A resolution, rule, or formal action adopted in an open meeting is invalid if the public body that adopted the resolution, rule, or formal action violated division (F) of this section.

(I)(1) Any person may bring an action to enforce this section. An action under division (I)(1) of this section shall be brought within two years after the date of the alleged violation or threatened violation. Upon proof of a violation or threatened violation of this section in an action brought by any person, the court of common pleas shall issue an injunction to compel the members of the public body to comply with its
provisions.

(2) (a) If the court of common pleas issues an injunction pursuant to division (I)(1) of this section, the court shall order the public body that it enjoins to pay a civil forfeiture of five hundred dollars to the party that sought the injunction and shall award to that party all court costs and, subject to reduction as described in division (I)(2) of this section, reasonable attorney's fees. The court, in its discretion, may reduce an award of attorney's fees to the party that sought the injunction or not award attorney's fees to that party if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of violation or threatened violation that was the basis of the injunction, a well-informed public body reasonably would believe that the public body was not violating or threatening to violate this section;

(ii) That a well-informed public body reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction pursuant to division (I)(1) of this section and the court determines at that time that the bringing of the action was frivolous conduct, as defined in division (A) of section 2323.51 of the Revised Code, the court shall award to the public body all court costs and reasonable attorney's fees, as determined by the court.
(3) Irreparable harm and prejudice to the party that sought the injunction shall be conclusively and irrebuttably presumed upon proof of a violation or threatened violation of this section.

(4) A member of a public body who knowingly violates an injunction issued pursuant to division (I)(1) of this section may be removed from office by an action brought in the court of common pleas for that purpose by the prosecuting attorney or the attorney general.

of the Revised Code.

(4) "Criminal records check" has the same meaning as in
section 109.572 of the Revised Code.

(5) "Disqualifying Post-issuance disqualifying offense"
means any of the offenses listed or described in divisions (A)
(3)(a) to (e) of section 109.572 of the Revised Code.

(6) "Provider" has the same meaning as in section 173.39
of the Revised Code.

(7) "Self-employed provider" means a provider who works
for the provider's self and has no employees.

(B) This section does not apply to any individual who is
subject to a database review or criminal records check under
section 3701.881 of the Revised Code.

(C)(1) The Exception as provided in division (C)(3) of this
section, the department of aging or its designee shall take the following actions when the circumstances specified in division (C)(2) of this section apply:

(a) Refuse to issue a community-based long-term care services certificate to a self-employed provider;

(b) Revoke a self-employed provider's community-based long-term care services certificate;

(c) Refuse to award a community-based long-term care services contract or grant to a self-employed provider;

(d) Terminate a self-employed provider's community-based long-term care services contract or grant awarded on or after September 15, 2014.

(2) The following are the circumstances that require the department of aging or its designee to take action under division (C)(1) of this section:

(a) A review of the databases listed in division (E) of this section reveals any of the following:

(i) That the self-employed provider is included in one or more of the databases listed in divisions (E)(1) to (5) of this section;

(ii) That there is in the state nurse aide registry established under section 3721.32 of the Revised Code a statement detailing findings by the director of health that the self-employed provider abused, neglected, or exploited a long-term care facility or residential care facility resident or misappropriated property of such a resident;

(iii) That the self-employed provider is included in one or more of the databases, if any, specified in rules adopted
under this section and the rules require the department or its
designee to take action under division (C)(1) of this section if
a self-employed provider is included in such a database.

(b) After the self-employed provider is provided, pursuant
to division (F)(2)(a) of this section, a copy of the form
prescribed pursuant to division (C)(1) of section 109.572 of the
Revised Code and the standard impression sheet prescribed
pursuant to division (C)(2) of that section, the self-employed
provider fails to complete the form or provide the self-employed
provider's fingerprint impressions on the standard impression
sheet.

(c) Unless the self-employed provider meets standards
specified in rules adopted under this section, the self-employed
provider is found by a criminal records check required by this
section to have been convicted of, pleaded guilty to, or been
found eligible for intervention in lieu of conviction for a
post-issuance disqualifying offense.

(3) The department of aging or its designee shall not
refuse to issue an initial community-based long-term care
services certificate or an initial community-based long-term
care services contract or grant to a self-employed provider
because the provider was convicted of, pleaded guilty to, or was
found eligible for intervention in lieu of conviction for an
offense unless the refusal is in accordance with section 9.79 of
the Revised Code.

(D) The department of aging or its designee shall inform
each self-employed provider of both of the following at the time
of the self-employed provider's initial application for a
community-based long-term care services certificate or initial
bid for a community-based long-term care services contract or
grant:

(1) That a review of the databases listed in division (E) of this section will be conducted to determine whether the department or its designee is required by division (C) of this section to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider;

(2) That, unless the database review reveals that the department or its designee is required to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider, a criminal records check of the self-employed provider will be conducted and the self-employed provider is required to provide a set of the self-employed provider's fingerprint impressions as part of the criminal records check.

(E) As a condition of issuing or awarding a community-based long-term care services certificate or community-based long-term care services contract or grant to a self-employed provider, the department of aging or its designee shall conduct a database review of the self-employed provider in accordance with rules adopted under this section. If rules adopted under this section so require, the department or its designee shall conduct a database review of a self-employed provider in accordance with the rules as a condition of not revoking or terminating the self-employed provider's community-based long-term care services certificate or community-based long-term care services contract or grant. A database review shall determine whether the self-employed provider is included in any of the following:
(1) The excluded parties list system that is maintained by the United States general services administration pursuant to subpart 9.4 of the federal acquisition regulation and available at the federal web site known as the system for award management;

(2) The list of excluded individuals and entities maintained by the office of inspector general in the United States department of health and human services pursuant to the "Social Security Act," 42 U.S.C. 1320a-7 and 1320c-5;

(4) The internet-based sex offender and child-victim offender database established under division (A)(11) of section 2950.13 of the Revised Code;

(5) The internet-based database of inmates established under section 5120.66 of the Revised Code;

(6) The state nurse aide registry established under section 3721.32 of the Revised Code;

(7) Any other database, if any, specified in rules adopted under this section.

(F)(1) As a condition of issuing or awarding a community-based long-term care services certificate or community-based long-term care services contract or grant to a self-employed provider, the department of aging or its designee shall request that the superintendent of the bureau of criminal identification and investigation conduct a criminal records check of the self-employed provider. If rules adopted under this section so require, the department or its designee shall request that the superintendent conduct a criminal records check of a self-
employed provider at times specified in the rules as a condition
of not revoking or terminating the self-employed provider's
community-based long-term care services certificate or
community-based long-term care services contract or grant.
However, the department or its designee is not required to
request the criminal records check of the self-employed provider
if the department or its designee, because of circumstances
specified in division (C)(2)(a) of this section, is required to
refuse to issue or award a community-based long-term care
services certificate or community-based long-term care services
contract or grant to the self-employed provider or to revoke or
terminate the self-employed provider's certificate or contract
or grant.

If a self-employed provider for whom a criminal records
check request is required by this section does not present proof
of having been a resident of this state for the five-year period
immediately prior to the date the criminal records check is
requested or provide evidence that within that five-year period
the superintendent has requested information about the self-
employed provider from the federal bureau of investigation in a
criminal records check, the department or its designee shall
request that the superintendent obtain information from the
federal bureau of investigation as part of the criminal records
check. Even if a self-employed provider for whom a criminal
records check request is required by this section presents proof
of having been a resident of this state for the five-year
period, the department or its designee may request that the
superintendent include information from the federal bureau of
investigation in the criminal records check.

(2) The department or its designee shall do all of the
following:
(a) Provide to each self-employed provider for whom a criminal records check request is required by this section a copy of the form prescribed pursuant to division (C)(1) of section 109.572 of the Revised Code and a standard impression sheet prescribed pursuant to division (C)(2) of that section;

(b) Obtain the completed form and standard impression sheet from the self-employed provider;

(c) Forward the completed form and standard impression sheet to the superintendent.

(3) The department or its designee shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for each criminal records check of a self-employed provider the department or its designee requests under this section. The department or its designee may charge the self-employed provider a fee that does not exceed the amount the department or its designee pays to the bureau.

(G) The report of any criminal records check of a self-employed provider conducted pursuant to a request made under this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the following:

(1) The self-employed provider or the self-employed provider's representative;

(2) The department of aging, the department's designee, or a representative of the department or its designee;

(a) A refusal to issue or award a community-based long-term services certificate or community-based long-term care services contract or grant to the self-employed provider;

(b) A revocation or termination of the self-employed provider's community-based long-term care services certificate or community-based long-term care services contract or grant;

(c) A civil or criminal action regarding a program the department of aging administers.

(H) In a tort or other civil action for damages that is brought as the result of an injury, death, or loss to person or property caused by a self-employed provider, both of the following shall apply:

(1) If the department of aging or its designee, in good faith and reasonable reliance on the report of a criminal records check requested under this section, issued or awarded a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or did not revoke or terminate the self-employed provider's certificate or contract or grant, the department and its designee shall not be found negligent solely because of its reliance on the report, even if the information in the report is determined later to have been incomplete or inaccurate.

(2) If the department or its designee in good faith issued
or awarded a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or because the self-employed provider satisfied a determination under section 9.79 of the Revised Code, the department and its designee shall not be found negligent solely because the self-employed provider has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for an offense specified by the department under section 9.79 of the Revised Code.

(3) If the department or its designee in good faith did not revoke or terminate the self-employed provider's certificate or contract or grant because the self-employed provider meets standards specified in rules adopted under this section, the department and its designee shall not be found negligent solely because the self-employed provider has been convicted of, pleaded guilty to, or been found eligible for intervention in lieu of conviction for a post-issuance disqualifying offense.

(I) The director of aging shall adopt rules in accordance with Chapter 119. of the Revised Code to implement this section.

(1) The rules may do the following:

(a) Require self-employed providers who have been issued or awarded community-based long-term care services certificates or community-based long-term care services contracts or grants to undergo database reviews and criminal records checks under this section;

(b) If the rules require self-employed providers who have been issued or awarded community-based long-term care services certificates or community-based long-term care services contracts or grants to undergo database reviews and criminal
records checks under this section, exempt one or more classes of such self-employed providers from the requirements;

(c) For the purpose of division (E)(7) of this section, specify other databases that are to be checked as part of a database review conducted under this section.

(2) The rules shall specify all of the following:

(a) The procedures for conducting database reviews under this section;

(b) If the rules require self-employed providers who have been issued or awarded community-based long-term care services certificates or community-based long-term care services contracts or grants to undergo database reviews and criminal records checks under this section, the times at which the database reviews and criminal records checks are to be conducted;

(c) If the rules specify other databases to be checked as part of the database reviews, the circumstances under which the department of aging or its designee is required to refuse to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to a self-employed provider or to revoke or terminate a self-employed provider's certificate or contract or grant when the self-employed provider is found by a database review to be included in one or more of those databases;

(d) Standards that a self-employed provider must meet for the department or its designee to be permitted to issue or award a community-based long-term care services certificate or community-based long-term care services contract or grant to the self-employed provider or not to revoke or terminate the self-
employed provider's certificate or contract or grant if the
self-employed provider is found by a criminal records check
required by this section to have been convicted of, pleaded
guilty to, or been found eligible for intervention in lieu of
conviction for a post-issuance disqualifying offense.

Sec. 173.391. (A) Subject to section 173.381 of the
Revised Code, the department of aging or its designee shall do
all of the following in accordance with Chapter 119. of the
Revised Code:

(1) Certify a provider to provide community-based long-
term care services under a program the department administers if
the provider satisfies the requirements for certification
established by rules adopted under division (B) of this section
and pays the fee, if any, established by rules adopted under
division (G) of this section;

(2) When required to do so by rules adopted under division

(B) The director of aging shall adopt rules in accordance with Chapter 119. of the Revised Code establishing certification requirements and standards for determining which type of disciplinary action to take under division (A)(2) of this section in individual situations. The rules shall establish procedures for all of the following:

The director may deny approval of the proposed change if the director finds from the information submitted under divisions (A)(1) to (3) of this section, pertinent information submitted to the director, and other pertinent information obtained by the director at the director's discretion that the proposed person, in the operation of animal feeding facilities, has a history of substantial noncompliance with the Federal Water Pollution Control Act, the "Safe Drinking Water Act," as defined in section 6109.01 of the Revised Code, any other applicable state laws pertaining to environmental protection, or the environmental laws of another country that indicates that the person lacks sufficient reliability, expertise, and competence to operate the concentrated animal feeding facility in substantial compliance with this chapter and rules adopted under it.

(E) The director shall not deny an application for or a transfer of a permit to install or a permit to operate a concentrated animal feeding facility because of a criminal conviction unless the refusal is in accordance with section 9.79 of the Revised Code.

"Facility" means all warehouse storage located on one premises, including any additional warehouse storage located within one thousand yards of that premises. The director may charge fees for examinations in an amount not to exceed those fees charged by the United States department of agriculture for comparable examinations.

The director shall deposit all fees collected under this

Whenever the director considers it advisable to cancel the unexpired portion of an outstanding license in order to renew it according to a new or existing system of expiration dates, the director shall refund to the handler the unexpired portion of the fees paid under division (B) of this section. Whenever the director issues an initial license on a date that does not conform to the existing system, the director shall issue the license for a period of time, not less than six nor more than eighteen months, that makes the date conform to the existing system. The application fee for that initial license shall be proportionate to the fee for a one-year license.

(E) An application for renewal of a handler's license shall be filed with the director not later than thirty days before the current license expires. An applicant who fails to file a renewal application in time shall pay a late fee of one dollar for each day the application is late or fifteen dollars, whichever is greater. A renewal license shall not be issued until a late fee that is due has been paid.
(F) The director, with the approval of the commodity advisory commission, may, except as provided in division (E) of this section, revoke or refuse to issue or renew a handler's license if any of the following occurred within five years before the application for the license or renewal was filed:

(4) The applicant has sterilized each male dangerous wild animal that is possessed by the applicant. However, a dangerous wild animal is not required to be sterilized if a veterinarian that is qualified to provide veterinary care to the dangerous wild animal determines that the sterilization is medically contraindicated and the applicant has submitted a copy of the veterinarian's written determination with the applicant's application.

(5) The applicant has signed an affidavit attesting that the applicant will not allow members of the public to be in physical contact with a dangerous wild animal possessed by the applicant. Division (A)(5) of this section does not apply to an employee of the applicant or a volunteer who has entered into a written agreement with the applicant to work for or volunteer for the applicant and assists in the care of a dangerous wild animal or animals specified in division (C)(20) of section 935.01 of the Revised Code possessed by the applicant if the care is provided under the direction of the applicant.

(8) The applicant has signed an affidavit attesting that 
the facility at which a dangerous wild animal or dangerous wild 
animals will be maintained under the permit and the conditions 
in which each dangerous wild animal will be kept in that 
facility are in compliance with this chapter and rules.

(9) The applicant has submitted a complete application 
that meets the requirements established in section 935.05 of the 
Revised Code.

(10) The applicant has submitted the applicable fee under 
section 935.05 of the Revised Code.

If a permit is issued, the director shall assign a unique 
identification number to the permit.

(B) Prior to issuing or denying a wildlife shelter permit, 
the director shall submit a request to the bureau of criminal

(2) An offense of violence that is a felony;

(3) A violation of section 959.13 or 959.131 of the Revised Code or of section 2927.21 of the Revised Code as that section existed prior to its repeal by S.B. 310 of the 129th general assembly.

