for the purpose of adopting a new section number as indicated in 18  
parentheses, and sections 101.352, 101.353, 106.032, 121.93, 19  
121.931, and 121.933 of the Revised Code be enacted to read as 20  
follows: 21

**Sec. 101.35.** There is hereby created in the general 22  
assembly the joint committee on agency rule review. The 23  
committee shall consist of five members of the house of 24  
representatives and five members of the senate. Within fifteen 25  
days after the commencement of the first regular session of each 26  
general assembly, the speaker of the house of representatives 27  
shall appoint the members of the committee from the house of 28  
representatives, and the president of the senate shall appoint 29  
the members of the committee from the senate. Not more than 30  
three of the members from each house shall be of the same 31  
political party. In the first regular session of a general 32  
assembly, the chairperson of the committee shall be appointed by 33  
the speaker of the house from among the house members of the 34  
committee, and the vice-chairperson shall be appointed by the 35  
president of the senate from among the senate members of the 36  
committee. In the second regular session of a general assembly, 37  
the chairperson shall be appointed by the president of the 38  
senate from among the senate members of the committee, and the 39  
vice-chairperson shall be appointed by the speaker of the house 40  
from among the house members of the committee. The chairperson, 41  
vice-chairperson, and members of the committee shall serve until 42  
their respective successors are appointed or until they are no 43  
longer members of the general assembly. When a vacancy occurs 44  
among the officers or members of the committee, it shall be 45  
filled in the same manner as the original appointment. 46

Notwithstanding section 101.26 of the Revised Code, the 47  
members, when engaged in their duties as members of the 48

committee on days when there is not a voting session of the 49  
member's house of the general assembly, shall be paid at the per 50  
diem rate of one hundred fifty dollars, and their necessary 51  
traveling expenses, which shall be paid from the funds 52  
appropriated for the payment of expenses of legislative 53  
committees. 54

The committee has the same powers as other standing or 55  
select committees of the general assembly. Six members 56  
constitute a quorum. The concurrence of six members is required 57  
for the recommendation of a concurrent resolution invalidating a 58  
proposed rule under section 106.021 of the Revised Code. The 59  
concurrence of seven members is required for the recommendation 60  
of a concurrent resolution invalidating an existing rule under 61  
section 106.031 of the Revised Code. 62

When a member of the committee is absent, the president or 63  
speaker, as the case may be, may designate a substitute from the 64  
same house and political party as the absent member. The 65  
substitute shall serve on the committee in the member's absence, 66  
and is entitled to perform the duties of a member of the 67  
committee. For serving on the committee, the substitute shall be 68  
paid the same per diem and necessary traveling expenses as the 69  
substitute would be entitled to receive if the substitute were a 70  
member of the committee. 71

The president or speaker shall inform the executive 72  
director of the committee of a substitution. If the executive 73  
director learns of a substitution sufficiently in advance of the 74  
meeting of the committee the substitute is to attend, the 75  
executive director shall publish notice of the substitution on 76  
the internet, make reasonable effort to inform of the 77  
substitution persons who are known to the executive director to 78

be interested in rules that are scheduled for review at the 79  
meeting, and inform of the substitution persons who inquire of 80  
the executive director concerning the meeting. 81

The committee may meet during periods in which the general 82  
assembly has adjourned. 83

At meetings of the committee, the committee may request an 84  
agency, as defined in section 106.01 of the Revised Code, to 85  
provide information relative to the agency's implementation of 86  
its statutory authority. 87

A member of the committee, and the executive director and 88  
staff of the committee, are entitled in their official 89  
capacities to attend, but not in their official capacities to 90  
participate in, a public hearing conducted by an agency on a 91  
proposed rule. 92

The executive director serves at the pleasure of the 93  
president and speaker by mutual consensus. The executive 94  
director may employ such technical, professional, and clerical 95  
employees as are necessary to carry out the powers and 96  
administrative duties of the committee. 97

**Sec. 101.352.** If the joint committee on agency rule review 98  
becomes aware that an agency subject to its jurisdiction is 99  
relying upon a principle of law or policy that, under section 100  
121.93 of the Revised Code, should have been supplanted by its 101  
restatement in a rule, the chairperson of the joint committee, 102  
in the chairperson's sole discretion, may request the agency to 103  
appear before the joint committee to address why, 104  
notwithstanding section 121.93 of the Revised Code, it is so 105  
relying. The request shall specify the time and place at which a 106  
designee of the agency is to appear before the joint committee 107

to address, and to answer the joint committee's questions 108  
concerning, the agency's reliance. The date set for the 109  
appearance shall be not earlier than thirty days after the joint 110  
committee transmits the request to the agency. The joint 111  
committee shall transmit the request to the agency 112  
electronically. The joint committee also shall publish the 113  
request on its web site, as part of the relevant meeting agenda, 114  
and shall indicate in conjunction with the published request 115  
that any person is invited to appear before the joint committee 116  
when the agency appears to offer and make comments to the joint 117  
committee concerning the agency's reliance. 118

Upon receiving the request, the agency shall designate a 119  
suitable agency officer or employee to appear on behalf of the 120  
agency before the joint committee as directed in the request. 121  
The agency electronically shall notify the joint committee of 122  
the name, title, telephone number, and electronic mail address 123  
of the officer or employee who has been designated to appear 124  
before the joint committee in response to the request. 125

Upon appearing before the joint committee, the agency's 126  
designee shall address why the agency is relying upon a 127  
principle of law or policy that, notwithstanding section 121.93 128  
of the Revised Code, has not been supplanted by its restatement 129  
in a rule. The members of the joint committee may question the 130  
agency's designee concerning the agency's reliance. Any person 131  
may offer and make comments to the joint committee concerning 132  
the agency's reliance. 133

After the appearance has concluded, the joint committee, 134  
by vote of a majority of its members, in writing may recommend 135  
to the agency that it supplant the principle of law or policy 136  
that it is relying upon by its restatement in a rule. The joint 137

committee shall support its recommendation with a brief 138  
rationale of why, under section 121.93 of the Revised Code, the 139  
principle of law or policy should be supplanted by its 140  
restatement in a rule. The joint committee shall transmit the 141  
recommendation electronically to the agency. 142

After receiving the recommendation from the joint 143  
committee, the agency shall commence the rule-making process as 144  
soon as it is reasonably feasible to do so, but not later than 145  
the date that is six months after the recommendation was 146  
received. The principle of law or policy as it is restated in a 147  
rule does not need to be wholly congruent with the supplanted 148  
principle of law or policy. The agency lawfully may improve or 149  
develop further the supplanted principle of law or policy as it 150  
is restated in a rule. 151

The agency may continue to rely upon the principle of law 152  
or policy, but only while it is complying with the preceding 153  
paragraph. The agency may not rely upon the principle of law or 154  
policy in advising with regard to or in determining the rights 155  
or liabilities of a person if the agency fails to commence the 156  
rule-making process by the deadline specified in the preceding 157  
paragraph, or if, after commencing the rule-making process, the 158  
agency neglects or abandons the rule-making process before it is 159  
completed. 160

**Sec. 101.353.** If the joint committee on agency rule review 161  
becomes aware, such as through its own inquiries or by receiving 162  
complaints from interested parties or stakeholders, that an 163  
agency subject to its jurisdiction is required expressly or 164  
impliedly by a statute to adopt a rule but appears neither to 165  
have done so nor to have commenced the rule-making process, the 166  
chairperson of the joint committee, in the chairperson's sole 167

discretion, may request the agency to appear before the joint 168  
committee to address its apparent dereliction. The request shall 169  
specify the time and place at which a designee of the agency is 170  
to appear before the joint committee to address, and answer the 171  
joint committee's questions concerning, the agency's apparent 172  
dereliction. The request shall identify the statute that 173  
expressly or impliedly requires rule-making and that apparently 174  
has not been complied with. The joint committee shall transmit 175  
the request to the agency electronically. The joint committee 176  
also shall publish the request on its web site, and shall 177  
indicate in conjunction with the published request that any 178  
person is invited to appear before the joint committee when the 179  
agency appears to offer and make comments to the joint committee 180  
concerning the agency's apparent dereliction. 181

Upon receiving the request, the agency shall designate a 182  
suitable agency officer or employee to appear on behalf of the 183  
agency before the joint committee as directed in the request. 184  
The agency electronically shall notify the joint committee of 185  
the name, title, telephone number, and electronic mail address 186  
of the officer or employee who has been designated to appear 187  
before the joint committee in response to the request. 188

Upon appearing before the joint committee, the agency's 189  
designee shall address why the agency apparently has neither 190  
adopted a rule nor commenced the rule-making process as 191  
expressly or impliedly required by the statute. The members of 192  
the joint committee may question the agency's designee 193  
concerning the agency's apparent dereliction. Any person may 194  
offer and make comments to the joint committee concerning the 195  
agency's apparent dereliction. 196

