(a) At a size or weight of vehicle or load exceeding the maximum specified in sections 5577.01 to 5577.09 of the Revised Code, or otherwise not in conformity with sections 4513.01 to 4513.37 of the Revised Code;

(b) Upon any highway under the jurisdiction of the authority granting the permit except those highways with a condition insufficient to bear the weight of the vehicle or combination of
vehicles as stated in the application.

Issuance of a special regional heavy hauling permit is subject to the payment of a fee established by the director or local authority in accordance with this section.

(2) In circumstances where a person is not eligible to receive a permit under division (A)(1) of this section, the director of transportation with respect to all highways that are a part of the state highway system and local authorities with respect to highways under their jurisdiction, upon application in writing and for good cause shown, may issue a special permit in writing authorizing the applicant to operate or move a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in sections 5577.01 to 5577.09 of the Revised Code, or otherwise not in conformity with sections 4513.01 to 4513.37 of the Revised Code, upon any highway under the jurisdiction of the authority granting the permit.

(3) For purposes of this section, the director may designate certain state highways or portions of state highways as special economic development highways. If an application submitted to the director under this section involves travel of a nonconforming vehicle or combination of vehicles upon a special economic development highway, the director, in determining whether good cause has been shown that issuance of a permit is justified, shall consider the effect the travel of the vehicle or combination of vehicles will have on the economic development in the area in which the designated highway or portion of highway is located.

(B) Notwithstanding sections 715.22 and 723.01 of the Revised Code, the holder of a permit issued by the director under this section may move the vehicle or combination of vehicles described in the permit on any highway that is a part of the state highway.
system when the movement is partly within and partly without the
corporate limits of a municipal corporation. No local authority
shall require any other permit or license or charge any license
fee or other charge against the holder of a permit for the
movement of a vehicle or combination of vehicles on any highway
that is a part of the state highway system. The director shall not
require the holder of a permit issued by a local authority to
obtain a special permit for the movement of vehicles or
combination of vehicles on highways within the jurisdiction of the
local authority. Permits may be issued for any period of time not
to exceed one year, as the director in the director's discretion
or a local authority in its discretion determines advisable, or
for the duration of any public construction project.

(C)(1) The application for a permit issued under this section
shall be in the form that the director or local authority

administrative costs incurred in issuing the permit, and also to
cover the cost of the normal and expected damage caused to the
roadway or a street or highway structure as the result of the
operation of the nonconforming vehicle or combination of vehicles.
The director, in accordance with Chapter 119. of the Revised Code,
shall establish a schedule of fees for permits issued by the
director under this section; however, the fee to operate a triple
trailer unit, at locations authorized under federal law, shall be

the director under this section, milk transported in bulk by

The director shall adopt rules establishing requirements for an aluminum coil permit that are substantially similar to the requirements for a steel coil permit under Chapter 5501:2-1 of the Administrative Code.

(D) The director or a local authority shall issue a special regional heavy hauling permit under division (A)(1) of this section upon application and payment of the applicable fee. However, the director or local authority may issue or withhold a special permit specified in division (A)(2) of this section. If a permit is to be issued, the director or local authority may limit or prescribe conditions of operation for the vehicle and may require the posting of a bond or other security conditioned upon the sufficiency of the permit fee to compensate for damage caused to the roadway or a street or highway structure. In addition, a local authority, as a condition of issuance of an overweight permit, may require the applicant to develop and enter into a mutual agreement with the local authority to compensate for or to repair excess damage caused to the roadway by travel under the permit.

For a permit that will allow travel of a nonconforming vehicle or combination of vehicles on a special economic development highway, the director, as a condition of issuance, may require the applicant to agree to make periodic payments to the department to compensate for damage caused to the roadway by travel under the permit.

(E) Every permit issued under this section shall be carried in the vehicle or combination of vehicles to which it refers and
shall be open to inspection by any police officer or authorized agent of any authority granting the permit. No person shall violate any of the terms of a permit.

(F) The director may debar an applicant from applying for a permit under this section upon a finding based on a reasonable belief that the applicant has done any of the following:

(1) Abused the process by repeatedly submitting false information or false travel plans or by using another company or individual's name, insurance, or escrow account without proper authorization;

A consent agreement, when ratified by a vote of a quorum, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the agreement shall be of no effect.

(D) The hearings of the board shall be conducted in accordance with Chapter 119. of the Revised Code, the board may appoint a hearing examiner, as provided in section 119.09 of the Revised Code, to conduct any hearing the board is authorized to hold under Chapter 119. of the Revised Code.

In any instance in which the board is required under Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and the applicant, licensee, or certificate holder does not make a timely request for a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by a vote of a quorum, a final order that contains the board's findings. In the final order, the board may order any of the sanctions listed in division (A) or (B) of this section.

(E) If a criminal action is brought against a registered nurse, licensed practical nurse, or dialysis technician for an act or crime described in divisions (B)(3) to (7) of this section and the action is dismissed by the trial court other than on the merits, the board shall conduct an adjudication to determine
whether the registered nurse, licensed practical nurse, or
dialysis technician committed the act on which the action was
based. If the board determines on the basis of the adjudication
that the registered nurse, licensed practical nurse, or dialysis
technician committed the act, or if the registered nurse, licensed
practical nurse, or dialysis technician fails to participate in
the adjudication, the board may take action as though the
registered nurse, licensed practical nurse, or dialysis technician
had been convicted of the act.

If the board takes action on the basis of a conviction, plea,
or a judicial finding as described in divisions (B)(3) to (7) of
this section that is overturned on appeal, the registered nurse,
licensed practical nurse, or dialysis technician may, on
exhaustion of the appeal process, petition the board for
reconsideration of its action. On receipt of the petition and

its action. If the board determines that the decision on appeal

dialysis technician does not request an adjudication, the board
shall reinstate its action; otherwise, the board shall permanently
rescind its action.

Notwithstanding the provision of division (C)(2) of section
2953.32 of the Revised Code specifying that if records pertaining
to a criminal case are sealed under that section the proceedings in the case shall be deemed not to have occurred, sealing of the following records on which the board has based an action under this section shall have no effect on the board's action or any sanction imposed by the board under this section: records of any conviction, guilty plea, judicial finding of guilt resulting from a plea of no contest, or a judicial finding of eligibility for a pretrial diversion program or intervention in lieu of conviction.

(F) The board may investigate an individual's criminal background in performing its duties under this section. As part of such investigation, the board may order the individual to submit, at the individual's expense, a request to the bureau of criminal identification and investigation for a criminal records check and check of federal bureau of investigation records in accordance with the procedure described in section 4723.091 of the Revised Code.

(G) During the course of an investigation conducted under this section, the board may compel any registered nurse, licensed practical nurse, or dialysis technician or applicant under this chapter to submit to a mental or physical examination, or both, as required by the board and at the expense of the individual, if the board finds reason to believe that the individual under investigation may have a physical or mental impairment that may affect the individual's ability to provide safe nursing care. Failure of any individual to submit to a mental or physical examination when directed constitutes an admission of the allegations, unless the failure is due to circumstances beyond the
individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence.

If the board finds that an individual is impaired, the board shall require the individual to submit to care, counseling, or treatment approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. The individual shall be afforded an opportunity to demonstrate to the board that the individual can begin or resume the individual's occupation in compliance with acceptable and prevailing standards of care under the provisions of the individual's authority to practice.

For purposes of this division, any registered nurse, licensed practical nurse, or dialysis technician or applicant under this chapter shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(H) The board shall investigate evidence that appears to show that any person has violated any provision of this chapter or any rule of the board. Any person may report to the board any information the person may have that appears to show a violation of any provision of this chapter or rule of the board. In the absence of bad faith, any person who reports such information or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable for civil damages as a result of the report or testimony.

(I) All of the following apply under this chapter with respect to the confidentiality of information:

(1) Information received by the board pursuant to a complaint
or an investigation is confidential and not subject to discovery in any civil action, except that the board may disclose information to law enforcement officers and government entities for purposes of an investigation of either a licensed health care professional, including a registered nurse, licensed practical nurse, or dialysis technician, or a person who may have engaged in the unauthorized practice of nursing or dialysis care. No law enforcement officer or government entity with knowledge of any information disclosed by the board pursuant to this division shall divulge the information to any other person or government entity except for the purpose of a government investigation, a prosecution, or an adjudication by a court or government entity.

(2) If an investigation requires a review of patient records, the investigation and proceeding shall be conducted in such a manner as to protect patient confidentiality.

(3) All adjudications and investigations of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(4) Any board activity that involves continued monitoring of an individual as part of or following any disciplinary action taken under this section shall be conducted in a manner that maintains the individual's confidentiality. Information received or maintained by the board with respect to the board's monitoring activities is not subject to discovery in any civil action and is confidential, except that the board may disclose information to law enforcement officers and government entities for purposes of an investigation of a licensee or certificate holder.

(J) Any action taken by the board under this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the person may be
reinstated to practice.

(K) When the board refuses to grant a license or certificate to an applicant, revokes a license or certificate, or refuses to reinstate a license or certificate, the board may specify that its action is permanent. An individual subject to permanent action taken by the board is forever ineligible to hold a license or certificate of the type that was refused or revoked and the board shall not accept from the individual an application for reinstatement of the license or certificate or for a new license or certificate.

(L) No unilateral surrender of a nursing license or dialysis technician certificate issued under this chapter shall be effective unless accepted by majority vote of the board. No application for a nursing license or dialysis technician certificate issued under this chapter may be withdrawn without a majority vote of the board. The board's jurisdiction to take disciplinary action under this section is not removed or limited when an individual has a license or certificate classified as inactive or fails to renew a license or certificate.

(M) Sanctions shall not be imposed under division (B)(24) of this section against any licensee who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person licensed pursuant to this chapter to the extent allowed by this chapter and the rules of the board."

(A) As used in this section, "experience and fitness in the capacity involved" means that the applicant for a pawnbroker's license demonstrates sufficient financial responsibility, reputation, and experience in the pawnbroker business, or in a related business, to act as a pawnbroker in compliance with this chapter. "Experience and fitness in the capacity involved" shall be determined by:

(1) Prior or current ownership or management of, or employment in, a pawnshop;

(2) Demonstration to the satisfaction of the superintendent of financial institutions of a thorough working knowledge of all pawnbroker laws and rules as they relate to the actual operation of a pawnshop.

A demonstration shall include a demonstration of an ability to properly complete forms, knowledge of how to properly calculate interest and storage charges, and knowledge of legal notice and forfeiture procedures. The final determination of whether an applicant's demonstration is adequate rests with the superintendent.