The applicant is responsible for paying all costs associated with the criminal records check.

(D) Not later than the first day of December of each year, a permit holder shall apply to the director, on a form prescribed and provided by the director, for a renewal of the permit if the permit holder intends to retain possession of the dangerous wild animal or animals that are identified in the permit. Not later than thirty days after receipt of an application for renewal, the director shall renew or deny the renewal of the permit. The director shall renew the permit if
the permit holder complies with this chapter and rules and pays a renewal fee in the same amount as the fee established for the initial permit in section 935.05 of the Revised Code. If a renewal permit is denied, two hundred fifty dollars of the renewal fee shall be retained by the director as payment for the reasonable expense of processing the application, and the remainder of the renewal fee shall be returned to the applicant.

(E) If the director denies an application for a permit or a renewal of a permit, the director shall notify the person of the denial, the grounds for the denial, and the person's right to an adjudication under Chapter 119. of the Revised Code.

(F) If a person does not appeal the determination of the director to deny an application for a permit or a renewal of a permit or if the determination of the director is affirmed under Chapter 119. of the Revised Code, not later than thirty days after the decision not to appeal or after the determination is affirmed, as applicable, the person shall transfer the dangerous wild animal or animals that the person possesses to a humane society, wildlife sanctuary, rescue facility, facility that is an accredited member of either the association of zoos and aquariums or the zoological association of America, or facility that is located in another state and that complies with that state's applicable laws. After the transfer has occurred, the person shall submit proof to the director that the dangerous wild animal or animals were transferred and shall specify the society, sanctuary, or facility to which the animal or animals were transferred.

The person is responsible for all costs associated with the transfer of the dangerous wild animal or animals.

(G) If a person that has been issued a wildlife shelter
permit under this section or a wildlife propagation permit under section 935.07 of the Revised Code dies, the person's next of kin shall do one of the following:

(1) If the next of kin wishes to possess the dangerous wild animal or animals, obtain a wildlife shelter permit under this section or a wildlife propagation permit under section 935.07 of the Revised Code, as applicable. (2) If the deceased person has a last will and testament that specifies that the dangerous wild animal or animals possessed by the person are to be transferred to another person that has been issued a wildlife shelter permit, wildlife propagation permit, or rescue facility permit issued under this chapter, transfer the dangerous wild animal or animals to the applicable permit holder;

(3) Transfer the dangerous wild animal or animals that were possessed by the deceased person in accordance with division (F) of this section.

(H) All fees collected under this section shall be credited to the dangerous and restricted animal fund created in section 935.25 of the Revised Code.

The application shall state the nature of the business, the municipal corporation, township, and county, and the post-office address of the location where the business is to be conducted, the name of any employee authorized to act in the
dealer's or broker's behalf, and such additional information as the department prescribes.

The applicant shall satisfy the department of the applicant's character and good faith in seeking to engage in such business. The department shall issue to the applicant a license to conduct the business of a dealer or broker at the place named in the application. Licenses, unless revoked, shall expire annually on the thirty-first day of March and shall be renewed according to the standard renewal procedure of sections 4745.01 to 4745.03 of the Revised Code.

(2) No license shall be issued by the department to a dealer or broker having weighing facilities until the applicant has filed with the department a copy of a scale test certificate showing the weighing facilities to be in satisfactory condition, a copy of the license of each weigher employed by the applicant, and a certificate of inspection by the department showing livestock market facilities to be in satisfactory sanitary condition.

(3) Except as provided in division (A)(4) of this section, no license shall be issued by the department until the applicant has furnished proof of financial responsibility. Except as provided in division (C) of this section, such proof may be in the following forms:

(a) A bond of a surety company authorized to do business in this state in the form prescribed by and to the satisfaction of the department, conditioned for the payment of a judgment against the applicant furnishing the bond and arising out of the failure of such dealer or broker to pay for the livestock purchased for the dealer's or broker's own or for the accounts of others or to pay when due to the person entitled thereto the
gross amount, less lawful charges, for which all of the livestock is sold. The amount of bond required, the termination of the bond, and the limitation on filing claims against the dealer or broker or their surety shall be the same as prescribed in division (B) of this section.

(b) A deposit with a trustee acceptable to the department of the required amount in money or negotiable bonds of the United States or of this state or of a political subdivision of this state of that par or face value, or any combination thereof, for the purpose of securing the payment of a judgment against the dealer or broker furnishing the deposit and arising out of the failure of the dealer or broker to pay for the livestock purchased for the dealer's or broker's own or for the accounts of others, or to pay when due to the person entitled thereto the gross amount, less lawful charges, for which all of the livestock is sold. The deposit shall be made under a deposit agreement acceptable to the department. The deposit is not subject to attachment for any other claim or levy of execution upon a judgment based on any other claims.

(4) An applicant for a license as a dealer or broker of poultry is not required to maintain financial responsibility or furnish proof of financial responsibility.

(B) Any person damaged by failure of a dealer or broker to pay for the livestock purchased for the dealer's or broker's or for the accounts of others or to pay when due to the person entitled thereto the gross amount, less lawful charges, for which all of the livestock is sold may maintain an action against the broker or dealer and the sureties on the bonds, or the trustee, provided for in this section. The aggregate liability of the sureties or trustee for all such damage shall
not exceed the amount of the bond or deposit.

Unless the person damaged files a claim with the dealer or broker and the sureties or trustee within sixty days from the date of the transaction on which the claim is based, the person shall be barred from maintaining an action on the bond or for the application of the deposit. Upon the filing of a claim, the claimant shall notify the department of that action.

The amount of the bond or deposit shall not be less than the nearest multiple of one thousand dollars above the average daily value of livestock sold by the dealer or broker for the accounts of others and livestock purchased by the dealer or broker for the dealer's or broker's or for the accounts of others on the dealer's or broker's ten largest business days during the preceding twelve months or such part thereof as the dealer or broker was purchasing, selling, or exchanging livestock. In no case shall the amount of the bond or deposit total less than ten thousand dollars.

Whenever the amount of bond or deposit calculated as above specified exceeds fifty thousand dollars, the amount of the bond shall be fifty thousand dollars plus ten per cent of the valuation in excess of fifty thousand dollars.

In no case shall the bond or deposit covering the business of the dealer or broker be less than the amount specified above or such higher amount as may be specified by the "Packer and Stockyards Act of 1921," 42 Stat. 159, 7 U.S.C.A. 181, as amended.

Whenever in the judgment of the department the business volume of the licensee is such as to render the bond or deposit inadequate, the amount of the bond or deposit shall be adjusted,
upon thirty days' notice, to meet sections 943.01 to 943.18 of 2465
the Revised Code and rules adopted under them. All of the bonds 2466
or deposit agreements shall contain a provision requiring that 2467
at least thirty days' prior notice in writing be given to the 2468
department and the packers and stockyards administration of the 2469
United States department of agriculture by the party terminating 2470
the bonds or deposit agreements in order to effect termination, 2471
except that a bond may be terminated as of the effective date of 2472
a replacement bond.

The termination of a bond shall not release the parties 2473
from any liability arising out of facts or transactions 2474
occurring prior to the termination date.

The termination of a deposit agreement shall neither 2475
release the party furnishing the deposit from any liability 2476
arising out of acts or transactions occurring prior to the 2477
termination date, nor shall the trustee permit the withdrawal of 2478
the deposit until after sixty days after the termination date, 2479
and then only if no claims under the agreement have been filed 2480
with the trustee. If any claims have been filed with the 2481
trustee, the withdrawal of the deposit shall not be permitted 2482
until the claims have been satisfied or released and evidence of 2483
the satisfaction or release filed with the trustee.

(C) If approved by the director of agriculture, in lieu of 2484
the bond or deposit required in division (A)(3) of this section, 2485
a broker or dealer subject to the "Packers and Stockyards Act of 2486
1921," 42 Stat. 159, 7 U.S.C.A. 181, as amended, may furnish 2487
proof in a manner and form acceptable to the director that the 2488
broker or dealer has an irrevocable letter of credit on file 2489
with the packers and stockyards administration under regulations 2490
adopted by the packers and stockyards administration in 9 C.F.R. 2491
(D) No licensed livestock dealer or broker shall employ as an employee a person who, as a dealer or broker, previously defaulted on contracts pertaining to the purchase, exchange, or sale of livestock until the licensee does both of the following:

1. Increases the value of the dealer's or broker's bond, deposit, or letter of credit, in addition to the amount of any other bond, deposit, or letter of credit required by this section, by an amount equal to that owed by such person for the purchase, exchange, or sale of livestock prior to being employed by the licensee;

2. Signs and files with the director an agreement that guarantees, without condition, all contracts pertaining to the purchase, exchange, or sale of livestock made by such person while in the employ of the licensee. The agreement shall be in addition to any other proof of financial responsibility required by this section. The director shall prescribe the form and content of the agreement.

(E) No licensed livestock dealer or broker shall employ a person whose dealer's or broker's license was revoked or is suspended.

Sec. 943.031. (A) Application for a license as a small dealer shall be made in writing to the department of agriculture. The application shall state the nature of the business, the municipal corporation or township, county, and post-office address of the location where the business is to be conducted, the name of any employee who is authorized to act in the small dealer's behalf, and any additional information that the department prescribes.
(B) The applicant shall satisfy the department of the applicant's character and good faith in seeking to engage in the business of a small dealer. The department then shall issue to the applicant a license to conduct the business of a small dealer at the place named in the application. Licenses, unless revoked, shall expire annually on the thirty-first day of March and shall be renewed according to the standard renewal procedure established in sections 4745.01 to 4745.03 of the Revised Code.

(C) No license shall be issued by the department to a small dealer having weighing facilities until the applicant has filed with the department a copy of a scale test certificate showing the weighing facilities to be in satisfactory condition, a copy of the license of each weigher employed by the applicant, and a certificate of inspection by the department showing livestock market facilities to be in satisfactory sanitary condition.

(D) No licensed small dealer shall employ as an employee a person who, as a small dealer, dealer, or broker, previously defaulted on contracts pertaining to the purchase, exchange, or sale of livestock until the licensee signs and files with the director an agreement that guarantees, without condition, all contracts pertaining to the purchase, exchange, or sale of livestock made by the person while in the employ of the licensee. The director shall prescribe the form and content of the agreement.

In all other cases, a suspension, revocation,

(B) That the applicant has available for the operation of such business cash or moneys deposited in a readily accessible fund or account of not less than twenty-five thousand dollars.

If the division does not so find, it shall enter an order denying such application and forthwith notify the applicant of the denial, the grounds for the denial, and the applicant's reasonable opportunity to be heard on the action in accordance with Chapter 119. of the Revised Code. All fees paid to the superintendent pursuant to this division shall be deposited into the state treasury to the credit of the consumer finance fund.

(B) Upon the filing of an application for an original license and, with respect to an application filed for a renewal license, on a schedule determined by the superintendent by rule adopted pursuant to section 1321.43 of the Revised Code, and the payment of fees in accordance with division (A) of this section, the superintendent shall investigate the facts concerning the applicant and the requirements provided by this division. The superintendent shall request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the applicant's fingerprints in accordance with section 109.572 of the Revised Code. Notwithstanding division (K) of section 121.08 of the Revised Code, the superintendent of financial institutions shall request that criminal record information from the federal bureau of investigation be obtained as part of the criminal records check. The superintendent of financial institutions shall conduct a civil records check. The
superintendent shall approve an application and issue an
original or renewal license to the applicant if the
superintendent finds all of the following:

belief that the business of making loans will be operated
lawfully, honestly, and fairly under sections 1321.35 to 1321.48
of the Revised Code and within the purposes of those sections;
that the applicant has fully complied with those sections and
any rule or order adopted or issued pursuant to section 1321.43
of the Revised Code; and that the applicant is qualified to
engage in the business of making loans under sections 1321.35 to

partner of the applicant, has pleaded guilty to or been
convicted of any criminal offense involving theft, receiving
stolen property, embezzlement, forgery, fraud, passing bad
checks, money laundering, or drug trafficking, or any criminal
offense involving money or securities or any violation of an
existing or former law of this state, any other state, or the United States that substantially is equivalent to a criminal offense described in that division. However, if the applicant or any of those other persons has pleaded guilty to or been convicted of any such offense other than theft, the superintendent shall not consider the offense if the applicant has proven to the superintendent, by a preponderance of the evidence, that the applicant's or other person's activities and employment record since the conviction show that the applicant or other person is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant or other person will commit such an offense again as determined in accordance with section 9.79 of the Revised Code.

(5) Neither the applicant nor any senior officer, or partner of the applicant, has been subject to any adverse judgment for conversion, embezzlement, misappropriation of funds, fraud, misfeasance or malfeasance, or breach of fiduciary duty, or if the applicant or any of those other persons has been subject to such a judgment, the applicant has proven to the superintendent, by a preponderance of the evidence, that the applicant's or other person's activities and employment record since the judgment show that the applicant or other person is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant or other person will be subject to such a judgment again.

(C) If the superintendent finds that the applicant does not meet the requirements of division (B) of this section, or the superintendent finds that the applicant knowingly or repeatedly contracts with or employs persons to directly engage in lending activities who have been convicted of a felony crime
listed in division (B)(5) of this section, the superintendent shall issue an order denying the application for an original or renewal license and giving the applicant an opportunity for a hearing on the denial in accordance with Chapter 119. of the Revised Code. The superintendent shall notify the applicant of the denial, the grounds for the denial, and the applicant's opportunity for a hearing. If the application is denied, the superintendent shall return the annual license fee but shall retain the investigation fee.

(D) No person licensed under sections 1321.35 to 1321.48 of the Revised Code shall conduct business in this state unless the licensee has obtained and maintains in effect at all times a corporate surety bond issued by a bonding company or insurance company authorized to do business in this state. The bond shall be in favor of the superintendent and in the penal sum of at least one hundred thousand dollars, or in the case of a nonprofit corporation that is incorporated under Chapter 1702. of the Revised Code, in the amount of fifty thousand dollars. The term of the bond shall coincide with the term of the license. The licensee shall file a copy of the bond with the superintendent. The bond shall be for the exclusive benefit of any borrower injured by a violation by a licensee or any employee of a licensee, of any provision of sections 1321.35 to 1321.48 of the Revised Code.

Sec. 1321.53. (A)(1) An application for a certificate of registration under sections 1321.51 to 1321.60 of the Revised Code shall contain an undertaking by the applicant to abide by those sections. The application shall be in writing, under oath, and in the form prescribed by the division of financial institutions, and shall contain any information that the division may require. Applicants that are foreign corporations

(2) Upon the filing of the application and the payment by the applicant of a nonrefundable two-hundred-dollar investigation fee and a nonrefundable three-hundred-dollar annual registration fee, the division shall investigate the relevant facts. If the application involves investigation outside this state, the applicant may be required by the division to advance sufficient funds to pay any of the actual expenses of such investigation, when it appears that these expenses will exceed two hundred dollars. An itemized statement of any of these expenses which the applicant is required to pay shall be furnished to the applicant by the division. No certificate shall be issued unless all the required fees have been submitted to the division.

