## Fiscal Note & Local Impact Statement

**Bill:** H.B. 530 of the 132nd G.A.

**Status:** As Introduced

**Sponsor:** Reps. Hambley and Arndt

**Local Impact Statement Procedure Required:** No

**Subject:** Authorizes simultaneous holding of dual offices in specified circumstances

---

The bill does not appear to have any fiscal impact on political subdivisions. The bill gives authority for an elected official of a county, township, or municipal corporation that has levied a hotel lodging excise tax under current law, or anyone appointed by those officials, to simultaneously serve in this elected or appointed position *and* as a member or officer of the board of trustees of a convention and visitors' bureau. The bill further specifies that holding two positions simultaneously does not constitute the simultaneous holding of incompatible offices or employment. The bill does, however, permit a municipal corporation or chartered county to adopt a more restrictive policy that bars these persons from holding these positions simultaneously.
