Bureau of Motor Vehicles

The BMV currently produces special license plates via a digital print-on-demand process. The total cost to produce a pair of these plates is \$6.08. Under the bill, a person obtaining a "Grandview Heights Schools" license plate must pay an administrative fee of \$10, the purpose of which is to compensate the BMV for additional services required in issuing the plate. The administrative fees will be credited to the Public Safety – Highway Purposes Fund (Fund 5TM0), which is used in part to pay the BMV's expenses

related to titling motor vehicles, licensing drivers, and registering motor vehicles. The magnitude of the annual revenues and expenditures generated by the license plate will depend upon demand.

Grandview Heights City School District

The \$30 contribution paid for the issuance of the "Grandview Heights Schools" license plate will be credited to the existing License Plate Contribution Fund (Fund 5V10) and then paid to the Grandview Heights City School District to be used for its gifted programs and special education and related services. The amount of revenue generated for the Grandview Heights City School District will depend upon demand for the license plate.