After the appearance has concluded, the joint committee, 197

by vote of a majority of its members, in writing may advise the 198  
agency to commence rule-making proceedings under the statute, as 199  
soon as it is reasonably feasible for the agency to do so. The 200  
joint committee shall transmit the advisory electronically to 201  
the agency. The joint committee also shall publish the advisory 202  
on its web site. 203

**Sec. 103.05.** (A) The director of the legislative service 204  
commission shall be the codifier of the rules of the 205  
administrative agencies of the state. When a rule is filed under 206  
section 111.15, or 119.04, ~~4141.14, or 5703.14~~ of the Revised 207  
Code, the director or the director's designee shall examine the 208  
rule. If the rule is not numbered or if the numbering of the 209  
rule is not in conformity with the system established by the 210  
director, the director shall give the rule its proper number by 211  
designating the proper number on the left hand margin of the 212  
rule. The number shall be the official administrative code 213  
number of the rule. Any number so assigned shall be published in 214  
any publication of the administrative code. Rules of the 215  
administrative code shall be cited and referred to by such 216  
official numbers. 217

The legislative service commission shall, ~~pursuant to~~ 218  
under section 111.15 of the Revised Code, adopt, amend, and 219  
rescind any rules that are necessary to provide a uniform 220  
administrative code; to provide standards for use by the 221  
director in determining whether to include in the administrative 222  
code the full text of, or a reference to, any rule filed with 223  
the commission; to permit the director to discharge the 224  
director's duties and exercise the director's powers as 225  
described in this section; and to permit the director to 226  
discharge the director's duties and exercise the director's 227  
powers with respect to establishing and maintaining, and 228

enhancing and improving, the electronic rule-filing system under 229  
section 103.0511 of the Revised Code. 230

When the commission adopts rules to provide standards for 231  
use by the director in determining whether to include the full 232  
text of, or a reference to, a rule in the administrative code, 233  
it shall require the director to consider all of the following: 234

(1) Whether the rule applies uniformly to all citizens of 235  
the state; 236

(2) Whether the rule applies uniformly to all political 237  
subdivisions of the state; 238

(3) Whether the rule affects the health, welfare, and 239  
safety of the citizens of the state; 240

(4) Whether the rule applies only to the internal affairs 241  
of the agency adopting the rule; 242

(5) The number of persons affected by the rule; 243

(6) Whether the rule affects the statutory or 244  
constitutional rights of any person. 245

The director or the director's designee shall accept any 246  
rule that is filed under section 111.15, or 119.04, ~~4141.14, or~~ 247  
~~5703.14~~ of the Revised Code. If the director or the director's 248  
designee accepts a rule that is not in compliance with the rules 249  
of the commission, the director shall give notice of the 250  
noncompliance in electronic form to the agency that filed the 251  
rule within thirty days after the date on which the rule is 252  
filed. The notice shall indicate why the rule does not comply 253  
with the rules of the commission and how the rule can be brought 254  
into compliance. The failure of the director to give an agency 255  
notice within the thirty-day period ~~shall~~ presumptively 256

(C) The director may prepare and publish the code, or	282
contract with any person under this division to prepare and	283
publish the code. Any code published under this division shall	284

include all of the requirements of division (B) of this section. 285  
In addition, the director shall furnish any code or supplement 286  
published under this division to any person who requests the 287  
code or supplement upon payment of a charge established by the 288  
director, not to exceed the cost of preparation and publication. 289

Upon the request of the director of the legislative 290  
service commission under this division, the director of 291  
administrative services, in accordance with the competitive 292  
selection procedure of Chapter 125. of the Revised Code, shall 293  
let a contract for the compilation, preparation, and printing or 294

commission shall establish and maintain, and enhance and 297

rule-making and rule-related documents to be filed, and official 318  
responses to these filings to be made, exclusively by electronic 319  
means. 320

**Sec. 106.021.** If, upon reviewing a proposed rule or 321  
revised proposed rule, the joint committee on agency rule review 322  
makes any of the following findings with regard to the proposed 323  
rule or revised proposed rule, the joint committee may recommend 324  
to the senate and house of representatives the adoption of a 325

(1) "Agency" has the meaning defined in section 106.01 of 369  
the Revised Code. 370

(2) "Rule" includes the adoption, amendment, or rescission 371

of a rule. 372

(3) "Proposed rule" means the original version of a 373  
proposed rule, and each revised version of the same proposed 374

review under division (D) of section 111.15 or division (C) of 376  
section 119.03 of the Revised Code. 377

(B) An agency shall prepare, on the form designed by the 378

section 119.03 of the Revised Code. 382

agency intends to amplify or implement by adopting the proposed 399  
rule; 400

(4) An estimate, in dollars, of the amount by which the proposed rule would increase or decrease revenues or expenditures during the current biennium;

(5) A citation identifying the appropriation that authorizes each expenditure that would be necessitated by the proposed rule;

(6) A summary of the estimated cost of compliance with the rule to all directly affected persons;

(7) The reasons why the rule is being proposed;

(8) If the rule has a fiscal effect on school districts, counties, townships, or municipal corporations, an estimate in dollars of the cost of compliance with the rule, or, if dollar amounts cannot be determined, a written explanation of why it was not possible to ascertain dollar amounts;

(9) If the rule has a fiscal effect on school districts, counties, townships, or municipal corporations and is the result of a federal requirement, a clear explanation that the proposed state rule does not exceed the scope and intent of the requirement, or, if the state rule does exceed the minimum necessary federal requirement, a justification of the excess cost, and an estimate of the costs, including those costs for local governments, exceeding the federal requirement;

(10) If the rule has a fiscal effect on school districts, counties, townships, or municipal corporations, a comprehensive cost estimate that includes the procedure and method of calculating the costs of compliance and identifies major cost categories including personnel costs, new equipment or other capital costs, operating costs, and indirect central service costs related to the rule. The fiscal analysis shall also

include a written explanation of the agency's and the affected 430  
local government's ability to pay for the new requirements and a 431  
statement of any impact the rule will have on economic 432  
development. 433

(11) If the rule incorporates a text or other material by 434  
reference, and the agency claims the incorporation by reference 435  
is exempt from compliance with sections 121.71 to 121.74 of the 436  
Revised Code ~~because the text or other material is generally~~ 437  
~~available to persons who reasonably can be expected to be~~ 438  
~~affected by the rule, an explanation of how the text or other~~ 439  
~~material is generally available to those persons;~~ 440

~~(12) If the rule incorporates a text or other material by~~ 441  
~~reference, and it was infeasible for the agency to file the text~~ 442  
~~or other material electronically, an explanation of why filing~~ 443  
~~the text or other material electronically was infeasible;~~ 444

~~(13) If the rule is being rescinded and incorporates a~~ 445  
~~text or other material by reference, and it was infeasible for~~ 446  
~~the agency to file the text or other material, an explanation of~~ 447  
~~why filing the text or other material was infeasible~~ on grounds 448  
the incorporated text or other material has one or more of the 449  
characteristics described in division (B) of section 121.75 of 450  
the Revised Code, an explanation of how the incorporated text or 451  
other material is exempted under that division; 452

(12) If the rule imposes a fee, an explanation of how the 453  
fee directly relates to the cost actually incurred by the agency 454  
in performing the function for which the fee is charged. 455

The rule summary and fiscal analysis form, instead of or 456  
in addition to the foregoing, may solicit any other information 457  
the joint committee on agency rule review considers necessary to 458

make the proposed rule or the fiscal effect of the proposed rule 459  
fully understandable. 460

(C) The agency shall file the rule summary and fiscal 461  
analysis in electronic form along with the proposed rule that it 462  
files under division (D) of section 111.15 or divisions (B) and 463  
(C) of section 119.03 of the Revised Code. The joint committee 464  
on agency rule review shall not accept any proposed rule for 465  
filing unless a copy of the rule summary and fiscal analysis of 466  
the proposed rule, completely and accurately prepared, is filed 467  
along with the proposed rule. 468

(D) The joint committee on agency rule review shall review 469  
the fiscal effect of each proposed rule that is filed under 470  
division (D) of section 111.15 or division (C) of section 119.03 471  
of the Revised Code. 472

**Sec. 106.03.** Prior to the review date of an existing rule, 473  
the agency that adopted the rule shall do both of the following: 474

(A) Review the rule to determine all of the following: 475

(1) Whether the rule should be continued without 476  
amendment, be amended, or be rescinded, taking into 477  
consideration the purpose, scope, and intent of the statute 478  
under which the rule was adopted; 479

(2) Whether the rule needs amendment or rescission to give 480  
more flexibility at the local level; 481

(3) Whether the rule needs amendment or rescission to 482  
eliminate unnecessary paperwork; 483

