SYNOPSIS

21

**School storm shelters**

22

**R.C. 3781.1010; Section 287.90**

23

24

25

26

Removes the Senate provision that creates a moratorium until September 15, 2021, on the building code requirement for storm shelters for public school construction projects receiving state assistance.

27

28

29

30

31

32

33

Extends the moratorium under current law from September 15, 2019, to September 15, 2020, on the building code requirement for storm shelters in school buildings operated by a public or private school or in any such school building undergoing or about to undergo construction, alteration, repair, or maintenance for which financing has been secured prior to the above date.

34

35

36

37

Requires the Ohio Facilities Construction Commission to conduct a study to evaluate and make recommendations regarding appropriate requirements for storm shelters for school buildings.

38

39

40

41

Specifies that the Commission must conduct the study in consultation with stakeholders, including school district officials, and submit a report of its findings to the General Assembly by December 31, 2019.
