have been computed under the basic child 1108
support schedule and applicable worksheet for a combined ~~gross~~ 1109

inappropriate and ~~would therefore not be~~ in the best interest of 1114
the child, obligor, or obligee to order that amount. If the 1115
court or agency makes such a determination, it shall enter in 1116
the journal the figure, determination, and findings. If the 1117
combined annual income of both parents falls below the \$8,400 1118
floor of the basic child support schedule in accordance with 1119

section 3119.021 of the Revised Code, the court, with respect to 1120
a court child support order, or the child support enforcement 1121
agency, with respect to an administrative child support order, 1122
shall apply the minimum support amount in accordance with 1123
section 3119.06 of the Revised Code. 1124

Sec. 3119.05. When a court computes the amount of child 1125
support required to be paid under a court child support order or 1126
a child support enforcement agency computes the amount of child 1127
support to be paid pursuant to an administrative child support 1128
order, all of the following apply: 1129

(A) The parents' current and past income and personal 1130
earnings shall be verified by electronic means or with suitable 1131
documents, including, but not limited to, paystubs, employer 1132
statements, receipts and expense vouchers related to self- 1133
generated income, tax returns, and all supporting documentation 1134
and schedules for the tax returns. 1135

(B) The annual amount of any ~~pre-existing child support~~ 1136
~~obligation of a parent under a child support order and the~~ 1137
~~amount of any court-ordered spousal support actually paid,~~ 1138
excluding any ordered payment on arrears, shall be deducted from 1139
the ~~gross~~ annual income of that parent to the extent that 1140
payment ~~under the child support order or that payment of the~~ 1141
that court-ordered spousal support is verified by supporting 1142
documentation. 1143

(C) ~~If other minor children who were born to the parent~~ 1144
~~and a person other than the other parent who is involved in the~~ 1145

~~federal income tax exemption. The court or agency shall adjust~~ 1151
~~the amount of child support paid by a parent to give credit for~~ 1152
~~children not included in the current calculation. When~~ 1153
~~calculating the adjusted amount, the court or agency shall use~~ 1154
~~the schedule and do the following:~~ 1155

(1) Determine the amount of child support that each parent 1156
would be ordered to pay for all children for whom the parent has 1157
the legal duty to support, according to each parent's annual 1158
income. If the number of children subject to the order is 1159
greater than six, multiply the amount for three children in 1160
accordance with division (C) (4) of this section to determine the 1161
amount of child support. 1162

(2) Compute a child support credit amount for each 1163
parent's children who are not subject to this order by dividing 1164
the amount determined in division (C) (1) of this section by the 1165
total number of children whom the parent is obligated to support 1166
and multiplying that number by the number of the parent's 1167
children who are not subject to this order. 1168

(3) Determine the adjusted income of the parents by 1169
subtracting the credit for minor children not subject to this 1170
order computed under division (C) (2) of this section, from the 1171
annual income of each parent for the children each has a duty to 1172
support that are not subject to this order. 1173

(4) If the number of children is greater than six, 1174
multiply the amount for three children by: 1175

(a) 1.440 for seven children; 1176

(b) 1.540 for eight children; 1177

(c) 1.638 for nine children; 1178

<u>(d) 1.734 for ten children;</u>	1179
<u>(e) 1.827 for eleven children;</u>	1180

<u>(h) 2.096 for fourteen children;</u>	1183
<u>(i) 2.182 for more than fourteen children.</u>	1184
(D) When the court or agency calculates the gross-annual income of a parent, it shall include the lesser of the following as income from overtime and bonuses:	1185 1186 1187
(1) The yearly average of all overtime, commissions, and bonuses received during the three years immediately prior to the time when the person's child support obligation is being computed;	1188 1189 1190 1191
(2) The total overtime, commissions, and bonuses received during the year immediately prior to the time when the person's child support obligation is being computed.	1192 1193 1194
(E) When the court or agency calculates the gross-annual income of a parent, it shall not include any income earned by the spouse of that parent.	1195 1196 1197
(F) The court shall issue a separate order for extraordinary medical or dental expenses, including, but not limited to, <u>medical support order for extraordinary medical</u> <u>expenses, including orthodontia, dental, optical, and</u> <u>psychological, appropriate services.</u>	1198 1199 1200 1201 1202
<u>If the court makes an order for payment of private</u> education, and other <u>appropriate</u> expenses, and it shall do so by <u>issuing a separate order.</u>	1203 1204 1205