(4) Whether the rule incorporates a text or other material 484  
by reference and, if so, ~~whether the text or other material~~ 485  
~~incorporated by reference is deposited or displayed as required~~ 486

~~by section 121.74 of the Revised Code and whether the~~ 487  
~~incorporation by reference meets the standards stated in~~ 488  
~~sections 121.72, 121.75, and 121.76 of the Revised Code; :~~ 489

(a) Whether the citation accompanying the incorporation by 490  
reference is such as reasonably would enable a reasonable person 491  
to whom the rule applies readily and without charge to find and 492  
inspect the incorporated text or other material; 493

(b) Whether the citation accompanying the incorporation by 494  
reference is such as reasonably would enable the joint committee 495  
on agency rule review readily and without charge to find and 496  
inspect the incorporated text or other material; and 497

(c) If the rule has been exempted in whole or in part from 498  
sections 121.71 to 121.74 of the Revised Code on grounds the 499  
incorporated text or other material has one or more of the 500  
characteristics described in division (B) of section 121.75 of 501  
the Revised Code, whether the incorporated text or other 502  
material actually has any of those characteristics. 503

(5) Whether the rule duplicates, overlaps with, or 504  
conflicts with other rules; 505

(6) Whether the rule has an adverse impact on businesses, 506  
as determined under section 107.52 of the Revised Code; 507

(7) Whether the rule contains words or phrases having 508  
meanings that in contemporary usage are understood as being 509  
derogatory or offensive; and 510

(8) Whether the rule requires liability insurance, a bond, 511  
or any other financial responsibility instrument as a condition 512  
of licensure. 513

In making its review, the agency shall consider the 514

continued need for the rule, the nature of any complaints or 515  
comments received concerning the rule, and any relevant factors 516  
that have changed in the subject matter area affected by the 517  
rule. 518

(B) On the basis of its review of the existing rule, the 519  
agency shall determine whether the existing rule needs to be 520  
amended or rescinded. 521

(1) If the existing rule needs to be amended or rescinded, 522  
the agency, on or before the review date of the existing rule, 523  
shall commence the process of amending or rescinding the 524  
existing rule in accordance with its review of the rule. 525

(2) If the existing rule does not need to be amended or 526  
rescinded, proceedings shall be had under section 106.031 of the 527  
Revised Code. 528

Upon the request of the agency that adopted an existing 529  
rule, the joint committee on agency rule review may extend the 530  
review date of the rule to a date that is not later than one 531  
hundred eighty days after the review date assigned to the rule 532  
by the agency. Not more than two such extensions may be allowed. 533

**Sec. 106.031.** If an agency, on the basis of its review of 534  
a rule under section 106.03 of the Revised Code, determines that 535  
the rule does not need to be amended or rescinded, proceedings 536  
shall be had as follows: 537

(A) (1) If, considering only the standard of review 538  
specified in division (A) (6) of section 106.03 of the Revised 539  
Code, the rule has an adverse impact on businesses, the agency 540  
shall prepare a business impact analysis that describes its 541  
review of the rule under that division and that explains why the 542  
regulatory intent of the rule justifies its adverse impact on 543

businesses. If the rule does not have an adverse impact on 544  
businesses, the agency may proceed under division (B) of this 545  
section. 546

(2) The agency shall transmit a copy of the full text of 547  
the rule and the business impact analysis electronically to the 548  
common sense initiative office. The office shall make the rule 549  
and analysis available to the public on its web site under 550  
section 107.62 of the Revised Code. 551

(3) The agency shall consider any recommendations made by 552  
the office. 553

(4) Not earlier than the sixteenth business day after 554  
transmitting the rule and analysis to the office, the agency 555  
shall either (a) proceed under divisions (A) (5) and (B) of this 556  
section or (b) commence, under division (B) (1) of section 106.03 557  
of the Revised Code, the process of rescinding the rule or of 558  
amending the rule to incorporate into the rule features the 559  
recommendations suggest will eliminate or reduce the adverse 560  
impact the rule has on businesses. If the agency determines to 561  
amend or rescind the rule, the agency is not subject to the time 562  
limit specified in division (B) (1) of section 106.03 of the 563  
Revised Code. 564

(5) If the agency receives recommendations from the 565  
office, and determines not to amend or rescind the rule, the 566  
agency shall prepare a memorandum of response that explains why 567  
the rule is not being rescinded or why the recommendations are 568  
not being incorporated into the rule. 569

(B) The agency shall assign a new review date to the rule. 570  
The review date assigned shall be not later than five years 571  
after the immediately preceding review date pertaining to the 572

rule. If the agency assigns a review date that exceeds the five- 573  
year maximum, the review date is five years after the 574  
immediately preceding review date. The immediately preceding 575  
review date includes the date of the review of a rule under 576  
section 106.032 of the Revised Code. 577

(C) (1) The agency shall file all the following, in 578  
electronic form, with the joint committee on agency rule review, 579  
the secretary of state, and the director of the legislative 580  
service commission: a copy of the rule specifying its new review 581  
date, a complete and accurate rule summary and fiscal analysis, 582  
and, if relevant, a business impact analysis of the rule, any 583  
recommendations received from the common sense initiative 584  
office, and any memorandum of response. 585

(2) Subject to section 106.05 of the Revised Code, the 586  
joint committee does not have jurisdiction to review, and shall 587  
reject, the filing of a rule under division (C) (1) of this 588  
section if, at any time while the rule is in its possession, it 589  
discovers that the rule has an adverse impact on businesses and 590  
the agency has not complied with division (A) of this section. 591  
The joint committee shall electronically return a rule that is 592  
rejected to the agency, together with any documents that were 593  
part of the filing. Such a rejection does not preclude the 594  
agency from refileing the rule under division (C) (1) of this 595  
section after complying with division (A) of this section. When 596  
the filing of a rule is rejected under this division, it is as 597  
if the filing had not been made. 598

(D) The joint committee shall publish notice of the 599  
agency's determination not to amend or rescind the rule in the 600  
register of Ohio for four consecutive weeks after the rule is 601  
filed under division (C) of this section. 602

(E) During the ninety-day period after a rule is filed 603  
under division (C) of this section, but after the four-week 604  
notice period required by division (D) of this section has 605  
ended, the joint committee may recommend to the senate and house 606  
of representatives the adoption of a concurrent resolution 607  
invalidating the rule if the joint committee finds any of the 608  
following: 609

(1) The agency improperly applied the standards in 610  
division (A) of section 106.03 of the Revised Code in reviewing 611  
the rule and in determining that the rule did not need amendment 612  
or rescission. 613

(2) The rule has an adverse impact on businesses, and the 614  
agency has failed to demonstrate through a business impact 615  
analysis, recommendations from the common sense initiative 616  
office, and a memorandum of response that the regulatory intent 617  
of the rule justifies its adverse impact on businesses. 618

(3) If the rule incorporates a text or other material by 619  
~~reference, the agency failed to file, or to deposit or display,~~ 620  
~~the text or other material incorporated by reference as required~~ 621  
~~by section 121.73 or 121.74 of the Revised Code or the~~ 622  
~~incorporation by reference fails to meet the standards stated in~~ 623  
~~sections 121.72, 121.75, and 121.76 of the Revised Code~~ any of 624  
the following applies: 625

(a) The citation accompanying the incorporation by 626  
reference is not such as reasonably would enable a reasonable 627  
person to whom the rule applies readily and without charge to 628  
find and inspect the incorporated text or other material; 629

(b) The citation accompanying the incorporation by 630  
reference is not such as reasonably would enable the joint 631

committee readily and without charge to find and inspect the 632  
incorporated text or other material; or 633

(c) The rule has been exempted in whole or in part from 634  
sections 121.71 to 121.74 of the Revised Code on grounds the 635  
incorporated text or other material has one or more of the 636  
characteristics described in division (B) of section 121.75 of 637  
the Revised Code, but the incorporated text or other material 638  
actually does not have any of those characteristics. 639

If the agency fails to comply with section 106.03 or 640  
106.031 of the Revised Code, the joint committee shall afford 641  
the agency an opportunity to appear before the joint committee 642  
to show cause why the agency has not complied with either or 643  
both of those sections. If the agency appears before the joint 644  
committee at the time scheduled for the agency to show cause, 645  
and fails to do so, the joint committee, by vote of a majority 646  
of its members present, may recommend the adoption of a 647  
concurrent resolution invalidating the rule for the agency's 648  
failure to show cause. Or if the agency fails to appear before 649  
the joint committee at the time scheduled for the agency to show 650  
cause, the joint committee, by vote of a majority of its members 651  
present, may recommend adoption of a concurrent resolution 652  
invalidating the rule for the agency's default. 653

