8 **Care management preferred drug list**

9 **R.C. 5167.122 (removed from the bill) and 5167.123 and**  
10 **5167.124 (both renumbered)**

11 Removes Senate-added provisions that would have done all of  
12 the following:

13 -Required the Department of Medicaid to establish a single  
14 preferred drug list for the care management system.

15 -Required Medicaid managed care organizations (MCOs) and  
16 their contracted pharmacy benefit managers (PBMs) to follow the  
17 list.

18 -Required the list to do certain things, including ease the  
19 administrative burden for prescribers, reduce confusion and the  
20 burden on the Medicaid recipients, and ensure that prescribed  
21 drug rebates are sent directly to the Department instead of to a  
22 Medicaid MCO or its PBM.