(3) A submission by the applicant and any stockholders, owners, managers, directors, or officers of the pawnshop, and employees of the applicant to a police record check; and

(4) Liquid assets in a minimum amount of one hundred twenty-five thousand dollars at the time of applying for initial licensure and demonstration of the ability to maintain the liquid assets at a minimum amount of seventy-five thousand dollars for
the duration of holding a valid pawnbroker's license. If an applicant holds a pawnbroker's license at the time of application or is applying for more than one license, this requirement shall be met separately for each license.

(B) The superintendent may grant a license to act as a pawnbroker to any person of good character and having experience and fitness in the capacity involved to engage in the business of pawnbroking upon the payment to the superintendent of a license fee determined by the superintendent pursuant to section 1321.20 of the Revised Code. A license is not transferable or assignable.

(C) The superintendent may consider an application withdrawn and may retain the investigation fee required under division (D) of this section if both of the following are true:

(1) An application for a license does not contain all of the information required under division (B) of this section.

(2) The information is not submitted to the superintendent within ninety days after the superintendent requests the information from the applicant in writing.

(D) The superintendent shall require an applicant for a pawnbroker's license to pay to the superintendent a nonrefundable initial investigation fee of two hundred dollars, which is for the exclusive use of the state.

(E)(1) Except as otherwise provided in division (E)(2) of this section, a pawnbroker's license issued by the superintendent expires on the thirtieth day of June next following the date of its issuance, or on a different date set by the superintendent pursuant to section 1181.23 of the Revised Code, and may be renewed annually in accordance with the standard renewal procedure set forth in Chapter 4745. of the Revised Code. Fifty per cent of
the annual license fee shall be for the use of the state, and
fifty per cent shall be paid by the state to the municipal
corporation, or if outside the limits of any municipal
corporation, to the county, in which the office of the licensee is
located. All such fees payable to municipal corporations or
counties shall be paid annually.

(2) A pawnbroker's license issued or renewed by the
superintendent on or after January 1, 2006, expires on the
thirtieth day of June in the even-numbered year next following the
date of its issuance or renewal, as applicable, and may be renewed
biennially by the thirtieth day of June in accordance with the
standard renewal procedure set forth in Chapter 4745. of the
Revised Code. Fifty per cent of the biennial license fee shall be
for the use of the state, and fifty per cent shall be paid by the
state to the municipal corporation, or if outside the limits of
any municipal corporation, to the county, in which the office of
the licensee is located. All such fees payable to municipal
corporations or counties shall be paid biennially. If deemed
necessary for participation, the superintendent may reset the
renewal date and require annual registration pursuant to section
1181.23 of the Revised Code.

(F) The fee for renewal of a license shall be equivalent to
the fee for an initial license established by the superintendent
pursuant to section 1321.20 of the Revised Code. Any licensee who
wishes to renew the pawnbroker's license but who fails to do so on
or before the date the license expires shall reapply for licensure
in the same manner and pursuant to the same requirements as for
initial licensure, unless the licensee pays to the superintendent
on or before the thirty-first day of August of the year the
license expires, a late renewal penalty of one hundred dollars in
addition to the regular renewal fee. Any licensee who fails to
renew the license on or before the date the license expires is
prohibited from acting as a pawnbroker until the license is
renewed or a new license is issued under this section. Any
licensee who renews a license between the first day of July and
the thirty-first day of August of the year the license expires is
not relieved from complying with this division. The superintendent
may refuse to issue to or renew the license of any licensee who
violates this division.

(G) No license shall be granted to any person not a resident
of or the principal office of which is not located in the
municipal corporation or county designated in such license unless
that applicant, in writing and in due form approved by and filed
with the superintendent, first appoints an agent, a resident of
the state, and city or county where the office is to be located,
upon whom all judicial and other process, or legal notice,
directed to the applicant may be served. In case of the death,
removal from the state, or any legal disability or any
disqualification of any such agent, service of such process or
notice may be made upon the superintendent.

The superintendent may, upon notice to the licensee and
reasonable opportunity to be heard, suspend or revoke any license
or assess a penalty against the licensee if the licensee, or the
licensee's officers, agents, or employees, has violated this
chapter. Any penalty shall be appropriate to the violation but in
no case shall the penalty be less than two hundred nor more than
two thousand dollars. Whenever, for any cause, a license is
suspended or revoked, the superintendent shall not issue another
license to the licensee nor to the legal spouse of the licensee,
nor to any business entity of which the licensee is an officer or
member or partner, nor to any person employed by the licensee,
until the expiration of at least two years from the date of
revocation or suspension of the license. The superintendent shall deposit all penalties allocated pursuant to this section into the state treasury to the credit of the consumer finance fund.

Any proceedings for the revocation or suspension of a license or to assess a penalty against a licensee are subject to Chapter 119. of the Revised Code.

(H) If a licensee surrenders or chooses not to renew the pawnbroker's license, the licensee shall notify the superintendent thirty days prior to the date on which the licensee intends to close the licensee's business as a pawnbroker. Prior to the date, the licensee shall do either of the following with respect to all active loans:

(1) Dispose of an active loan by selling the loan to another person holding a valid pawnbroker's license issued under this section;

"Sec. 4728.03. (A) As used in this section, "experience and fitness in the capacity involved" means that the applicant for a precious metals dealer's license has had sufficient financial responsibility, reputation, and experience in the business of precious metals dealer, or a related business, to act as a precious metals dealer in compliance with this chapter.

(B)(1) The division of financial institutions in the department of commerce may grant a precious metals dealer's
license to any person of good character, having experience and fitness in the capacity involved, who demonstrates a net worth of at least ten thousand dollars and the ability to maintain that net worth during the licensure period. The superintendent of financial institutions shall compute the applicant's net worth according to generally accepted accounting principles.

(2) In place of the demonstration of net worth required by division (B)(1) of this section, an applicant may obtain a surety bond issued by a surety company authorized to do business in this state if all of the following conditions are met:

(a) A copy of the surety bond is filed with the division;

(b) The bond is in favor of any person, and of the state for the benefit of any person, injured by any violation of this chapter;

(c) The bond is in the amount of not less than ten thousand dollars.

(3) Before granting a license under this division, the division shall determine that the applicant meets the requirements of division (B)(1) or (2) of this section.

(C) The division shall require an applicant for a precious metals dealer's license to pay to the division a nonrefundable, initial investigation fee of two hundred dollars which shall be for the exclusive use of the state. The license fee for a precious metals dealer's license and the renewal fee shall be determined by the superintendent, provided that the fee may not exceed three hundred dollars. A license issued by the division shall expire on the last day of June next following the date of its issuance or annually on a different date set by the superintendent pursuant to section 1181.23 of the Revised Code. Fifty per cent of license
fees shall be for the use of the state, and fifty per cent shall
be paid to the municipal corporation, or if outside the limits of
any municipal corporation, to the county in which the office of
the licensee is located. All portions of license fees payable to
municipal corporations or counties shall be paid as they accrue,
by the treasurer of state, on vouchers issued by the director of
budget and management.

(D) Every such license shall be renewed annually by the last
day of June, or annually on a different date set by the
superintendent pursuant to section 1181.23 of the Revised Code,
according to the standard renewal procedure of Chapter 4745. of
the Revised Code. No license shall be granted to any person not a
resident of or the principal office of which is not located in the
municipal corporation or county designated in such license,
unless, and until such applicant shall, in writing and in due
form, to be first approved by and filed with the division, appoint
an agent, a resident of the state, and city or county where the
office is to be located, upon whom all judicial and other process,
or legal notice, directed to the applicant may be served; and in
case of the death, removal from the state, or any legal disability
or any disqualification of any agent, service of process or notice
may be made upon the superintendent.

(E) The division may, pursuant to Chapter 119. of the Revised
Code, upon notice to the licensee and after giving the licensee
reasonable opportunity to be heard, revoke or suspend any license,
if the licensee or the licensee's officers, agents, or employees
violate this chapter. Whenever, for any cause, the license is
revoked or suspended, the division shall not issue another license
to the licensee nor to the husband or wife of the licensee, nor to
any copartnership or corporation of which the licensee is an
officer, nor to any person employed by the licensee, until the
expiration of at least one year from the date of revocation of the license.

(F) In conducting an investigation to determine whether an applicant satisfies the requirements for licensure under this section, the superintendent may request that the superintendent of the bureau of criminal identification and investigation investigate and determine whether the bureau has procured any information pursuant to section 109.57 of the Revised Code pertaining to the applicant.

If the superintendent of financial institutions determines that conducting an investigation to determine whether an applicant satisfies the requirements for licensure under this section will require procuring information outside the state, then, in addition to the fee established under division (C) of this section, the superintendent may require the applicant to pay any of the actual expenses incurred by the division to conduct such an investigation, provided that the superintendent shall assess the applicant a total no greater than one thousand dollars for such expenses. The superintendent may require the applicant to pay in advance of the investigation, sufficient funds to cover the estimated cost of the actual expenses. If the superintendent requires the applicant to pay investigation expenses, the superintendent shall provide to the applicant an itemized statement of the actual expenses incurred by the division to conduct the investigation.

(G)(1) Except as otherwise provided in division (G)(2) of this section a precious metals dealer licensed under this section shall maintain a net worth of at least ten thousand dollars, computed as required under division (B)(1) of this section, for as long as the licensee holds a valid precious metals dealer's
license issued pursuant to this section.

(2) A licensee who obtains a surety bond under division (B)(2) of this section is exempt from the requirement of division (G)(1) of this section, but shall maintain the bond for at least two years after the date on which the licensee ceases to conduct business in this state.

(A) The state medical board, by an affirmative vote of not fewer than six members, may revoke or may refuse to grant a license to practice as a physician assistant to a person found by the board to have committed fraud, misrepresentation, or deception in applying for or securing the license.

