as is conferred on the registrar by section 4501.02 of the
Revised Code. Any act of an authorized deputy registrar of motor
vehicles under direction of the registrar is deemed the act of
the registrar.

To carry out this chapter, the registrar shall appoint
such deputy registrars in each county as are necessary.

The registrar also shall provide at each place where an
application for a driver's or commercial driver's license or
identification card may be made the necessary equipment to take
a color photograph of the applicant for such license or card as
required under section 4506.11 or 4507.06 of the Revised Code,

    insurance company, or agent, nor have the deputy registrar's
    office directly connected with the office of any automobile
    insurance agent, nor impart any information furnished by any

    registrars. The registrar shall not consider any bid that does
    not provide for the supplying of both laminating equipment and
    laminating materials. The laminating materials selected shall
    contain a security feature so that any tampering with the
    laminating material covering a license or identification card is
    readily apparent. In soliciting bids and entering into a
    contract for the provision of laminating equipment and

    required by law.

have a prohibited concentration of alcohol in the whole blood,
blood serum or plasma, breath, or urine as provided in division
(A) of section 4511.19 of the Revised Code.

(G)(1) Notwithstanding any other provision of law to the
contrary, no law enforcement officer shall cause the operator of
a motor vehicle being operated on any street or highway to stop
the motor vehicle for the sole purpose of determining whether
each occupant of the motor vehicle is wearing all of the
available elements of a properly adjusted occupant restraining
device as required by division (A) of this section, or for the
sole purpose of issuing a ticket, citation, or summons if the
requirement in that division has been or is being violated, or
for causing the arrest of or commencing a prosecution of a
person for a violation of that requirement.

(2) Notwithstanding any other provision of law to the
contrary, no law enforcement officer shall cause the operator of
a motor vehicle being operated on any street or highway to stop

(b) No holder of a probationary driver's license who has held the license for twelve months or longer shall operate a motor vehicle upon a highway or any public or private property used by the public for purposes of vehicular travel or parking between the hours of one a.m. and five a.m. unless the holder is accompanied by the holder's parent or guardian.

(2) Subject to division (B)(1) of this section, division (B)(1)(a) of this section does not apply to the holder of a probationary driver's license who is doing either any of the following:

(i) Traveling to or from work between the hours of midnight and six a.m., provided that the holder has in the holder's immediate possession written documentation from the holder's employer;

(ii) Traveling to or from an official function sponsored by the school the holder attends between the hours of midnight and six a.m., provided that the holder has in the holder's immediate possession written documentation from an appropriate official of the school;

(b) Division (B)(1)(b) of this section does not apply to the holder of a probationary driver's license who is doing either of the following:

(i) Traveling to or from work between the hours of one a.m. and five a.m., provided that the holder has in the holder's immediate possession written documentation from the holder's employer.

(3) An employer, school official, or official affiliated with a religious event is not liable in damages in a civil action for any injury, death, or loss to person or property that allegedly arises from, or is related to, the fact that the employer, school official, or official affiliated with a religious event provided the holder of a probationary driver's license with the written documentation described in division (B)(2) of this section.

The registrar of motor vehicles shall make available at no cost a form to serve as the written documentation described in division (B)(2) of this section, and employers, school
officials, officials affiliated with religious events, and holders of probationary driver's licenses may utilize that form or may choose to utilize any other written documentation to meet the requirements of that division.

(4) No holder of a probationary driver's license who has held the license for less than twelve months shall operate a motor vehicle upon a highway or any public or private property used by the public for purposes of vehicular travel or parking with more than one person who is not a family member occupying the vehicle unless the probationary license holder is accompanied by the probationary license holder's parent, guardian, or custodian.

(C) It is an affirmative defense to a violation of division (B)(1)(a) or (b) of this section if, at the time of the violation, an emergency existed that required the holder of the probationary driver's license to operate a motor vehicle in violation of division (B)(1)(a) or (b) of this section or the holder was an emancipated minor.

(D)(1) If a person is issued a probationary driver's license prior to attaining the age of seventeen years and the person pleads guilty to, is convicted of, or is adjudicated in juvenile court of having committed a moving violation during the six-month period commencing on the date on which the person is issued the probationary driver's license, the court with jurisdiction over the violation may order that the holder must be accompanied by the holder's parent or guardian whenever the holder is operating a motor vehicle upon a highway or any public or private property used by the public for purposes of vehicular travel or parking for a period not to exceed six months or the date the holder attains the age of seventeen years, whichever comes first.
(2) Any person who is subject to the operating restrictions established under division (D)(1) of this section as a result of a first moving violation may petition the court for driving privileges without being accompanied by the holder's parent or guardian during the period of time determined by the court under that division. If a person is convicted of, pleads guilty to, or is adjudicated in juvenile court of having committed a second or subsequent moving violation, the court with jurisdiction over the violation may terminate any driving privileges previously granted under this division.