(3) The investigation undertaken upon application shall include both a civil and criminal records check of the applicant including any individual whose identity is required to be disclosed in the application. Where the applicant is a business entity the superintendent shall have the authority to require a civil and criminal background check of those persons that in the determination of the superintendent have the authority to direct and control the operations of the applicant.

(4)(a) Notwithstanding division (K) of section 121.08 of the Revised Code, the superintendent of financial institutions shall obtain a criminal history records check and, as part of that records check, request that criminal record information from the federal bureau of investigation be obtained. To fulfill this requirement, the superintendent shall request the superintendent of the bureau of criminal identification and
investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the applicant's fingerprints or, if the fingerprints are unreadable, based on the applicant's social security number, in accordance with section 109.572 of the Revised Code.

(b) Any fee required under division (C)(3) of section 109.572 of the Revised Code shall be paid by the applicant.

(5) If an application for a certificate of registration does not contain all of the information required under division (A) of this section, and if such information is not submitted to the division within ninety days after the superintendent requests the information in writing, including by electronic transmission or facsimile, the superintendent may consider the application withdrawn.

(6) If the division finds that the financial responsibility, experience, character, and general fitness of the applicant command the confidence of the public and warrant the belief that the business will be operated honestly and fairly in compliance with the purposes of sections 1321.51 to 1321.60 of the Revised Code and the rules adopted thereunder, and that the applicant has the applicable net worth and assets required by division (B) of this section, the division shall thereupon issue a certificate of registration to the applicant. The superintendent shall not use a credit score as the sole basis for a registration denial.

(a)(i) Certificates of registration issued on or after July 1, 2010, shall annually expire on the thirty-first day of December, unless renewed by the filing of a renewal application and payment of a three-hundred-dollar nonrefundable annual registration fee and any assessment as determined by the
superintendent pursuant to division (A)(6)(a)(ii) of this section on or before the last day of December of each year. No other fee or assessment shall be required of a registrant by the state or any political subdivision of this state.

(ii) If the renewal fees billed by the superintendent pursuant to division (A)(6)(a)(i) of this section are less than the estimated expenditures of the consumer finance section of the division of financial institutions, as determined by the superintendent, for the following fiscal year, the superintendent may assess each registrant at a rate sufficient to equal in the aggregate the difference between the renewal fees billed and the estimated expenditures. Each registrant shall pay the assessed amount to the superintendent prior to the last day of June. In no case shall the assessment exceed ten cents per each one hundred dollars of interest (excluding charge-off recoveries), points, loan origination charges, and credit line charges collected by that registrant during the previous calendar year. If such an assessment is imposed, it shall not be less than two hundred fifty dollars per registrant and shall not exceed thirty thousand dollars less the total renewal fees paid pursuant to division (A)(6)(a)(i) of this section by each registrant.

(b) Registrants shall timely file renewal applications on forms prescribed by the division and provide any further information that the division may require. If a renewal application does not contain all of the information required under this section, and if that information is not submitted to the division within ninety days after the superintendent requests the information in writing, including by electronic transmission or facsimile, the superintendent may consider the application withdrawn.
(c) Renewal shall not be granted if the applicant's certificate of registration is subject to an order of suspension, revocation, or an unpaid and past due fine imposed by the superintendent.

(d) If the division finds the applicant does not meet the conditions set forth in this section, it shall issue a notice of intent to deny the application, and forthwith notify the applicant of the denial, the grounds for the denial, and the applicant's reasonable opportunity to be heard on the action in accordance with Chapter 119. of the Revised Code.

(7) If there is a change of five per cent or more in the ownership of a registrant, the division may make any investigation necessary to determine whether any fact or condition exists that, if it had existed at the time of the original application for a certificate of registration, the fact or condition would have warranted the division to deny the application under division (A)(6) of this section. If such a fact or condition is found, the division may, in accordance with Chapter 119. of the Revised Code, revoke the registrant's certificate.

(B) Each registrant that engages in lending under sections 1321.51 to 1321.60 of the Revised Code shall maintain both of the following:

(1) A net worth of at least fifty thousand dollars;

(2) For each certificate of registration, assets of at least fifty thousand dollars either in use or readily available for use in the conduct of the business.

(C) Not more than one place of business shall be maintained under the same certificate, but the division may
issue additional certificates to the same registrant upon compliance with sections 1321.51 to 1321.60 of the Revised Code, governing the issuance of a single certificate. No change in the place of business of a registrant to a location outside the original municipal corporation shall be permitted under the same certificate without the approval of a new application, the payment of the registration fee and, if required by the superintendent, the payment of an investigation fee of two hundred dollars. When a registrant wishes to change its place of business within the same municipal corporation, it shall give written notice of the change in advance to the division, which shall provide a certificate for the new address without cost. If a registrant changes its name, prior to making loans under the new name it shall give written notice of the change to the division, which shall provide a certificate in the new name without cost. Sections 1321.51 to 1321.60 of the Revised Code do not limit the loans of any registrant to residents of the community in which the registrant’s place of business is situated. Each certificate shall be kept conspicuously posted in the place of business of the registrant and is not transferable or assignable.

(D) Sections 1321.51 to 1321.60 of the Revised Code do not apply to any of the following:

(1) Entities chartered and lawfully doing business under the authority of any law of this state, another state, or the United States as a bank, savings bank, trust company, savings and loan association, or credit union, or a subsidiary of any such entity, which subsidiary is regulated by a federal banking agency and is owned and controlled by such a depository institution;
(2) Life, property, or casualty insurance companies licensed to do business in this state;

(3) Any person that is a lender making a loan pursuant to sections 1321.01 to 1321.19 or sections 1321.62 to 1321.701 of the Revised Code or a business loan as described in division (B) (6) of section 1343.01 of the Revised Code;

(4) Any political subdivision, or any governmental or other public entity, corporation, instrumentality, or agency, in or of the United States or any state of the United States, or any entity described in division (B)(3) of section 1343.01 of the Revised Code;

(E) No person engaged in the business of selling tangible goods or services related to tangible goods may receive or retain a certificate under sections 1321.51 to 1321.60 of the Revised Code for such place of business.

Sec. 1321.64. (A) An application for a license shall contain an undertaking by the applicant to abide by those sections. The application shall be in writing, under oath, and in the form prescribed by the superintendent of financial institutions, and shall contain any information that the superintendent may require. Applicants that are foreign corporations shall obtain and maintain a license pursuant to Chapter 1703. of the Revised Code before a license is issued or renewed.

(B) Upon the filing of the application and the payment by the applicant of a nonrefundable investigation fee of two
hundred dollars, a nonrefundable annual registration fee of three hundred dollars, and any additional fee required by the NMLSR, the division of financial institutions shall investigate the relevant facts. If the application involves investigation outside this state, the applicant may be required by the division to advance sufficient funds to pay any of the actual expenses of the investigation when it appears that these expenses will exceed two hundred dollars. An itemized statement of any of these expenses which the applicant is required to pay shall be furnished to the applicant by the division. A license shall not be issued unless all the required fees have been submitted to the division.

(C)(1) The investigation undertaken upon receipt of an application shall include both a civil and criminal records check of any control person.

(2)(a) Notwithstanding division (K) of section 121.08 of the Revised Code, the superintendent shall obtain a criminal records check on each control person and, as part of that records check, request that criminal records information from the federal bureau of investigation be obtained. To fulfill this requirement, the superintendent shall do either of the following:

(i) Request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the control person's fingerprints or, if the fingerprints are unreadable, based on the control person's social security number, in accordance with section 109.572 of the Revised Code;

(ii) Authorize the NMLSR to request a criminal records check of the control person.
(b) Any fee required under division (C)(3) of section 109.572 of the Revised Code or by the NMLSR shall be paid by the applicant.

(D) If an application for a license does not contain all of the information required under division (A) of this section, and if such information is not submitted to the division or to the NMLSR within ninety days after the superintendent or the NMLSR requests the information in writing, including by electronic transmission or facsimile, the superintendent may consider the application withdrawn.

(E) If the superintendent of financial institutions finds that the financial responsibility, experience, character, and general fitness of the applicant command the confidence of the public and warrant the belief that the business will be operated honestly and fairly in compliance with the purposes of sections 1321.62 to 1321.702 of the Revised Code and the rules adopted thereunder, and that the applicant has the requisite net worth and assets required under section 1321.65 of the Revised Code, the superintendent shall issue a license to the applicant. The license shall be valid until the thirty-first day of December of the year in which it is issued. A person may be licensed under both sections 1321.51 to 1321.60 and sections 1321.62 to 1321.702 of the Revised Code.

(F) If the superintendent finds that the applicant does not meet the conditions set forth in this section, the superintendent shall issue a notice of intent to deny the application, and promptly notify the applicant of the denial, the grounds for the denial, and the applicant's reasonable opportunity to be heard on the action in accordance with Chapter 119. of the Revised Code.
Sec. 1321.74. (A) Application for a license as a premium finance company shall be in writing, under oath, in the form prescribed by the division of financial institutions. An applicant also shall provide the form of premium finance agreement it intends to use in doing business under sections 1321.71 to 1321.83 of the Revised Code. Upon the filing of an application and the payment of the license fee, and upon deposit of an investigation fee not to exceed three hundred dollars if the investigation can be conducted in this state or the estimated costs of the investigation if it must be conducted outside this state, the division shall make an investigation of each applicant and shall issue a license if the applicant is qualified in accordance with sections 1321.71 to 1321.83 of the Revised Code. An itemized statement of any investigation expenses incurred which the applicant is required to pay shall be furnished the applicant by the division, and only the actual cost of such investigation shall be paid by the applicant, but at no time shall the investigation fee be less than two hundred dollars. If the division does not so find, it shall, within a reasonable period of time after it has received the application, at the request of the applicant, give the applicant opportunity for a hearing conducted in accordance with Chapter 119. of the Revised Code.

(B)(1) The division shall, except as provided in division (B)(2) of this section, issue or renew a license when it is satisfied that the applicant:

(1) (a) Is competent and trustworthy and intends to act in good faith in the capacity involved by the license applied for;

(C) Not more than one place of business shall be maintained under the same license, but the division may issue additional licenses to the same licensee upon compliance with sections 1321.71 to 1321.83 of the Revised Code.

No change in the place of business of a licensee to a location outside the original municipal corporation shall be permitted under the same license without the approval of a new application, the payment of the license fee as determined by the superintendent of financial institutions pursuant to section 1321.20 of the Revised Code, and, if required by the superintendent, the payment of an investigation fee of two hundred dollars. If a licensee wishes to change its place of business within the same municipal corporation, it shall give written notice of the change in advance to the division, which shall provide a license for the new address without cost. If a licensee changes its name, it shall give, prior to entering into
or otherwise acquiring premium finance agreements under the new name, written notice of the change to the division, which shall provide a license in the new name, without cost.

Each license shall be kept conspicuously posted in the place of business of the licensee and is not transferable or assignable.

Sec. 1322.10. (A) Upon the conclusion of the investigation required under division (B) of section 1322.09 of the Revised Code, the superintendent of financial institutions shall issue a certificate of registration to the applicant if the superintendent finds that the following conditions are met:

the certificate of registration issued in reliance on the check or other draft instrument will be canceled unless the registrant, within thirty days after receipt of the notice, submits the application fee and a one-hundred-dollar penalty to the superintendent. If the registrant does not submit the application fee and penalty within that time period, or if any check or other draft instrument used to pay the fee or penalty is returned to the superintendent for insufficient funds, the certificate of registration shall be canceled immediately without a hearing, and the registrant shall cease activity as a mortgage broker.

In limiting the number and type of licenses, the chief and the council shall give consideration to the number and type of licenses needed to harvest the fish determined to be harvestable; the capacity of the boats and characteristics of the equipment owned or used by the applicant; and any other facts or data relating to the protection, preservation, management, and utilization of fish species in a biologically sound manner.

(B) The chief, in prescribing forms for license applications, may require the applicant to list information relating to the kind and condition of boats and fishing equipment proposed to be used by the applicant, port or ports of entry, years of commercial fishing experience, quantity and kinds of fish taken during the previous five years, conviction records relating to Chapter 1531. and this chapter of the Revised Code and division rules, and any other facts the chief determines necessary to assist the chief in determining whether

(C) Any person, prior to making application for an Ohio commercial fishing license, first shall satisfy the following qualifications to the satisfaction of the chief: over eighteen years of age; no prior conviction of or plea of guilty on or after the effective date of this amendment October 10, 2007, to a felony concerning commercial fishing activities for a violation of state or federal law disqualifying offense as determined in accordance with section 9.79 of the Revised Code; ninety days Ohio residency immediately preceding application; two years commercial fishing gear experience or holder of an Ohio commercial license of another gear; and posting of a one thousand dollar performance bond or cash deposit in a like amount. In the event the person does not meet these pre-application qualifications or does meet those qualifications, but a license is not granted, the bond or cash deposit immediately shall be returned by the division. In the event the person is granted a license, the bond or cash deposit shall be held by the division during the term of the license.

educational assistant shall divulge, except to the teacher to
whom assigned, or the administrator of the school in the absence
of the teacher to whom assigned, or when required to testify in
a court or proceedings, any personal information concerning any
pupil in the school district which was obtained or obtainable by

provision is grounds for disciplinary action or dismissal, or
both.

section, the superintendent of a school district may allow an
employee who does not hold a permit or license issued under this
section to work as a substitute for an educational assistant who
is absent on account of illness or on a leave of absence, or to
fill a temporary position created by an emergency, provided that
the superintendent believes the employee's application materials indicate that the employee is qualified to obtain a permit or license under this section.

(B) Notwithstanding sections 3319.01 and 3319.22 of the Revised Code, the board of education of any city, local, or exempted village, or joint vocational school district, or the
governing board of any educational service center may request the state board of education to issue a one-year temporary educator license valid for being employed as a superintendent, or in any other administrative position, to an individual specified by the district board. The state board of education may issue the educator license if the requesting district board has determined both of the following:

(1) The individual is of good moral character;

(2) The individual holds at least a baccalaureate degree from an accredited institution of higher education in a field related to finance or administration, or has five years of recent work experience in education, management, or administration.

A one-year temporary educator license is valid only in the district whose board requested the license. An individual holding such a license may be employed as a superintendent or in any other administrative position in such district. The state board of education may renew such license annually upon request of the employing district.

Sec. 3319.30. Except as provided in section 3319.36 of the Revised Code, no person shall receive any compensation for the performance of duties as teacher in any school supported wholly or in part by the state or by federal funds who has not obtained a license of qualification for the position as provided for under section 3319.22 of the Revised Code and which license shall further certify to the good moral character of the holder thereof. Any teacher so qualified may, at the discretion of the employing board of education, receive compensation for days on which the teacher is excused by such board for the purpose of attending professional meetings, and the board may provide and
pay the salary of a substitute teacher for such days.

(F) The state board may take action under division (B) of this section, and the state board or the superintendent shall take the action required under division (C) of this section, on the basis of substantially comparable conduct occurring in a jurisdiction outside this state or occurring before a person applies for or receives any license.

(G) The state board may adopt rules in accordance with Chapter 119. of the Revised Code to carry out this section and section 3319.311 of the Revised Code.

