

House Energy & Natural Resources Committee
Representative Al Landis, Chair
May 9, 2017

Chair Landis called the meeting of the House Energy and Natural Resources Committee to order at 2:31pm. A quorum was not present so the committee proceed as a subcommittee.

The Chair called Senate Bill 2 for its second hearing, and invited Barry Grisez from the Cuyahoga County Board of Health to offer proponent testimony. Barry responded to questions from the members of the committee.

The Chair called the committee to stand at ease for a quick microphone change.

At 2:37 the Chair reconvened the committee.

The Chair invited Alan Olson to offer proponent testimony. Alan responded to questions from the committee.

A quorum was now present. The minutes from the previous meeting (04.25.17) were read and approved without objection.

The Chair invited Chuck DeJonckheere from the Ohio Environmental Health Association to offer proponent testimony. Chuck responded to questions from the members of the committee.

The Chair invited John Rauch from the WSOS Community Action to offer proponent testimony. No questions were asked.

The Chair invited Alan Rosenfield from the League of Women Voters of Ohio to offer proponent testimony. Alan responded to questions from the members of the committee.

The Chair invited Geoff Guss from McWane Ductile to offer proponent testimony. No questions were asked.

The Chair invited Phil Kabealo to offer proponent testimony. No questions were asked.

The Chair invited Trent Dougherty from the Ohio Environmental Council Action Fund to offer proponent testimony. Trent responded to questions from the members of the committee.

Additionally, written-only proponent testimony was provided by the Association of Ohio Metropolitan Wastewater Agencies, the Greater Cleveland Partnership, the Ohio Rural Water Association, the Ohio American Water Works Association, CSX Transportation, the Cuyahoga County Solid Waste District, the National Waste and Recycling Association, the Waste Management, the Ohio Chamber of Commerce, the Ohio Manufacturer's Association, the Port of Cleveland, the Ohio Lake Erie Commission, and the National Conservancy in Ohio.

With no further business, committee adjourned at 3:31pm
