SYNOPSIS

Choose Ohio First Award recipient default repayment 37

R.C. 3333.65 38

Restores with changes a House provision that delays the time 39
period by which a university or college must repay a Choose Ohio 40
First Scholarship award when terms of the award have been 41
violated, as follows: 42

(1) Applies the provision to both state universities and 43

colleges (as under the original amendment) and any nonpublic 44
university or college that is collaborating in the award (new to 45
this amendment); 46

(2) Limits the scholarships to which it applies to only those 47
awarded under the Primary Care Medical Student component of the 48
program (see R.C. 3333.611, not in the amendment). The original 49
amendment applied to all Choose Ohio First Scholarship awards. 50

(3) Does not include language from the original amendment 51
that specified repayment was due "only as the award and any 52
interest due is collected from a student for repayment;" 53

(4) Specifies that the Chancellor of Higher Education may not 54
require repayment if the state or nonpublic university or college 55
has certified collection of repayment to the Attorney General and 56
has sent a copy of the certification to the Chancellor (same as in 57
the original amendment but adds nonpublic universities or 58
colleges). 59
