Chairman Blessing, Ranking Member Clyde, Vice Chair Reineke, and Members of the House Government Accountability and Oversight Committee.

The Ohio Land Title Association (OLTA) is a trade association representing licensed title insurance agents, underwriters, abstractors and real estate / title attorneys operating in all 88 Ohio counties. Our members conduct examinations of recorded documents and insure title to real property.

OLTA appreciates participating as a member of the interested parties task force to modernize the notary public act and supports the passage of Sub. Senate Bill 263.

Sincerely,

Mark Bennett
