"Sec. 4729.80. (A) If the state board of pharmacy establishes and maintains a drug database pursuant to section 4729.75 of the Revised Code, the board is authorized or required to provide information from the database only as follows:

(1) On receipt of a request from a designated representative of a government entity responsible for the licensure, regulation, or discipline of health care professionals with authority to
prescribe, administer, or dispense drugs, the board may provide to
the representative information from the database relating to the
professional who is the subject of an active investigation being
conducted by the government entity or relating to a professional
who is acting as an expert witness for the government entity in
such an investigation.

(2) On receipt of a request from a federal officer, or a
state or local officer of this or any other state, whose duties
include enforcing laws relating to drugs, the board shall provide
to the officer information from the database relating to the
person who is the subject of an active investigation of a drug
abuse offense, as defined in section 2925.01 of the Revised Code,
being conducted by the officer's employing government entity.

(3) Pursuant to a subpoena issued by a grand jury, the board
shall provide to the grand jury information from the database
relating to the person who is the subject of an investigation
being conducted by the grand jury.

(4) Pursuant to a subpoena, search warrant, or court order in
connection with the investigation or prosecution of a possible or
alleged criminal offense, the board shall provide information from
the database as necessary to comply with the subpoena, search
warrant, or court order.

(5) On receipt of a request from a prescriber or the
prescriber's delegate approved by the board, the board shall
provide to the prescriber a report of information from the
database relating to a patient who is either a current patient of
the prescriber or a potential patient of the prescriber based on a
referral of the patient to the prescriber, if all of the following
conditions are met:

(a) The prescriber certifies in a form specified by the board
that it is for the purpose of providing medical treatment to the
patient who is the subject of the request;

(b) The prescriber has not been denied access to the database
by the board.

(6) On receipt of a request from a pharmacist or the
pharmacist's delegate approved by the board, the board shall
provide to the pharmacist information from the database relating
to a current patient of the pharmacist, if the pharmacist
certifies in a form specified by the board that it is for the
purpose of the pharmacist's practice of pharmacy involving the
patient who is the subject of the request and the pharmacist has
not been denied access to the database by the board.

(7) On receipt of a request from an individual seeking the
individual's own database information in accordance with the
procedure established in rules adopted under section 4729.84 of
the Revised Code, the board may provide to the individual the
individual's own prescription history.

(8) On receipt of a request from a medical director or a
pharmacy director of a managed care organization that has entered
into a contract with the department of medicaid under section
5167.10 of the Revised Code and a data security agreement with the
board required by section 5167.14 of the Revised Code, the board
shall provide to the medical director or the pharmacy director
information from the database relating to a medicaid recipient
enrolled in the managed care organization, including information
in the database related to prescriptions for the recipient that
were not covered or reimbursed under a program administered by the
department of medicaid.

(9) On receipt of a request from the medicaid director, the
board shall provide to the director information from the database
relating to a recipient of a program administered by the department of medicaid, including information in the database related to prescriptions for the recipient that were not covered or paid by a program administered by the department.

(10) On receipt of a request from a medical director of a managed care organization that has entered into a contract with the administrator of workers' compensation under division (B)(4) of section 4121.44 of the Revised Code and a data security agreement with the board required by section 4121.447 of the Revised Code, the board shall provide to the medical director information from the database relating to a claimant under Chapter 4121., 4123., 4127., or 4131. of the Revised Code assigned to the managed care organization, including information in the database related to prescriptions for the claimant that were not covered or reimbursed under Chapter 4121., 4123., 4127., or 4131. of the Revised Code, if the administrator of workers' compensation confirms, upon request from the board, that the claimant is assigned to the managed care organization.

(11) On receipt of a request from the administrator of workers' compensation, the board shall provide to the administrator information from the database relating to a claimant under Chapter 4121., 4123., 4127., or 4131. of the Revised Code, including information in the database related to prescriptions for the claimant that were not covered or reimbursed under Chapter 4121., 4123., 4127., or 4131. of the Revised Code.

(12) On receipt of a request from a prescriber or the prescriber's delegate approved by the board, the board shall provide to the prescriber information from the database relating to a patient's mother, if the prescriber certifies in a form specified by the board that it is for the purpose of providing
medical treatment to a newborn or infant patient diagnosed as opioid dependent and the prescriber has not been denied access to the database by the board.

(13) On receipt of a request from the director of health, the board shall provide to the director information from the database relating to the duties of the director or the department of health in implementing the Ohio violent death reporting system established under section 3701.93 of the Revised Code.

