SYNOPSIS

Ohio Maritime Assistance Program participation

R.C. 5501.91

Revises the Senate provision pertaining to which port authorities are authorized to participate in the Ohio Maritime Assistance Program by authorizing a port authority located in a federally qualified opportunity zone with an active marine cargo terminal with a stevedoring operation that is located on the shore of the Ohio River to participate.

(The bill currently allows a port authority matching the above description located on the shore of Lake Erie or a port authority that owns an active marine cargo terminal located on the shore of Lake Erie, the Ohio River, or a Lake Erie tributary to participate in the Program.)