When the joint committee recommends that a rule be 654  
invalidated, the recommendation does not suspend operation of 655  
the rule, and the rule remains operational pending action by the 656  
senate and house of representatives on the concurrent resolution 657  
embodying the recommendation. If the senate and house of 658  
representatives adopt the concurrent resolution, the rule is 659  
invalid. If, however, the senate and house of representatives do 660  
not adopt the resolution, the rule continues in effect, and 661

shall next be reviewed according to the new review date assigned 662  
to the rule. 663

Sec. 106.032. If the chairperson of the joint committee on 664  
agency rule review becomes aware that an existing rule has had 665  
or is having an unintended or unexpected effect on businesses 666  
that is not reasonably within the express or implied scope of 667  
the statute under which the existing rule purportedly was 668  
adopted, the chairperson may move that the joint committee order 669  
the agency that is administering the existing rule to submit the 670  
existing rule for review under section 106.031 of the Revised 671  
Code, the same as if the agency had made a determination with 672  
regard to the existing rule under division (B)(2) of section 673  
106.03 of the Revised Code. The joint committee may adopt the 674  
motion by vote of a majority of its members. The joint committee 675  
shall not adopt a motion under this paragraph for a rule if the 676  
joint committee previously has adopted a motion under this 677  
paragraph for the same rule within the immediately preceding 678  
five-year period. 679

The joint committee shall prepare the order in writing, 680  
and shall transmit the order electronically to the agency. The 681  
joint committee also shall transmit a copy of the order 682  
electronically to the director of the legislative service 683  
commission and to the common sense initiative office. The joint 684  
committee shall indicate in the order the date on which the 685  
order is transmitted. The director shall publish the order in 686  
the register of Ohio. 687

Upon receiving the order, the agency shall comply with the 688  
order as soon as reasonably possible, but shall commence 689  
compliance with the order not later than thirty days after the 690  
date on which the order was transmitted. 691

When an agency complies with the order, proceedings are to 692  
be had with regard to the existing rule under section 106.031 of 693  
the Revised Code, the same as if the agency had made a 694  
determination with regard to the existing rule under division 695  
(B) (2) of section 106.03 of the Revised Code. In addition to the 696  
standards of review stated in division (E) of section 106.031 of 697  
the Revised Code, the joint committee may recommend to the 698  
senate and house of representatives the adoption of a concurrent 699  
resolution invalidating the existing rule if the joint committee 700  
finds that the existing rule has an unintended or unexpected 701  
effect on businesses that is not reasonably within the express 702  
or implied scope of the statute under which the agency 703  
purportedly adopted the existing rule. 704

**Sec. 107.52.** A draft or existing rule that affects 705  
businesses has an adverse impact on businesses if a provision of 706  
the draft or existing rule that applies to businesses has any of 707  
the following effects: 708

(A) It requires a license, permit, or any other prior 709  
authorization to engage in or operate a line of business; 710

(B) It imposes a criminal penalty, a civil penalty, or 711  
another sanction, or creates a cause of action, for failure to 712  
comply with its terms; ~~or~~ 713

(C) It requires specific expenditures or the report of 714  
information as a condition of compliance; or 715

(D) It would be likely to directly reduce the revenue or 716  
increase the expenses of the lines of business to which it will 717  
apply or applies. 718

**Sec. 111.15.** (A) As used in this section: 719

(1) "Rule" includes any rule, regulation, bylaw, or 720

standard having a general and uniform operation adopted by an 721  
agency under the authority of the laws governing the agency; any 722  
appendix to a rule; and any internal management rule. "Rule" 723  
does not include any guideline adopted pursuant to section 724  
3301.0714 of the Revised Code, any order respecting the duties 725  
of employees, any finding, any determination of a question of 726  
law or fact in a matter presented to an agency, or any rule 727  
promulgated pursuant to Chapter 119. or division (C)(1) or (2) 728  
of section 5117.02 of the Revised Code. "Rule" includes any 729  
amendment or rescission of a rule. 730

(2) "Agency" means any governmental entity of the state 731  
and includes, but is not limited to, any board, department, 732  
division, commission, bureau, society, council, institution, 733  
state college or university, community college district, 734  
technical college district, or state community college. "Agency" 735  
does not include the general assembly, the controlling board, 736  
the adjutant general's department, or any court. 737

(3) "Internal management rule" means any rule, regulation, 738  
bylaw, or standard governing the day-to-day staff procedures and 739  
operations within an agency. 740

(B)(1) Any rule, other than a rule of an emergency nature, 741  
adopted by any agency pursuant to this section shall be 742  
effective on the tenth day after the day on which the rule in 743  
final form and in compliance with division (B)(3) of this 744  
section is filed as follows: 745

(a) The rule shall be filed in electronic form with both 746  
the secretary of state and the director of the legislative 747  
service commission; 748

(b) The rule shall be filed in electronic form with the 749

joint committee on agency rule review. Division (B) (1) (b) of 750  
this section does not apply to any rule to which division (D) of 751  
this section does not apply. 752

An agency that adopts or amends a rule that is subject to 753  
division (D) of this section shall assign a review date to the 754  
rule that is not later than five years after its effective date. 755  
If a review date assigned to a rule exceeds the five-year 756  
maximum, the review date for the rule is five years after its 757  
effective date. A rule with a review date is subject to review 758  
under section 106.03 of the Revised Code. This paragraph does 759  
not apply to a rule of a state college or university, community 760  
college district, technical college district, or state community 761  
college. 762

If an agency in adopting a rule designates an effective 763  
date that is later than the effective date provided for by 764  
division (B) (1) of this section, the rule if filed as required 765  
by such division shall become effective on the later date 766  
designated by the agency. 767

Any rule that is required to be filed under division (B) 768  
(1) of this section is also subject to division (D) of this 769  
section if not exempted by that division. 770

If a rule incorporates a text or other material by 771  
reference, the agency shall comply with sections 121.71 to 772  
~~121.76~~121.75 of the Revised Code. 773

(2) A rule of an emergency nature necessary for the 774  
immediate preservation of the public peace, health, or safety 775  
shall state the reasons for the necessity. The emergency rule, 776  
in final form and in compliance with division (B) (3) of this 777  
section, shall be filed in electronic form with the secretary of 778

state, the director of the legislative service commission, and 779  
the joint committee on agency rule review. The emergency rule is 780  
effective immediately upon completion of the latest filing, 781  
except that if the agency in adopting the emergency rule 782  
designates an effective date, or date and time of day, that is 783  
later than the effective date and time provided for by division 784  
(B) (2) of this section, the emergency rule if filed as required 785  
by such division shall become effective at the later date, or 786  
later date and time of day, designated by the agency. 787

An emergency rule becomes invalid at the end of the one 788  
hundred twentieth day it is in effect. Prior to that date, the 789  
agency may file the emergency rule as a nonemergency rule in 790  
compliance with division (B) (1) of this section. The agency may 791  
not refile the emergency rule in compliance with division (B) (2) 792  
of this section so that, upon the emergency rule becoming 793  
invalid under such division, the emergency rule will continue in 794  
effect without interruption for another one hundred twenty-day 795  
period. 796

(3) An agency shall file a rule under division (B) (1) or 797  
(2) of this section in compliance with the following standards 798  
and procedures: 799

(a) The rule shall be numbered in accordance with the 800  
numbering system devised by the director for the Ohio 801  
administrative code. 802

(b) The rule shall be prepared and submitted in compliance 803  
with the rules of the legislative service commission. 804

(c) The rule shall clearly state the date on which it is 805  
to be effective and the date on which it will expire, if known. 806

(d) Each rule that amends or rescinds another rule shall 807

clearly refer to the rule that is amended or rescinded. Each 808  
amendment shall fully restate the rule as amended. 809

If the director of the legislative service commission or 810  
the director's designee gives an agency notice pursuant to 811  
section 103.05 of the Revised Code that a rule filed by the 812  
agency is not in compliance with the rules of the legislative 813  
service commission, the agency shall within thirty days after 814  
receipt of the notice conform the rule to the rules of the 815  
commission as directed in the notice. 816

(C) All rules filed pursuant to divisions (B) (1) (a) and 817  
(2) of this section shall be recorded by the secretary of state 818  
and the director under the title of the agency adopting the rule 819  
and shall be numbered according to the numbering system devised 820  
by the director. The secretary of state and the director shall 821  
preserve the rules in an accessible manner. Each such rule shall 822  
be a public record open to public inspection and may be 823  
transmitted to any law publishing company that wishes to 824  
reproduce it. 825

(D) At least sixty-five days before a board, commission, 826  
department, division, or bureau of the government of the state 827  
files a rule under division (B) (1) of this section, it shall 828  
file the full text of the proposed rule in electronic form with 829  
the joint committee on agency rule review, and the proposed rule 830  
is subject to legislative review and invalidation under section 831

department, division, or bureau also shall file the business 844  
impact analysis, any recommendations received from the common 845  
sense initiative office, and the associated memorandum of 846  
response, if any, in electronic form along with the proposed 847  
rule, or the proposed rule in revised form, that is filed under 848  
this division. 849

A proposed rule that is subject to legislative review 850  
under this division may not be adopted and filed in final form 851  
under division (B)(1) of this section unless the proposed rule 852  
has been filed with the joint committee on agency rule review 853

to which the rule was adopted expires, is repealed or rescinded, 893  
or otherwise terminates, the rule is thereafter subject to 894  
legislative review under division (D) of this section. 895

Whenever a state board, commission, department, division, 896

a hearing, in the form the agency determines. The agency shall 912  
file copies of the public notice under division (B) of this 913

The public notice shall include: 917

(1) A statement of the agency's intention to consider 918  
adopting, amending, or rescinding a rule; 919

The agency shall provide a copy of the public notice required under division (A) of this section to any person who requests it and pays a reasonable fee, not to exceed the cost of copying and mailing.

