Rep. Gonzales made a motion to favorably pass HB 367 out of committee. Rep. Retherford seconded. Rep. Boccieri objected to the motion citing House Rule 41 which states that members have to have first been present and recorded as such before a vote is taken. The Chair ruled that because Rep. Gonzales' motion to favorably report HB 367 was a new motion and not a motion to reconsider, members would be eligible to vote on the new motion without having been present

for the earlier motion made by Rep. Henne. The roll was called. The bill favorably passed out of committee with a vote of 7-4. The roll was left open until 12 PM

Having no further business, the committee adjourned at approximately 11:20 AM.