(3) No person shall violate any operating restriction imposed under division (D)(1) or (2) of this section.

(E) No holder of a probationary license shall operate a motor vehicle upon a highway or any public or private property used by the public for purposes of vehicular travel or parking unless the total number of occupants of the vehicle does not exceed the total number of occupant restraining devices originally installed in the motor vehicle by its manufacturer, and each occupant of the vehicle is wearing all of the available elements of a properly adjusted occupant restraining device.

(F) A restricted license may be issued to a person who is fourteen or fifteen years of age upon proof of hardship satisfactory to the registrar of motor vehicles.

(G) Notwithstanding any other provision of law to the contrary, no law enforcement officer shall cause the operator of

a motor vehicle being operated on any street or highway to stop
the motor vehicle for the sole purpose of determining whether
each occupant of the motor vehicle is wearing all of the
available elements of a properly adjusted occupant restraining
device as required by division (E)(D) of this section, or for
the sole purpose of issuing a ticket, citation, or summons if
the requirement in that division has been or is being violated,
or for causing the arrest of or commencing a prosecution of a
person for a violation of that requirement.

As used in this section:

(3) Whoever violates division (B)(1) or (4), (D)(3), or (E)(D) of this section is guilty of a minor misdemeanor.

Sec. 4507.09. (A) Except as provided in division (B) of this section, every driver's license issued to a resident of this state expires on the birthday of the applicant in the fourth year after the date it is issued and every driver's license issued to a temporary resident expires in accordance with rules adopted by the registrar of motor vehicles. In no event shall any license be issued for a period longer than four years and ninety days.

Subject to the requirements of section 4507.12 of the Revised Code, every driver's license issued to a resident is renewable at any time prior to its expiration and any license of a temporary resident is nonrenewable. A nonrenewable license may...
be replaced with a new license within ninety days prior to its expiration in accordance with division (E) of this section. No refund shall be made or credit given for the unexpired portion of the driver's license that is renewed. The registrar of motor vehicles shall notify each person whose driver's license has expired within forty-five days after the date of expiration. Notification shall be made by regular mail sent to the person's last known address as shown in the records of the bureau of motor vehicles. Failure to provide such notification shall not be construed as a renewal or extension of any license. For the purposes of this section, the date of birth of any applicant born on the twenty-ninth day of February shall be deemed to be the first day of March in any year in which there is no twenty-ninth day of February.

(B) Every driver's license or renewal of a driver's license issued to an applicant who is sixteen years of age or older, but less than twenty-one years of age, expires on the twenty-first birthday of the applicant, except that an applicant who applies no more than thirty days before the applicant's twenty-first birthday shall be issued a license in accordance with division (A) of this section.

(C) Each person licensed as a driver under this chapter shall notify the registrar of any change in the person's address within ten days following that change. The notification shall be in writing on a form provided by the registrar and shall include the full name, date of birth, license number, county of residence, social security number, and new address of the person.

(D) No driver's license shall be renewed when renewal is prohibited by division (A) of section 4507.091 of the Revised
(E) A nonrenewable license may be replaced with a new license within ninety days prior to its expiration upon the applicant's presentation of documentation verifying the applicant's legal presence in the United States. A nonrenewable license expires on the same date listed on the legal presence documentation, or on the same date in the fourth year after the date the nonrenewable license is issued, whichever comes first. A nonrenewable license is not transferable, and the applicant may not rely on it to obtain a driver's license in another state.

In accordance with Chapter 119. of the Revised Code, the registrar of motor vehicles shall adopt rules governing nonrenewable licenses for temporary residents. At a minimum, the rules shall include provisions specifying all of the following:

(1) That no nonrenewable license may extend beyond the duration of the applicant's temporary residence in this state;

(2) That no nonrenewable license may be replaced by a new license unless the applicant provides acceptable documentation of the person's identity and of the applicant's continued temporary residence in this state;

(3) That no nonrenewable license is valid to apply for a driver's license in any other state;

(4) That every nonrenewable license may contain any security features that the registrar prescribes.

