Representative Steven Arndt
Ohio House of Representatives, 89th House District

Chair Green, Vice-Chair Greenspan, Ranking Member Sheehy and Committee:

Thank you for the opportunity to speak to you about HB 76, establishing license plates to recognize recipients of the Ohio Cross, as well as supporters of the Ottawa County Wildlife Refuge.

These license plates were both suggested to Rep. Gavarone and myself by prominent members of our community and in our districts. These designs were not hard to endorse nor were they difficult to draft as legislation. Both of these plate designs will also allow for Ohio residents to not only make a small donation to a quality wildlife center in the area, but to also show the sacrifices that they have made for the state and country, by proudly showcasing the time they spent with the armed services and having earned the Ohio Cross.

To speak more to the Ohio Cross and what it means for its recipients and their families, I would like to introduce Chief Hatfield from the Carroll Township Police Department.