(B) The board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend an individual's license to practice as a physician assistant or prescriber number, refuse to issue a license to an applicant, refuse to renew a license, refuse to reinstate a license, or reprimand or place on probation the holder of a license for any of the following reasons:

(2) Failure to comply with the requirements of this chapter, Chapter 4731. of the Revised Code, or any rules adopted by the board;

(3) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provision of this chapter, Chapter 4731. of the Revised Code, or the rules adopted by the board;
(4) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) Representing, with the purpose of obtaining compensation or other advantage personally or for any other person, that an incurable disease or injury, or other incurable condition, can be
permanently cured;

(10) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice;

(18) Any of the following actions taken by the state agency
responsible for regulating the practice of physician assistants in another state, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(19) A departure from, or failure to conform to, minimal standards of care of similar physician assistants under the same or similar circumstances, regardless of whether actual injury to a patient is established;

(20) Violation of the conditions placed by the board on a license to practice as a physician assistant;

(21) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(22) Failure to cooperate in an investigation conducted by the board under section 4730.26 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(23) Assisting suicide, as defined in section 3795.01 of the Revised Code;

(24) Prescribing any drug or device to perform or induce an abortion, or otherwise performing or inducing an abortion;

(28) The revocation, suspension, restriction, reduction, or termination of clinical privileges by the United States department of defense or department of veterans affairs or the termination or suspension of a certificate of registration to prescribe drugs by the drug enforcement administration of the United States department of justice.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a physician assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(D) For purposes of divisions (B)(12), (15), and (16) of this section, the commission of the act may be established by a finding
by the board, pursuant to an adjudication under Chapter 119. of
the Revised Code, that the applicant or license holder committed
the act in question. The board shall have no jurisdiction under
these divisions in cases where the trial court renders a final
judgment in the license holder's favor and that judgment is based
upon an adjudication on the merits. The board shall have
jurisdiction under these divisions in cases where the trial court
issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have
no effect upon a prior board order entered under the provisions of
this section or upon the board's jurisdiction to take action under
the provisions of this section if, based upon a plea of guilty, a
judicial finding of guilt, or a judicial finding of eligibility
for intervention in lieu of conviction, the board issued a notice
of opportunity for a hearing prior to the court's order to seal
the records. The board shall not be required to seal, destroy,
redact, or otherwise modify its records to reflect the court's
sealing of conviction records.

(F) For purposes of this division, any individual who holds a
license issued under this chapter, or applies for a license issued
under this chapter, shall be deemed to have given consent to
submit to a mental or physical examination when directed to do so
in writing by the board and to have waived all objections to the
admissibility of testimony or examination reports that constitute
a privileged communication.

(1) In enforcing division (B)(4) of this section, the board,
upon a showing of a possible violation, may compel any individual
who holds a license issued under this chapter or who has applied
for a license pursuant to this chapter to submit to a mental
examination, physical examination, including an HIV test, or both
a mental and physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds a physician assistant unable to practice because of the reasons set forth in division (B)(4) of this section, the board shall require the physician assistant to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed license. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(5) of this section, if the board has reason to believe that any individual who holds a license issued under this chapter or any applicant for a license suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be
entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure, to submit to treatment.

Before being eligible to apply for reinstatement of a license suspended under this division, the physician assistant shall demonstrate to the board the ability to resume practice or prescribing in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired physician assistant resumes practice or prescribing, the board shall require continued monitoring of the physician assistant. The monitoring shall include compliance with the written consent agreement entered into before reinstatement or
with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the physician assistant has maintained sobriety.

(G) If the secretary and supervising member determine that there is clear and convincing evidence that a physician assistant has violated division (B) of this section and that the individual's continued practice or prescribing presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's license without a prior hearing. Written allegations shall be prepared for consideration by the board.

The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the physician assistant requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the physician assistant requests the hearing, unless otherwise agreed to by both the board and the license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative
order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition and supporting court documents, the board shall reinstate the individual's license. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions identified under division (B) of this section.

(I) The license to practice issued to a physician assistant and the physician assistant's practice in this state are automatically suspended as of the date the physician assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another state for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder,
murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license to practice.

(J) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the physician assistant's license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.
(L) When the board refuses to grant or issue to an applicant a license to practice as a physician assistant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold the license and the board shall not accept an application for reinstatement of the license or for issuance of a new license.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application made under this chapter for a license may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license in accordance with section 4730.14 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual.

(N) The board shall not refuse to issue a license to an applicant because of a conviction, plea of guilty, judicial finding of guilt, judicial finding of eligibility for intervention in lieu of conviction, or the commission of an act that constitutes a criminal offense, unless the refusal is in accordance with section 9.79 of the Revised Code."

(B) Except as provided in division (P) of this section, the board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend a license or certificate to practice or certificate to recommend, refuse to issue a license or certificate, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or certificate for one or more of the following reasons:

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(16) Failure to pay license renewal fees specified in this chapter;

(17) Except as authorized in section 4731.31 of the Revised Code, engaging in the division of fees for referral of patients, or the receiving of a thing of value in return for a specific referral of a patient to utilize a particular service or business;

(18) Subject to section 4731.226 of the Revised Code, violation of any provision of a code of ethics of the American medical association, the American osteopathic association, the American podiatric medical association, or any other national professional organizations that the board specifies by rule. The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional organizations. The individual whose license or certificate is being suspended or revoked shall not be found to have violated any
provision of a code of ethics of an organization not appropriate to the individual's profession.

For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(19) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills.

In enforcing this division, the board, upon a showing of a possible violation, may compel any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and
final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in this division, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or certificate. For the purpose of this division, any individual who applies for or receives a license or certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except as provided in division (F)(1)(b) of section 4731.282 of the Revised Code or when civil penalties are imposed under section 4731.225 of the Revised Code, and subject to section 4731.226 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provisions of this chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted violation of, assisting in or abetting the violation of, or a conspiracy to violate, any provision of this chapter or any rule adopted by the board that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a...
drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(21) The violation of section 3701.79 of the Revised Code or of any abortion rule adopted by the director of health pursuant to section 3701.341 of the Revised Code;

(22) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(23) The violation of section 2919.12 of the Revised Code or the performance or inducement of an abortion upon a pregnant woman with actual knowledge that the conditions specified in division (B) of section 2317.56 of the Revised Code have not been satisfied or with a heedless indifference as to whether those conditions have been satisfied, unless an affirmative defense as specified in division (H)(2) of that section would apply in a civil action authorized by division (H)(1) of that section;

(24) The revocation, suspension, restriction, reduction, or termination of clinical privileges by the United States department of defense or department of veterans affairs or the termination or
suspension of a certificate of registration to prescribe drugs by the drug enforcement administration of the United States department of justice;

(25) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency;

(26) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice.

For the purposes of this division, any individual authorized to practice by this chapter accepts the privilege of practicing in this state subject to supervision by the board. By filing an application for or holding a license or certificate to practice under this chapter, an individual shall be deemed to have given consent to submit to a mental or physical examination when ordered to do so by the board in writing, and to have waived all objections to the admissibility of testimony or examination reports that constitute privileged communications.

If it has reason to believe that any individual authorized to practice by this chapter or any applicant for licensure or certification to practice suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician who is qualified to conduct the examination and who is chosen by the board.

Failure to submit to a mental or physical examination ordered
by the board constitutes an admission of the allegations against
the individual unless the failure is due to circumstances beyond
the individual's control, and a default and final order may be
entered without the taking of testimony or presentation of
evidence. If the board determines that the individual's ability to
practice is impaired, the board shall suspend the individual's
license or certificate or deny the individual's application and
shall require the individual, as a condition for initial,
continued, reinstated, or renewed licensure or certification to
practice, to submit to treatment.

Before being eligible to apply for reinstatement of a license
or certificate suspended under this division, the impaired
practitioner shall demonstrate to the board the ability to resume
practice in compliance with acceptable and prevailing standards of
care under the provisions of the practitioner's license or
certificate. The demonstration shall include, but shall not be
limited to, the following:

(a) Certification from a treatment provider approved under
section 4731.25 of the Revised Code that the individual has
successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare
contract or consent agreement;

(c) Two written reports indicating that the individual's
ability to practice has been assessed and that the individual has
been found capable of practicing according to acceptable and
prevailing standards of care. The reports shall be made by
individuals or providers approved by the board for making the
assessments and shall describe the basis for their determination.

The board may reinstate a license or certificate suspended
under this division after that demonstration and after the
individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(27) A second or subsequent violation of section 4731.66 or 4731.69 of the Revised Code;

(28) Except as provided in division (N) of this section:

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

(29) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(30) Failure to provide notice to, and receive acknowledgment of the notice from, a patient when required by section 4731.143 of
the Revised Code prior to providing nonemergency professional services, or failure to maintain that notice in the patient's medical record;

(31) Failure of a physician supervising a physician assistant to maintain supervision in accordance with the requirements of Chapter 4730. of the Revised Code and the rules adopted under that chapter;

(32) Failure of a physician or podiatrist to enter into a standard care arrangement with a clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner with whom the physician or podiatrist is in collaboration pursuant to section 4731.27 of the Revised Code or failure to fulfill the responsibilities of collaboration after entering into a standard care arrangement;

(33) Failure to comply with the terms of a consult agreement entered into with a pharmacist pursuant to section 4729.39 of the Revised Code;

(34) Failure to cooperate in an investigation conducted by the board under division (F) of this section, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board in an investigative interview, an investigative office conference, at a deposition, or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(35) Failure to supervise an oriental medicine practitioner or acupuncturist in accordance with Chapter 4762. of the Revised Code and the board's rules for providing that supervision;
(36) Failure to supervise an anesthesiologist assistant in accordance with Chapter 4760. of the Revised Code and the board's rules for supervision of an anesthesiologist assistant;

(37) Assisting suicide, as defined in section 3795.01 of the Revised Code;

(38) Failure to comply with the requirements of section 2317.561 of the Revised Code;

(39) Failure to supervise a radiologist assistant in accordance with Chapter 4774. of the Revised Code and the board's rules for supervision of radiologist assistants;

(40) Performing or inducing an abortion at an office or facility with knowledge that the office or facility fails to post the notice required under section 3701.791 of the Revised Code;

(41) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for the operation of or the provision of care at a pain management clinic;

(42) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for providing supervision, direction, and control of individuals at a pain management clinic;

(43) Failure to comply with the requirements of section 4729.79 or 4731.055 of the Revised Code, unless the state board of pharmacy no longer maintains a drug database pursuant to section 4729.75 of the Revised Code;

(44) Failure to comply with the requirements of section 2919.171, 2919.202, or 2919.203 of the Revised Code or failure to submit to the department of health in accordance with a court order a complete report as described in section 2919.171 or
2919.202 of the Revised Code;

(45) Practicing at a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the person operating the facility has obtained and maintains the license with the classification;

(46) Owning a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the facility is licensed with the classification;

(47) Failure to comply with any of the requirements regarding making or maintaining medical records or documents described in division (A) of section 2919.192, division (C) of section 2919.193, division (B) of section 2919.195, or division (A) of section 2919.196 of the Revised Code;

(48) Failure to comply with the requirements in section 3719.061 of the Revised Code before issuing for a minor a prescription for an opioid analgesic, as defined in section 3719.01 of the Revised Code;

(49) Failure to comply with the requirements of section 4731.30 of the Revised Code or rules adopted under section 4731.301 of the Revised Code when recommending treatment with medical marijuana;

(50) Practicing at a facility, clinic, or other location that is subject to licensure as a category III terminal distributor of dangerous drugs with an office-based opioid treatment classification unless the person operating that place has obtained and maintains the license with the classification;

(51) Owning a facility, clinic, or other location that is
subject to licensure as a category III terminal distributor of
dangerous drugs with an office-based opioid treatment
classification unless that place is licensed with the
classification;

(52) A pattern of continuous or repeated violations of
division (E)(2) or (3) of section 3963.02 of the Revised Code.