(H) The state board shall not refuse to issue a license to an applicant because of a conviction of, a plea of guilty to, or a finding of guilt by a jury or court of an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

Sec. 3319.39. (A) (1) Except as provided in division (F)(2)(b) of section 109.57 of the Revised Code, the appointing or hiring officer of the board of education of a school district, the governing board of an educational service center, or of a chartered nonpublic school shall request the superintendent of the bureau of criminal identification and investigation to...
conduct a criminal records check with respect to any applicant who has applied to the school district, educational service center, or school for employment in any position. The appointing or hiring officer shall request that the superintendent include information from the federal bureau of investigation in the criminal records check, unless all of the following apply to the applicant:

(a) The applicant is applying to be an instructor of adult education.

(b) The duties of the position for which the applicant is applying do not involve routine interaction with a child or regular responsibility for the care, custody, or control of a child or, if the duties do involve such interaction or responsibility, during any period of time in which the applicant, if hired, has such interaction or responsibility, another employee of the school district, educational service center, or chartered nonpublic school will be present in the same room with the child or, if outdoors, will be within a thirty-yard radius of the child or have visual contact with the child.

(c) The applicant presents proof that the applicant has been a resident of this state for the five-year period immediately prior to the date upon which the criminal records check is requested or provides evidence that within that five-year period the superintendent has requested information about the applicant from the federal bureau of investigation in a criminal records check.

(2) A person required by division (A)(1) of this section to request a criminal records check shall provide to each applicant a copy of the form prescribed pursuant to division (C)
(1) of section 109.572 of the Revised Code, provide to each applicant a standard impression sheet to obtain fingerprint impressions prescribed pursuant to division (C)(2) of section 109.572 of the Revised Code, obtain the completed form and impression sheet from each applicant, and forward the completed form and impression sheet to the superintendent of the bureau of criminal identification and investigation at the time the person requests a criminal records check pursuant to division (A)(1) of this section.

If an applicant, upon request, fails to provide the information necessary to complete the form or fails to provide impressions of the applicant's fingerprints, the board of education of a school district, governing board of an educational service center, or governing authority of a chartered nonpublic school shall not employ that applicant for any position.

(4) Notwithstanding any provision of this section to the contrary, an applicant who meets the conditions prescribed in divisions (A)(1)(a) and (b) of this section and who, within the two-year period prior to the date of application, was the subject of a criminal records check under this section prior to being hired for short-term employment with the school district, educational service center, or chartered nonpublic school to
which application is being made shall not be required to undergo a criminal records check prior to the applicant's rehiring by that district, service center, or school.

(B)(1) Except as provided in rules adopted by the department of education in accordance with division (E) of this section and as provided in division (B)(3) of this section, no board of education of a school district, no governing board of an educational service center, and no governing authority of a chartered nonpublic school shall employ a person if the person previously has been convicted of or pleaded guilty to any of the following:

(a) A violation of section 2903.01, 2903.02, 2903.03, 2903.04, 2903.11, 2903.12, 2903.13, 2903.16, 2903.21, 2903.34, 2905.01, 2905.02, 2905.05, 2907.02, 2907.03, 2907.04, 2907.05, 2907.06, 2907.07, 2907.08, 2907.09, 2907.21, 2907.22, 2907.23, 2907.25, 2907.31, 2907.32, 2907.321, 2907.322, 2907.323, 2911.01, 2911.02, 2911.11, 2911.12, 2919.12, 2919.22, 2919.24, 2919.25, 2923.12, 2923.13, 2923.161, 2925.02, 2925.03, 2925.04, 2925.05, 2925.06, or 3716.11 of the Revised Code, a violation of section 2905.04 of the Revised Code as it existed prior to July 1, 1996, a violation of section 2919.23 of the Revised Code that would have been a violation of section 2905.04 of the Revised Code as it existed prior to July 1, 1996, had the violation been committed prior to that date, a violation of section 2925.11 of the Revised Code that is not a minor drug possession offense, or felonious sexual penetration in violation of former section 2907.12 of the Revised Code;

(b) A violation of an existing or former law of this state, another state, or the United States that is substantially equivalent to any of the offenses or violations described in
division (B)(1)(a) of this section.

(2) A board, governing board of an educational service center, or a governing authority of a chartered nonpublic school may employ an applicant conditionally until the criminal records check required by this section is completed and the board or governing authority receives the results of the criminal records check. If the results of the criminal records check indicate that, pursuant to division (B)(1) of this section, the applicant does not qualify for employment, the board or governing authority shall release the applicant from employment.

(3) No board and no governing authority of a chartered nonpublic school shall employ a teacher who previously has been convicted of or pleaded guilty to any of the offenses listed in section 3319.31 of the Revised Code.

(C)(1) Each board and each governing authority of a chartered nonpublic school shall pay to the bureau of criminal identification and investigation the fee prescribed pursuant to division (C)(3) of section 109.572 of the Revised Code for each criminal records check conducted in accordance with that section upon the request pursuant to division (A)(1) of this section of the appointing or hiring officer of the board or governing authority.

(2) A board and the governing authority of a chartered nonpublic school may charge an applicant a fee for the costs it incurs in obtaining a criminal records check under this section. A fee charged under this division shall not exceed the amount of fees the board or governing authority pays under division (C)(1) of this section. If a fee is charged under this division, the board or governing authority shall notify the applicant at the time of the applicant's initial application for employment of
the amount of the fee and that, unless the fee is paid, the board or governing authority will not consider the applicant for employment.

(D) The report of any criminal records check conducted by the bureau of criminal identification and investigation in accordance with section 109.572 of the Revised Code and pursuant to a request under division (A)(1) of this section is not a public record for the purposes of section 149.43 of the Revised Code and shall not be made available to any person other than the applicant who is the subject of the criminal records check or the applicant's representative, the board or governing authority requesting the criminal records check or its representative, and any court, hearing officer, or other necessary individual involved in a case dealing with the denial of employment to the applicant.

(E) The department of education shall adopt rules pursuant to Chapter 119. of the Revised Code to implement this section, including rules specifying circumstances under which the board or governing authority may hire a person who has been convicted of an offense listed in division (B)(1) or (3) of this section but who meets standards in regard to rehabilitation set by the department. Any rules adopted by the department under this division regarding the employment of a person holding a certificate, license, or permit described in this chapter or in division (B) of section 3301.071 or in section 3301.074 of the Revised Code shall comply with section 9.79 of the Revised Code.

The department shall amend rule 3301-83-23 of the Ohio Administrative Code that took effect August 27, 2009, and that specifies the offenses that disqualify a person for employment as a school bus or school van driver and establishes
rehabilitation standards for school bus and school van drivers.

(F) Any person required by division (A)(1) of this section to request a criminal records check shall inform each person, at the time of the person's initial application for employment, of the requirement to provide a set of fingerprint impressions and that a criminal records check is required to be conducted and satisfactorily completed in accordance with section 109.572 of the Revised Code if the person comes under final consideration for appointment or employment as a precondition to employment for the school district, educational service center, or school for that position.

(G) As used in this section:

(1) "Applicant" means a person who is under final consideration for appointment or employment in a position with a board of education, governing board of an educational service center, or a chartered nonpublic school, except that "applicant" does not include a person already employed by a board or chartered nonpublic school who is under consideration for a different position with such board or school.

(2) "Teacher" means a person holding an educator license or permit issued under section 3319.22 or 3319.301 of the Revised Code and teachers in a chartered nonpublic school.

(3) "Criminal records check" has the same meaning as in section 109.572 of the Revised Code.

(4) "Minor drug possession offense" has the same meaning as in section 2925.01 of the Revised Code.

(H) If the board of education of a local school district adopts a resolution requesting the assistance of the educational service center in which the local district has territory in
conducting criminal records checks of substitute teachers and substitutes for other district employees under this section, the appointing or hiring officer of such educational service center shall serve for purposes of this section as the appointing or hiring officer of the local board in the case of hiring substitute teachers and other substitute employees for the local district.

Sec. 3327.10. (A) No person shall be employed as driver of a school bus or motor van, owned and operated by any school district or educational service center or privately owned and operated under contract with any school district or service center in this state, who has not received a certificate from either the educational service center governing board that has entered into an agreement with the school district under section 3313.843 or 3313.845 of the Revised Code or the superintendent of the school district, certifying that such person is at least eighteen years of age and is of good moral character and is qualified physically and otherwise for such position. The service center governing board or the superintendent, as the case may be, shall provide for an annual physical examination that conforms with rules adopted by the state board of education of each driver to ascertain the driver's physical fitness for such employment. Any certificate may be revoked by the authority granting the same on proof that the holder has been guilty of failing to comply with division (D)(1) of this section, or upon a conviction or a guilty plea for a violation, or any other action, that results in a loss or suspension of driving rights. Failure to comply with such division may be cause for disciplinary action or termination of employment under division (C) of section 3319.081, or section 124.34 of the Revised Code.

(B) No person shall be employed as driver of a school bus
or motor van not subject to the rules of the department of
education pursuant to division (A) of this section who has not
received a certificate from the school administrator or
contractor certifying that such person is at least eighteen
years of age, is of good moral character, and is qualified
physically and otherwise for such position. Each driver shall
have an annual physical examination which conforms to the state
highway patrol rules, ascertaining the driver's physical fitness
for such employment. The examination shall be performed by one
of the following:

(1) A person licensed under Chapter 4731. or 4734. of the
Revised Code or by another state to practice medicine and
surgery, osteopathic medicine and surgery, or chiropractic;

(4) A clinical nurse specialist;

(5) A certified nurse-midwife;

(6) A medical examiner who is listed on the national
registry of certified medical examiners established by the
federal motor carrier safety administration in accordance with
49 C.F.R. part 390.

Any written documentation of the physical examination
shall be completed by the individual who performed the
examination.

Any certificate may be revoked by the authority granting
the same on proof that the holder has been guilty of failing to
comply with division (D)(2) of this section.

(C) Any person who drives a school bus or motor van must
give satisfactory and sufficient bond except a driver who is an employee of a school district and who drives a bus or motor van owned by the school district.

(D) No person employed as driver of a school bus or motor van under this section who is convicted of a traffic violation or who has had the person's commercial driver's license suspended shall drive a school bus or motor van until the person has filed a written notice of the conviction or suspension, as follows:

(1) If the person is employed under division (A) of this section, the person shall file the notice with the superintendent, or a person designated by the superintendent, of the school district for which the person drives a school bus or motor van as an employee or drives a privately owned and operated school bus or motor van under contract.

(2) If employed under division (B) of this section, the person shall file the notice with the employing school administrator or contractor, or a person designated by the administrator or contractor.

(E) In addition to resulting in possible revocation of a certificate as authorized by divisions (A) and (B) of this section, violation of division (D) of this section is a minor misdemeanor.

(F)(1) Not later than thirty days after June 30, 2007, each owner of a school bus or motor van shall obtain the complete driving record for each person who is currently employed or otherwise authorized to drive the school bus or motor van. An owner of a school bus or motor van shall not permit a person to operate the school bus or motor van for the...
first time before the owner has obtained the person's complete driving record. Thereafter, the owner of a school bus or motor van shall obtain the person's driving record not less frequently than semiannually if the person remains employed or otherwise authorized to drive the school bus or motor van. An owner of a school bus or motor van shall not permit a person to resume operating a school bus or motor van, after an interruption of one year or longer, before the owner has obtained the person's complete driving record.

(2) The owner of a school bus or motor van shall not permit a person to operate the school bus or motor van for ten years after the date on which the person pleads guilty to or is convicted of a violation of section 4511.19 of the Revised Code or a substantially equivalent municipal ordinance.

(3) An owner of a school bus or motor van shall not permit any person to operate such a vehicle unless the person meets all other requirements contained in rules adopted by the state board of education prescribing qualifications of drivers of school buses and other student transportation.

(G) No superintendent of a school district, educational service center, community school, or public or private employer shall permit the operation of a vehicle used for pupil transportation within this state by an individual unless both of the following apply:

(1) Information pertaining to that driver has been submitted to the department of education, pursuant to procedures adopted by that department. Information to be reported shall include the name of the employer or school district, name of the driver, driver license number, date of birth, date of hire, status of physical evaluation, and status of training.
(2) The most recent criminal records check required by division (J) of this section has been completed and received by the superintendent or public or private employer.

(H) A person, school district, educational service center, community school, nonpublic school, or other public or nonpublic entity that owns a school bus or motor van, or that contracts with another entity to operate a school bus or motor van, may impose more stringent restrictions on drivers than those prescribed in this section, in any other section of the Revised Code, and in rules adopted by the state board.

(I) For qualified drivers who, on July 1, 2007, are employed by the owner of a school bus or motor van to drive the school bus or motor van, any instance in which the driver was convicted of or pleaded guilty to a violation of section 4511.19 of the Revised Code or a substantially equivalent municipal ordinance prior to two years prior to July 1, 2007, shall not be considered a disqualifying event with respect to division (F) of this section.

(J) This division applies to persons hired by a school district, educational service center, community school, chartered nonpublic school, or science, technology, engineering, and mathematics school established under Chapter 3326. of the Revised Code to operate a vehicle used for pupil transportation.

For each person to whom this division applies who is hired on or after November 14, 2007, the employer shall request a criminal records check in accordance with section 3319.39 of the Revised Code and every six years thereafter. For each person to whom this division applies who is hired prior to that date, the employer shall request a criminal records check by a date prescribed by the department of education and every six years.
(2) This division applies to persons hired by a public or private employer not described in division (J)(1) of this section to operate a vehicle used for pupil transportation.

For each person to whom this division applies who is hired on or after November 14, 2007, the employer shall request a criminal records check prior to the person's hiring and every six years thereafter. For each person to whom this division applies who is hired prior to that date, the employer shall request a criminal records check by a date prescribed by the department and every six years thereafter.

(3) Each request for a criminal records check under division (J) of this section shall be made to the superintendent of the bureau of criminal identification and investigation in the manner prescribed in section 3319.39 of the Revised Code, except that if both of the following conditions apply to the person subject to the records check, the employer shall request the superintendent only to obtain any criminal records that the federal bureau of investigation has on the person:

(a) The employer previously requested the superintendent to determine whether the bureau of criminal identification and investigation has any information, gathered pursuant to division (A) of section 109.57 of the Revised Code, on the person in conjunction with a criminal records check requested under section 3319.39 of the Revised Code or under division (J) of this section.

(b) The person presents proof that the person has been a resident of this state for the five-year period immediately prior to the date upon which the person becomes subject to a
criminal records check under this section.

Upon receipt of a request, the superintendent shall conduct the criminal records check in accordance with section 109.572 of the Revised Code as if the request had been made under section 3319.39 of the Revised Code. However, as specified in division (B)(2) of section 109.572 of the Revised Code, if the employer requests the superintendent only to obtain any criminal records that the federal bureau of investigation has on the person for whom the request is made, the superintendent shall not conduct the review prescribed by division (B)(1) of that section.

(K)(1) Until the effective date of the amendments to rule 3301-83-23 of the Ohio Administrative Code required by the second paragraph of division (E) of section 3319.39 of the Revised Code, any person who is the subject of a criminal records check under division (J) of this section and has been convicted of or pleaded guilty to any offense described in division (B)(1) of section 3319.39 of the Revised Code shall not be hired or shall be released from employment, as applicable, unless the person meets the rehabilitation standards prescribed for nonlicensed school personnel by rule 3301-20-03 of the Ohio Administrative Code.

