Chair Anielski, Vice Chair Hambley, Ranking Member Holmes and Members of the House State and Local Government Committee:

My name is Brianne Bucher and I go to Woodlands Intermediate School in Huron, Ohio. I am writing this letter to support House Bill 539 that would make the Labrador Retriever the state dog of Ohio. I am good friends with Brynne Hartley who first had the idea of making the lab our state dog. I've been to her house many times and she has a black lab herself who is very friendly and well behaved. (Unlike my Miniature Golden-doodle.) Labs are wonderful dogs and They're great for hunting. The owner will get lots of exercise with this breed of dog. They love to take walks and would enjoy a game of fetch. They can be hyper, but that's normal for almost any dog. These are the different kinds of Labradors...

There are...

Yellow Labs

Fox Red Labs

Fawn Labs

Black Labs

Chocolate Labs

And...

Silver Labs

Now that's a lot of Labs to choose from!

I hope that this letter gives you a bit of an urge to let the bill pass.

Thank you.