Sec. 4507.23. (A) Except as provided in division (I) of this section, each application for a temporary instruction permit and examination shall be accompanied by a fee of five dollars.
(B) Except as provided in division (I) of this section, each application for a driver's license made by a person who previously held such a license and whose license has expired not more than two years prior to the date of application, and who is required under this chapter to give an actual demonstration of the person's ability to drive, shall be accompanied by a fee of three dollars in addition to any other fees.

(C)(1) Except as provided in divisions (E) and (I) of this section, each application for a driver's license, or motorcycle operator's endorsement, or renewal of a driver's license shall be accompanied by a fee of six dollars.

(2) Except as provided in division (I) of this section, each application for a duplicate driver's license shall be accompanied by a fee of seven dollars and fifty cents. The duplicate driver's licenses issued under this section shall be distributed by the deputy registrar in accordance with rules adopted by the registrar of motor vehicles.

(D) Except as provided in division (I) of this section, each application for a motorized bicycle license or duplicate thereof shall be accompanied by a fee of two dollars and fifty cents.

(1) If the person is sixteen years and six months of age or older, but less than seventeen years of age, a fee of seven dollars and twenty-five cents;
(2) If the person is seventeen years of age or older, but
less than eighteen years of age, a fee of six dollars;

(3) If the person is eighteen years of age or older, but

seventy-five cents;

(4) If the person is nineteen years of age or older, but
less than twenty years of age, a fee of three dollars and fifty
cents;

(5) If the person is twenty years of age or older, but
less than twenty-one years of age, a fee of two dollars and
twenty-five cents.

(F) Neither the registrar nor any deputy registrar shall
charge a fee in excess of one dollar and fifty cents for
laminating a driver's license, motorized bicycle license, or
temporary instruction permit identification cards as required by
sections 4507.13 and 4511.521 of the Revised Code. A deputy
registrar laminating a driver's license, motorized bicycle
license, or temporary instruction permit identification cards
shall retain the entire amount of the fee charged for
lamination, less the actual cost to the registrar of the
laminating materials used for that lamination, as specified in
the contract executed by the bureau for the laminating materials
and laminating equipment. The deputy registrar shall forward the
amount of the cost of the laminating materials to the registrar
for deposit as provided in this section.

(G) Except as provided in division (I) of this section,
each transaction described in divisions (A), (B), (C), (D), and
(E) of this section shall be accompanied by an additional fee of
twelve dollars. The additional fee is for the purpose of
defraying the department of public safety's costs associated with the administration and enforcement of the motor vehicle and traffic laws of Ohio.

(H) At the time and in the manner provided by section 4503.10 of the Revised Code, the deputy registrar shall transmit the fees collected under divisions (A), (B), (C), (D), and (E), those portions of the fees specified in and collected under division (F), and the additional fee under division (G) of this section to the registrar. The registrar shall deposit the fees into the public safety - highway purposes fund established in section 4501.06 of the Revised Code.

(I) A disabled veteran who has a service-connected disability rated at one hundred per cent by the veterans' administration may apply to the registrar or a deputy registrar for the issuance to that veteran, without the payment of any fee prescribed in this section, of any of the following items:

1. A temporary instruction permit and examination;
2. A new, renewal, or duplicate driver's or commercial driver's license;
3. A motorcycle operator's endorsement;
4. A motorized bicycle license or duplicate thereof;
5. Lamination of a driver's license, motorized bicycle license, or temporary instruction permit identification card as provided in division (F) of this section.

An application made under division (I) of this section shall be accompanied by such documentary evidence of disability as the registrar may require by rule.

(J)(1) The registrar of motor vehicles shall adopt rules
that establish a prorated fee schedule that specifies the fee to be charged by the registrar or a deputy registrar for the issuance of a duplicate driver's license. The rules shall require the base fee to be equal to the fee for a duplicate driver's license that existed immediately prior to July 1, 2015. In order to determine the prorated amount for a duplicate license under the rules, the registrar shall reduce the base fee by an amount determined by the registrar that is correlated with the number of months between the date a person applies for the duplicate and the date of expiration of the license. The registrar shall allocate the money received from a prorated duplicate driver's license fee to the same funds and in the same proportion as the allocation of the base fee.

(2) Notwithstanding any other provision of law, after the registrar has adopted rules under division (J)(1) of this section, an applicant for a duplicate driver's license shall be required to pay only the appropriate prorated fee established under those rules.

