5 SYNOPSIS

6 **Notice of draft community school sponsor ratings 227**

7 **R.C. 3314.016**

8 Restores the House provision that requires the Department
9 of Education, prior to the publication of the final ratings for
10 community school sponsors, to permit each sponsor to review the
11 information used by the Department to determine the sponsor's
12 rating on the academic performance component and to request an
13 adjustment to the sponsor's rating for that component. (Current
14 law permits sponsors to review and request adjustments only for
15 the components regarding adherence to quality practices and
16 compliance with all applicable laws and administrative rules.)
