available on its website (1) an up-to-date list of intermediate 36
care facilities for individuals with intellectual disabilities 37
(ICFs/IID) and (2) the Department's pamphlet describing all of the 38
items and services covered by Medicaid as ICF/IID and home and 39
community-based services. 40

Required each county board of developmental disabilities to 41
include certain information on its website. 42

Restores the Executive provision that requires the Department 43
to establish and maintain on its website a searchable database of 44
vacancies in licensed residential facilities, based on information 45
provided by residential facility operators. 46