Sec. 4510.17. (A) The registrar of motor vehicles shall impose a class D suspension of the person's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any person who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or any federal statute that is substantially similar to section 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 2925.141, 2925.22, 2925.23, 2925.31, 2925.32, 2925.36, or 2925.37 of the Revised Code. Upon receipt of a report from a court, court clerk, or other official of any other state or from
any federal authority that a resident of this state was
convicted of or pleaded guilty to an offense described in this
division, the registrar shall send a notice by regular first
class mail to the person, at the person's last known address as
shown in the records of the bureau of motor vehicles, informing
the person of the suspension, that the suspension will take
effect twenty-one days from the date of the notice, and that, if
the person wishes to appeal the suspension or denial, the person
must file a notice of appeal within twenty-one days of the date
of the notice requesting a hearing on the matter. If the person
requests a hearing, the registrar shall hold the hearing not
more than forty days after receipt by the registrar of the
notice of appeal. The filing of a notice of appeal does not stay
the operation of the suspension that must be imposed pursuant to
this division. The scope of the hearing shall be limited to
whether the person actually was convicted of or pleaded guilty
to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under
this division shall end either on the last day of the class D
suspension period or of the suspension of the person's
nonresident operating privilege imposed by the state or federal
court, whichever is earlier.

The registrar shall subscribe to or otherwise participate
in any information system or register, or enter into reciprocal
and mutual agreements with other states and federal authorities,
in order to facilitate the exchange of information with other
states and the United States government regarding persons who
plead guilty to or are convicted of offenses described in this
division and therefore are subject to the suspension or denial
described in this division.
(B) The registrar shall impose a class D suspension of the person's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any person who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially similar to section 4511.19 of the Revised Code. Upon receipt of a report from another state made pursuant to section 4510.61 of the Revised Code indicating that a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the person, at the person's last known address as shown in the records of the bureau of motor vehicles, informing the person of the suspension, that the suspension or denial will take effect twenty-one days from the date of the notice, and that, if the person wishes to appeal the suspension, the person must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's
nonresident operating privilege imposed by the state or federal court, whichever is earlier.

(C) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or any federal statute that is substantially similar to section 2925.02, 2925.03, 2925.04, 2925.041, 2925.05, 2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 2925.141, 2925.22, 2925.23, 2925.31, 2925.32, 2925.36, or 2925.37 of the Revised Code. Upon receipt of a report from a court, court clerk, or other official of any other state or from any federal authority that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the suspension, that the suspension or denial will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.
The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date of the notice or six months after the date on which the child is first eligible to obtain a temporary instruction permit, whichever is later. If the child has not attained the age of sixteen years on the date of the notice, the notice shall inform the child that the period of denial of six months shall commence on the date the child attains the age of sixteen years.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding children who are residents of this state and plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

(D) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or a municipal...
ordinance of a municipal corporation located in any other state that is substantially similar to section 4511.19 of the Revised Code. Upon receipt of a report from another state made pursuant to section 4510.61 of the Revised Code indicating that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the suspension, that the suspension will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date of the notice or six
months after the date on which the child is first eligible to
obtain a temporary instruction permit, whichever is later. If
the child has not attained the age of sixteen years on the date
of the notice, the notice shall inform the child that the period
of denial of six months shall commence on the date the child
attains the age of sixteen years.

(E)(1) Any person whose license or permit has been
suspended pursuant to this section may file a petition in the
municipal or county court, or in case the person is under
eighteen years of age, the juvenile court, in whose jurisdiction
the person resides, requesting limited driving privileges and
agreeing to pay the cost of the proceedings. Except as provided
in division (E)(2) or (3) of this section, the judge may grant
the person limited driving privileges during the period during
which the suspension otherwise would be imposed for any of the
purposes set forth in division (A) of section 4510.021 of the
Revised Code.

(2) No judge shall grant limited driving privileges for
employment as a driver of a commercial motor vehicle to any
person who would be disqualified from operating a commercial
motor vehicle under section 4506.16 of the Revised Code if the
violation had occurred in this state. Further, no judge shall
grant limited driving privileges during any of the following
periods of time:

(a) The first fifteen days of a suspension under division
(B) or (D) of this section, if the person has not been convicted
within ten years of the date of the offense giving rise to the
suspension under this section of a violation of any of the
following:

(i) Section 4511.19 of the Revised Code, or a municipal
ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse;

(ii) A municipal ordinance relating to operating a motor vehicle with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine;

(iii) Section 2903.04 of the Revised Code in a case in which the person was subject to the sanctions described in division (D) of that section;

(iv) Division (A)(1) of section 2903.06 or division (A)(1) of section 2903.08 of the Revised Code or a municipal ordinance that is substantially similar to either of those divisions;

(v) Division (A)(2), (3), or (4) of section 2903.06, division (A)(2) of section 2903.08, or as it existed prior to March 23, 2000, section 2903.07 of the Revised Code, or a municipal ordinance that is substantially similar to any of those divisions or that former section, in a case in which the jury or judge found that the person was under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse.

