

Testimony for House Bill 159

The old steel city of Steubenville, Ohio has received a major boost by being part of the Ohio River Scenic Byway. Through the Byway Program, we have constructed a beautiful Byway Visitor Center that also houses the city's Visitor Center on the grounds of Historic Fort Steuben. This Visitor Center overlooks the Ohio River and welcomes thousands of visitors to the state and city. It is truly a source of pride for our residents who enjoy the many events that are held here. Take a trip down the Ohio River Scenic Byway and learn history, enjoy nature and find hidden treasures! For these reasons the Historic Fort Steuben and Visitor Center is in full support of naming the month of May "Drive Ohio Byways Month".
