On behalf of the Milan Township Board of Trustees, please consider our support of House Bill 500. As you know, this proposed legislation addresses many issues which effect township government. Although these issues may seem relatively minor, we believe the passage of this legislation will allow townships across the State to operate in a more effective and efficient manner to better serve constituents in both large and small townships in Ohio.

Thank you for your consideration of this important legislation and your continued support of townships.

Sincerely,

Daniel Frederick, Milan Township Trustee, Erie County