(2) Beginning on the effective date of the amendments to rule 3301-83-23 of the Ohio Administrative Code required by the second paragraph of division (E) of section 3319.39 of the Revised Code, any person who is the subject of a criminal records check under division (J) of this section and has been convicted of or pleaded guilty to any offense that, under the rule, disqualifies a person for employment to operate a vehicle used for pupil transportation shall not be hired or shall be
released from employment, as applicable, unless the person meets the rehabilitation standards prescribed by the rule.

Sec. 3332.05. (A) The state board of career colleges and schools shall issue a certificate of registration to an applicant of good reputation seeking to offer one or more programs upon receipt of the fee established in accordance with section 3332.07 of the Revised Code and upon determining the applicant has the facilities, resources, and faculty to provide students with the kind of instruction that it proposes to offer and meets the minimum standards of the board. A certificate of registration shall be granted or denied within one hundred twenty days of the receipt of the application therefor by the board. A person shall obtain a separate certificate for each location at which the person offers programs. The first certificate of registration issued on or after June 29, 1999, for each new location is valid for one year, unless earlier revoked for cause by the board under section 3332.09 of the Revised Code. Any other certificate of registration is valid for two years, unless earlier revoked for cause by the board under that section.

(B) The board shall issue program authorization for an associate degree, certificate, or diploma program to an applicant holding a certificate of registration issued pursuant to division (A) of this section upon receipt of the fee established in accordance with section 3332.07 of the Revised Code and upon determining the applicant has the facilities, resources, and faculty to provide students the kind of program it proposes to offer and meets the minimum standards of the state board.

Any program authorization issued by the board under this
division is valid only for the specified program at the location for which it is issued and does not cover any other program offered at the school or at other schools operated by the owner. Program authorization is valid for the period of time specified by the board, unless earlier suspended or revoked for cause by the board under section 3332.09 of the Revised Code.

(C)(1) The state board shall accept and review applications for program authorization for baccalaureate, master's, and doctoral degree programs only from the following:

(a) Any school holding a certificate of registration issued by the board that has held such certificate for the ten previous consecutive years;

(b) Any school holding a certificate of registration issued by the board that also holds an equivalent certificate issued by another state and has held the equivalent certificate for the ten previous consecutive years.

(2) After review the board shall refer any application it finds valid to the Ohio board of regents for approval. The board of regents shall review, and approve or disapprove, such degree programs and if so approved, issue certificates of authorization to such schools to offer such degree programs pursuant to Chapter 1713. of the Revised Code. The board of regents shall notify the state board of career colleges and schools of each school registered with the state board that receives a certificate of authorization and the approval to offer any degree program. Upon receipt of such notification and the fee established in accordance with section 3332.07 of the Revised Code, the state board shall review, and may issue program authorization to offer, such a degree program. Any program authorization issued by the board under this division is valid
only for the specified program at the location for which it is issued and does not cover any other program offered at the school or at other schools operated by the owner. Program authorization is valid for the period of time specified by the board, unless earlier suspended or revoked for cause by the board under section 3332.09 of the Revised Code. The state board shall not issue such program authorization unless the degree program has been approved by the board of regents.

(D) The board may cause an investigation to be made into the correctness of the information submitted in any application received under this section. If the board believes that false, misleading, or incomplete information has been submitted to it in connection with any application, the board shall conduct a hearing on the matter pursuant to Chapter 119. of the Revised Code, and may withhold a certificate of registration or program authorization upon finding that the applicant has failed to meet the standards for such certificate or program authorization or has submitted false, misleading, or incomplete information to the board. Application for a certificate of registration or program authorization shall be made in writing to the board on forms furnished by the board. A certificate of registration or program authorization is not transferable and shall be prominently displayed on the premises of an institution.

The board shall assign registration numbers to all schools registered with it. Schools shall display their registration numbers on all school publications and on all advertisements bearing the name of the school.

Notwithstanding the requirements of this section for issuance of certificates of registration and program authorization, the board may, in accordance with rules adopted
by it, grant certificates of registration and program
authorization to schools, colleges, institutes, or universities
that have been approved by the state department of education
1771.

Sec. 3332.09.  (A) The state board of career colleges and
schools may, except as provided in division (B) of this section,

certificate of registration or program authorization or may
impose a penalty pursuant to section 3332.091 of the Revised
Code for any one or combination of the following causes:

for a certificate of registration or program authorization;

(F) (6) Presenting to prospective students, either at the
time of solicitation or enrollment, or through advertising, mail

or fraudulent information relating to any program, employment opportunity, or opportunities for enrollment in accredited institutions of higher education after entering or completing programs offered by the holder of a certificate of registration;

(G) Failure to provide or maintain premises or equipment for offering programs in a safe and sanitary condition;

(H) Refusal by an agent to display the agent's permit upon demand of a prospective student or other interested person;

(I) Failure to maintain financial resources adequate for the satisfactory conduct of programs as presented in the plan of operation or to retain a sufficient number and qualified staff of instruction, except that nothing in this chapter requires an instructor to be licensed by the state board of education or to hold any type of post-high school degree;

(J) Offering training or programs other than those presented in the application, except that schools may offer special courses adapted to the needs of individual students when the special courses are in the subject field specified in the application;

(K) Discrimination in the acceptance of students upon the basis of race, color, religion, sex, or national origin;

any information, records, or files pertaining to the operation
of the school or recruitment and enrollment of students.

(B) The board shall not refuse to issue a certificate of
registration to an applicant because the applicant was found
guilty of or pleaded guilty to an offense unless the refusal is
in accordance with section 9.79 of the Revised Code.

(C) If the board modifies or adopts additional minimum
standards or rules pursuant to section 3332.031 of the Revised
Code, all schools and agents shall have sixty days from the
effective date of the modifications or additional standards or
rules to comply with such modifications or additions.

Sec. 3332.11. Any agent's permit applied for pursuant to
section 3332.10 of the Revised Code shall be granted or denied
within thirty days of the receipt of the application by the
state board of career colleges and schools. If the board has not
completed its determination with respect to the issuance of a
permit within such thirty-day period, it shall issue a temporary
permit to the applicant, which permit is sufficient to meet the
requirements of section 3332.10 of the Revised Code until such
time as such determination is made.

No permit shall be issued to any person found by the board
not to be of good moral character.

Sec. 3332.12. Any agent's permit issued may be suspended
or revoked by the state board of career colleges and schools if
the holder of the permit solicits or enrolls students through
fraud, deception, or misrepresentation, upon a finding that the
permit holder has violated any provision enumerated in division (A)(1), (B)(2), (F)(6), (H)(8), (J)(10), (K)(11), or (M)(13) of section 3332.09 of the Revised Code, or upon finding that the permit holder is not of good moral character.

Upon receipt of any written complaint from any person, the board shall conduct a preliminary investigation. If after such investigation or if as a result of any investigation conducted under division (A) or (D) of section 3332.091 of the Revised Code, the board determines it is probable violations were committed, the board shall hold informal conferences in the same manner as provided in section 3332.091 of the Revised Code with an agent believed to be in violation of one or more of the above conditions. If after sixty days these conferences fail to eliminate the agent's objectionable practices or procedures, the board shall issue a formal complaint to the agent and the school that employs the agent. The formal complaint shall state the charges against the agent and the holder of the certificate of registration of the school and shall require them to appear before the board at a public hearing pursuant to Chapter 119. of the Revised Code. If, after the public hearing, the board determines that an agent has violated one or more of the provisions described above, the board shall suspend or revoke the agent's permit.

If after such hearing the board also determines that the school at which the agent was employed was negligent in its supervision of the agent or encouraged or caused the commission of the violations, the board shall levy penalties against such school in accordance with division (A) of section 3332.091 of the Revised Code. Nothing said or done in the informal conferences shall be disclosed by the board or any member of its staff nor be used as evidence in any subsequent proceedings.

Within sixty calendar days after receiving a completed application, including all additional information requested by the director, the director shall issue a license or certificate or deny the application. The director shall issue only one license or certificate that is in effect at one time to a business entity and its principal officers and a public entity and its principal officers.

(B)(1) The director shall deny an application if it determines that the applicant has not demonstrated the ability to comply fully with all applicable federal and state requirements and all requirements, procedures, and standards established by the director in this chapter, Chapter 3704. of the Revised Code, or rules adopted under those chapters, as those chapters and rules pertain to asbestos.

(2) The director shall deny any application for an asbestos hazard abatement contractor's license if the applicant or an officer or employee of the applicant has been convicted of a felony under any state or federal law designed to protect the environment disqualifying offense as determined under section 9.79 of the Revised Code.

(3) The director shall send all denials of an application by certified mail to the applicant. If the director receives a timely request for a hearing from the applicant on the proposed denial of an application, the director shall hold a hearing in accordance with Chapter 119. of the Revised Code, as provided in division (A) of section 3710.13 of the Revised Code.
(C) In an emergency that results from a sudden, unexpected event that is not a planned asbestos hazard abatement project, the director may waive the requirements for a license or certificate. For the purposes of this division, "emergency" includes operations necessitated by nonroutine failures of equipment or by actions of fire and emergency medical personnel pursuant to duties within their official capacities. Any person who performs an asbestos hazard abatement activity under emergency conditions shall notify the director within three days after performance thereof.

(D) Each license or certificate issued under this chapter expires one year after the date of issue, but each licensee or certificate holder may apply to the environmental protection agency for the extension of the holder's license or certificate under the standard renewal procedures of Chapter 4745. of the Revised Code.

To qualify for renewal of a license or certificate issued under this chapter, each licensee or certificate holder shall send the appropriate renewal fee set forth in division (D) of section 3710.05 of the Revised Code or as adopted by rule by the director pursuant to division (A)(4) of section 3710.02 of the Revised Code.

Certificate holders also shall successfully complete an annual renewal course approved by the agency pursuant to section 3710.10 of the Revised Code.

(E) The director may charge a fee in addition to those specified in division (D) of section 3710.05 of the Revised Code or in rules adopted by the director pursuant to division (A)(4) of section 3710.02 of the Revised Code if the licensee or certificate holder applies for renewal after the expiration
thereof or requests a reissuance of any license or certificate, provided that no such fee shall exceed the original fees by more than fifty per cent.

Sec. 3721.07. Every person desiring to operate a home and the superintendent or administrator of each county home or district home for which a license as a residential care facility is sought shall apply for a license to the director of health. The director shall issue a license for the home, if after investigation of the applicant and, if required by section 3721.02 of the Revised Code, inspection of the home, the following requirements or conditions are satisfied or complied with:

(A) The applicant has not been convicted of a felony or a crime involving moral turpitude disqualifying offense as determined under section 9.79 of the Revised Code;

(B) The applicant is not violating any of the rules adopted by the director of health or any order issued by the director;

(C) The applicant has not had a license to operate the home revoked pursuant to section 3721.03 of the Revised Code because of any act or omission that jeopardized a resident's health, welfare, or safety nor has the applicant had a long-standing pattern of violations of this chapter or rules adopted under it that caused physical, emotional, mental, or psychosocial harm to one or more residents.

(D) The buildings in which the home is housed have been approved by the state fire marshal or a township, municipal, or other legally constituted fire department approved by the marshal. In the approval of a home such agencies shall apply
standards prescribed by the board of building standards, and by the state fire marshal, and by section 3721.071 of the Revised Code.

(E) The applicant, if it is an individual, or the principal participants, if it is an association or a corporation, is or are suitable financially and morally to operate a home;

(F) The applicant is equipped to furnish humane, kind, and adequate treatment and care;

(G) The home does not maintain or contain:

(1) Facilities for the performance of major surgical procedures;

(2) Facilities for providing therapeutic radiation;

(3) An emergency ward;

(4) A clinical laboratory unless it is under the supervision of a clinical pathologist who is a licensed physician in this state;

(5) Facilities for radiological examinations unless such examinations are performed only by a person licensed to practice medicine, surgery, or dentistry in this state.

(H) The home does not accept or treat outpatients, except upon the written orders of a physician licensed in this state, maternity cases, boarding children, and does not house transient guests, other than participants in an adult day-care program, for twenty-four hours or less;

(I) The home is in compliance with sections 3721.28 and 3721.29 of the Revised Code.
When the director issues a license, the license shall remain in effect until revoked by the director or voided at the request of the applicant; provided, there shall be an annual renewal fee payable during the month of January of each calendar year. Any licensed home that does not pay its renewal fee in January shall pay, beginning the first day of February, a late fee of one hundred dollars for each week or part thereof that the renewal fee is not paid. If either the renewal fee or the late fee is not paid by the fifteenth day of February, the director may, in accordance with Chapter 119. of the Revised Code, revoke the home's license.

If, under division (B)(5) of section 3721.03 of the Revised Code, the license of a person has been revoked or the license of a county home or district home to operate as a residential care facility has been revoked, the director of health shall not issue a license to the person or home at any time. A person whose license is revoked, and a county home or district home that has its license as a residential care facility revoked other than under division (B)(5) of section 3721.03 of the Revised Code, for any reason other than nonpayment of the license renewal fee or late fees shall not be issued a new license under this chapter until a period of one year following the date of revocation has elapsed.

Any applicant who is denied a license may appeal in accordance with Chapter 119. of the Revised Code.

Sec. 3734.42. (A)(1) Every applicant for a permit shall file a disclosure statement, on a form developed by the attorney general, with the director of environmental protection and the attorney general at the same time the applicant files an application for the permit with the director.
(2) Any individual required to be listed in the disclosure statement shall be fingerprinted for identification and investigation purposes in accordance with procedures established by the attorney general. An individual required to be fingerprinted under this section shall not be required to be fingerprinted more than once under this section.

(3) The attorney general, within one hundred eighty days after receipt of the disclosure statement from an applicant for a permit, shall prepare and transmit to the director an investigative report on the applicant, based in part upon the disclosure statement, except that this deadline may be extended for a reasonable period of time, for good cause, by the director or the attorney general. In preparing this report, the attorney general may request and receive criminal history information from the federal bureau of investigation and any other law enforcement agency or organization. The attorney general may provide such confidentiality regarding the information received from a law enforcement agency as may be imposed by that agency as a condition for providing that information to the attorney general.

(4) The review of the application by the director shall include a review of the disclosure statement and investigative report.

(B) All applicants and permittees shall provide any assistance or information requested by the director or the attorney general and shall cooperate in any inquiry or investigation conducted by the attorney general and any inquiry, investigation, or hearing conducted by the director. If, upon issuance of a formal request to answer any inquiry or produce information, evidence, or testimony, any applicant or permittee,
any officer, director, or partner of any business concern, or any key employee of the applicant or permittee refuses to comply, the permit of the applicant or permittee may be denied or revoked by the director.

(C) The attorney general may charge and collect such fees from applicants and permittees as are necessary to cover the costs of administering and enforcing the investigative procedures authorized in sections 3734.41 to 3734.47 of the Revised Code. The attorney general shall transmit moneys collected under this division to the treasurer of state to be credited to the solid and hazardous waste background investigations fund, which is hereby created in the state treasury. Moneys in the fund shall be used solely for paying the attorney general's costs of administering and enforcing the investigative procedures authorized in sections 3734.41 to 3734.47 of the Revised Code.

(D) An appropriate applicant, a permittee, or a prospective owner shall submit to the attorney general, on a form provided by the attorney general, the following information within the periods specified:

(1) Information required to be included in the disclosure statement for any new officer, director, partner, or key employee, to be submitted within ninety days from the addition of the officer, director, partner, or key employee;

(2) Information required to be included in a disclosure statement regarding the addition of any new business concern to be submitted within ninety days from the addition of the new business concern.