The court may consider ~~the~~ these expenses in adjusting a 1206
child support order. 1207

(G) When a court or agency calculates the amount of child 1208
support to be paid pursuant to a court child support order or an 1209
administrative child support order, if ~~the~~ following shall 1210
apply: 1211

(1) The court or agency shall apply the basic child 1212
support schedule to the parents' combined annual incomes and to 1213
each parent's individual income. 1214

(2) If the combined ~~gross~~ annual income of both parents or 1215
the individual annual income of a parent is an amount that is 1216
between two amounts set forth in the first column of the 1217
schedule, the court or agency may use the basic child support 1218
obligation that corresponds to the higher of the two amounts in 1219
the first column of the schedule, use the basic child support 1220
obligation that corresponds to the lower of the two amounts in 1221
the first column of the schedule, or calculate a basic child 1222
support obligation that is between those two amounts and 1223
corresponds proportionally to the parents' actual combined ~~gross~~ 1224
annual income or the individual parent's annual income. 1225

(3) If the annual individual income of either or both of 1226
the parents is within the self-sufficiency reserve in the basic 1227
child support schedule, the court or agency shall do both of the 1228
following: 1229

(a) Calculate the basic child support obligation for the 1230
parents using the schedule amount applicable to the combined 1231
annual income and the schedule amount applicable to the income 1232
in the self-sufficiency reserve; 1233

(b) Determine the lesser of the following amounts to be 1234

the applicable basic child support obligation: 1235

(i) The amount that results from using the combined annual 1236
income of the parents not in the self-sufficiency reserve of the 1237
schedule; or 1238

(ii) The amount that results from using the individual 1239
parent's annual income within the self-sufficiency reserve of 1240
the schedule. 1241

(H) When the court or agency calculates ~~gross~~annual 1242
income, the court or agency, when appropriate, may average 1243
income over a reasonable period of years. 1244

(I) Unless it would be unjust or inappropriate and 1245
therefore not in the best interests of the child, a court or 1246
agency shall not determine a parent to be voluntarily unemployed 1247
or underemployed and shall not impute income to that parent if 1248
~~either~~any of the following conditions exist: 1249

(1) The parent is receiving recurring monetary income from 1250
means-tested public assistance benefits, including cash 1251
assistance payments under the Ohio works first program 1252
established under Chapter 5107. of the Revised Code, general 1253
assistance under former Chapter 5113. of the Revised Code, 1254
supplemental security income, or means-tested veterans' 1255
benefits; 1256

(2) The parent is approved for social security disability 1257
insurance benefits because of a mental or physical disability, 1258
or the court or agency determines that the parent is unable to 1259
work based on medical documentation that includes a physician's 1260
diagnosis and a physician's opinion regarding the parent's 1261
mental or physical disability and inability to work. 1262

(3) The parent has proven that the parent has made 1263

continuous and diligent efforts without success to find and 1264
accept employment, including temporary employment, part-time 1265
employment, or employment at less than the parent's previous 1266
salary or wage. 1267

(4) The parent is complying with court-ordered family 1268
reunification efforts in a child abuse, neglect, or dependency 1269
proceeding, to the extent that compliance with those efforts 1270
limits the parent's ability to earn income. 1271

(5) The parent is incarcerated or institutionalized for a 1272
period of twelve months or more with no other available assets, 1273
unless the parent is incarcerated for an offense relating to the 1274
abuse or neglect of a child who is the subject of the support 1275
order or an offense under Title XXIX of the Revised Code ~~when~~ 1276
against the obligee or a child who is the subject of the support 1277
order ~~is a victim of the offense.~~ 1278

