

## House Bill 308

Proponent Testimony: Terry Wildman  
24 South Third St. – Box 11  
Martins Ferry, OH 43935

Thank you Chairman Green, Vice Chair Greenspan, and Ranking Member Sheehy.

I am happy to stand before you today to give proponent testimony on HB 308. This bill calls for naming a section of Route 7 in Belmont County the Ohio Valley Vietnam Veterans Memorial Highway in honor of those individuals that fought in Vietnam.

I live and travel in a corridor of State Route 7 in Belmont County where many Vietnam Veterans and families travel and live. I have spoken to numerous Vietnam Veterans in Belmont County that think it would be very special to have this section of Highway named in our honor.

Thank you for your time and consideration. I will be happy to answer any questions.
