SYNOPSIS

MyCare Ohio standardized claim forms and codes

R.C. 5164.912 and 5164.91 (removed)

Revises the House-added and Senate-modified provisions regarding standardized claim forms and codes for the Integrated Care Delivery System (i.e., MyCare Ohio) as follows:

- Replaces the Senate provision regarding standardized claim codes with the House requirement that the Department of Medicaid create such codes for MyCare Ohio.

- Requires Medicaid providers to use the appropriate standardized claim form and standardized claim codes.

- Restores, with the following revisions, the House provision that provides that a claim is to be considered a clean claim and paid within 30 days:
(1) Specifies that the 30 days are calendar days;
(2) Specifies that a claim must be for Medicaid services that, in addition to being medically necessary, are otherwise allowable;
(3) Does not provide that interest is to accrue until the claim and interest are paid in full.
- Uses certain terminology that is more consistent with current state law governing the Medicaid program.