(b) The first thirty days of a suspension under division (B) or (D) of this section, if the person has been convicted one time within ten years of the date of the offense giving rise to the suspension under this section of any violation identified in division (E)(1)(a) of this section.

(c) The first one hundred eighty days of a suspension under division (B) or (D) of this section, if the person has been convicted two times within ten years of the date of the offense giving rise to the suspension under this section of any
violation identified in division (E)(1)(a) of this section.

(3) No limited driving privileges may be granted if the person has been convicted three or more times within five years of the date of the offense giving rise to a suspension under division (B) or (D) of this section of any violation identified in division (E)(1)(a) of this section.

(4) In accordance with section 4510.022 of the Revised Code, a person may petition for, and a judge may grant, unlimited driving privileges with a certified ignition interlock device during the period of suspension imposed under division (B) or (D) of this section to a person described in division (E)(2)(a) of this section.

(5) If a person petitions for limited driving privileges under division (E)(1) of this section or unlimited driving privileges with a certified ignition interlock device as provided in division (E)(4) of this section, the registrar shall be represented by the county prosecutor of the county in which the person resides if the petition is filed in a juvenile court or county court, except that if the person resides within a city or village that is located within the jurisdiction of the county in which the petition is filed, the city director of law or village solicitor of that city or village shall represent the registrar. If the petition is filed in a municipal court, the registrar shall be represented as provided in section 1901.34 of the Revised Code.

(6)(a) In issuing an order granting limited driving privileges under division (E)(1) of this section, the court may impose any condition it considers reasonable and necessary to limit the use of a vehicle by the person. The court shall deliver to the person a copy of the order setting forth the
time, place, and other conditions limiting the person's use of a
motor vehicle. Unless division (E)(6)(b) of this section
applies, the grant of limited driving privileges shall be
conditioned upon the person's having the order in the person's
possession at all times during which the person is operating a
vehicle.

(b) If, under the order, the court requires the use of an
immobilizing or disabling device as a condition of the grant of
limited or unlimited driving privileges, the person shall
present to the registrar or to a deputy registrar the copy of
the order granting limited driving privileges and a certificate
affirming the installation of an immobilizing or disabling
device that is in a form established by the director of public
safety and is signed by the person who installed the device.
Upon presentation of the order and the certificate to the
registrar or a deputy registrar, the registrar or deputy
registrar shall issue to the offender a restricted license,
unless the offender's driver's or commercial driver's license or
permit is suspended under any other provision of law and limited
driving privileges have not been granted with regard to that
suspension. A restricted license issued under this division
shall be identical to an Ohio driver's license, except that it
shall have printed on its face a statement that the offender is
prohibited from operating any motor vehicle that is not equipped
with an immobilizing or disabling device in violation of the
order.

(7)(a) Unless division (E)(7)(b) applies, a person granted
limited driving privileges who operates a vehicle for other than
limited purposes, in violation of any condition imposed by the
court or without having the order in the person's possession, is
guilty of a violation of section 4510.11 of the Revised Code.
(b) No person who has been granted limited or unlimited driving privileges under division (E) of this section subject to an immobilizing or disabling device order shall operate a motor vehicle prior to obtaining a restricted license. Any person who violates this prohibition is subject to the penalties prescribed in section 4510.14 of the Revised Code.

(c) The offenses established under division (E)(7) of this section are strict liability offenses and section 2901.20 of the Revised Code does not apply.

(F) The provisions of division (A)(8) of section 4510.13 of the Revised Code apply to a person who has been granted limited or unlimited driving privileges with a certified ignition interlock device under this section and who either commits an ignition interlock device violation as defined under section 4510.46 of the Revised Code or operates a motor vehicle that is not equipped with a certified ignition interlock device.

(G) Any person whose license or permit has been suspended under division (A) or (C) of this section may file a petition in the municipal or county court, or in case the person is under eighteen years of age, the juvenile court, in whose jurisdiction the person resides, requesting the termination of the suspension and agreeing to pay the cost of the proceedings. If the court, in its discretion, determines that a termination of the suspension is appropriate, the court shall issue an order to the registrar to terminate the suspension. Upon receiving such an order, the registrar shall reinstate the license.