(C) Disciplinary actions taken by the board under divisions
(A) and (B) of this section shall be taken pursuant to an
adjudication under Chapter 119. of the Revised Code, except that
in lieu of an adjudication, the board may enter into a consent
agreement with an individual to resolve an allegation of a
violation of this chapter or any rule adopted under it. A consent
agreement, when ratified by an affirmative vote of not fewer than
six members of the board, shall constitute the findings and order
of the board with respect to the matter addressed in the
agreement. If the board refuses to ratify a consent agreement, the
admissions and findings contained in the consent agreement shall
be of no force or effect.

A telephone conference call may be utilized for ratification
of a consent agreement that revokes or suspends an individual's
license or certificate to practice or certificate to recommend.
The telephone conference call shall be considered a special
meeting under division (F) of section 121.22 of the Revised Code.

If the board takes disciplinary action against an individual
under division (B) of this section for a second or subsequent plea
of guilty to, or judicial finding of guilt of, a violation of
section 2919.123 of the Revised Code, the disciplinary action
shall consist of a suspension of the individual's license or
certificate to practice for a period of at least one year or, if
determined appropriate by the board, a more serious sanction
involving the individual's license or certificate to practice. Any consent agreement entered into under this division with an individual that pertains to a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of that section shall provide for a suspension of the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, a more serious sanction involving the individual's license or certificate to practice.

(D) For purposes of divisions (B)(10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F)(1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that
appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, or in conducting an inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board.

(a) Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine
whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee or agent designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for or the holder of a license or certificate issued under this chapter, service of the subpoena may be made by certified mail, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery. If the person being served refuses to accept the subpoena or is not located, service may be made to an attorney who notifies the board that the attorney is representing the person.

(d) A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings, investigations, and inspections of the
board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.

(5) A report required to be submitted to the board under this chapter, a complaint, or information received by the board pursuant to an investigation or pursuant to an inspection under division (E) of section 4731.054 of the Revised Code is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations or inspections and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given or, in the case of a patient, a waiver of the patient privilege exists under division (B) of section 2317.02 of the Revised Code, except that consent or a waiver of that nature is not required if the board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

The board may share any information it receives pursuant to an investigation or inspection, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require
that appropriate measures are taken to ensure that confidentiality is maintained with respect to any part of the information that contains names or other identifying information about patients or complainants whose confidentiality was protected by the state medical board when the information was in the board's possession. Measures to ensure confidentiality that may be taken by the court include sealing its records or deleting specific information from its records.

(6) On a quarterly basis, the board shall prepare a report that documents the disposition of all cases during the preceding three months. The report shall contain the following information for each case with which the board has completed its activities:

(a) The case number assigned to the complaint or alleged violation;

(b) The type of license or certificate to practice, if any, held by the individual against whom the complaint is directed;

(c) A description of the allegations contained in the complaint;

(d) The disposition of the case.

The report shall state how many cases are still pending and shall be prepared in a manner that protects the identity of each person involved in each case. The report shall be a public record under section 149.43 of the Revised Code.

(G) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license or certificate to practice or certificate to recommend without a prior hearing:

(1) That there is clear and convincing evidence that an individual has violated division (B) of this section;
That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(9), (11), or (13) of this section and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu
of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition of that nature and supporting court documents, the board shall reinstate the individual's license or certificate to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of an opportunity for a hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act or if no hearing is requested, the board may order any of the sanctions identified under division (B) of this section.

(I) The license or certificate to practice issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date of the individual's second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code. In addition, the license or certificate to practice or certificate to recommend issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary.
Continued practice after suspension shall be considered practicing without a license or certificate.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license or certificate is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall do whichever of the following is applicable:

(1) If the automatic suspension under this division is for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, the board shall enter an order suspending the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, imposing a more serious sanction involving the individual's license or certificate to practice.

(2) In all circumstances in which division (I)(1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section...
section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or certificate to practice may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue a license or certificate to practice to an applicant, revokes an individual's license or certificate to practice, refuses to renew an individual's license or certificate to practice, or refuses to reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or certificate to practice and the board shall not accept an application for reinstatement of the license or certificate or for issuance of a new license or certificate.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or certificate issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or certificate to practice. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.
(2) An application for a license or certificate made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or certificate to practice in accordance with this chapter or a certificate to recommend in accordance with rules adopted under section 4731.301 of the Revised Code shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) At the request of the board, a license or certificate holder shall immediately surrender to the board a license or certificate that the board has suspended, revoked, or permanently revoked.

(N) Sanctions shall not be imposed under division (B)(28) of this section against any person who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person authorized to practice pursuant to this chapter, to the extent allowed by this chapter and rules adopted by the board.

(O) Under the board's investigative duties described in this section and subject to division (F) of this section, the board shall develop and implement a quality intervention program designed to improve through remedial education the clinical and communication skills of individuals authorized under this chapter.
to practice medicine and surgery, osteopathic medicine and
surgery, and podiatric medicine and surgery. In developing and
implementing the quality intervention program, the board may do
all of the following:

(1) Offer in appropriate cases as determined by the board an
educational and assessment program pursuant to an investigation
the board conducts under this section;

(2) Select providers of educational and assessment services,
including a quality intervention program panel of case reviewers;

(3) Make referrals to educational and assessment service
providers and approve individual educational programs recommended
by those providers. The board shall monitor the progress of each
individual undertaking a recommended individual educational
program.

(4) Determine what constitutes successful completion of an
individual educational program and require further monitoring of
the individual who completed the program or other action that the
board determines to be appropriate;

(5) Adopt rules in accordance with Chapter 119. of the
Revised Code to further implement the quality intervention
program.

An individual who participates in an individual educational
program pursuant to this division shall pay the financial
obligations arising from that educational program.

(P) The board shall not refuse to issue a license to an
applicant because of a conviction, plea of guilty, judicial
finding of guilt, judicial finding of eligibility for intervention
in lieu of conviction, or the commission of an act that
constitutes a criminal offense, unless the refusal is in
accordance with section 9.79 of the Revised Code."

"Sec. 4731.291. (A) An individual seeking to pursue an internship, residency, clinical fellowship program, or elective clinical rotation in this state, who does not hold a license to practice medicine and surgery or osteopathic medicine or surgery issued under this chapter, shall apply to the state medical board for a training certificate. The application shall be made on forms that the board shall furnish and shall be accompanied by an application fee of one hundred thirty dollars.

An applicant for a training certificate shall furnish to the board all of the following:

(1) Evidence satisfactory to the board that the applicant is at least eighteen years of age and is of good moral character.

(2) Evidence satisfactory to the board that the applicant has been accepted or appointed to participate in this state in one of the following:

(a) An internship, residency, or clinical fellowship program accredited by either the accreditation council for graduate medical education of the American medical association or the American osteopathic association;

The board shall not require an examination as a condition of receiving a training certificate.

A training certificate issued pursuant to this section shall be valid only for three years, but may be renewed by the board for one additional three-year period. To renew a training certificate, the holder shall apply to the board on or before the certificate's expiration date.

superintendent and shall contain such information as is required by this chapter and the rules of the Ohio real estate commission. The application shall be accompanied by the recommendation of the real estate broker with whom the applicant is associated or with whom the applicant intends to be associated, certifying that the applicant is honest and truthful, and of good reputation, has not been convicted of a felony or a crime involving moral turpitude, and has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate, which conviction or adjudication the applicant has not disclosed to the superintendent, and recommending that the applicant be admitted to the real estate salesperson examination.

(B) A fee of eighty-one dollars shall accompany the application, which fee includes the fee for the initial year of the licensing period, if a license is issued. The initial year of the licensing period commences at the time the license is issued and ends on the applicant's first birthday thereafter. The application fee shall be nonrefundable. A fee of eighty-one dollars shall be charged by the superintendent for each successive application made by the applicant. One dollar of each application fee shall be credited to the real estate education and research fund.

(C) There shall be no limit placed on the number of times an applicant may retake the examination.

(D) The superintendent, with the consent of the commission, may enter into an agreement with a recognized national testing service to administer the real estate salesperson's examination under the superintendent's supervision and control, consistent with the requirements of this chapter as to the contents of the examination.
If the superintendent, with the consent of the commission, enters into an agreement with a national testing service to administer the real estate salesperson's examination, the superintendent may require an applicant to pay the testing service's examination fee directly to the testing service. (E) The superintendent shall issue a real estate salesperson's license when satisfied that the applicant has received a passing score on each portion of the salesperson's examination as determined by rule by the real estate commission, except that the superintendent may waive one or more of the requirements of this section in the case of an applicant who is a licensed real estate salesperson in another state pursuant to a reciprocity agreement with the licensing authority of the state from which the applicant holds a valid real estate salesperson's license.

(F) No applicant for a salesperson's license shall take the salesperson's examination who has not established to the satisfaction of the superintendent that the applicant:

1. Is honest and truthful, and of good reputation;

2. (a) Has not been convicted of a felony or crime of moral turpitude or, if the applicant has been so convicted, the superintendent has disregarded the conviction because the applicant has proven to the superintendent, by a preponderance of the evidence, that the applicant's activities and employment record since the conviction show that the applicant is honest,
truthful, and of good reputation, and there is no basis in fact for believing that the applicant again will violate the laws involved; disqualifying offense as determined in accordance with section 9.79 of the Revised Code;

(b) Has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate or, if the applicant has been so adjudged, at least two years have passed since the court decision and the superintendent has disregarded the adjudication because the applicant has proven, by a preponderance of the evidence, that the applicant is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant again will violate the laws involved.

(3) Has not, during any period in which the applicant was licensed under this chapter, violated any provision of, or any rule adopted pursuant to this chapter, or, if the applicant has violated such provision or rule, has established to the satisfaction of the superintendent that the applicant will not again violate such provision or rule;

(d) Twenty hours of instruction in real estate finance.

(G)(1) Successful completion of the instruction required by division (F)(6) of this section shall be determined by the law in effect on the date the instruction was completed.

