22 SYNOPSIS

23 **Manufacturing Mentorship Program**

24 **R.C. 4109.05 and 4109.22**

25 Modifies the Senate version's proposed "Construction and
26 Manufacturing Mentorship Program" to expose minors to only
27 manufacturing occupations through temporary employment rather
28 than both construction and manufacturing occupations as under
29 the Senate version.

30 Changes the Program's name to the "Manufacturing Mentorship
31 Program."

32 Modifies when an employer employing a minor under the
33 Program must encourage the minor to participate in a career-
34 technical education program approved by the Department of
35 Education by removing the Senate version's requirement that the
36 employer do so after the minor's employment ends.
