## Fiscal Note & Local Impact Statement

**Bill:** H.B. 488 of the 132nd G.A.

**Status:** As Introduced

**Sponsor:** Reps. Hood and Becker

**Local Impact Statement Procedure Required:** No

**Subject:** Amends required information in election notices and ballot language for property tax levies

---

The bill has no direct fiscal effect on the state or political subdivisions. It amends required information conveyed in election notices and ballot language for property tax levies. In general, these changes appear to be aimed at communicating more clearly to electors the consequences of voting for or against such levies. As a consequence, some electors may vote differently than they would under current law, but LSC would consider any such consequences to be indirect effects.