(H) As used in divisions (C) and (D) of this section:

(1) "Child" means a person who is under the age of eighteen years, except that any person who violates a statute or
ordinance described in division (C) or (D) of this section prior
to attaining eighteen years of age shall be deemed a "child"
irrespective of the person's age at the time the complaint or
other equivalent document is filed in the other state or a
hearing, trial, or other proceeding is held in the other state
on the complaint or other equivalent document, and irrespective
of the person's age when the period of license suspension or
denial prescribed in division (C) or (D) of this section is
imposed.

(2) "Is convicted of or pleads guilty to" means, as it
relates to a child who is a resident of this state, that in a
proceeding conducted in a state or federal court located in
another state for a violation of a statute or ordinance
described in division (C) or (D) of this section, the result of
the proceeding is any of the following:

(a) Under the laws that govern the proceedings of the
court, the child is adjudicated to be or admits to being a
delinquent child or a juvenile traffic offender for a violation
described in division (C) or (D) of this section that would be a
crime if committed by an adult;

(b) Under the laws that govern the proceedings of the
court, the child is convicted of or pleads guilty to a violation
described in division (C) or (D) of this section;

(c) Under the laws that govern the proceedings of the
court, irrespective of the terminology utilized in those laws,
the result of the court's proceedings is the functional
equivalent of division (H)(2)(a) or (b) of this section.

Sec. 4510.31. (A)(1) Except as provided in division (C)(1)
or (2) of this section, the registrar of motor vehicles shall
suspend the probationary driver's license, restricted license, or temporary instruction permit issued to any person when the person has been convicted of, pleaded guilty to, or been adjudicated in juvenile court of having committed, prior to the person's eighteenth birthday, any of the following:

(a) Three separate violations of section 2903.06, 2903.08, 2921.331, 4511.12, 4511.13, 4511.191, 4511.20, 4511.201, 4511.202, 4511.21, 4511.22, 4511.23, 4511.25 to 4511.48, 4511.57 to 4511.65, 4511.75, 4549.02, 4549.021, or 4549.03 of the Revised Code, section 4510.14 of the Revised Code involving a suspension imposed under section 4511.191 or 4511.196 of the Revised Code, section 2903.04 of the Revised Code in a case in which the person would have been subject to the sanctions described in division (D) of that section had the person been convicted of the violation of that section, former section 2903.07 of the Revised Code, or any municipal ordinances similarly relating to the offenses referred to in those sections;

(b) One violation of section 4511.19 of the Revised Code or a substantially similar municipal ordinance;

(c) Two separate violations of any of the Revised Code sections referred to in division (A)(1)(a) of this section, or any municipal ordinance that is substantially similar to any of those sections.

(2) Any person whose license or permit is suspended under division (A)(1)(a), (b), or (c) of this section shall mail or deliver the person's probationary driver's license, restricted license, or temporary instruction permit to the registrar within fourteen days of notification of the suspension. The registrar shall retain the license or permit during the period of the
suspension. A suspension pursuant to division (A)(1)(a) of this section shall be a class C suspension, a suspension pursuant to division (A)(1)(b) of this section shall be a class D suspension, and a suspension pursuant to division (A)(1)(c) of this section shall be a class E suspension, all for the periods of time specified in division (B) of section 4510.02 of the Revised Code. If the person's probationary driver's license, restricted license, or temporary instruction permit is under suspension on the date the court imposes sentence upon the person for a violation described in division (A)(1)(b) of this section, the suspension shall take effect on the next day immediately following the end of that period of suspension. If the person is sixteen years of age or older and pleads guilty to or is convicted of a violation described in division (A)(1)(b) of this section and the person does not have a current, valid probationary driver's license, restricted license, or temporary instruction permit, the registrar shall deny the issuance to the person of a probationary driver's license, restricted license, driver's license, commercial driver's license, or temporary instruction permit, as the case may be, for six months beginning on the date the court imposes sentence upon the person for the violation or six months after the date on which the person is first eligible to obtain a temporary instruction permit, whichever is later. If the person has not attained the age of sixteen years on the date the court imposes sentence upon the person for the violation, the period of denial shall commence on the date the person attains the age of sixteen years.

(3) The registrar shall suspend the person's license or permit under division (A) of this section regardless of whether the disposition of the case in juvenile court occurred after the person's eighteenth birthday.
(B) The registrar also shall impose a class D suspension for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code of the temporary instruction permit or probationary driver's license of any person under the age of eighteen who has been adjudicated an unruly child, delinquent child, or juvenile traffic offender for having committed any act that if committed by an adult would be a drug abuse offense or a violation of division (B) of section 2917.11 of the Revised Code. The registrar, in the registrar's discretion, may terminate the suspension if the child, at the discretion of the court, attends and satisfactorily completes a drug abuse or alcohol abuse education, intervention, or treatment program specified by the court. Any person whose temporary instruction permit or probationary driver's license is suspended under this division shall mail or deliver the person's permit or license to the registrar within fourteen days of notification of the suspension. The registrar shall retain the permit or license during the period of the suspension.

