4 SYNOPSIS

5 **Medicaid rates for nursing facility services**

6 **R.C. 5165.26**

7 Restores the House provision that sets at 80% (instead of
8 70%, as set by the Senate) the minimum licensed occupancy
9 percentage that a nursing facility must have to qualify for a
10 quality incentive payment but retains, with a revision, the
11 Senate provisions that (1) delay the requirement until FY 2021
12 and (2) specify circumstances under which a nursing facility
13 earns a payment despite not meeting the requirement.

14 Revises the Senate provision that permits a nursing
15 facility that has a quality score of at least a certain number
16 of points to earn a quality incentive payment despite not
17 meeting the minimum licensed occupancy percentage by raising the
18 minimum number of points needed to 15 (from 10).
