Dear Mr. Obhof, Senate President:

The Ashtabula County District Library strongly supports proposed legislation that “amend(s)... the Revised Code to require any county in which current or certain former Olympic training facilities are located to enter into an agreement providing for a property tax exemption for the facilities, and to increase the maximum term of a delinquent tax contract regarding such a facility.”

The Memorandum of Understanding finalized between the Geneva Area City Schools and Spire (Roni Lee, LLC) reflects settlement terms agreed upon by affected taxing entities.

Sincerely,

A handwritten signature in cursive script that reads "Penny Neubauer".