(E)(1) The attorney general shall enter in the database
established under section 109.5721 of the Revised Code the name, the fingerprints, and other relevant information concerning each officer, director, partner, or key employee of an applicant, permittee, or prospective owner.

(2) For purposes of section 109.5721 of the Revised Code, annually on a date assigned by the attorney general, an applicant, permittee, or prospective owner shall provide the attorney general with a list of both of the following:

(a) Each officer, director, partner, or key employee of the applicant, permittee, or prospective owner and the person's address and social security number;

(b) Any officer, director, partner, or key employee of the applicant, permittee, or prospective owner who has left a position previously held with the applicant, permittee, or prospective owner during the previous one-year period and the person's social security number.

(3) Annually, the attorney general shall update the database established under section 109.5721 of the Revised Code to reflect the information provided by an applicant, permittee, or prospective owner under divisions (E)(2)(a) and (b) of this section.

(4) Notwithstanding division (C) of this section, the attorney general shall charge and collect fees from an applicant, permittee, or prospective owner that is required to submit information under this division in accordance with rules adopted under section 109.5721 of the Revised Code. The fees shall not exceed fees that are charged to any other person who is charged fees for purposes of the database established under that section and who is not an officer, director, partner, or
key employee of an applicant, permittee, or prospective owner under this section.

(F)(1) Every five years, the attorney general shall request from the federal bureau of investigation any information regarding a criminal conviction with respect to each officer, director, partner, or key employee of an applicant, permittee, or prospective owner. The attorney general may take any actions necessary for purposes of this division, including, as necessary, requesting the submission of any necessary documents authorizing the release of information.

(2) Every five years, an applicant, permittee, or prospective owner shall submit an affidavit listing all of the following regarding a business concern required to be listed in the applicant's, permittee's, or prospective owner's disclosure statement:

(a) Any administrative enforcement order issued to the business concern in connection with any violation of any federal or state environmental protection laws, rules, or regulations during the previous five-year period;

(b) Any civil action in which the business concern was determined to be liable or was the subject of injunctive relief or another type of civil relief in connection with any violation of any federal or state environmental protection laws, rules, or regulations during the previous five-year period;

(c) Any criminal conviction for a violation of any federal or state environmental protection laws, rules, or regulations that has been committed knowingly or recklessly by the business concern during the previous five-year period.

(G) With respect to an applicant, permittee, or
prospective owner, the attorney general shall notify the director of environmental protection of any crime ascertained under division (E) or (F) of this section that is a disqualifying crime offense under section 9.79 of the Revised Code. The attorney general shall provide the notification not later than thirty days after the crime was ascertained.

(H) The failure to provide information under this section may constitute the basis for the revocation of a permit or license, the denial of a permit or license application, the denial of a renewal of a permit or license, or the disapproval of a change in ownership as described in division (I) of this section. Prior to a denial, revocation, or disapproval, the director shall notify the applicant, permittee, or prospective owner of the director's intention to do so. The director shall give the applicant, permittee, or prospective owner fourteen days from the date of the notice to explain why the information was not provided. The director shall consider the explanation when determining whether to revoke the permit or license, deny the permit or license application or renewal, or disapprove the change in ownership.

Nothing in this section affects the rights of the director or the attorney general granted under sections 3734.40 to 3734.47 of the Revised Code to request information from a person at any other time.

(I)(1) Whenever there is a change in ownership of any operating off-site solid waste facility, any operating off-site infectious waste facility, or any operating off-site hazardous waste facility, the prospective owner shall file a disclosure statement with the attorney general and the director at least
one hundred eighty days prior to the proposed change in
ownership. In addition, whenever there is a change in ownership
of any operating on-site solid waste facility, any operating on-
site infectious waste facility, or any operating on-site
hazardous waste facility and the prospective owner intends to
operate the facility as an off-site facility by accepting wastes
other than wastes generated by the facility owner, the
prospective owner shall file a disclosure statement with the
attorney general and the director. The prospective owner shall
file the disclosure statement at least one hundred eighty days
prior to the proposed change in ownership.

Upon receipt of the disclosure statement, the attorney
general shall prepare an investigative report and transmit it to
the director. The director shall review the disclosure statement
and investigative report to determine whether the statement or
report contains information that if submitted with a permit
application would require a denial of the permit pursuant to
section 3734.44 of the Revised Code. If the director determines
that the statement or report contains such information, the
director shall disapprove the change in ownership.

(2) If the parties to a change in ownership decide to
proceed with the change prior to the action of the director on
the disclosure statement and investigative report, the parties
shall include in all contracts or other documents reflecting the
change in ownership language expressly making the change in
ownership subject to the approval of the director and expressly
negating the change if it is disapproved by the director
pursuant to division (I)(1) of this section.

(3) As used in this section, "change in ownership"
includes a change of the individuals or entities who own a solid
waste facility, infectious waste facility, or hazardous waste facility. "Change in ownership" does not include a legal change in a business concern's name when its ownership otherwise remains the same. "Change in ownership" also does not include a personal name change of officers, directors, partners, or key employees contained in a disclosure statement.

Sec. 3734.44. Notwithstanding the provisions of any law to the contrary and except as provided in division (F) of this section, no permit or license shall be issued or renewed by the director of environmental protection or a board of health:

(A) Unless the director or the board of health finds that the applicant, in any prior performance record in the transportation, transfer, treatment, storage, or disposal of solid wastes, infectious wastes, or hazardous waste, has exhibited sufficient reliability, expertise, and competency to operate the solid waste, infectious waste, or hazardous waste facility, given the potential for harm to human health and the environment that could result from the irresponsible operation of the facility, or, if no prior record exists, that the applicant is likely to exhibit that reliability, expertise, and competence;

(B) If any individual or business concern required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the applicant or the permittee, other than an equity interest or debt liability, by the investigation thereof, has been convicted of any of the following crimes under the laws of this state or equivalent laws of any other jurisdiction:

(1) Murder;
(2) Kidnapping;

(3) Gambling;

(4) Robbery;

(5) Bribery;

(6) Extortion;

(7) Criminal usury;

(8) Arson;

(9) Burglary;

(10) Theft and related crimes;

(11) Forgery and fraudulent practices;

(12) Fraud in the offering, sale, or purchase of securities;

(13) Alteration of motor vehicle identification numbers;

(14) Unlawful manufacture, purchase, use, or transfer of firearms;

(15) Unlawful possession or use of destructive devices or explosives;

(16) A violation of section 2925.03, 2925.04, 2925.05, 2925.06, 2925.11, 2925.32, or 2925.37 or Chapter 3719. of the Revised Code, unless the violation is for possession of less than one hundred grams of marihuana, less than five grams of marihuana resin or extraction or preparation of marihuana resin, or less than one gram of marihuana resin in a liquid concentrate, liquid extract, or liquid distillate form;

(17) Engaging in a pattern of corrupt activity under
(18) A violation of the criminal provisions of Chapter 1331. of the Revised Code;

(19) Any violation of the criminal provisions of any federal or state environmental protection laws, rules, or regulations that is committed knowingly or recklessly, as defined in section 2901.22 of the Revised Code;

(20) A violation of any provision of Chapter 2909. of the Revised Code;

(21) Any offense specified in Chapter 2921. of the Revised Code.

(C) Notwithstanding division (B) of this section, no applicant shall be denied the issuance or renewal of a permit or license on the basis of a conviction of any individual or business concern required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the applicant or the permittee, other than an equity interest or debt liability, by the investigation thereof for any of the offenses enumerated in that division as disqualification criteria if that applicant has affirmatively demonstrated rehabilitation of the individual or business concern by a preponderance of the evidence. If any such individual was convicted of any of the offenses so enumerated that are felonies, a permit shall be denied unless five years have elapsed since the individual was fully discharged from imprisonment and parole for the offense, from a community control sanction imposed under section 2929.15 of the Revised Code, from a post-release control sanction imposed under section 2967.28 of the Revised Code for the offense, or imprisonment,
probation, and parole for an offense that was committed prior to July 1, 1996. In determining whether an applicant has affirmatively demonstrated rehabilitation, the director or the board of health shall request a recommendation on the matter from the attorney general and shall consider and base the determination on the following factors:

(1) The nature and responsibilities of the position a convicted individual would hold;

(2) The nature and seriousness of the offense;

(3) The circumstances under which the offense occurred;

(4) The date of the offense;

(5) The age of the individual when the offense was committed;

(6) Whether the offense was an isolated or repeated incident;

(7) Any social conditions that may have contributed to the offense;

(8) Any evidence of rehabilitation, including good conduct in prison or in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, successful participation in correctional work release programs, or the recommendation of persons who have or have had the applicant under their supervision;

(9) In the instance of an applicant that is a business concern, rehabilitation shall be established if the applicant has implemented formal management controls to minimize and prevent the occurrence of violations and activities that will or may result in permit or license denial or revocation or if the
applicant has formalized those controls as a result of a revocation or denial of a permit or license. Those controls may include, but are not limited to, instituting environmental auditing programs to help ensure the adequacy of internal systems to achieve, maintain, and monitor compliance with applicable environmental laws and standards or instituting an antitrust compliance auditing program to help ensure full compliance with applicable antitrust laws. The business concern shall prove by a preponderance of the evidence that the management controls are effective in preventing the violations that are the subject of concern.

(D) Unless the director or the board of health finds that the applicant has a history of compliance with environmental laws in this state and other jurisdictions and is presently in substantial compliance with, or on a legally enforceable schedule that will result in compliance with, environmental laws in this state and other jurisdictions;

(E) With respect to the approval of a permit, if the director determines that current prosecutions or pending charges in any jurisdiction for any of the offenses enumerated in division (B) of this section against any individual or business concern required to be listed in the disclosure statement or shown by the investigation to have a beneficial interest in the business of the applicant other than an equity interest or debt liability are of such magnitude that they prevent making the finding required under division (A) of this section, provided that at the request of the applicant or the individual or business concern charged, the director shall defer decision upon the application during the pendency of the charge.

(F) The director or the board of health shall not refuse
to issue a permit or license to an applicant because of a conviction of an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

Sec. 3743.03. (A) If a person submits an application for licensure as a manufacturer of fireworks, together with the license fee, fingerprints, and proof of the insurance coverage, as required by section 3743.02 of the Revised Code, the state fire marshal shall review the application and accompanying matter, request the criminal records check described in division (E) of this section, inspect the premises of the fireworks plant described in the application, and determine whether the applicant will be issued the license. In determining whether to issue the license, the state fire marshal shall consider the results of the criminal records check and the inspection, and the information set forth in the application, and shall decide whether the applicant and the fireworks plant described in the application conform to sections 3743.02 to 3743.08 of the Revised Code and the rules adopted by the state fire marshal pursuant to section 3743.05 of the Revised Code, and are in full compliance with Chapters 3781. and 3791. of the Revised Code, and any applicable building or zoning regulations.

(B) Subject to section 3743.70 of the Revised Code, the state fire marshal shall issue a license in accordance with Chapter 119. of the Revised Code to an applicant for licensure as a manufacturer of fireworks only if the applicant and the fireworks plant described in the application conform to sections 3743.02 to 3743.08 of the Revised Code and the rules adopted by the state fire marshal pursuant to section 3743.05 of the Revised Code, only if the fireworks plant described in the application complies with the Ohio building code adopted under Chapter 3781. of the Revised Code, if that fireworks plant was...
constructed after May 30, 1986, and only if the state fire marshal is satisfied that the application and accompanying matter are complete and in conformity with section 3743.02 of the Revised Code. The requirements of this chapter and of the rules adopted under this chapter as applicable to the structure of a building do not apply to a building in a fireworks plant if the building was inspected and approved by the department of industrial relations or by any building department certified pursuant to division (E) of section 3781.10 of the Revised Code prior to May 30, 1986.

(C) Each license issued pursuant to this section shall contain a distinct number assigned to the licensed manufacturer and, if the licensed manufacturer will engage in the processing of fireworks as any part of its manufacturing of fireworks at the fireworks plants, a notation indicating that fact. The state fire marshal shall maintain a list of all licensed manufacturers of fireworks. In the list next to each manufacturer's name, the state fire marshal shall insert the period of licensure, the license number of the manufacturer, and, if applicable, a notation that the manufacturer will engage in the processing of fireworks as part of its manufacturing of fireworks.

(D) The holder of a license issued pursuant to this section may request the state fire marshal to cancel that license and issue in its place a license to sell fireworks at wholesale under section 3743.16 of the Revised Code. Upon receipt of such a request, the state fire marshal shall cancel the license issued under this section and issue a license under section 3743.16 of the Revised Code if the applicant meets the requirements of that section.

(E) Upon receipt of an application and the required
accompanying matter under section 3743.02 of the Revised Code, the state fire marshal shall forward to the superintendent of the bureau of criminal identification and investigation a request that the bureau conduct an investigation of the applicant and, if applicable, additional individuals who hold, own, or control a five per cent or greater beneficial or equity interest in the applicant, to determine whether the applicant or the additional associated individuals have been convicted of or pled guilty to a felony disqualifying offense as determined under section 9.79 of the Revised Code, under the laws of this state, another state, or the United States.

If the applicant for initial licensure has resided in this state for less than five continuous years immediately prior to the date the applicant submits an initial application, the superintendent also shall request that the federal bureau of investigation conduct an investigation of the applicant and, if applicable, additional individuals who hold, own, or control a five per cent or greater beneficial or equity interest in the applicant, to determine whether the applicant or the additional associated individuals have been convicted of or pled guilty to a felony disqualifying offense as determined under section 9.79 of the Revised Code, under the laws of this state, another state, or the United States.

The superintendent shall forward the results of an investigation conducted pursuant to this division to the state fire marshal and may charge a reasonable fee for providing the results. The state fire marshal shall assess any fee charged by the superintendent for the results to the applicant.

Sec. 3743.16. (A) If a person submits an application for licensure as a wholesaler of fireworks, together with the
license fee, fingerprints, and proof of the insurance coverage, as required by section 3743.15 of the Revised Code, the state fire marshal shall review the application and accompanying matter, request the criminal records check described in division (D) of this section, inspect the premises on which the fireworks would be sold, and determine whether the applicant will be issued the license. In determining whether to issue the license, the state fire marshal shall consider the results of the criminal records check and the inspection, and the information set forth in the application, and shall decide whether the applicant and the premises on which the fireworks will be sold conform to sections 3743.15 to 3743.21 of the Revised Code and the rules adopted by the state fire marshal pursuant to section 3743.18 of the Revised Code, and are in full compliance with Chapters 3781. and 3791. of the Revised Code, and any applicable building or zoning regulations.