(14) On receipt of a request from a requestor described in division (A)(1), (2), (5), or (6) of this section who is from or participating with another state's prescription monitoring program, the board may provide to the requestor information from the database, but only if there is a written agreement under which the information is to be used and disseminated according to the laws of this state.

(15) On receipt of a request from a delegate of a retail dispensary licensed under Chapter 3796. of the Revised Code who is approved by the board to serve as the dispensary's delegate, the board shall provide to the delegate a report of information from the database pertaining only to a patient's use of medical marijuana, if both of the following conditions are met:

(a) The delegate certifies in a form specified by the board that it is for the purpose of dispensing medical marijuana for use in accordance with Chapter 3796. of the Revised Code.

(b) The retail dispensary or delegate has not been denied access to the database by the board.

(16) On receipt of a request from a judge of a program certified by the Ohio supreme court as a specialized docket program for drugs, the board shall provide to the judge, or an
employee of the program who is designated by the judge to receive
the information, information from the database that relates
specifically to a current or prospective program participant.

(17) On receipt of a request from a coroner, deputy coroner,
or coroner's delegate approved by the board, the board shall
provide to the requestor information from the database relating to
a deceased person about whom the coroner is conducting or has
conducted an autopsy or investigation.

(18) On receipt of a request from a prescriber, the board may
provide to the prescriber a summary of the prescriber's
prescribing record if such a record is created by the board.
Information in the summary is subject to the confidentiality
requirements of this chapter.

(19)(a) On receipt of a request from a pharmacy's responsible
person, the board may provide to the responsible person a summary
of the pharmacy's dispensing record if such a record is created by
the board. Information in the summary is subject to the
confidentiality requirements of this chapter.

(b) As used in division (A)(19)(a) of this section,
"responsible person" has the same meaning as in rules adopted by
the board under section 4729.26 of the Revised Code.

(20) The board may provide information from the database
without request to a prescriber or pharmacist who is authorized to
use the database pursuant to this chapter.

(21)(a) On receipt of a request from a prescriber or
pharmacist, or the prescriber's or pharmacist's delegate, who is a
designated representative of a peer review committee, the board
shall provide to the committee information from the database
relating to a prescriber who is subject to the committee's
evaluation, supervision, or discipline if the information is to be used for one of those purposes. The board shall provide only information that it determines, in accordance with rules adopted under section 4729.84 of the Revised Code, is appropriate to be provided to the committee.

(b) As used in division (A)(21)(a) of this section, "peer review committee" has the same meaning as in section 2305.25 of the Revised Code, except that it includes only a peer review committee of a hospital or a peer review committee of a nonprofit health care corporation that is a member of the hospital or of which the hospital is a member.

(22) On receipt of a request from a requestor described in division (A)(5) or (6) of this section who is from or participating with a prescription monitoring program that is operated by a federal agency and approved by the board, the board may provide to the requestor information from the database, but only if there is a written agreement under which the information is to be used and disseminated according to the laws of this state.

(23) Any personal health information submitted to the board pursuant to section 4729.772 of the Revised Code may be provided by the board only as authorized by the submitter of the information and in accordance with rules adopted under section 4729.84 of the Revised Code.

(B) The state board of pharmacy shall maintain a record of each individual or entity that requests information from the database pursuant to this section. In accordance with rules adopted under section 4729.84 of the Revised Code, the board may use the records to document and report statistics and law enforcement outcomes.
The board may provide records of an individual's requests for database information only to the following:

(1) A designated representative of a government entity that is responsible for the licensure, regulation, or discipline of health care professionals with authority to prescribe, administer, or dispense drugs who is involved in an active criminal or disciplinary investigation being conducted by the government entity of the individual who submitted the requests for database information;

(2) A federal officer, or a state or local officer of this or any other state, whose duties include enforcing laws relating to drugs and who is involved in an active investigation being conducted by the officer's employing government entity of the individual who submitted the requests for database information;

(3) A designated representative of the department of medicaid regarding a prescriber who is treating or has treated a recipient of a program administered by the department and who submitted the requests for database information.

(C) Information contained in the database and any information obtained from it is confidential and is not a public record. Information contained in the records of requests for information from the database is confidential and is not a public record. Information contained in the database that does not identify a person, including any licensee or registrant of the board or other entity, may be released in summary, statistical, or aggregate form.

(D) A pharmacist or prescriber shall not be held liable in damages to any person in any civil action for injury, death, or loss to person or property on the basis that the pharmacist or prescriber did or did not seek or obtain information from the
