15 SYNOPSIS

16 **Information provided by county DD boards**

17 **R.C. 5126.047 (primary), 5123.042 (removed), and 5126.01**

18 Revises, as follows, the House-added and Senate-modified
19 provision that requires county boards of developmental

20 disabilities (county DD boards) to provide persons certain
21 information about services:

22 (1) Provides that the requirement applies when a person
23 inquires about residential services rather than when a person
24 inquires about the programs and services offered under state law
25 governing county DD boards and the education of children with
26 disabilities;

27 (2) Limits the information that is to be provided to the
28 different types of programs and services offered as residential
29 services rather than the different types of programs and
30 services offered under state law governing county DD boards and
31 the education of children with disabilities.

32 Removes the Senate-added provision that provides that the
33 services of intermediate care facilities for individuals with
34 intellectual disabilities are not residential services.