(B) Subject to section 3743.70 of the Revised Code, the state fire marshal shall issue a license in accordance with Chapter 119. of the Revised Code to the applicant for licensure as a wholesaler of fireworks only if the applicant and the premises on which the fireworks will be sold conform to sections 3743.15 to 3743.21 of the Revised Code and the rules adopted by the state fire marshal pursuant to section 3743.18 of the Revised Code, only if the premises on which the fireworks will be sold complies with the Ohio building code adopted under Chapter 3781. of the Revised Code, if that premises was constructed after May 30, 1986, and only if the state fire marshal is satisfied that the application and accompanying matter are complete and in conformity with section 3743.15 of the Revised Code. The requirements of this chapter and of the rules adopted under this chapter as applicable to the structure
of a building do not apply to a building used by a wholesaler if
the building was inspected and approved by the department of
industrial relations or by any building department certified
pursuant to division (E) of section 3781.10 of the Revised Code

(C) Each license issued pursuant to this section shall
contain a distinct number assigned to the particular wholesaler.
The state fire marshal shall maintain a list of all licensed
wholesalers of fireworks. In this list next to each wholesaler's
name, the state fire marshal shall insert the period of
licensure and the license number of the particular wholesaler.

(D) Upon receipt of an application and the required
accompanying matter under section 3743.15 of the Revised Code,
the state fire marshal shall forward to the superintendent of
the bureau of criminal identification and investigation a
request that the bureau conduct an investigation of the
applicant and, if applicable, additional individuals who hold,
own, or control a five per cent or greater beneficial or equity
interest in the applicant, to determine whether the applicant or
the additional associated individuals have been convicted of or
pled guilty to a felony disqualifying offense in accordance with
section 9.79 of the Revised Code, under the laws of this state,
another state, or the United States.

If the applicant for initial licensure has resided in this
state for less than five continuous years immediately prior to
the date the applicant submits an initial application, the
superintendent also shall request that the federal bureau of
investigation conduct an investigation of the applicant and, if
applicable, additional individuals who hold, own, or control a
five per cent or greater beneficial or equity interest in the
applicant, to determine whether the applicant or the additional
associated individuals have been convicted of or pled guilty to
a felony disqualifying offense in accordance with section 9.79
of the Revised Code, under the laws of this state, another
state, or the United States.

The superintendent shall forward the results of an
investigation conducted pursuant to this division to the state
fire marshal and may charge a reasonable fee for providing the
results. The state fire marshal shall assess any fee charged by
the superintendent for the results to the applicant.

Sec. 3743.70. (A) The state fire marshal shall not refuse
to issue a license, permit, or registration under this chapter
if the applicant or any individual holding, owning, or
controlling a five per cent or greater beneficial or equity
interest in the applicant for the license, permit, or
registration has been convicted of or pleaded guilty to a
disqualifying offense under section 9.79 of the Revised Code
unless the refusal is in accordance with that section.

(B) The state fire marshal shall not issue an initial or a
renewal of a license, permit, or registration under this chapter
on or after June 30, 1997, if the applicant for the license or
permit, or any individual holding, owning, or controlling a five
per cent or greater beneficial or equity interest in the
applicant for the license or permit, has been convicted of or
pleaded guilty to a felony under the laws of this state, another
state, or the United States.

(C) The state fire marshal shall revoke or deny renewal of
a license or permit first issued under this chapter on or after
June 30, 1997, if the holder of the license or permit, or any
individual holding, owning, or controlling a five per cent or
greater beneficial or equity interest in the holder of the license or permit, is convicted of or pleads guilty to a felony under the laws of this state, another state, or the United States.

(D) The state fire marshal may adopt rules under Chapter 119. of the Revised Code specifying the method to be used by the applicants subject to this section to provide the fingerprint or similar identifying information, fees to be assessed by the state fire marshal to conduct such background checks, and the procedures to be used by the state fire marshal to verify compliance with this section. Such rules may include provisions establishing rules for conducting background checks and prohibiting licensure, permitting or registration under this chapter for persons convicted of a felony or similar offense in another country, the frequency that license renewal applicants must update background check information filed by the applicant with previous license applications, provisions describing alternative forms of background check information that may be accepted by the state fire marshal to verify compliance with this section, and provisions that permit the state fire marshal to waive the applicability of this section if the applicant produces verified documentation that demonstrates that this state, another state, the United States, or another country has determined that applicant is appropriate for licensure, permitting, or registration under this chapter.

Sec. 3743.99. (A) Whoever violates division (A) or (B) of section 3743.60 or division (H) of section 3743.64 of the Revised Code is guilty of a felony of the third degree.

(B) Whoever violates division (C) or (D) of section 3743.60, division (A), (B), (C), or (D) of section 3743.61, or...
division (A) or (B) of section 3743.64 of the Revised Code is guilty of a felony of the fourth degree.

(C) Whoever violates division (E), (F), (G), (H), (I), or (J) of section 3743.60, division (E), (F), (G), (H), (I), or (J) of section 3743.61, section 3743.63, division (D), (E), (F), or (G) of section 3743.64, division (A), (B), (C), (D), or (E) of section 3743.65, or section 3743.66 of the Revised Code is guilty of a misdemeanor of the first degree. (1) Any of the directors, officers, managers, or controlling shareholders has been found guilty of any of the activities specified in divisions (C)(1) to (5) of this section;

(2) It appears to the director of the state lottery commission that, due to the experience, character, or general fitness of any director, officer, manager, or controlling shareholder, the granting of a license as a lottery sales agent would be inconsistent with the public interest, convenience, or trust;

(4) Any person, firm, association, or corporation other than the applicant or licensee shares or will share in the profits of the applicant or licensee, other than receiving dividends or distributions as a shareholder, or participates or

(E)(1) The director of the state lottery commission shall refuse to grant a license to an applicant for a lottery sales agent license and shall revoke a lottery sales agent license if the applicant or licensee is or has been convicted of a violation of division (A) or (C)(1) of section 2913.46 of the Revised Code.

(G) The director of the state lottery commission shall request the bureau of criminal identification and investigation, the department of public safety, or any other state, local, or federal agency to supply the director with the criminal records of any applicant for a lottery sales agent license, and may periodically request the criminal records of any person to whom a lottery sales agent license has been issued. At or prior to the time of making such a request, the director shall require an applicant or licensee to obtain fingerprint impressions on fingerprint cards prescribed by the superintendent of the bureau of criminal identification and investigation at a qualified law enforcement agency, and the director shall cause those
fingerprint cards to be forwarded to the bureau of criminal identification and investigation, to the federal bureau of investigation, or to both bureaus. The commission shall assume the cost of obtaining the fingerprint cards.

The director shall pay to each agency supplying criminal records for each investigation a reasonable fee, as determined by the agency.

The commission may adopt uniform rules specifying time periods after which the persons described in divisions (C)(1) to (5) and (D)(1) to (4) of this section may be issued a license and establishing requirements for those persons to seek a court order to have records sealed in accordance with law.

(a) Pay fees to the state lottery commission, if required by rule adopted by the director under Chapter 119. of the Revised Code and the controlling board approves the fees;

(b) Prior to approval of the application, obtain a surety bond in an amount the director determines by rule adopted under Chapter 119. of the Revised Code or, alternatively, with the director's approval, deposit the same amount into a dedicated account for the benefit of the state lottery. The director also may approve the obtaining of a surety bond to cover part of the amount required, together with a dedicated account deposit to cover the remainder of the amount required. The director also may establish an alternative program or policy, with the approval of the commission by rule adopted under Chapter 119. of the Revised Code, that otherwise ensures the lottery's financial interests are adequately protected. If such an alternative
As Introduced

program or policy is established, an applicant or lottery sales agent, subject to the director's approval, may be permitted to participate in the program or proceed under that policy in lieu of providing a surety bond or dedicated amount.

A surety bond may be with any company that complies with the bonding and surety laws of this state and the requirements established by rules of the commission pursuant to this chapter. A dedicated account deposit shall be conducted in accordance with policies and procedures the director establishes.

A surety bond, dedicated account, other established program or policy, or any combination of these resources, as applicable, may be used to pay for the lottery sales agent's failure to make prompt and accurate payments for lottery ticket sales, for missing or stolen lottery tickets, for damage to equipment or materials issued to the lottery sales agent, or to pay for expenses the commission incurs in connection with the lottery sales agent's license.

(2) A lottery sales agent license is effective for at least one year, but not more than three years.

A licensed lottery sales agent, on or before the date established by the director, shall renew the agent's license and provide at that time evidence to the director that the surety bond, dedicated account deposit, or both, required under division (G) (H) (1) (b) of this section has been renewed or is active, whichever applies.

Before the commission renews a lottery sales agent license, the lottery sales agent shall submit a renewal fee to the commission, if one is required by rule adopted by the director under Chapter 119. of the Revised Code and the
controlling board approves the renewal fee. The renewal fee shall not exceed the actual cost of administering the license renewal and processing changes reflected in the renewal application. The renewal of the license is effective for at least one year, but not more than three years.

(3) A lottery sales agent license shall be complete, accurate, and current at all times during the term of the license. Any changes to an original license application or a renewal application may subject the applicant or lottery sales agent, as applicable, to paying an administrative fee that shall be in an amount that the director determines by rule adopted under Chapter 119. of the Revised Code, and that the controlling board approves, and that shall not exceed the actual cost of administering and processing the changes to an application.

(4) The relationship between the commission and a lottery sales agent is one of trust. A lottery sales agent collects funds on behalf of the commission through the sale of lottery tickets for which the agent receives a compensation.

(I) Pending a final resolution of any question arising under this section, the director of the state lottery commission may issue a temporary lottery sales agent license, subject to the terms and conditions the director considers appropriate.

(J) If a lottery sales agent's rental payments for the lottery sales agent's premises are determined, in whole or in part, by the amount of retail sales the lottery sales agent makes, and if the rental agreement does not expressly provide that the amount of those retail sales includes the amounts the lottery sales agent receives from lottery ticket sales, only the amounts the lottery sales agent receives as compensation from the state lottery commission for selling lottery tickets shall

satisfied.

(B) If a person entitled to a lottery prize award owes more than one debt, any debt owed to the state shall be satisfied first, subject to both section 5739.33 and division (G) of section 5747.07 of the Revised Code having first priority, and subject to division (C) of this section.

(C) Any debt owed under section 3770.071 of the Revised Code shall be satisfied with first priority over debts owed under this section.

(D) Except as provided in section 131.021 of the Revised Code, this section applies only to debts that have become final.

(7) If the applicant is or has been a defendant in litigation involving its business practices;

(8) If awarding a license would undermine the public's confidence in the casino gaming industry in this state;

(9) If the applicant meets other standards for the issuance of a license that the commission adopts by rule, which shall not be arbitrary, capricious, or contradictory to the
expressed provisions of this chapter.

(B) All applicants for a license under this chapter shall establish their suitability for a license by clear and convincing evidence. If the commission determines that a person is eligible under this chapter to be issued a license as a casino operator, management company, holding company, key employee, casino gaming employee, or gaming-related vendor, the commission shall issue such license for not more than three years, as determined by commission rule, if all other requirements of this chapter have been satisfied.

(C) The commission shall not, except as provided in division (D) of this section, issue a casino operator, management company, holding company, key employee, casino gaming employee, or gaming-related vendor license under this chapter to an applicant if:

significant influence or control, as determined by the commission, over the ability of a casino operator, management company, holding company, institutional investor, or gaming-related vendor to conduct business in this state. This division does not prohibit a casino operator or management company from hiring special duty law enforcement officers if the officers are not specifically involved in gaming-related regulatory functions.

(7) The commission otherwise determines the applicant is ineligible for the license.

(D) The commission shall not refuse to issue a license to an applicant because the applicant was convicted of or pleaded guilty to an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(E)(1) The commission shall investigate the qualifications of each applicant under this chapter before any license is issued and before any finding with regard to acts or transactions for which commission approval is required is made. The commission shall continue to observe the conduct of all licensees and all other persons having a material involvement directly or indirectly with a casino operator, management company, or holding company to ensure that licenses are not issued to or held by, or that there is not any material involvement with a casino operator, management company, or holding company by, an unqualified, disqualified, or unsuitable person or a person whose operations are conducted in an unsuitable manner or in unsuitable or prohibited places or locations.

(2) The executive director may recommend to the commission that it deny any application, or limit, condition, or restrict,
or suspend or revoke, any license or finding, or impose any fine upon any licensee or other person according to this chapter and the rules adopted thereunder.

(3) A license issued under this chapter is a revocable privilege. No licensee has a vested right in or under any license issued under this chapter. The initial determination of the commission to deny, or to limit, condition, or restrict, a license may be appealed under section 2505.03 of the Revised Code.

(F)(1) An institutional investor may be found to be suitable or qualified by the commission under this chapter and the rules adopted under this chapter. An institutional investor shall be presumed suitable or qualified upon submitting documentation sufficient to establish qualifications as an institutional investor and upon certifying all of the following:

(a) The institutional investor owns, holds, or controls securities issued by a licensee or holding, intermediate, or parent company of a licensee or in the ordinary course of business for investment purposes only.

(b) The institutional investor does not exercise influence over the affairs of the issuer of such securities nor over any licensed subsidiary of the issuer of such securities.

(c) The institutional investor does not intend to exercise influence over the affairs of the issuer of such securities, nor over any licensed subsidiary of the issuer of such securities, in the future, and that it agrees to notify the commission in writing within thirty days if such intent changes.

(2) The exercise of voting privileges with regard to securities shall not be deemed to constitute the exercise of
influence over the affairs of a licensee.

(3) The commission shall rescind the presumption of suitability for an institutional investor at any time if the institutional investor exercises or intends to exercise influence or control over the affairs of the licensee.

(4) This division shall not be construed to preclude the commission from requesting information from or investigating the suitability or qualifications of an institutional investor if:

(a) The commission becomes aware of facts or information that may result in the institutional investor being found unsuitable or disqualified; or

(b) The commission has any other reason to seek information from the investor to determine whether it qualifies as an institutional investor.

(5) If the commission finds an institutional investor to be unsuitable or unqualified, the commission shall so notify the investor and the casino operator, holding company, management company, or gaming-related vendor licensee in which the investor invested. The commission shall allow the investor and the licensee a reasonable amount of time, as specified by the commission on a case-by-case basis, to cure the conditions that caused the commission to find the investor unsuitable or unqualified. If during the specified period of time the investor or the licensee does not or cannot cure the conditions that caused the commission to find the investor unsuitable or unqualified, the commission may allow the investor or licensee more time to cure the conditions or the commission may begin proceedings to deny, suspend, or revoke the license of the casino operator, holding company, management company, or gaming-
related vendor in which the investor invested or to deny any of

The program may be provided as a web-based training module or in any other electronic or recorded video form. The training and education program shall meet all of the following minimum standards:

(1) The training shall be delivered to each endorsee of each vendor who sells or offers portable electronics insurance and the endorsee shall complete the training;

(2) If the training is conducted in an electronic form, the supervising entity shall implement a supplemental education program regarding portable electronics insurance that is conducted and overseen by employees of the supervising entity who are licensed as insurance agents under section 3905.06 of the Revised Code;

(3) The training and education program shall include basic information about portable electronics insurance and information concerning all of the following prohibited actions of endorsees:

   (a) No endorsee shall advertise, represent, or otherwise represent the endorsee's self as a licensed insurance agent.

   (b) No endorsee shall offer, sell, or solicit the purchase of portable electronics insurance except in conjunction with and incidental to the sale or lease of portable electronics.

   (c) No endorsee shall make any statement or engage in any conduct, express or implied, that would lead a customer to believe any of the following:
(i) That the insurance policies offered by the endorsee provide coverage not already provided by a customer's homeowner's insurance policy, renter's insurance policy, or by another source of coverage;

(ii) That the purchase by the customer of portable electronics insurance is required in order to purchase or lease portable electronics or services from the portable electronics vendor;

(iii) That the portable electronics vendor or its endorsee is qualified to evaluate the adequacy of the customer's existing insurance coverage.

