22 SYNOPSIS

23 **CDL skills test fee**

24 **R.C. 4506.09**

25 Eliminates the provision of the bill that allows a party to
26 charge a reasonable and competitively priced fee – as opposed to
27 an amount up to \$85, as in current law - for administering a
28 commercial driver's license skills test (including the
29 appointment fee).

30 Increases, from \$85 to \$115, the maximum divisible fee that
31 a party may charge for the test(which proportionally increases
32 the maximum fee for the pre-trip inspection portion of the test
33 from \$20 to \$27, the off-road maneuvering portion of the test
34 from \$20 to \$27, and the on-road portion of the test from \$45 to
35 \$61).