(2) Division (F)(6)(c) of this section does not apply to any new applicant who holds a valid Ohio real estate appraiser license or certificate issued prior to the date of application for a real estate salesperson's license.

(H) Only for noncredit course offerings, an institution of higher education shall obtain approval from the appropriate state authorizing entity prior to offering a real estate course that is designed and marketed as satisfying the salesperson license education requirements of division (F)(6) of this section. (I) Any person who has not been licensed as a real estate
salesperson or broker within a four-year period immediately preceding the person's current application for the salesperson's examination shall have successfully completed the prelicensure instruction required by division (F)(6) of this section within a ten-year period immediately preceding the person's current application for the salesperson's examination.

(J) Not earlier than the date of issue of a real estate salesperson's license to a licensee, but not later than twelve months after the date of issue of a real estate salesperson license to a licensee, the licensee shall submit proof satisfactory to the superintendent, on forms made available by the superintendent, of the completion of twenty hours of instruction that shall be completed in schools, seminars, and educational institutions approved by the commission. The instruction shall include, but is not limited to, current practices relating to commercial real estate, property management, short sales, and land contracts; contract law; federal and state programs; economic conditions; and fiduciary responsibility. Approval of the curriculum and providers shall be granted according to rules adopted pursuant to section 4735.10 of the Revised Code and may be taken through classroom instruction or distance education.

If proof of completion of the required instruction is not submitted within twelve months of the date a license is issued under this section, the licensee's license is suspended automatically without the taking of any action by the superintendent. The superintendent immediately shall notify the broker with whom such salesperson is associated of the suspension of the salesperson's license. A salesperson whose license has been suspended under this division shall have twelve months after the date of the suspension of the salesperson's license to submit proof of successful completion of the instruction required under
this division. No such license shall be reactivated by the superintendent until it is established, to the satisfaction of the superintendent, that the requirements of this division have been met and that the licensee is in compliance with this chapter. "Sec. 4735.13. (A) Every real estate broker licensed under this chapter shall have and maintain a definite place of business in this state. A post office box address is not a definite place of business for purposes of this section. The license of a real estate broker shall be prominently displayed in the office or place of business of the broker, and no license shall authorize the licensee to do business except from the location specified in it. If the broker maintains more than one place of business within
the state, the broker shall apply for and procure a duplicate license for each branch office maintained by the broker. Each branch office shall be in the charge of a licensed broker or salesperson. The branch office license shall be prominently displayed at the branch office location.

(B) The license of each real estate salesperson shall be mailed to and remain in the possession of the licensed broker with whom the salesperson is or is to be associated until the licensee places the license on inactive or resigned status or until the salesperson leaves the brokerage or is terminated. The broker shall keep each salesperson's license in a way that it can, and shall on request, be made immediately available for public inspection at the office or place of business of the broker. Except as provided in divisions (G) and (H) of this section, immediately upon the salesperson's leaving the association or termination of the association of a real estate salesperson with the broker, the broker shall return the salesperson's license to the superintendent of real estate.

The failure of a broker to return the license of a real estate salesperson or broker who leaves or who is terminated, via certified mail return receipt requested, within three business days of the receipt of a written request from the superintendent for the return of the license, is prima-facie evidence of misconduct under division (A)(6) of section 4735.18 of the Revised Code.

(C) A licensee shall notify the superintendent in writing within fifteen days of any of the following occurrences:

(1) The licensee is convicted of a felony.

(2) The licensee is convicted of a crime involving moral turpitude.
(3) The licensee is found to have violated any federal, state, or municipal civil rights law pertaining to discrimination in housing.

(4) The licensee is found to have engaged in a discriminatory practice pertaining to housing accommodations described in division (H) of section 4112.02 of the Revised Code.

(5) The licensee is the subject of an order by the department of commerce, the department of insurance, or the department of agriculture revoking or permanently surrendering any professional license, certificate, or registration.

(6) The licensee is the subject of an order by any government agency concerning real estate, financial matters, or the performance of fiduciary duties with respect to any license, certificate, or registration.

If a licensee fails to notify the superintendent within the required time, the superintendent immediately may suspend the license of the licensee.

Any court that convicts a licensee of a violation of any municipal civil rights law pertaining to housing discrimination also shall notify the Ohio civil rights commission within fifteen days of the conviction.

(D) In case of any change of business location, a broker shall give notice to the superintendent, on a form prescribed by the superintendent, within thirty days after the change of location, whereupon the superintendent shall issue new licenses for the unexpired period without charge. If a broker changes a business location without giving the required notice and without receiving new licenses that action is prima-facie evidence of misconduct under division (A)(6) of section 4735.18 of the Revised Code.
(E) If a real estate broker desires to associate with another real estate broker in the capacity of a real estate salesperson, the broker shall apply to the superintendent to deposit the broker's real estate broker's license with the superintendent and for the issuance of a real estate salesperson's license. The application shall be made on a form prescribed by the superintendent and shall be accompanied by the recommendation of the real estate broker with whom the applicant intends to become associated and a fee of thirty-four dollars for the real estate salesperson's license. One dollar of the fee shall be credited to the real estate education and research fund. If the superintendent is satisfied that the applicant is honest, and truthful, and of good reputation, has not been convicted of a felony or a crime involving moral turpitude, disqualifying offense as determined in accordance with section 9.79 of the Revised Code, and has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate, and that the association of the real estate broker and the applicant will be in the public interest, the superintendent shall grant the application and issue a real estate salesperson's license to the applicant. Any license so deposited with the superintendent shall be subject to this chapter. A broker who intends to deposit the broker's license with the superintendent, as provided in this section, shall give written notice of this fact in a format prescribed by the superintendent to all salespersons associated with the broker when applying to place the broker's license on deposit.

(F) If a real estate broker desires to become a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation that is or intends
to become a licensed real estate broker, the broker shall notify
the superintendent of the broker's intentions. The notice of
intention shall be on a form prescribed by the superintendent and
shall be accompanied by a fee of thirty-four dollars. One dollar
of the fee shall be credited to the real estate education and
research fund.

A licensed real estate broker who is a member or officer of a
partnership, association, limited liability company, limited
liability partnership, or corporation shall only act as a real
estate broker for such partnership, association, limited liability
company, limited liability partnership, or corporation.

(G)(1) If a real estate broker or salesperson enters the
armed forces, the broker or salesperson may place the broker's or
salesperson's license on deposit with the Ohio real estate
commission. The licensee shall not be required to renew the
license until the renewal date that follows the date of discharge
from the armed forces. Any license deposited with the commission
shall be subject to this chapter.

Any licensee whose license is on deposit under this division
and who fails to meet the continuing education requirements of
section 4735.141 of the Revised Code because the licensee is in
the armed forces shall satisfy the commission that the licensee
has complied with the continuing education requirements within
twelve months of the licensee's first birthday after discharge or
within the amount of time equal to the total number of months the
licensee spent on active duty, whichever is greater. The licensee
shall submit proper documentation of active duty service and the
length of that active duty service to the superintendent. The
extension shall not exceed the total number of months that the
licensee served in active duty. The superintendent shall notify
the licensee of the licensee's obligations under section 4735.141 of the Revised Code at the time the licensee applies for reactivation of the licensee's license.

(2) If a licensee is a spouse of a member of the armed forces and the spouse's service resulted in the licensee's absence from this state, both of the following apply:

(a) The licensee shall not be required to renew the license until the renewal date that follows the date of the spouse's discharge from the armed forces.

(b) If the licensee fails to meet the continuing education requirements of section 4735.141 of the Revised Code, the licensee shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months after the licensee's first birthday after the spouse's discharge or within the amount of time equal to the total number of months the licensee's spouse spent on active duty, whichever is greater. The licensee shall submit proper documentation of the spouse's active duty service and the length of that active duty service. This extension shall not exceed the total number of months that the licensee's spouse served in active duty.

(3) In the case of a licensee as described in division (G)(2) of this section, who holds the license through a reciprocity agreement with another state, the spouse's service shall have resulted in the licensee's absence from the licensee's state of residence for the provisions of that division to apply.

(4) As used in this division, "armed forces" means the armed forces of the United States or reserve component of the armed forces of the United States including the Ohio national guard or the national guard of any other state.
(H) If a licensed real estate salesperson submits an application to the superintendent to leave the association of one broker to associate with a different broker, the broker possessing the licensee's license need not return the salesperson's license to the superintendent. The superintendent may process the application regardless of whether the licensee's license is returned to the superintendent."

(2) A description of the applicant, including, if the applicant is a partnership, unincorporated association, or any similar form of business organization, the names and the residence and business addresses of all partners, officers, directors, trustees, or managers of the organization, and the limitation of the liability of any partner or member; and if the applicant is a corporation, a list of its officers and directors, and the residence and business addresses of each, and, if it is a foreign corporation, a copy of its articles of incorporation in addition;

(3) The location and addresses of the principal office and all other offices of the applicant;

(4) A general description of the business of the applicant prior to the application, including a list of states in which the
applicant is a licensed foreign real estate dealer;

(5) The names and addresses of all salespersons of the applicant at the date of the application;

(6) The nature of the business of the applicant, and its places of business, for the ten-year period preceding the date of application.

(B) Every nonresident applicant shall name a person within this state upon whom process against the applicant may be served and shall give the complete residence and business address of the person designated. Every applicant shall file an irrevocable written consent, executed and acknowledged by an individual duly authorized to give such consent, that actions growing out of a fraud committed by the applicant in connection with the sale in this state of foreign real estate may be commenced against it, in the proper court of any county in this state in which a cause of action for such fraud may arise or in which the plaintiff in such action may reside, by serving on the secretary of state any proper process or pleading authorized by the laws of this state, in the event that the applicant if a resident of this state, or the person designated by the nonresident applicant, cannot be found at the address given. The consent shall stipulate that the service of process on the secretary of state shall be taken in all courts to be as valid and binding as if service had been made upon the foreign real estate dealer. If the applicant is a corporation or an unincorporated association, the consent shall be accompanied by a certified copy of the resolution of the board of directors, trustees, or managers of the corporation or association, authorizing such individual to execute the consent.

(C) The superintendent may investigate any applicant for a dealer's license, and may require any additional information the
superintendent considers necessary to determine the business
repute and qualifications of the applicant to act as a foreign
real estate dealer. If the application for a dealer's license
involves investigation outside this state, the superintendent may
require the applicant to advance sufficient funds to pay any of
the actual expenses of the investigation, and an itemized
statement of such expense shall be furnished to the applicant.