(B) The full text of the proposed rule, amendment, or rule to be rescinded, accompanied by the public notice required under division (A) of this section, shall be filed in electronic form with the secretary of state and with the director of the legislative service commission. (If in compliance with this division an agency files more than one proposed rule, amendment, or rescission at the same time, and has prepared a public notice under division (A) of this section that applies to more than one of the proposed rules, amendments, or rescissions, the agency shall file only one notice with the secretary of state and with the director for all of the proposed rules, amendments, or rescissions to which the notice applies.) The proposed rule, amendment, or rescission and public notice shall be filed as required by this division at least sixty-five days prior to the date on which the agency, in accordance with division (E) of this section, issues an order adopting the proposed rule, amendment, or rescission.

The proposed rule, amendment, or rescission shall be 959  
available for at least thirty days prior to the date of the 960  
hearing at the office of the agency in printed or other legible 961  
form without charge to any person affected by the proposal. 962  
Failure to furnish such text to any person requesting it shall 963  
not invalidate any action of the agency in connection therewith. 964

If the agency files a revision in the text of the proposed 965  
rule, amendment, or rescission, it shall also promptly file the 966  
full text of the proposed rule, amendment, or rescission in its 967  
revised form in electronic form with the secretary of state and 968  
with the director of the legislative service commission. 969

The agency shall file the rule summary and fiscal analysis 970  
prepared under section ~~127.18~~106.024 of the Revised Code in 971  
electronic form along with a proposed rule, amendment, or 972  
rescission or proposed rule, amendment, or rescission in revised 973  
form that is filed with the secretary of state or the director 974  
of the legislative service commission. 975

The agency shall file the hearing report relating to a 976  
proposed rule, amendment, or rescission in electronic form with 977  
the secretary of state and the director of the legislative 978  
service commission at the same time the agency files the hearing 979  
report with the joint committee on agency rule review. 980

The director of the legislative service commission shall 981  
publish in the register of Ohio the full text of the original 982  
and each revised version of a proposed rule, amendment, or 983

rescission; the full text of a public notice; the full text of a rule summary and fiscal analysis; and the full text of a hearing report that is filed with the director under this division.

(C) When an agency files a proposed rule, amendment, or rescission under division (B) of this section, it also shall file in electronic form with the joint committee on agency rule review the full text of the proposed rule, amendment, or rule to be rescinded in the same form and the public notice required under division (A) of this section. (If in compliance with this division an agency files more than one proposed rule, amendment, or rescission at the same time, and has given a public notice under division (A) of this section that applies to more than one of the proposed rules, amendments, or rescissions, the agency shall file only one notice with the joint committee for all of the proposed rules, amendments, or rescissions to which the notice applies.) The proposed rule, amendment, or rescission is subject to legislative review and invalidation under sections 106.02, 106.021, and 106.022 of the Revised Code. If the agency makes a revision in a proposed rule, amendment, or rescission after it is filed with the joint committee, the agency promptly shall file the full text of the proposed rule, amendment, or rescission in its revised form in electronic form with the joint committee.

An agency shall file the rule summary and fiscal analysis prepared under section ~~127.18~~106.024 of the Revised Code in electronic form along with a proposed rule, amendment, or rescission, and along with a proposed rule, amendment, or rescission in revised form, that is filed under this division.

If a proposed rule, amendment, or rescission has an adverse impact on businesses, the agency also shall file the

business impact analysis, any recommendations received from the 1014  
common sense initiative office, and the agency's memorandum of 1015  
response, if any, in electronic form along with the proposed 1016  
rule, amendment, or rescission, or along with the proposed rule, 1017  
amendment, or rescission in revised form, that is filed under 1018  
this division. 1019

The agency shall file the hearing report in electronic 1020  
form with the joint committee before the joint committee holds 1021  
its public hearing on the proposed rule, amendment, or 1022  
rescission. The filing of a hearing report does not constitute a 1023  
revision of the proposed rule, amendment, or rescission to which 1024  
the hearing report relates. 1025

If the proposed rule, amendment, or rescission requires 1026  
liability insurance, a bond, or any other financial 1027  
responsibility instrument as a condition of licensure, the 1028  
agency shall conduct a diligent search to determine if the 1029  
liability insurance, bond, or other financial responsibility 1030  
instrument is readily available in the amounts required as a 1031  
condition of licensure, and shall certify to the joint committee 1032  
that the search was conducted. 1033

A proposed rule, amendment, or rescission that is subject 1034  
to legislative review under this division may not be adopted 1035  
under division (E) of this section or filed in final form under 1036  
section 119.04 of the Revised Code unless the proposed rule, 1037  
amendment, or rescission has been filed with the joint committee 1038  
on agency rule review under this division and the time for 1039  
legislative review of the proposed rule, amendment, or 1040  
rescission has expired without adoption of a concurrent 1041  
resolution to invalidate the proposed rule, amendment, or 1042  
rescission. 1043

This division does not apply to: 1044

(1) An emergency rule, amendment, or rescission; 1045

(2) A proposed rule, amendment, or rescission that must be 1046  
adopted verbatim by an agency pursuant to federal law or rule, 1047  
to become effective within sixty days of adoption, in order to 1048  
continue the operation of a federally reimbursed program in this 1049  
state, so long as the proposed rule contains both of the 1050  
following: 1051

(a) A statement that it is proposed for the purpose of 1052  
complying with a federal law or rule; 1053

(b) A citation to the federal law or rule that requires 1054  
verbatim compliance. 1055

If a rule or amendment is exempt from legislative review 1056  
under division (C) (2) of this section, and if the federal law or 1057  
rule pursuant to which the rule or amendment was adopted 1058  
expires, is repealed or rescinded, or otherwise terminates, the 1059  
rule or amendment, or its rescission, is thereafter subject to 1060  
legislative review under division (C) of this section. 1061

(D) On the date and at the time and place designated in 1062  
the notice, the agency shall conduct a public hearing at which 1063  
any person affected by the proposed action of the agency may 1064  
appear and be heard in person, by the person's attorney, or 1065  
both, may present the person's position, arguments, or 1066  
contentions, orally or in writing, offer and examine witnesses, 1067  
and present evidence tending to show that the proposed rule, 1068  
amendment, or rescission, if adopted or effectuated, will be 1069  
unreasonable or unlawful. An agency may permit persons affected 1070  
by the proposed rule, amendment, or rescission to present their 1071  
positions, arguments, or contentions in writing, not only at the 1072

hearing, but also for a reasonable period before, after, or both 1073  
before and after the hearing. A person who presents a position 1074  
or arguments or contentions in writing before or after the 1075  
hearing is not required to appear at the hearing. 1076

At the hearing, the testimony shall be recorded. Such 1077  
record shall be made at the expense of the agency. The agency is 1078  
required to transcribe a record that is not sight readable only 1079  
if a person requests transcription of all or part of the record 1080  
and agrees to reimburse the agency for the costs of the 1081  
transcription. An agency may require the person to pay in 1082  
advance all or part of the cost of the transcription. 1083

In any hearing under this section the agency may 1084  
administer oaths or affirmations. 1085

The agency shall consider the positions, arguments, or 1086  
contentions presented at, or before or after, the hearing. The 1087  
agency shall prepare a hearing summary of the positions, 1088  
arguments, or contentions, and of the issues raised by the 1089  
positions, arguments, or contentions. The agency then shall 1090  
prepare a hearing report explaining, with regard to each issue, 1091  
how it is reflected in the rule, amendment, or rescission. If an 1092  
issue is not reflected in the rule, amendment, or rescission, 1093  
the hearing report shall explain why the issue is not reflected. 1094  
The agency shall include the hearing summary in the hearing 1095  
report as an appendix thereto. And, in the hearing report, the 1096  
agency shall identify the proposed rule, amendment, or 1097  
rescission to which the hearing report relates. 1098

