

Chair Blessing III, Vice Chair Reineke, Ranking Minority Member Clyde, and the members of the House Government Accountability and Oversight Committee:

My name is Steve Schildcrout, and I am writing in support of House Bill 160.

I am proud that my city of Youngstown guarantees equal rights for LGBT people, including my gay son and his husband. Ohio must make these protections available statewide by passing HB160 so that my son can feel welcome and safe from discrimination in the State of his birth.

I urge you to consider passing HB160.