(D) Every applicant shall take a written examination,
prescribed and conducted by the superintendent, which covers the
applicant's knowledge of the principles of real estate practice,
real estate law, financing and appraisal, real estate transactions
and instruments relating to them, canons of business ethics
relating to real estate transactions, and the duties of foreign
real estate dealers and salespersons. The fee for the examination,
when administered by the superintendent, is one hundred one
dollars. If the applicant does not appear for the examination, the
fee shall be forfeited and a new application and fee shall be
filed, unless good cause for the failure to appear is shown to the
superintendent. The requirement of an examination may be waived in
whole or in part by the superintendent if an applicant is licensed
as a real estate broker by any state.

Any applicant who fails the examination twice shall wait six
months before applying to retake the examination.

(E) No person shall take the foreign real estate dealer's
examination who has not established to the satisfaction of the
superintendent that the person:

(1) Has not been convicted of a felony or a crime of moral
turpitude or, if the applicant has been so convicted, the
superintendent has disregarded the conviction because the
applicant has proven to the superintendent, by a preponderance of
the evidence, that the applicant's activities and employment record since the conviction show that the applicant is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant again will violate the laws involved disqualifying offense as determined in accordance with section 9.79 of the Revised Code;

(2) Has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate or, if the applicant has been so adjudged, at least two years have passed since the court decision and the superintendent has disregarded the adjudication because the applicant has proven, by a preponderance of the evidence, that the applicant's activities and employment record since the adjudication show that the applicant is honest, and truthful, and of good reputation, and there is no basis in fact for believing that the applicant again will violate the laws involved;

(3) Has not, during any period for which the applicant was licensed under this chapter or any former section of the Revised Code applicable to licensed foreign real estate dealers or salespersons, violated any provision of, or any rule adopted pursuant to, this chapter or that section, or, if the applicant has violated any such provision or rule, has established to the satisfaction of the superintendent that the applicant will not again violate the provision or rule.

(F) If the superintendent finds that an applicant for a license as a foreign real estate dealer, or each named member, manager, or officer of a partnership, association, or corporate applicant is at least eighteen years of age, is of good business repute, has passed the examination required under this section or has had the requirement of an examination waived, and appears
otherwise qualified, the superintendent shall issue a license to
the applicant to engage in business in this state as a foreign
real estate dealer. Dealers licensed pursuant to this section
shall employ as salespersons of foreign real estate only persons
licensed pursuant to section 4735.28 of the Revised Code. If at
any time such salespersons resign or are discharged or new
salespersons are added, the dealer forthwith shall notify the
superintendent and shall file with the division of real estate the
names and addresses of new salespersons.

A license shall be valid for a two-year period unless revoked or suspended by the board and shall expire on the date that is two years after the date of issuance. A license may be renewed for additional two-year periods.

(2) The board shall renew an applicant's license if the applicant has paid the license renewal fee specified in section 4759.08 of the Revised Code and certifies to the board that the applicant has met the continuing education requirements adopted
under division (A)(5) of section 4759.05 of the Revised Code. The renewal shall be pursuant to the standard renewal procedure of sections 4745.01 to 4745.03 of the Revised Code.

At least one month before a license expires, the board shall provide a renewal notice. Failure of any person to receive a notice of renewal from the board shall not excuse the person from the requirements contained in this section. Each person holding a license shall give notice to the board of a change in the license holder's residence address, business address, or electronic mail address not later than thirty days after the change occurs.

(D) Any person licensed to practice dietetics by the former Ohio board of dietetics before January 21, 2018, may continue to practice dietetics in this state under that license if the person continues to meet the requirements to renew a license under this chapter and renews the license through the state medical board.

The state medical board may take any of the following actions, as provided in section 4759.07 of the Revised Code, against the holder of a license to practice dietetics issued before January 21, 2018, by the former Ohio board of dietetics:

1. Limit, revoke, or suspend the holder's license;
2. Refuse to renew or reinstate the holder's license;
3. Reprimand the holder or place the holder on probation.

(E) The board may require a random sample of dietitians to submit materials documenting that the continuing education requirements adopted under division (A)(5) of section 4759.05 of the Revised Code have been met.

This division does not limit the board's authority to conduct investigations pursuant to section 4759.07 of the Revised Code.
(F)(1) If, through a random sample conducted under division (E) of this section or any other means, the board finds that an individual who certified completion of the number of hours and type of continuing education required to renew, reinstate, or restore a license to practice did not complete the requisite continuing education, the board may do either of the following:

(a) Take disciplinary action against the individual under section 4759.07 of the Revised Code, impose a civil penalty, or both;

(b) Permit the individual to agree in writing to complete the continuing education and pay a civil penalty.

(4) The board's finding in any disciplinary action taken under division (F)(1)(a) of this section shall be made pursuant to an adjudication under Chapter 119. of the Revised Code and by an affirmative vote of not fewer than six of its members.

(5) A civil penalty imposed under division (F)(1)(a) of this section or paid under division (F)(1)(b) of this section shall be in an amount specified by the board of not more than five thousand dollars. The board shall deposit civil penalties in accordance with section 4731.24 of the Revised Code.

(G)(1) The board may grant a limited permit to a person who has completed the education and pre-professional requirements of divisions (A)(4) and (5) of this section and who presents evidence to the board of having applied to take the examination approved by the board under division (A)(1) of section 4759.05 of the Revised Code. An application for a limited permit shall be made on forms that the board shall furnish and shall be accompanied by the limited permit fee specified in section 4759.08 of the Revised Code.
(2) If no grounds apply under section 4759.07 of the Revised Code for denying a license to the applicant and the applicant meets the requirements of division (G)(1) of this section, the board shall issue a limited permit to the applicant.

A limited permit expires in accordance with rules adopted under section 4759.05 of the Revised Code. A limited permit may be renewed in accordance with those rules.

(3) A person holding a limited permit who has failed the examination shall practice only under the direct supervision of a licensed dietitian.

(4) The board may revoke a limited permit on proof satisfactory to the board that the permit holder has engaged in practice in this state outside the scope of the permit, that the holder has engaged in unethical conduct, or that grounds for action against the holder exist under section 4759.07 of the Revised Code."

(4) Any other information the board considers necessary to process the application and evaluate the applicant's qualifications.

(B) At the time of making application for a license, the applicant shall pay the board a fee of one hundred dollars, no part of which shall be returned.

(C) The board shall review all applications received under this section. Not later than sixty days after receiving a complete application, the board shall determine whether an applicant meets the requirements to receive a license. "Sec. 4760.13. (A) The state medical board, by an affirmative vote of not fewer than six members, may revoke or may refuse to grant a license to practice as an anesthesiologist assistant to a person found by the board to have committed fraud, misrepresentation, or deception in applying for or securing the license.

    (B) The board, by an affirmative vote of not fewer than six members, shall, except as provided in division (C) of this section, and to the extent permitted by law, limit, revoke, or suspend an individual's license to practice as an anesthesiologist assistant, refuse to issue a license to an applicant, refuse to renew a license, refuse to reinstate a license, or reprimand or place on probation the holder of a license for any of the following reasons:

        (1) Permitting the holder's name or license to be used by another person;

        (2) Failure to comply with the requirements of this chapter, Chapter 4731. of the Revised Code, or any rules adopted by the board;

        (3) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provision of this chapter, Chapter 4731. of the Revised Code, or the rules adopted by the board;
(4) A departure from, or failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances whether or not actual injury to the patient is established;

(5) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(6) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in securing or attempting to secure a license to practice as an anesthesiologist assistant.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(10) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of
conviction for, a felony;

(11) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(12) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs;

(17) Any of the following actions taken by the state agency responsible for regulating the practice of anesthesiologist assistants in another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;
(18) Violation of the conditions placed by the board on a license to practice;

(19) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(20) Failure to cooperate in an investigation conducted by the board under section 4760.14 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(21) Failure to comply with any code of ethics established by the national commission for the certification of anesthesiologist assistants;

(22) Failure to notify the state medical board of the revocation or failure to maintain certification from the national commission for certification of anesthesiologist assistants.

(C) The board shall not refuse to issue a certificate to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent
agreement with an anesthesiologist assistant or applicant to
resolve an allegation of a violation of this chapter or any rule
adopted under it. A consent agreement, when ratified by an
affirmative vote of not fewer than six members of the board, shall
constitute the findings and order of the board with respect to the
matter addressed in the agreement. If the board refuses to ratify
a consent agreement, the admissions and findings contained in the
consent agreement shall be of no force or effect.

(D) (E) For purposes of divisions (B)(11), (14), and (15) of
this section, the commission of the act may be established by a
finding by the board, pursuant to an adjudication under Chapter
119. of the Revised Code, that the applicant or license holder
committed the act in question. The board shall have no
jurisdiction under these divisions in cases where the trial court
renders a final judgment in the license holder's favor and that
judgment is based upon an adjudication on the merits. The board
shall have jurisdiction under these divisions in cases where the
trial court issues an order of dismissal on technical or
procedural grounds.

(E) (F) The sealing of conviction records by any court shall
have no effect on a prior board order entered under the provisions
of this section or on the board's jurisdiction to take action
under the provisions of this section if, based upon a plea of
guilty, a judicial finding of guilt, or a judicial finding of
eligibility for intervention in lieu of conviction, the board
issued a notice of opportunity for a hearing prior to the court's
order to seal the records. The board shall not be required to
seal, destroy, redact, or otherwise modify its records to reflect
the court's sealing of conviction records.

(F) (G) For purposes of this division, any individual who
holds a license to practice issued under this chapter, or applies
for a license to practice, shall be deemed to have given consent
to submit to a mental or physical examination when directed to do
so in writing by the board and to have waived all objections to
the admissibility of testimony or examination reports that
constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board,
on a showing of a possible violation, may compel any individual
who holds a license to practice issued under this chapter or who
has applied for a license to practice pursuant to this chapter to
submit to a mental or physical examination, or both. A physical
examination may include an HIV test. The expense of the
examination is the responsibility of the individual compelled to
be examined. Failure to submit to a mental or physical examination
or consent to an HIV test ordered by the board constitutes an
admission of the allegations against the individual unless the
failure is due to circumstances beyond the individual's control,
and a default and final order may be entered without the taking of
testimony or presentation of evidence. If the board finds an
anesthesiologist assistant unable to practice because of the
reasons set forth in division (B)(5) of this section, the board
shall require the anesthesiologist assistant to submit to care,
counseling, or treatment by physicians approved or designated by
the board, as a condition for an initial, continued, reinstated,
or renewed license to practice. An individual affected by this
division shall be afforded an opportunity to demonstrate to the
board the ability to resume practicing in compliance with
acceptable and prevailing standards of care.