(E) After divisions (A), (B), (C), and (D) of this section 1099  
have been complied with, and when the time for legislative 1100  
review under sections 106.02, 106.022, and 106.023 of the 1101  
Revised Code has expired without adoption of a concurrent 1102

resolution to invalidate the proposed rule, amendment, or 1103  
rescission, the agency may issue an order adopting the proposed 1104  
rule or the proposed amendment or rescission of the rule, 1105  
consistent with the synopsis or general statement included in 1106  
the public notice. At that time the agency shall designate the 1107  
effective date of the rule, amendment, or rescission, which 1108  
shall not be earlier than the tenth day after the rule, 1109  
amendment, or rescission has been filed in its final form as 1110  
provided in section 119.04 of the Revised Code. 1111

(F) Prior to the effective date of a rule, amendment, or 1112  
rescission, the agency shall make a reasonable effort to inform 1113  
those affected by the rule, amendment, or rescission and to have 1114  
available for distribution to those requesting it the full text 1115  
of the rule as adopted or as amended. 1116

(G) If the governor, upon the request of an agency, 1117  
determines that an emergency requires the immediate adoption, 1118  
amendment, or rescission of a rule, the governor shall issue an 1119  
order, the text of which shall be filed in electronic form with 1120  
the agency, the secretary of state, the director of the 1121  
legislative service commission, and the joint committee on 1122  
agency rule review, that the procedure prescribed by this 1123  
section with respect to the adoption, amendment, or rescission 1124  
of a specified rule is suspended. The agency may then adopt 1125  
immediately the emergency rule, amendment, or rescission and it 1126  
becomes effective on the date the rule, amendment, or 1127  
rescission, in final form and in compliance with division (A) (2) 1128  
of section 119.04 of the Revised Code, is filed in electronic 1129  
form with the secretary of state, the director of the 1130  
legislative service commission, and the joint committee on 1131  
agency rule review. The director shall publish the full text of 1132  
the emergency rule, amendment, or rescission in the register of 1133

Ohio. 1134

The emergency rule, amendment, or rescission shall become 1135  
invalid at the end of the one hundred twentieth day it is in 1136  
effect. Prior to that date the agency may adopt the emergency 1137  
rule, amendment, or rescission as a nonemergency rule, 1138  
amendment, or rescission by complying with the procedure 1139  
prescribed by this section for the adoption, amendment, and 1140  
rescission of nonemergency rules. The agency shall not use the 1141  
procedure of this division to readopt the emergency rule, 1142  
amendment, or rescission so that, upon the emergency rule, 1143  
amendment, or rescission becoming invalid under this division, 1144  
the emergency rule, amendment, or rescission will continue in 1145  
effect without interruption for another one-hundred-twenty-day 1146  
period, except when section 106.02 of the Revised Code prevents 1147  
the agency from adopting the emergency rule, amendment, or 1148  
rescission as a nonemergency rule, amendment, or rescission 1149  
within the one-hundred-twenty-day period. 1150

This division does not apply to the adoption of any 1151  
emergency rule, amendment, or rescission by the tax commissioner 1152  
under division (C) (2) of section 5117.02 of the Revised Code. 1153

(H) Rules adopted by an authority within the department of 1154  
job and family services for the administration or enforcement of 1155  
Chapter 4141. of the Revised Code or of the department of 1156  
taxation shall be effective without a hearing as provided by 1157  
this section if the statutes pertaining to such agency 1158  
specifically give a right of appeal to the board of tax appeals 1159  
or to a higher authority within the agency or to a court, and 1160  
also give the appellant a right to a hearing on such appeal. 1161  
This division does not apply to the adoption of any rule, 1162  
amendment, or rescission by the tax commissioner under division 1163

(C) (1) or (2) of section 5117.02 of the Revised Code, or deny 1164  
the right to file an action for declaratory judgment as provided 1165  
in Chapter 2721. of the Revised Code from the decision of the 1166  
board of tax appeals or of the higher authority within such 1167  
agency. 1168

**Sec. 121.39.** (A) As used in this section, "environmental 1169  
protection" means any of the following: 1170

(1) Protection of human health or safety, biological 1171  
resources, or natural resources by preventing, reducing, or 1172  
remediating the pollution or degradation of air, land, or water 1173  
resources or by preventing or limiting the exposure of humans, 1174  
animals, or plants to pollution; 1175

(2) Appropriation or regulation of privately owned 1176  
property to preserve air, land, or water resources in a natural 1177  
state or to wholly or partially restore them to a natural state; 1178

reduction, storage, or disposal of solid, hazardous, 1180  
radioactive, or other wastes; 1181

(4) Plans or programs to promote or regulate the 1182  
conservation, recycling, or reuse of energy, materials, or 1183  
wastes. 1184

(B) Except as otherwise provided in division (E) of this 1185  
section, when proposed legislation dealing with environmental 1186  
protection or containing a component dealing with environmental 1187  
protection is referred to a committee of the general assembly, 1188  
other than a committee on rules or reference, the sponsor of the 1189  
legislation, at the time of the first hearing of the legislation 1190  
before the committee, shall submit to the members of the 1191  
committee a written statement identifying either the 1192

documentation that is the basis of the legislation or the 1193  
federal requirement or requirements with which the legislation 1194  
is intended to comply. If the legislation is not based on 1195  
documentation or has not been introduced to comply with a 1196  
federal requirement or requirements, the written statement from 1197  
the sponsor shall so indicate. 1198

Also at the time of the first hearing of the legislation 1199  
before the committee, a statewide organization that represents 1200  
businesses in this state and that elects its board of directors 1201  
may submit to the members of the committee a written estimate of 1202  
the costs to the regulated community in this state of complying 1203  
with the legislation if it is enacted. 1204

At any hearing of the legislation before the committee, a 1205  
representative of any state agency, environmental advocacy 1206  
organization, or consumer advocacy organization or any private 1207  
citizen may present documentation containing an estimate of the 1208  
monetary and other costs to public health and safety and the 1209  
environment and to consumers and residential utility customers, 1210  
and the effects on property values, if the legislation is not 1211  
enacted. 1212

(C) Until such time as the statement required under 1213  
division (B) of this section is submitted to the committee to 1214  
which proposed legislation dealing with environmental protection 1215  
or containing a component dealing with environmental protection 1216  
was referred, the legislation shall not be reported by that 1217  
committee. This requirement does not apply if the component 1218  
dealing with environmental protection is removed from the 1219  
legislation or if two-thirds of the members of the committee 1220  
vote in favor of a motion to report the proposed legislation. 1221

(D) Except as otherwise provided in division (E) of this 1222

section, prior to adopting a rule or an amendment proposed to a 1223  
rule dealing with environmental protection or containing a 1224  
component dealing with environmental protection, a state agency 1225  
shall do all of the following: 1226

(1) Consult with organizations that represent political 1227  
subdivisions, environmental interests, business interests, and 1228  
other persons affected by the proposed rule or amendment; 1229

(2) Consider documentation relevant to the need for, the 1230  
environmental benefits or consequences of, other benefits of, 1231  
and the technological feasibility of the proposed rule or 1232  
amendment; 1233

(3) Specifically identify whether the proposed rule or 1234  
amendment is being adopted or amended to enable the state to 1235  
obtain or maintain approval to administer and enforce a federal 1236  
environmental law or to participate in a federal environmental 1237  
program, whether the proposed rule or amendment is more 1238  
stringent than its federal counterpart, and, if the proposed 1239  
rule or amendment is more stringent, the rationale for not 1240  
incorporating its federal counterpart; 1241

(4) Include with the proposed rule or amendment and the 1242  
rule summary and fiscal analysis required under section ~~127.18~~ 1243  
106.024 of the Revised Code, when they are filed with the joint 1244  
committee on agency rule review in accordance with division (D) 1245  
of section 111.15 or division (C) of section 119.03 of the 1246  
Revised Code, one of the following in electronic form, as 1247  
applicable: 1248

(a) The information identified under division (D) (3) of 1249  
this section and, if the proposed rule or amendment is more 1250  
stringent than its federal counterpart, as identified in that 1251

division, the documentation considered under division (D) (2) of 1252  
this section; 1253

(b) If an amendment proposed to a rule is being adopted or 1254  
amended under a state statute that establishes standards with 1255  
which the amendment shall comply, and the proposed amendment is 1256  
more stringent than the rule that it is proposing to amend, the 1257  
documentation considered under division (D) (2) of this section; 1258

(c) If division (D) (4) (a) or (b) of this section is not 1259  
applicable, the documentation considered under division (D) (2) 1260  
of this section. 1261

If the agency subsequently files a revision of such a 1262  
proposed rule or amendment in accordance with division (D) of 1263  
section 111.15 or division (C) of section 119.03 of the Revised 1264  
Code, the revision shall be accompanied in electronic form by 1265  
the applicable information or documentation. 1266

