SYNOPSIS

**Variable speed limits** 13

**R.C. 4511.21** 14

Requires the Director of Transportation to adopt rules 15  
establishing criteria the Director will use to establish variable 16  
speed limits on two additional highways under the Director's 17  
jurisdiction. (Current law allows the Director to establish 18  
variable speed limits on I-670, I-275, and portions of I-90.) 19

Requires the criteria to be based on existing criteria in 20  
state law (for example: time of day, weather conditions, or 21  
traffic incidents). 22

Requires the rules to define the parameters of any 23  
engineering study necessary for determining when variable speed 24  
limits are appropriate. 25