(2) For purposes of division (B)(6) of this section, if the
board has reason to believe that any individual who holds a
license to practice issued under this chapter or any applicant for
a license to practice suffers such impairment, the board may
compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed license to practice, to submit to treatment.

Before being eligible to apply for reinstatement of a license suspended under this division, the anesthesiologist assistant shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by
individuals or providers approved by the board for making such
assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this
division after such demonstration and after the individual has
entered into a written consent agreement.

When the impaired anesthesiologist assistant resumes
practice, the board shall require continued monitoring of the
anesthesiologist assistant. The monitoring shall include
monitoring of compliance with the written consent agreement
entered into before reinstatement or with conditions imposed by
board order after a hearing, and, on termination of the consent
agreement, submission to the board for at least two years of
annual written progress reports made under penalty of
falsification stating whether the anesthesiologist assistant has
maintained sobriety.

(G) (H) If the secretary and supervising member determine
that there is clear and convincing evidence that an
anesthesiologist assistant has violated division (B) of this
section and that the individual's continued practice presents a
danger of immediate and serious harm to the public, they may
recommend that the board suspend the individual's license without
a prior hearing. Written allegations shall be prepared for
consideration by the board.

The board, on review of the allegations and by an affirmative
vote of not fewer than six of its members, excluding the secretary
and supervising member, may suspend a license without a prior
hearing. A telephone conference call may be utilized for reviewing
the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by
certified mail or in person in accordance with section 119.07 of
the Revised Code. The order shall not be subject to suspension by
the court during pendency of any appeal filed under section 119.12
of the Revised Code. If the anesthesiologist assistant requests an
adjudicatory hearing by the board, the date set for the hearing
shall be within fifteen days, but not earlier than seven days,
after the anesthesiologist assistant requests the hearing, unless
otherwise agreed to by both the board and the license holder.

A summary suspension imposed under this division shall remain
in effect, unless reversed on appeal, until a final adjudicative
order issued by the board pursuant to this section and Chapter
119. of the Revised Code becomes effective. The board shall issue
its final adjudicative order within sixty days after completion of
its hearing. Failure to issue the order within sixty days shall
result in dissolution of the summary suspension order, but shall
not invalidate any subsequent, final adjudicative order.

(I) If the board takes action under division (B)(11),
(13), or (14) of this section, and the judicial finding of guilt,
guilty plea, or judicial finding of eligibility for intervention
in lieu of conviction is overturned on appeal, on exhaustion of
the criminal appeal, a petition for reconsideration of the order
may be filed with the board along with appropriate court
documents. On receipt of a petition and supporting court
documents, the board shall reinstate the license to practice. The
board may then hold an adjudication under Chapter 119. of the
Revised Code to determine whether the individual committed the act
in question. Notice of opportunity for hearing shall be given in
accordance with Chapter 119. of the Revised Code. If the board
finds, pursuant to an adjudication held under this division, that
the individual committed the act, or if no hearing is requested,
it may order any of the sanctions specified in division (B) of
this section.
(J) The license to practice of an anesthesiologist assistant and the assistant's practice in this state are automatically suspended as of the date the anesthesiologist assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license to practice.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.
Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the anesthesiologist assistant's license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

When the board refuses to grant or issue a license to practice as an anesthesiologist assistant to an applicant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license to practice as an anesthesiologist assistant and the board shall not accept an application for reinstatement of the license or for issuance of a new license.

Notwithstanding any other provision of the Revised Code, all of the following apply:

1. The surrender of a license to practice issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board.

2. An application made under this chapter for a license to practice may not be withdrawn without approval of the board.

3. Failure by an individual to renew a license to practice in accordance with section 4760.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual."

(A) The state medical board shall issue a license to any applicant who complies with the requirements of section 4761.04 of the Revised Code, files the prescribed application form, and pays the fee or fees required under section 4761.07 of the Revised Code. The license entitles the holder to practice respiratory care.

(B)(1) The board shall issue a limited permit to any applicant who meets the requirements of division (A)(1) of section 4761.04 of the Revised Code, files an application on a form furnished by the board, pays the fee required under section 4761.07 of the Revised Code, and meets either of the following requirements:

(a) Is enrolled in and is in good standing in a respiratory care educational program approved by the board that meets the requirements of division (A)(2)(1) of section 4761.04 of the Revised Code leading to a degree or certificate of completion or is a graduate of the program;

(b) Is employed as a provider of respiratory care in this state and was employed as a provider of respiratory care in this state prior to March 14, 1989.

(2) If no grounds apply under section 4761.09 of the Revised Code for denying a limited permit to the applicant and the applicant meets the requirements of division (B) of this section, the board shall issue a limited permit to the applicant.

The limited permit authorizes the holder to provide respiratory care under the supervision of a respiratory care
professional. A person issued a limited permit under division (B)(1)(a) of this section may practice respiratory care under the limited permit for not more than three years after the date the limited permit is issued, except that the limited permit shall cease to be valid one year following the date of receipt of a certificate of completion from a board-approved respiratory care education program or immediately if the holder discontinues participation in the educational program.

The holder shall notify the board as soon as practicable when the holder completes a board-approved respiratory care education program or discontinues participation in the educational program.

This division does not require a student enrolled in an educational program leading to a degree or certificate of completion in respiratory care approved by the board to obtain a limited permit to perform any duties that are part of the required course of study.

(3) A person issued a limited permit under division (B)(1)(b) of this section may practice under a limited permit for not more than three years, except that this restriction does not apply to a permit holder who, on March 14, 1989, has been employed as a provider of respiratory care for an average of not less than twenty-five hours per week for a period of not less than five years by a hospital.

(4) During the three-year period in which a person may practice under a limited permit, the person shall apply for renewal on an annual basis in accordance with section 4761.06 of the Revised Code.

(5) The board may revoke a limited permit upon proof satisfactory to the board that the permit holder has engaged in practice in this state outside the scope of the permit, that the
holder has engaged in unethical conduct, or that there are grounds
for action against the holder under section 4761.09 of the Revised
Code.

(C) The holder of a license or limited permit issued under
this section shall either provide verification of licensure or
permit status from the board's internet web site on request or
prominently display a wall certificate in the license holder's
office or place where the majority of the holder's practice is
conducted."

board in a manner prescribed by the board. Licenses and limited

that the holder has completed the continuing education or
reexamination requirements of division (B) of this section.

At least one month before a license expires, the board shall

license holder to receive a notice of renewal from the board shall
not excuse the holder from the requirements contained in this

electronic mail address not later than thirty days after the
change occurs.

The board shall renew a limited permit if the holder pays the
limited permit renewal fee prescribed under section 4761.07 of the

nor more than twenty hours of continuing education acceptable to
the board, or has passed a reexamination in accordance with the
board's renewal requirements.
(C)(1) A license to practice respiratory care that is not renewed on or before its expiration date is automatically suspended on its expiration date. Continued practice after suspension shall be considered as practicing in violation of section 4761.10 of the Revised Code.

(2) If a license has been suspended pursuant to division (C)(1) of this section for two years or less, it may be reinstated. The board shall reinstate the license upon the applicant's submission of a complete renewal application and payment of a reinstatement fee of one hundred dollars.

If a license has been suspended pursuant to division (C)(1) of this section for more than two years, it may be restored. Subject to section 4761.061 of the Revised Code, the board may restore the license upon an applicant's submission of a complete restoration application and a restoration fee of one hundred twenty-five dollars and compliance with sections 4776.01 to 4776.04 of the Revised Code. (a) Take disciplinary action against the individual under section 4761.09 of the Revised Code, impose a civil penalty, or both;

(b) Permit the individual to agree in writing to pass the reexamination or complete the continuing education and pay a civil penalty.

(2) The board's finding in any disciplinary action taken under division (E)(1)(a) of this section shall be made pursuant to an adjudication under Chapter 119. of the Revised Code and by an affirmative vote of not fewer than six of its members.

(4) The applicant shall demonstrate to the board proficiency in spoken English by satisfying one of the following requirements:

(a) Passing the examination described in section 4731.142 of the Revised Code;

(b) Submitting evidence satisfactory to the board that the
applicant was required to demonstrate proficiency in spoken English as a condition of obtaining designation from the national certification commission for acupuncture and oriental medicine as a diplomate in oriental medicine, diplomate of acupuncture and Chinese herbology, or diplomate in acupuncture;

(d) In the case of an applicant seeking a license to practice as an oriental medicine practitioner, submitting evidence satisfactory to the board that the applicant has previously held a license to practice as an acupuncturist issued under section 4762.04 of the Revised Code.

(6) The applicant shall pay to the board a fee of one hundred dollars, no part of which may be returned to the applicant.

(B) The board, by an affirmative vote of not fewer than six members, shall, except as provided in division (C) of this section, and to the extent permitted by law, limit, revoke, or suspend an individual's license to practice, refuse to issue a license to an applicant, refuse to renew a license, refuse to reinstate a license, or reprimand or place on probation the holder of a license for any of the following reasons:

(1) Permitting the holder's name or license to be used by another person;

(2) Failure to comply with the requirements of this chapter,"
Chapter 4731. of the Revised Code, or any rules adopted by the board;

(3) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provision of this chapter, Chapter 4731. of the Revised Code, or the rules adopted by the board;

(4) A departure from, or failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances whether or not actual injury to the patient is established;

(5) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(6) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in soliciting or advertising for patients or in securing or attempting to secure a license to practice as an oriental medicine practitioner or license to practice as an acupuncturist.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable
probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) Representing, with the purpose of obtaining compensation or other advantage personally or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(10) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(14) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(15) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(17) A plea of guilty to, a judicial finding of guilt of, or
a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs;

(18) Any of the following actions taken by the state agency responsible for regulating the practice of oriental medicine or acupuncture in another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(19) Violation of the conditions placed by the board on a license to practice as an oriental medicine practitioner or license to practice as an acupuncturist;

(20) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(21) Failure to cooperate in an investigation conducted by the board under section 4762.14 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(22) Failure to comply with the standards of the national certification commission for acupuncture and oriental medicine regarding professional ethics, commitment to patients, commitment
to the profession, and commitment to the public;

(23) Failure to have adequate professional liability insurance coverage in accordance with section 4762.22 of the Revised Code;

(24) Failure to maintain a current and active designation as a diplomate in oriental medicine, diplomate of acupuncture and Chinese herbology, or diplomate in acupuncture, as applicable, from the national certification commission for acupuncture and oriental medicine, including revocation by the commission of the individual's designation, failure by the individual to meet the commission's requirements for redesignation, or failure to notify the board that the appropriate designation has not been maintained.

(C) The board shall not refuse to issue a certificate to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an oriental medicine practitioner or acupuncturist or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force
or effect.

