SYNOPSIS

Department of Higher Education

Sections 381.10 and 381.288

Increases GRF appropriation item 235533, Program and Project Support, by $50,000 in each fiscal year. Increases, from $75,000 to $125,000 in each fiscal year, the earmark to be used by the Chancellor of Higher Education to support the expansion of an unmanned aviation STEM pilot program at Emmanuel Christian Academy for public and nonpublic high school students in Clark County, effectively restoring the amount of the earmark to the House-passed version of the bill.