(J) When a court or agency requires a parent to pay an 1279
amount for that parent's failure to support a child for a period 1280
of time prior to the date the court modifies or issues a court 1281
child support order or an agency modifies or issues an 1282
administrative child support order for the current support of 1283
the child, the court or agency shall calculate that amount using 1284
the basic child support schedule, worksheets, and child support 1285
laws in effect, and the incomes of the parents as they existed, 1286
for that prior period of time. 1287

(K) A court or agency may disregard a parent's additional 1288
income from overtime or additional employment when the court or 1289
agency finds that the additional income was generated primarily 1290
to support a new or additional family member or members, or 1291
under other appropriate circumstances. 1292

(L) If both parents involved in the immediate child support determination have a prior order for support relative to a minor child or children born to both parents, the court or agency shall collect information about the existing order or orders and consider those together with the current calculation for support to ensure that the total of all orders for all children of the parties does not exceed the amount that would have been ordered if all children were addressed in a single judicial or administrative proceeding.

(M) A support obligation of a parent with annual income subject to the self-sufficiency reserve of the basic child support schedule shall not exceed the support obligation that would result from application of the schedule without the reserve.

(N) Any non-means tested benefit received by the child or children subject to the order resulting from the claims of either parent shall be deducted from that parent's annual child support obligation after all other adjustments have been made. If that non-means tested benefit exceeds the child support obligation of the parent from whose claim the benefit is realized, the child support obligation for that parent shall be zero.

(O) As part of the child support calculation, the parents shall be ordered to share the costs of child care. Subject to the limitations in this division, a child support obligor shall pay an amount equal to the obligor's income share of the child care cost incurred for the child or children subject to the order.

(1) The child care cost used in the calculation:

(a) Shall be for child care determined to be necessary to 1322
allow a parent to work, or for activities related to employment 1323
training; 1324

(b) Shall be verifiable by credible evidence as determined 1325
by a court or child support enforcement agency; 1326

(c) Shall exclude any reimbursed or subsidized child care 1327
cost, including any state or federal tax credit for child care 1328
available to the parent or caretaker, whether or not claimed; 1329

(d) Shall not exceed the maximum statewide average cost 1330
estimate issued by the department of job and family services, 1331
using the data collected and reported as required in section 1332
5104.04 of the Revised Code. 1333

(2) When the annual income of the obligor is subject to 1334
the self-sufficiency reserve of the basic support schedule, the 1335
share of the child care cost paid by the obligor shall be equal 1336
to the lower of the obligor's income share of the child care 1337
cost, or fifty per cent of the child care cost. 1338

Sec. 3119.051. (A) Except as otherwise provided in this 1339
section, a court or child support enforcement agency calculating 1340
the amount to be paid under a child support order shall reduce 1341
by ten per cent the amount of the annual individual support 1342
obligation for the parent or parents when a court has issued or 1343
is issuing a court-ordered parenting time order that equals or 1344
exceeds ninety overnights per year. This reduction may be in 1345
addition to the other deviations and reductions. 1346

(B) At the request of the obligee, a court may eliminate a 1347
previously granted adjustment established under division (A) of 1348
this section if the obligor, without just cause, has failed to 1349
exercise court-ordered parenting time. 1350

Sec. 3119.06. Except as otherwise provided in this 1351
section, in any action in which a court or a child support 1352
enforcement agency issues or modifies a child support order or 1353
in any other proceeding in which a court or agency determines 1354
the amount of child support to be paid pursuant to a child 1355
support order, the court or agency shall issue a minimum child 1356
support order requiring the obligor to pay a minimum of ~~fifty-~~ 1357
~~eighty~~ dollars a month for all the children subject to that 1358
order. The court or agency, in its discretion and in appropriate 1359
circumstances, may issue a minimum child support order ~~requiring-~~ 1360
~~the obligor to pay of less than fifty-eighty~~ dollars a month or 1361
issue an order not requiring the obligor to pay ~~an any child~~ 1362
support amount for support. The circumstances under which a 1363
court or agency may issue such an order include the 1364
nonresidential parent's medically verified or documented 1365
physical or mental disability or institutionalization in a 1366
facility for persons with a mental illness or any other 1367
circumstances considered appropriate by the court or agency. 1368