(C)(1)(a) Except as provided in division (C)(1)(c) of this section, for any person who is convicted of, pleads guilty to, or is adjudicated in juvenile court of having committed a second or third violation of section 4511.12, 4511.13, 4511.20 to 4511.23, 4511.25, 4511.26 to 4511.48, 4511.57 to 4511.65, or 4511.75 of the Revised Code or any similar municipal ordinances and whose license or permit is suspended under division (A)(1)(a) or (c) of this section, the court in which the second or third conviction, finding, plea, or adjudication resulting in the suspension was made, upon petition of the person, may grant the person limited driving privileges during the period during which the suspension otherwise would be imposed under division (A)(1)(a) or (c) of this section for any of the purposes set
forth in division (A) of section 4510.021 of the Revised Code. In granting the limited driving privileges, the court shall specify the purposes, times, and places of the privileges and may impose any other conditions upon the person's driving a motor vehicle that the court considers reasonable and necessary.

A court that grants limited driving privileges to a person under this division shall retain the person's probationary driver's license, restricted license, or temporary instruction permit during the period the license or permit is suspended and also during the period for which limited driving privileges are granted, and shall deliver to the person a permit card, in a form to be prescribed by the court, setting forth the date on which the limited driving privileges will become effective, the purposes for which the person may drive, the times and places at which the person may drive, and any other conditions imposed upon the person's use of a motor vehicle.

The court immediately shall notify the registrar, in writing, of a grant of limited driving privileges under this division. The notification shall specify the date on which the limited driving privileges will become effective, the purposes for which the person may drive, the times and places at which the person may drive, and any other conditions imposed upon the person's use of a motor vehicle. The registrar shall not suspend the probationary driver's license, restricted license, or temporary instruction permit of any person pursuant to division (A) of this section during any period for which the person has been granted limited driving privileges as provided in this division, if the registrar has received the notification described in this division from the court.

(b) Except as provided in division (C)(1)(c) of this
section, in any case in which the temporary instruction permit or probationary driver's license of a person under eighteen years of age has been suspended under division (A) or (B) of this section or any other provision of law, the court may grant the person limited driving privileges for the purpose of the person's practicing of driving with the person's parent, guardian, or other custodian during the period of the suspension. Any grant of limited driving privileges under this division shall comply with division (D) of section 4510.021 of the Revised Code.

(c) A court shall not grant limited driving privileges to a person identified in division (C)(1)(a) or (b) of this section if the person, within the preceding six years, has been convicted of, pleaded guilty to, or adjudicated in juvenile court of having committed three or more violations of one or more of the divisions or sections set forth in divisions (G)(2)(b) to (g) of section 2919.22 of the Revised Code.

(2)(a) In a case in which a person is convicted of, pleads guilty to, or is adjudicated in juvenile court of having committed, prior to the person's eighteenth birthday, a second or third violation of section 4511.12, 4511.13, 4511.20 to 4511.23, 4511.25, 4511.26 to 4511.48, 4511.57 to 4511.65, or 4511.75 of the Revised Code or any similar municipal ordinances and division (A)(1)(a) or (c) of this section requires the registrar of motor vehicles to suspend the person's license or permit, the court in which the person is convicted of, pleads guilty to, or is adjudicated of having committed the second or third violation may elect to order the registrar of motor vehicles to waive the suspension if all of the following apply:

(i) Prior to the date on which the court imposes sentence
upon, or makes an order of disposition for, the person for the second or third violation, the person submits to the court a petition requesting the court to order the registrar to waive the prescribed suspension and describing the reasons why the person believes the suspension, if imposed, would seriously affect the person's ability to continue in employment, educational training, vocational training, or treatment.

(ii) Prior to the date specified in division (C)(2)(a)(i) of this section, the person submits to the court satisfactory proof showing that the person successfully completed an advanced juvenile driver improvement program approved by the director of public safety under division (B) of section 4510.311 of the Revised Code after the date the person committed that second or third violation.

(iii) Prior to imposing sentence upon, or making an order of disposition for, the person for the second or third violation, the court finds reasonable cause to believe that the suspension, if imposed, would seriously affect the person's ability to continue in employment, educational training, vocational training, or treatment.

