House Ways and Means Committee  
77 S. High Street  
Columbus, OH 43215

Dear Representative Fedor,

Would you support HB304 sponsored by Rep. Ron Young? The bill deals with disabled adult step child adoption tax credit.

Last July I adopted an adult disabled child. Taras Malz is 34 years old who is handicapped and has Downs Syndrome. We do not qualify for an adoptive tax credit, due to his age. Taras will be disabled his entire life.

Passing HB 304 would provide us with a \$10,000 tax credit, which will help us out immensely. Thank you for your support.