If a court or agency issues a minimum child support ~~order-~~ 1369
obligation pursuant to this section and the obligor under the 1370
support order is the recipient of ~~need-based means-tested~~ public 1371
assistance, as described in division (C)(12)(a) of section 1372
3119.01 of the Revised Code, any unpaid amounts of support due 1373
under the support order shall accrue as arrearages from month to 1374
month, and the obligor's current obligation to pay the support 1375
due under the support order is suspended during any period of 1376
time that the obligor is receiving ~~need-based means-tested~~ 1377
public assistance and is complying with any seek work orders 1378
issued pursuant to section 3121.03 of the Revised Code. The 1379
court, obligee, and child support enforcement agency shall not 1380
enforce the obligation of the obligor to pay the amount of 1381

support due under the support order while the obligor is 1382
receiving ~~need-based-means-tested~~ public assistance and is 1383
complying with any seek work orders issued pursuant to section 1384
3121.03 of the Revised Code. 1385

Sec. 3119.22. The court may order an amount of child 1386
support that deviates from the amount of child support that 1387
would otherwise result from the use of the basic child support 1388
schedule and the applicable worksheet, ~~through the line~~ 1389
~~establishing the actual annual obligation,~~ if, after considering 1390
the factors and criteria set forth in section 3119.23 of the 1391
Revised Code, the court determines that the amount calculated 1392
pursuant to the basic child support schedule and the applicable 1393
worksheet, ~~through the line establishing the actual annual~~ 1394
~~obligation,~~ would be unjust or inappropriate and ~~would~~ therefore 1395
not be in the best interest of the child. 1396

If it deviates, the court must enter in the journal the 1397
amount of child support calculated pursuant to the basic child 1398
support schedule and the applicable worksheet, ~~through the line~~ 1399
~~establishing the actual annual obligation,~~ its determination 1400
that ~~that~~ the amount would be unjust or inappropriate and ~~would~~ 1401
therefore not ~~be~~ in the best interest of the child, and findings 1402
of fact supporting that determination. 1403

Sec. 3119.23. The court may consider any of the following 1404
factors in determining whether to grant a deviation pursuant to 1405
section 3119.22 of the Revised Code: 1406

(A) Special and unusual needs of the child or children, 1407
including needs arising from the physical or psychological 1408

~~through the line establishing the actual annual obligation, or—~~ 1419
~~any escrowing, impoundment, or withholding of child support—~~ 1420
~~because of a denial of or interference with a right of parenting—~~ 1421

1450

~~(M)~~ The physical and emotional condition and needs of the child; 1451
1452

~~(N)~~ (L) The need and capacity of the child for an education and the educational opportunities that would have been available to the child had the circumstances requiring a ~~court-~~ child support order for support not arisen; 1453

caring for a child or children with specialized physical, 1471
psychological, or educational needs; 1472

(Q) Any other relevant factor. 1473

~~The court may accept an agreement of the parents that~~ 1474
~~assigns a monetary value to any of the factors and criteria~~ 1475

If the court grants a deviation based on division ~~(P)~~ (Q) 1477
of this section, it shall specifically state in the order the 1478
facts that are the basis for the deviation. 1479

Sec. 3119.231. In determining whether to grant a deviation 1480
pursuant to section 3119.22 of the Revised Code for the reason 1481
set forth in division (C) of section 3119.23 of the Revised 1482

If court-ordered parenting time is equal to or exceeds one 1486

with the schedule and with the worksheet ~~set forth in section~~ 1495

~~3119.022 of the Revised Code, through the line establishing the~~ 1496
~~actual annual obligation, except that, if that amount would be~~ 1497
~~unjust or inappropriate to the children or either parent and~~ 1498
~~would therefore not be~~ in the best interest of the child because 1499
of the extraordinary circumstances of the parents or because of 1500
any other factors or criteria set forth in section 3119.23 of 1501
the Revised Code, the court may deviate from that amount. 1502