Division (D) of this section does not apply to any 1267  
emergency rule adopted under division (B) (2) of section 111.15 1268  
or division (G) of section 119.03 of the Revised Code, but does 1269  
apply to any such rule that subsequently is adopted as a 1270  
nonemergency rule under either of those divisions. 1271

The information or documentation submitted under division 1272  
(D) (4) of this section may be in the form of a summary or index 1273  
of available knowledge or information and shall consist of or be 1274  
based upon the best available generally accepted knowledge or 1275  
information in the appropriate fields, as determined by the 1276  
agency that prepared the documentation. 1277

(E) The statement required under division (B) and the 1278  
information or documentation required under division (D) of this 1279  
section need not be prepared or submitted with regard to a 1280

proposed statute or rule, or an amendment to a rule, if the 1281  
statute, rule, or amendment is procedural or budgetary in 1282  
nature, or governs the organization or operation of a state 1283  
agency, and will not affect the substantive rights or 1284  
obligations of any person other than a state agency or an 1285  
employee or contractor of a state agency. 1286

(F) The insufficiency, incompleteness, or inadequacy of a 1287  
statement, information, documentation, or a summary of 1288  
information or documentation provided in accordance with 1289  
division (B) or (D) of this section shall not be grounds for 1290  
invalidation of any statute, rule, or amendment to a rule. 1291

(G) This section applies only to the following: 1292

(1) Legislation and components of legislation dealing with 1293  
environmental protection that are introduced in the general 1294  
assembly after March 5, 1996; 1295

(2) Rules and rule amendments dealing with environmental 1296  
protection that are filed with the joint committee on agency 1297  
rule review in accordance with division (D) of section 111.15 or 1298  
division (C) of section 119.03 of the Revised Code after March 1299  
5, 1996. 1300

**Sec. 121.71.** As used in sections 121.71 to ~~121.76~~121.75 1301  
of the Revised Code: 1302

(A) "Agency" means an "agency" as defined in section 1303  
111.15 or 119.01 of the Revised Code. 1304

(B) "Rule" means a new rule or an amendment to an existing 1305  
rule. "Rule" includes an appendix ~~or an attachment~~ to a rule. 1306

**Sec. 121.72.** An agency incorporates a text or other 1307  
material into a rule by reference when it ~~states~~refers in the 1308

~~rule that a to the text or other material not contained in the~~ 1309  
~~rule is to be treated as if it were contained spelled out or~~ 1310  
~~otherwise reproduced in the rule. The agency shall explain in~~ 1311  
~~the rule how persons who reasonably can be expected to be~~ 1312  
~~affected by the rule can obtain copies of the text or other~~ 1313  
~~material that has been incorporated by reference. As part of the~~ 1314  
~~explanation, the agency shall state whether the incorporated~~ 1315  
~~text or other material is or is to be deposited in depository~~ 1316  
~~libraries or is or is to be displayed on a web site. If the text~~ 1317  
~~or other material incorporated by reference was, is, or~~ 1318  
~~reasonably can be expected to be subject to change, the agency,~~ 1319  
~~as part of the explanation, shall identify, and specify the date~~ 1320  
~~of, the particular edition or other version of the text or other~~ 1321  
~~material that is incorporated by reference. The agency shall~~ 1322  
~~accompany the incorporation by reference with a citation that~~ 1323  
~~provides information sufficient to enable a reasonable person to~~ 1324  
~~whom the rule applies readily and without charge to find and~~ 1325  
~~inspect the text or other material that has been incorporated by~~ 1326  
~~reference. The citation shall specify the date of the text or~~ 1327  
~~other material or identify a particular edition or version of~~ 1328  
~~the text or other material and, if available, the date of the~~ 1329  
~~particular edition or version. The citation may include a web~~ 1330  
~~site address to the text or other material and may include other~~ 1331  
~~information that will enable the text or other material to be~~ 1332  
~~found readily and without charge.~~ 1333

An agency that incorporates a text or other material by 1334  
reference into a rule is presumed to have incorporated by 1335  
reference a version of the text or other material that is in 1336  
existence at the time of its incorporation by reference. An 1337  
agency may not incorporate by reference a future version of the 1338  
text or other material that is not in existence at the time of 1339

its incorporation by reference. 1340

~~Sec. 121.73. As used in this section, "rule" has the same  
meaning as in section 121.71 of the Revised Code and also  
includes the rescission of an existing rule.~~ 1341  
1342  
1343

~~(A) When an agency files the original or a revised version  
of a rule in proposed form under division (D) of section 111.15  
or division (C) of section 119.03, or a rule for review under  
section 106.03 of the Revised Code, that incorporates a text or  
other material by reference, the agency also shall file in  
electronic form, one complete and accurate copy of the text or  
other material incorporated by reference with, or otherwise  
shall make the text or other material available to, the joint  
committee on agency rule review only if the accompanying  
citation is not such as reasonably would enable the joint  
committee readily and without charge to find and inspect the  
text or other material that has been incorporated by reference.  
An agency is not, however, required to file a text or other  
material incorporated by reference with the joint committee if  
the agency revises a rule in proposed form that incorporates a  
text or other material by reference and the incorporation by  
reference in the revised version of the rule is identical to the  
incorporation by reference in the preceding version of the rule.~~ 1344

the text or other material. 1405

**Sec. 121.75.** (A) (1) Sections 121.71 to 121.74 of the 1406  
Revised Code do not apply ~~with regard~~ to the incorporation by 1407  
reference into a rule of any of the following ~~so long as the~~ 1408

~~change, identifies, and specifies the date of, the particular~~ 1413  
~~edition or other version that is incorporated:~~ 1414

- ~~(A) A section of the United States Code;~~ 1415
- (a) A section of the Revised Code; 1416
- (b) An uncodified statute of this state; 1417
- (c) An act of this state in the Laws of Ohio; 1418
- (d) A rule in the Administrative Code; 1419
- (e) A rule in the Monthly Record; or 1420
- (f) A rule in the Register of Ohio. 1421

(2) Sections 121.71 to 121.74 of the Revised Code do not 1422  
apply to the incorporation by reference into a rule of any of 1423  
the following: 1424

- (a) A section of the United States Code; 1425

~~(B) (b) An uncodified federal statute, if it has been~~ 1426  
appended as a legislative note to a section in the United States 1427  
Code; 1428

~~(C) An act of this state in the Laws of Ohio or a~~ 1429  
~~(c) A~~ 1430  
federal act in the Statutes at Large;

~~(D) (d) A federal regulation in the Federal Register or~~ 1431  
Code of Federal Regulations; or 1432

~~limitation, generally accepted industry standards, that is~~ 1434  
~~generally available to persons who reasonably can be expected to~~ 1435  
~~be affected by the rule.~~ 1436

(e) A federal regulation in the Federal Register. 1437

An agency that incorporates a text by reference into a 1438  
rule under division (A) (2) of this section shall specify the 1439  
date of the text that is being incorporated by reference. 1440

(B) Sections 121.71 to 121.74 of the Revised Code do not 1441  
apply to the incorporation by reference into a rule of a text or 1442  
other material insofar as the text or other material has any of 1443  
the following characteristics: 1444

(1) It addresses the internal management of an agency; 1445

(2) It obtains or maintains authorization of a federally 1446  
delegated program in this state; 1447

(3) It addresses or provides for the receipt of federal 1448  
funds by the state under a federally funded program; 1449

(4) It is a form to be filled out or a digital application 1450  
into which data is entered to fill out a form or its equivalent, 1451  
but only if the form or application merely collects information 1452

and does not establish principles of law or policy; 1453

(5) It states or restates federal legislative or 1454  
administrative conclusions, such as interest rates or poverty 1455  
levels, that are readily ascertainable from reliable sources, 1456  
and that are not reasonably susceptible to state legislative or 1457  
administrative variation; 1458

(6) It states or restates generally accepted commercial, 1459  
industrial, building, fire, plumbing, electrical, safety, or 1460  
other codes or standards that are readily available to or 1461  
ascertainable by the persons the standards are likely to affect; 1462  
or 1463

(7) It is copyrighted text or other material with regard 1464  
to which permission to use has been obtained. 1465

**Sec. 121.93.** (A) An agency, at reasonable intervals, shall 1466  
review its operations to identify principles of law and policy 1467  
that have not been stated in a rule and that the agency is 1468  
lawfully relying upon in conducting adjudications or other 1469  
determinations of rights and liabilities or in issuing writings 1470  
and other materials, such as instructions, directives, policy 1471  
statements, guidelines, handbooks, manuals, advisories, notices, 1472  
circulars, advertisements, forms, letters, and opinions. An 1473  
agency is not required to identify principles of law and policy 1474  
relied upon in issuing internal management rules as defined in 1475  
section 111.15 of the Revised Code. The agency shall complete at 1476  
least one of the reviews during a governor's term. Within three 1477  
months after the expiration of a governor's term, the agency 1478  
electronically shall transmit to the joint committee on agency 1479  
rule review, a notice stating that the agency has completed one 1480  
or more of the reviews, specifying the exact number of reviews 1481  
completed during the governor's expired term. 1482

