To Whom It May Concern:

The undersigned are the three trial court Judges for Seneca County. We have been Seneca County Judges for a combined 64 years. We are seeking JRIG funding to implement a very unique collaborative effort with a multi-jurisdictional drug recovery program (PIVOT). We have realized that the drug epidemic in Ohio involves the same controlled substances, the same issues and many times, the same people in a rural county.

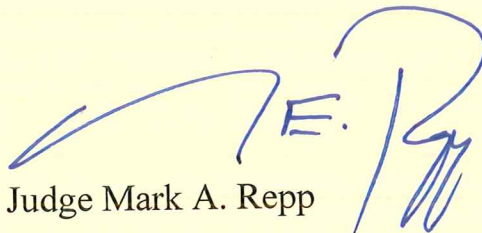

By providing one drug recovery court and program, we will be able to provide a more efficient and cost effective way to work closely together to provide the necessary services and address the offender's issues.

We are excited about the opportunity to work together and provide a model drug recovery court and program for other rural counties in Ohio. Thank you for your consideration to the JRIG application.

Sincerely,

  
Judge Michael P. Kelbley