(C) If the court determines that the amount of child 2084
support required to be paid under the child support order should 2085
be changed due to a substantial change of circumstances that was 2086
not contemplated at the time of the issuance of the original 2087

support order, the court shall modify the amount of child 2089

Sec. 3119.89. (A) Upon receipt of a notice pursuant to 2099
section 3119.87 of the Revised Code, the child support 2100
enforcement agency administering a child support order, within 2101
twenty days after receipt of the notice, shall complete an 2102
investigation. The agency administering a child support order 2103
may conduct an investigation upon its own initiative if it 2104
otherwise has reason to believe that there may be a reason for 2105
which the order should terminate. The agency's investigation 2106
shall determine the following: 2107

(1) Whether any reason exists for which the order should 2108
terminate; 2109

(2) Whether there are other children subject to the order; 2110

(3) Whether the obligor owes any arrearages under the 2111
order; 2112

(4) Whether the agency believes it is necessary to 2113
continue withholding or deduction pursuant to a notice or order 2114
described in section 3121.03 of the Revised Code for the other 2115
children or arrearages; 2116

(5) Whether child support amounts paid pursuant to the 2117
order being investigated should be impounded because 2118
continuation of receipt and disbursement would lead to an 2119
overpayment by the obligor. 2120

(B) If the agency, pursuant to the investigation under 2121
division (A) of this section, determines that other children are 2122
subject to the child support order and that it is necessary to 2123
continue withholding or deduction for the other children, the 2124
agency shall divide the child support amount due annually and 2125
per month under the order by the number of children who are the 2126
subject of the order and subtract the amount due for the child 2127
for whom the order should be terminated from the total child 2128
support amount due annually and per month. The resulting annual 2129
and per month child support amount shall be included in the 2130
results of the agency's investigation as the recommended child 2131
support amount due annually and monthly under a revised child 2132
support order. If arrearage amounts are owed, those amounts may 2133
be included as part of the recommended child support amount. The 2134
investigation under division (A) of this section shall not 2135
include a review pursuant to sections 3119.60 to 3119.76 of the 2136
Revised Code of any other children subject to the child support 2137
order. 2138

Sec. 3121.36. The termination of a court support order or 2139
administrative child support order does not abate the power of 2140
any court or child support enforcement agency to collect any 2141
overdue and unpaid support or arrearage owed under the 2142
terminated support order or the power of the court to punish any 2143
person for a failure to comply with, or to pay any support as 2144
ordered in, the terminated support order. The termination does 2145
not abate the authority of the court or agency to issue any 2146
notice described in section 3121.03 of the Revised Code or to 2147

issue any applicable order as described in division (C) or (D) 2148
of section 3121.03 of the Revised Code to collect any overdue 2149
and unpaid support or arrearage owed under the terminated 2150
support order. If a notice is issued pursuant to section 3121.03 2151
of the Revised Code to collect the overdue and unpaid support or 2152
arrearage, the amount withheld or deducted from the obligor's 2153
personal earnings, income, or accounts shall be rebuttably 2154
presumed to be at least equal to the amount that was withheld or 2155
deducted under the terminated child support order. A court or 2156
agency administering the child support order may consider 2157
evidence of household expenditures, income variables, 2158
extraordinary health care issues, and other reasons for 2159
deviation from the presumed amount. 2160

Sec. 3123.14. If a child support order is terminated for 2161
any reason, the obligor under the child support order is or was 2162
at any time in default under the support order and, after the 2163
termination of the order, the obligor owes an arrearage under 2164
the order, the obligee may make application to the child support 2165
enforcement agency that administered the child support order 2166
prior to its termination or had authority to administer the 2167
child support order to maintain any action or proceeding on 2168
behalf of the obligee to obtain a judgment, execution of a 2169
judgment through any available procedure, an order, or other 2170
relief. If a withholding or deduction notice is issued pursuant 2171
to section 3121.03 of the Revised Code to collect an arrearage, 2172
the amount withheld or deducted from the obligor's personal 2173
earnings, income, or accounts shall be rebuttably presumed to be 2174
at least equal to the amount that was withheld or deducted under 2175
the terminated child support order. A court or agency 2176
administering the child support order may consider evidence of 2177
household expenditures, income variables, extraordinary health 2178