(B) The agency shall determine whether a principle of law 1483  
or policy thus identified has a general and uniform operation 1484  
and establishes a legal regulation or standard that would not 1485  
exist in its absence. If the principle of law or policy has 1486  
these characteristics, the agency shall determine whether the 1487  
principle of law or policy should be supplanted by its 1488  
restatement in a rule to achieve one or more of the following as 1489  
they are relevant to the principle of law or policy: 1490

(1) Assert the general and uniform operation of the 1491  
principle of law or policy; 1492

(2) Make the principle of law or policy more readily 1493  
available to the public; 1494

(3) Make the principle of law or policy more readily 1495  
available to persons who specifically are affected by the 1496  
principle of law or policy; 1497

(4) Enable the principle of law or policy to be better 1498  
known in advance of its application; 1499

(5) Enable greater public participation in improvement and 1500  
further development of the principle of law or policy; 1501

(6) Enable greater participation by persons specifically 1502  
affected by the principle of law or policy in the improvement 1503  
and further development of the principle of law or policy; 1504

(7) Make the principle of law or policy more easily 1505  
understandable; or 1506

(8) Make the principle of law or policy more readily 1507  
available to those legally charged with monitoring or reviewing 1508  
the agency's operations. 1509

If a principle of law or policy aids in the interpretation 1510

of an existing rule or statute, the agency shall consider 1511  
whether the aiding effect clarifies or otherwise resolves an 1512  
uncertainty in the existing rule or statute. If the principle of 1513  
law or policy can be so characterized, the agency shall consider 1514  
whether the principle of law or policy should be supplanted by 1515  
its restatement in an interpretive rule. The agency may not 1516  
presume that a principle of law or policy that aids in the 1517  
interpretation of an existing rule or statute is simply a 1518  
reiteration of the existing rule or statute. 1519

(C) If the agency determines, in light of the foregoing 1520  
standards, that rulemaking is indicated, the agency shall 1521  
commence the rule-making process as soon as it is reasonably 1522  
feasible to do so, but not later than the date that is six 1523  
months after the determination was made. The principle of law or 1524  
policy as it is restated in a rule does not need to be wholly 1525  
congruent with the supplanted principle of law or policy. The 1526  
agency lawfully may improve or develop further the supplanted 1527  
principle of law or policy as it is restated in a rule. 1528

The agency may continue to rely upon the principle of law 1529  
or policy, but only while it is complying with the preceding 1530  
paragraph. The agency may not rely upon the principle of law or 1531  
policy in advising with regard to or in determining the rights 1532  
or liabilities of a person if the agency fails to commence the 1533  
rule-making process by the deadline specified in the preceding 1534  
paragraph, or if, after commencing the rule-making process, the 1535  
agency neglects or abandons the rule-making process before it is 1536  
completed. 1537

(D) A principle of law or policy that is relied upon 1538  
directly or by clear implication from a statute applying to the 1539  
agency does not need to be supplanted by rule. 1540

Sec. 121.931. (A) A person may petition an agency in 1541  
writing to restate a principle of law or policy in a rule if (1) 1542  
the person was a party to an adjudication or other determination 1543  
before an agency that has resulted in an order or other 1544  
disposition or was a party to a civil action in which judgment 1545  
has been entered, and (2) the adjudication or other 1546  
determination, or the civil action, involved a principle of law 1547  
or policy relied upon by the agency that, under section 121.93 1548  
of the Revised Code, should have been supplanted by its 1549  
restatement in a rule but has not been so supplanted. The 1550  
petition shall briefly explain why the principle of law or 1551  
policy should, under section 121.93 of the Revised Code, be 1552  
supplanted by its restatement in a rule. The person shall send 1553  
the petition to the agency not later than the ninetieth day 1554  
after the order or other disposition was issued or the judgment 1555  
was entered. The person also shall send a copy of the petition 1556  
to the joint committee on agency rule review. 1557

(B) The agency, not later than the thirtieth day after 1558  
receiving a timely petition, shall consider the petition in 1559  
light of section 121.93 of the Revised Code, and shall notify 1560  
the petitioner in writing, by certified mail, return receipt 1561  
requested, whether it grants or intends to deny the petition. 1562

(1) If the agency grants the petition, it shall commence 1563  
the rule-making process as soon as it is reasonably feasible to 1564  
do so, but not later than the date that is six months after the 1565  
petition was granted. The principle of law or policy as it is 1566  
restated in a rule does not need to be wholly congruent with the 1567  
supplanted principle of law or policy. The agency lawfully may 1568  
improve or develop further the supplanted principle of law or 1569  
policy. 1570

The agency may continue to rely upon the principle of law 1571  
or policy, but only while it is complying with the preceding 1572  
paragraph. The agency may not rely upon the principle of law or 1573  
policy in advising with regard to or in determining the rights 1574  
or liabilities of a person if the agency fails to commence the 1575  
rule-making process by the deadline specified in the preceding 1576  
paragraph, or if, after commencing the rule-making process, the 1577  
agency neglects or abandons the rule-making process before it is 1578  
completed. 1579

(2) If the agency intends to deny the petition, it shall 1580  
send the petitioner a notice affording the petitioner an 1581  
opportunity for a hearing on the petition and briefly explaining 1582  
why the agency intends to deny the petition. If the petitioner 1583  
does not in writing request a hearing within fifteen days after 1584  
receiving the notice, the agency shall deny the petition and 1585  
notify the petitioner in writing. If the petitioner responds in 1586  
writing within the fifteen-day period requesting a hearing, the 1587  
agency, by certified mail, return receipt requested, promptly 1588  
shall notify the petitioner of the time and place for the 1589  
hearing, which shall be not earlier than the thirtieth day after 1590  
the notice was sent to the petitioner. 1591

(C) At the hearing, the agency shall explain why, 1592  
notwithstanding section 121.93 of the Revised Code, it intends 1593  
to deny the petition, and the petitioner shall explain why under 1594  
that section the petitioner believes the agency's intention to 1595  
be erroneous. The hearing shall be informal. The petitioner may 1596  
be assisted by counsel at the hearing. 1597

(D) Not later than the thirtieth day after the hearing 1598  
concludes, the agency shall grant or deny the petition. 1599

(1) If the agency grants the petition, it shall commence 1600

the rule-making process as soon as it is reasonably feasible to 1601  
do so, but not later than the date that is six months after the 1602  
determination was made. The principle of law or policy as it is 1603  
restated in a rule does not need to be wholly congruent with the 1604  
supplanted principle of law or policy. The agency lawfully may 1605  
improve or develop further the supplanted principle of law or 1606  
policy as it is restated in a rule. 1607

The agency may continue to rely upon the principle of law 1608  
or policy, but only while it is complying with the preceding 1609  
paragraph. The agency may not rely upon the principle of law or 1610  
policy in advising with regard to or in determining the rights 1611  
or liabilities of a person if the agency fails to commence the 1612  
rule-making process by the deadline specified in the preceding 1613  
paragraph, or if, after commencing the rule-making process, the 1614  
agency neglects or abandons the rule-making process before it is 1615  
completed. 1616

(2) If the petitioner failed to appear at the hearing, or 1617  
if the petitioner failed to persuade the agency that its 1618  
intention to deny the petition is erroneous, the agency shall 1619  
deny the petition. 1620

The agency shall send notice in writing to the petitioner 1621  
of the outcome. If the outcome is denial of the petition, the 1622  
notice shall explain briefly why the agency is denying the 1623  
petition. The petitioner is not entitled to appeal the outcome. 1624

**Sec. 121.933.** Sections 101.352, 101.353, 121.93, and 1625  
121.931 of the Revised Code do not apply to: 1626

(A) The following elected state officers or their offices: 1627  
the governor, the lieutenant governor, the secretary of state, 1628  
the auditor of state, the treasurer of state, and the attorney 1629

general; 1630

(B) A state institution of higher education as defined in 1631  
section 3345.011 of the Revised Code; or 1632

(C) The public employees retirement system, the Ohio 1633  
police and fire pension fund, the state teachers retirement 1634  
system, the school employees retirement system, and the state 1635  
highway patrol retirement system. 1636

**Sec. 145.09.** The public employees retirement board shall 1637  
elect from its membership a chairperson. The board shall appoint 1638  
an executive director who shall serve as secretary to the board, 1639  
an actuary, and other employees as necessary for the transaction 1640  
of the business of the public employees retirement system. The 1641  
compensation of all persons so appointed shall be fixed by the 1642  
board. Such persons appointed by the board are not employees of 1643  
the state and are not subject to Chapter 124. of the Revised 1644  
Code. 1645

If the board provides health care coverage to employees of 1646