(iv) If the court is imposing sentence upon, or making an order of disposition for, the person for a third violation, the person did not submit to the court that imposed sentence upon, or made an order of disposition for, the person for the second violation a petition of the type described in division (C)(2)(a)(i) of this section, and the court that imposed sentence upon, or made an order of disposition for, the person for that second violation did not order the registrar of motor vehicles to waive the suspension of the person's license or permit required under division (A)(1)(c) of this section for the conviction of, plea
of guilty to, or adjudication in juvenile court of having committed that second violation.

(b) If a court elects pursuant to division (C)(2)(a) of this section to order the registrar of motor vehicles to waive a suspension that otherwise is required under division (A)(1)(a) or (c) of this section, the court immediately shall send a written copy of the order to the registrar. Upon receipt of the written copy of the order, the registrar shall not suspend pursuant to division (A)(1)(a) or (c) of this section the probationary driver's license, restricted license, or temporary instruction permit of the person who is the subject of the order for the second or third violation for which the suspension otherwise would be imposed under that division.

(D) If a person who has been granted limited driving privileges under division (C)(1) of this section is convicted of, pleads guilty to, or is adjudicated in juvenile court of having committed, a violation of Chapter 4510. of the Revised Code, or a subsequent violation of any of the sections of the Revised Code listed in division (A)(1)(a) of this section or any similar municipal ordinance during the period for which the person was granted limited driving privileges, the court that granted the limited driving privileges shall suspend the person's permit card. The court or the clerk of the court immediately shall forward the person's probationary driver's license, restricted license, or temporary instruction permit together with written notification of the court's action to the registrar. Upon receipt of the license or permit and notification, the registrar shall impose a class C suspension of the person's probationary driver's license, restricted license, or temporary instruction permit for the period of time specified in division (B)(3) of section 4510.02 of the Revised Code. The
registrar shall retain the license or permit during the period of suspension, and no further limited driving privileges shall be granted during that period.

(E) No application for a driver's or commercial driver's license shall be received from any person whose probationary driver's license, restricted license, or temporary instruction permit has been suspended under this section until each of the following has occurred:

(1) The suspension period has expired;

(2) A temporary instruction permit or commercial driver's license temporary instruction permit has been issued;

(3) The person successfully completes a juvenile driver improvement program approved by the director of public safety under division (A) of section 4510.311 of the Revised Code;

(4) The applicant has submitted to the examination for a driver's license as provided for in section 4507.11 or a commercial driver's license as provided in Chapter 4506. of the Revised Code.

Sec. 4511.043. (A)(1) No law enforcement officer who stops the operator of a motor vehicle in the course of an authorized sobriety or other motor vehicle checkpoint operation or a motor vehicle safety inspection shall issue a ticket, citation, or summons for a secondary traffic offense unless in the course of the checkpoint operation or safety inspection the officer first determines that an offense other than a secondary traffic offense has occurred and either places the operator or a vehicle occupant under arrest or issues a ticket, citation, or summons to the operator or a vehicle occupant for an offense other than a secondary offense.
(2) A law enforcement agency that operates a motor vehicle checkpoint for an express purpose related to a secondary traffic offense shall not issue a ticket, citation, or summons for any secondary traffic offense at such a checkpoint, but may use such a checkpoint operation to conduct a public awareness campaign and distribute information.

(B) As used in this section, "secondary traffic offense" means a violation of division (A) or (F)(2) of section 4507.05, division (B)(1)(a) or (b) or (E)(D) of section 4507.071, division (A) of section 4511.204, division (C) or (D) of section 4511.81, division (A)(3) of section 4513.03, or division (B) of section 4513.263 of the Revised Code.

Section 2. That existing sections 4507.01, 4507.05, 4507.071, 4507.09, 4507.23, 4510.17, 4510.31, and 4511.043 of the Revised Code are hereby repealed.

Section 3. Section 4510.17 of the Revised Code is presented in this act as a composite of the section as amended by both Sub. H.B. 388 and Sub. S.B. 204 of the 132nd General Assembly. The General Assembly, applying the principle stated in division (B) of section 1.52 of the Revised Code that amendments are to be harmonized if reasonably capable of simultaneous operation, finds that the composite is the resulting version of the section in effect prior to the effective date of the section as presented in this act.

Section 4. The eligibility requirements for a probationary driver's license established under division (A) of section 4507.071 of the Revised Code as amended by this act do not apply to the holder of a temporary instruction permit or probationary driver's license who was issued the permit or license prior to the effective date of this act. The eligibility requirements
that existed prior to the effective date of this act apply to such a holder. The Registrar of Motor Vehicles may take appropriate actions necessary to implement this section.