(E) For purposes of divisions (B)(12), (15), and (16) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or license holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the license holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal upon technical or procedural grounds.

(F) The sealing of conviction records by any court shall have no effect upon a prior board order entered under the provisions of this section or upon the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing or entered into a consent agreement prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(G) For purposes of this division, any individual who holds a license to practice issued under this chapter, or applies for a license to practice, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.
(1) In enforcing division (B)(5) of this section, the board, upon a showing of a possible violation, may compel any individual who holds a license to practice issued under this chapter or who has applied for a license pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an oriental medicine practitioner or acupuncturist unable to practice because of the reasons set forth in division (B)(5) of this section, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed license to practice. An individual affected by this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(6) of this section, if the board has reason to believe that any individual who holds a license to practice issued under this chapter or any applicant for a license suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such
examination and chosen by the board.  

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed license, to submit to treatment.

Before being eligible to apply for reinstatement of a license suspended under this division, the oriental medicine practitioner or acupuncturist shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this division after such demonstration and after the individual has
entered into a written consent agreement.

When the impaired individual resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the individual has maintained sobriety.

(C) (H) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license to practice without a prior hearing:

(1) That there is clear and convincing evidence that an oriental medicine practitioner or acupuncturist has violated division (B) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12
of the Revised Code. If the oriental medicine practitioner or acupuncturist requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the hearing is requested, unless otherwise agreed to by both the board and the license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(I) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition and supporting court documents, the board shall reinstate the license. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(J) The license to practice of an oriental medicine
practitioner or acupuncturist and the practitioner's or acupuncturist's practice in this state are automatically suspended as of the date the practitioner or acupuncturist pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of...
this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

	(M) When the board refuses to grant or issue a license to an applicant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license to practice as an oriental medicine practitioner or license to practice as an acupuncturist and the board shall not accept an application for reinstatement of the license or for issuance of a new license.

	(N) Notwithstanding any other provision of the Revised Code, all of the following apply:

	(1) The surrender of a license to practice as an oriental medicine practitioner or license to practice as an acupuncturist issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board.

	(2) An application made under this chapter for a license may not be withdrawn without approval of the board.

	(3) Failure by an individual to renew a license in accordance with section 4762.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual."
Sec. 4774.03. (A) An individual seeking a license to practice as a radiologist assistant shall file with the state medical board a written application on a form prescribed and supplied by the board. The application shall include all the information the board considers necessary to process the application, including evidence satisfactory to the board that the applicant meets the requirements specified in division (B) of this section.

At the time an application is submitted, the applicant shall pay the board the application fee specified by the board in rules adopted under section 4774.11 of the Revised Code. No part of the fee shall be returned.

(B) To be eligible to receive a license to practice as a radiologist assistant, an applicant shall meet all of the following requirements:

(1) Be at least eighteen years of age and of good moral character;

(2) Hold a current, valid license as a radiographer under Chapter 4773. of the Revised Code;

(3) Have attained a baccalaureate degree or postbaccalaureate certificate from an advanced academic program encompassing a nationally recognized radiologist assistant curriculum that includes a radiologist-directed clinical preceptorship;

(4) Hold current certification as a registered radiologist assistant from the American registry of radiologic technologists and have attained the certification by meeting the standard
certification requirements established by the registry, including
the registry's requirements for documenting clinical education in
the form of a clinical portfolio and passing an examination to
determine competence to practice;

(5) Hold current certification in advanced cardiac life
support.

(C) The board shall review all applications received under
this section. Not later than sixty days after receiving an
application the board considers to be complete, the board shall
determine whether the applicant meets the requirements to receive
a license to practice as a radiologist assistant."

board shall not grant to an applicant a license to practice as a

(B) The board, by an affirmative vote of not fewer than six members, shall, except as provided in division (C) of this section, and to the extent permitted by law, limit, revoke, or suspend an individual's license to practice as a radiologist assistant, refuse to issue a license to an applicant, refuse to renew a license, refuse to reinstate a license, or reprimand or place on probation the holder of a license for any of the following reasons:

(1) Permitting the holder's name or license to be used by another person;

(2) Failure to comply with the requirements of this chapter, Chapter 4731. of the Revised Code, or any rules adopted by the board;

(3) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provision of this chapter, Chapter 4731. of the Revised Code, or the rules adopted by the board;

(5) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

ability to practice;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading
statement in securing or attempting to secure a license to
practice as a radiologist assistant.

As used in this division, "false, fraudulent, deceptive, or
misleading statement" means a statement that includes a
misrepresentation of fact, is likely to mislead or deceive because
of a failure to disclose material facts, is intended or is likely
to create false or unjustified expectations of favorable results,
or includes representations or implications that in reasonable
probability will cause an ordinarily prudent person to
misunderstand or be deceived.

(17) Any of the following actions taken by the state agency responsible for regulating the practice of radiologist assistants in another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

a deposition or in written interrogatories, except that failure to
cooperate with an investigation shall not constitute grounds for
discipline under this section if a court of competent jurisdiction
has issued an order that either quashes a subpoena or permits the
individual to withhold the testimony or evidence in issue;

(21) Failure to maintain a license as a radiographer under
Chapter 4773. of the Revised Code;

(22) Failure to maintain certification as a registered
radiologist assistant from the American registry of radiologic

assistant's certification or failure by the assistant to meet the
registry's requirements for annual registration, or failure to
notify the board that the certification as a registered
radiologist assistant has not been maintained;

(23) Failure to comply with any of the rules of ethics
included in the standards of ethics established by the American
registry of radiologic technologists, as those rules apply to an
individual who holds the registry's certification as a registered
radiologist assistant.

(C) The board shall not refuse to issue a license to an
applicant because of a plea of guilty to, a judicial finding of
guilt of, or a judicial finding of eligibility for intervention in
lieu of conviction for an offense unless the refusal is in
accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under divisions
(A) and (B) of this section shall be taken pursuant to an
adjudication under Chapter 119. of the Revised Code, except that
in lieu of an adjudication, the board may enter into a consent
agreement with a radiologist assistant or applicant to resolve an
allegation of a violation of this chapter or any rule adopted
under it. A consent agreement, when ratified by an affirmative
vote of not fewer than six members of the board, shall constitute
the findings and order of the board with respect to the matter
addressed in the agreement. If the board refuses to ratify a
consent agreement, the admissions and findings contained in the
consent agreement shall be of no force or effect.

(D) (E) For purposes of divisions (B)(11), (14), and (15) of
this section, the commission of the act may be established by a
finding by the board, pursuant to an adjudication under Chapter
119. of the Revised Code, that the applicant or license holder
committed the act in question. The board shall have no
jurisdiction under these divisions in cases where the trial court
renders a final judgment in the license holder's favor and that
judgment is based upon an adjudication on the merits. The board
shall have jurisdiction under these divisions in cases where the
trial court issues an order of dismissal on technical or
procedural grounds.

(E) (F) The sealing of conviction records by any court shall
have no effect on a prior board order entered under the provisions
of this section or on the board's jurisdiction to take action
under the provisions of this section if, based upon a plea of
guilty, a judicial finding of guilt, or a judicial finding of
eligibility for intervention in lieu of conviction, the board
issued a notice of opportunity for a hearing prior to the court's
order to seal the records. The board shall not be required to
seal, destroy, redact, or otherwise modify its records to reflect
the court's sealing of conviction records.

(G) For purposes of this division, any individual who
holds a license to practice as a radiologist assistant issued
under this chapter, or applies for a license, shall be deemed to
have given consent to submit to a mental or physical examination
when directed to do so in writing by the board and to have waived 6066
all objections to the admissibility of testimony or examination 6067
reports that constitute a privileged communication. 6068

(1) In enforcing division (B)(5) of this section, the board, 6069
on a showing of a possible violation, may compel any individual 6070
who holds a license to practice as a radiologist assistant issued 6071
under this chapter or who has applied for a license to submit to a 6072
mental or physical examination, or both. A physical examination 6073
may include an HIV test. The expense of the examination is the 6074
responsibility of the individual compelled to be examined. Failure 6075
to submit to a mental or physical examination or consent to an HIV 6076
test ordered by the board constitutes an admission of the 6077
allegations against the individual unless the failure is due to 6078
circumstances beyond the individual's control, and a default and 6079
final order may be entered without the taking of testimony or 6080
presentation of evidence. If the board finds a radiologist 6081
assistant unable to practice because of the reasons set forth in 6082
division (B)(5) of this section, the board shall require the 6083
radiologist assistant to submit to care, counseling, or treatment 6084
by physicians approved or designated by the board, as a condition 6085
for an initial, continued, reinstated, or renewed license. An 6086
individual affected by this division shall be afforded an 6087
opportunity to demonstrate to the board the ability to resume 6088
practicing in compliance with acceptable and prevailing standards 6089
of care.

(2) For purposes of division (B)(6) of this section, if the 6091
board has reason to believe that any individual who holds a 6092
license to practice as a radiologist assistant issued under this 6093
chapter or any applicant for a license suffers such impairment, 6094
the board may compel the individual to submit to a mental or 6095
physical examination, or both. The expense of the examination is 6096
the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed license to practice, to submit to treatment.

Before being eligible to apply for reinstatement of a license suspended under this division, the radiologist assistant shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.
The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired radiologist assistant resumes practice, the board shall require continued monitoring of the radiologist assistant. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the radiologist assistant has maintained sobriety.

(H) If the secretary and supervising member determine that there is clear and convincing evidence that a radiologist assistant has violated division (B) of this section and that the individual's continued practice presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's license to practice without a prior hearing. Written allegations shall be prepared for consideration by the board.

The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the radiologist assistant requests an
adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the radiologist assistant requests the hearing, unless otherwise agreed to by both the board and the license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(I) If the board takes action under division (B)(10), (12), or (13) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and supporting court documents, the board shall reinstate the license to practice as a radiologist assistant. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(J) The license to practice of a radiologist assistant and the assistant's practice in this state are automatically
suspended as of the date the radiologist assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license.

(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the radiologist assistant is suspended as of the date the board adopts the order suspending the license.
assistant's license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(M) When the board refuses to grant or issue a license to practice as a radiologist assistant to an applicant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license to practice as a radiologist assistant and the board shall not accept an application for reinstatement of the license or for issuance of a new license.

(N) Notwithstanding any other provision of the Revised Code, all of the following apply:

1. The surrender of a license to practice as a radiologist assistant issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board.

2. An application made under this chapter for a license to practice may not be withdrawn without approval of the board.

3. Failure by an individual to renew a license to practice in accordance with section 4774.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual."