(H) A supervising entity appointed to supervise the administration of a portable electronics insurance program under division (F)(2) of this section shall maintain a registry of locations supervised by that entity that are authorized to sell or solicit portable electronics insurance in this state. The supervising entity shall make the registry available to the superintendent upon request by the superintendent if the superintendent provides ten days' notice to the vendor or supervising entity.

(I) At every location where a vendor offers portable electronics insurance to customers, the vendor shall provide brochures or other written materials to prospective customers that include all of the following:

(1) A summary of the material terms of the insurance coverage, including all of the following:

(a) The identity of the insurer;

(b) The identity of the supervising entity;
(c) The amount of any applicable deductible and how it is to be paid;

(d) Benefits of the coverage;

(e) Key terms and conditions of coverage such as whether portable electronics may be replaced with a similar make and model, replaced with a reconditioned device, or repaired with nonoriginal manufacturer parts or equipment.

(2) A summary of the process for filing a claim, including a description of how to return portable electronics equipment and the maximum fee applicable if a customer fails to comply with any equipment return requirements;

(3) A disclosure that portable electronics insurance may provide a duplication of coverage already provided by a customer's homeowner's insurance policy, renter's insurance policy, or other source of coverage;

(4) A disclosure that the enrollment by the customer in a portable electronics insurance program is not required to purchase or lease portable electronics or services;

(5) A disclosure that neither the endorsee nor the vendor is qualified to evaluate the adequacy of the customer's existing insurance coverage;

(6) A disclosure that the customer may cancel enrollment for coverage under a portable electronics insurance policy at any time and receive a refund of any applicable premium.

(J)(1) The charges for portable electronics insurance may be billed and collected by the vendor of portable electronics, and the vendor may receive compensation for performing billing and collection services, if either of the following conditions
are met:

(a) If the charge to the customer for coverage is not included in the cost associated with the purchase or lease of portable electronics or related services, the charge for coverage is separately itemized on the customer's bill.

(b) If the charge to the customer for coverage is included in the cost associated with the purchase or lease of portable electronics or related services, the vendor clearly and conspicuously discloses to the customer that the charge for portable electronics insurance coverage is included with the charge for portable electronics or related services.

(2) All funds received by a vendor from a customer for the sale of portable electronics insurance shall be considered funds held in trust by the vendor in a fiduciary capacity for the benefit of the insurer. Vendors that bill and collect such charges are not required to maintain those funds in a segregated account if the vendor is authorized by the insurer to hold those funds in an alternate manner and the vendor remits the amount of the charges to the supervising entity within sixty days after receiving the charges.

(K)(1) Except as otherwise provided in divisions (K)(2) and (3) of this section, an insurer may terminate or otherwise change the terms and conditions of a policy of portable electronics insurance only upon providing the vendor policyholder and enrolled customers with at least sixty days' prior notice. If the insurer changes the terms and conditions, the insurer shall promptly provide the vendor policyholder with a revised policy or endorsement and each enrolled customer with a revised certificate, endorsement, updated brochure, or other evidence indicating that a change in the terms and conditions
has occurred and a summary of material changes.

(2) An insurer may terminate an enrolled customer's enrollment under a portable electronics insurance policy upon fifteen days' prior notice for discovery of fraud or material misrepresentation in obtaining coverage or in the presentation of a claim under the policy.

(3) An insurer may immediately terminate an enrolled customer's enrollment under a portable electronics insurance policy for any of the following reasons:

(a) The enrolled customer fails to pay the required premium;

(b) The enrolled customer ceases to have an active service plan, if applicable, with the vendor of portable electronics;

(c) The enrolled customer exhausts the aggregate limit of liability, if any, under the terms of the portable electronics insurance policy and the insurer sends notice of termination to the customer within thirty calendar days after exhaustion of the limit. However, if the insurer does not send the notice within the thirty-day time frame, enrollment shall continue notwithstanding the aggregate limit of liability until the insurer sends notice of termination to the enrolled customer.

(4) If a portable electronics insurance policy is terminated by a vendor policyholder, the vendor policyholder shall provide notice to each enrolled customer advising the customer of the termination of the policy and the effective date of the termination. The written notice shall be mailed or delivered to the customer at least thirty days prior to the termination.

(5) Notice required pursuant to this section shall be
provided in writing, either via mail or by electronic means.

(a) If notice is provided via mail, it shall be mailed or delivered to the vendor at the vendor's mailing address and to all affected enrolled customers at the last known mailing addresses of those customers on file with the insurer. The insurer or vendor of portable electronics shall maintain proof of mailing in a form authorized or accepted by the United States postal service or other commercial mail delivery service.

(b) If notice is provided electronically, it shall be transmitted via facsimile or electronic mail to the vendor at the vendor's facsimile number or electronic mail address and to all affected enrolled customers at the last known facsimile numbers or electronic mail addresses of those customers on file with the insurer. The insurer or vendor shall maintain proof that the notice was sent.

(L) An enrolled customer may cancel the enrolled customer's coverage under a portable electronics insurance policy at any time. Upon cancellation, the insurer shall refund any applicable unearned premium.

(M) A license issued pursuant to this section shall authorize the vendor and its endorsees to engage only in those activities that are expressly permitted by this section.

(N)(1) If a vendor or a vendor's endorsee violates any provision of this section, the superintendent may revoke or suspend the license issued or impose any other sanctions provided under section 3905.14 of the Revised Code.

(2) If any provision of this section is violated by a vendor or a vendor's endorsee at a particular location, the superintendent may issue a cease and desist order to a
particular location, or take any other administrative action
authorized in section 3901.22 and division (D)-(E) of section
3905.14 of the Revised Code.

(3) If any person violates division (B) or (F)(3) of this
section, the superintendent may issue a cease and desist order
in addition to taking any other administrative action provided
for in sections 3901.22 and division (D)-(E) of section 3905.14
of the Revised Code.

(4) If the superintendent determines that a violation of
this section or section 3905.14 of the Revised Code has
occurred, the superintendent may assess a civil penalty in
amount not exceeding twenty-five thousand dollars per violation
and an administrative fee to cover the expenses incurred by the
department in the administrative action, including costs
incurred in the investigation and hearing process.

(O) The superintendent may adopt rules implementing this
section.

Sec. 3905.07. (A) The superintendent of insurance shall
issue a nonresident insurance agent license to an applicant that
is a nonresident person upon payment of all applicable fees
required under this chapter if the superintendent finds all of
the following:

(1) The applicant is currently licensed as a resident and
is in good standing in the applicant's home state.

(2) The applicant is licensed in the applicant's home
state for the lines of authority requested in this state.

(3) The applicant has submitted or has had transmitted to
the superintendent the application for licensure that the
applicant submitted to the applicant's home state or a completed
applicable uniform application.

(4) The applicant has not committed any act that is a ground for the denial, suspension, or revocation of a license under section 3905.14 of the Revised Code.

(5) The applicant is of good reputation and character, is honest and trustworthy, and is otherwise suitable to be licensed.

(6) The applicant's home state issues nonresident insurance agent licenses to residents of this state on the same basis as set forth in division (A) of this section.

(7) If the applicant is a business entity, the applicant has designated an insurance agent licensed as an agent in this state to be responsible for the applicant's compliance with the insurance laws of this state.

(8) The applicant has submitted any other documents requested by the superintendent.

(B) To determine an applicant's licensure and standing status in another state, the superintendent may utilize the producer database maintained by the NAIC or its affiliates or subsidiaries. If that information is not available on the producer database, the superintendent may require a certification letter from the applicant's home state.

(C)(1) An individual seeking to renew a nonresident insurance agent license shall apply biennially for a renewal of the license on or before the last day of the licensee's birth month. A business entity seeking to renew a nonresident insurance agent license shall apply biennially for a renewal of the license on or before the date determined by the superintendent.
Applications shall be submitted to the superintendent on forms prescribed by the superintendent. Each application shall be accompanied by a biennial renewal fee. The superintendent also may require an applicant to submit any document reasonably necessary to verify the information contained in the renewal application.

(2) To be eligible for renewal, an applicant shall maintain a resident license in the applicant's home state for the lines of authority held in this state.

(3) If an applicant submits a completed renewal application, qualifies for renewal pursuant to divisions (C)(1) and (2) of this section, and has not committed any act that is a ground for the refusal to issue, suspension of, or revocation of a license under section 3905.14 of the Revised Code, the superintendent shall renew the applicant's nonresident insurance agent license.

(D) If an individual or business entity does not apply for the renewal of the individual or business entity's license on or before the license renewal date specified in division (C)(1) of this section, the individual or business entity may submit a late renewal application along with all applicable fees required under this chapter prior to the first day of the second month following the license renewal date.

(E) A license issued under this section that is not renewed on or before its renewal date pursuant to division (C) of this section or its late renewal date pursuant to division (D) of this section automatically is suspended for nonrenewal on the first day of the second month following the renewal date. If a license is suspended for nonrenewal pursuant to this division, the individual or business entity is eligible to apply for a
reinstatement of the license within the twelve-month period following the date by which the license should have been renewed by complying with the reinstatement procedure established by the superintendent and paying all applicable fees required under this chapter.

(F) A license that is suspended for nonrenewal that is not reinstated pursuant to division (E) of this section automatically is canceled unless the superintendent is investigating any allegations of wrongdoing by the agent or has initiated proceedings under Chapter 119. of the Revised Code. In that case, the license automatically is canceled after the completion of the investigation or proceedings unless the superintendent revokes the license.

(G) An individual licensed as a nonresident insurance agent who is unable to comply with the license renewal procedures established under this section and who is unable to engage in the business of insurance due to military service, a long-term medical disability, or some other extenuating circumstance may request an extension of the renewal date of the individual's license. To be eligible for such an extension, the individual shall submit a written request with supporting documentation to the superintendent. At the superintendent's discretion, the superintendent may not consider a written request made after the renewal date of the license.

(H) Notwithstanding any other provision of this chapter, a nonresident person licensed as a surplus lines producer in the applicant's home state shall receive a nonresident surplus lines broker license pursuant to division (A) of this section. Nothing in this section otherwise affects or supersedes any provision of sections 3905.30 to 3905.37 of the Revised Code.
Sec. 3905.14. (A) As used in sections 3905.14 to 3905.16 of the Revised Code:

(1) "Insurance agent" includes a limited lines insurance agent, surety bail bond agent, and surplus line broker.

(2) "Refusal to issue or renew" means the decision of the superintendent of insurance not to process either the initial application for a license as an agent or the renewal of such a license.

(3) "Revocation" means the permanent termination of all authority to hold any license as an agent in this state.

(4) "Surrender for cause" means the voluntary termination of all authority to hold any license as an agent in this state, in lieu of a revocation or suspension order.

(5) "Suspension" means the termination of all authority to hold any license as an agent in this state, for either a specified period of time or an indefinite period of time and under any terms or conditions determined by the superintendent.

(B) The superintendent may, except as provided in division (C) of this section, suspend, revoke, or refuse to issue or renew any license of an insurance agent, assess a civil penalty, or impose any other sanction or sanctions authorized under this chapter, for one or more of the following reasons:

(1) Providing incorrect, misleading, incomplete, or materially untrue information in a license or appointment application;

(2) Violating or failing to comply with any insurance law, rule, subpoena, consent agreement, or order of the superintendent or of the insurance authority of another state;
(3) Obtaining, maintaining, or attempting to obtain or maintain a license through misrepresentation or fraud;

(4) Improperly withholding, misappropriating, or converting any money or property received in the course of doing insurance business;

(5) Intentionally misrepresenting the terms, benefits, value, cost, or effective dates of any actual or proposed insurance contract or application for insurance;

(6) Having been convicted of or pleaded guilty or no contest to a felony regardless of whether a judgment of conviction has been entered by the court;

(7) Having been convicted of or pleaded guilty or no contest to a misdemeanor that involves the misuse or theft of money or property belonging to another, fraud, forgery, dishonest acts, or breach of a fiduciary duty, that is based on any act or omission relating to the business of insurance, securities, or financial services, or that involves moral turpitude regardless of whether a judgment has been entered by the court;

(8) Having admitted to committing, or having been found to have committed, any insurance unfair trade act or practice or insurance fraud;

(9) Using fraudulent, coercive, or dishonest practices, or demonstrating incompetence, untrustworthiness, or financial irresponsibility, in the conduct of business in this state or elsewhere;

(10) Having an insurance agent license, or its equivalent, denied, suspended, or revoked in any other state, province, district, or territory;
(11) Forging or causing the forgery of an application for insurance or any document related to or used in an insurance transaction;

(12) Improperly using notes, any other reference material, equipment, or devices of any kind to complete an examination for an insurance agent license;

(13) Knowingly accepting insurance business from an individual who is not licensed;

(14) Failing to comply with any official invoice, notice, assessment, or order directing payment of federal, state, or local income tax, state or local sales tax, or workers' compensation premiums;

(15) Failing to timely submit an application for insurance. For purposes of division (B)(15) of this section, a submission is considered timely if it occurs within the time period expressly provided for by the insurer, or within seven days after the insurance agent accepts a premium or an order to bind coverage from a policyholder or applicant for insurance, whichever is later.

(16) Failing to disclose to an applicant for insurance or policyholder upon accepting a premium or an order to bind coverage from the applicant or policyholder, that the person has not been appointed by the insurer;

(17) Having any professional license or financial industry regulatory authority registration suspended or revoked or having been barred from participation in any industry;

(18) Having been subject to a cease and desist order or permanent injunction related to mishandling of funds or breach of fiduciary responsibilities or for unlicensed or unregistered
activities;

(19) Causing or permitting a policyholder or applicant for insurance to designate the insurance agent or the insurance agent's spouse, parent, child, or sibling as the beneficiary of a policy or annuity sold by the insurance agent or of a policy or annuity for which the agent, at any time, was designated as the agent of record, unless the insurance agent or a relative of the insurance agent is the insured or applicant;

(20) Causing or permitting a policyholder or applicant for insurance to designate the insurance agent or the insurance agent's spouse, parent, child, or sibling as the owner or beneficiary of a trust funded, in whole or in part, by a policy or annuity sold by the insurance agent or by a policy or annuity for which the agent, at any time, was designated as the agent of record, unless the insurance agent or a relative of the insurance agent is the insured or applicant;

(21) Failing to provide a written response to the department of insurance within twenty-one calendar days after receipt of any written inquiry from the department, unless a reasonable extension of time has been requested of, and granted by, the superintendent or the superintendent's designee;

(22) Failing to appear to answer questions before the superintendent after being notified in writing by the superintendent of a scheduled interview, unless a reasonable extension of time has been requested of, and granted by, the superintendent or the superintendent's designee;

(23) Transferring or placing insurance with an insurer other than the insurer expressly chosen by the applicant for insurance or policyholder without the consent of the applicant
or policyholder or absent extenuating circumstances;

(24) Failing to inform a policyholder or applicant for insurance of the identity of the insurer or insurers, or the identity of any other insurance agent or licensee known to be involved in procuring, placing, or continuing the insurance for the policyholder or applicant, upon the binding of the coverage;

(25) In the case of an agent that is a business entity, failing to report an individual licensee's violation to the department when the violation was known or should have been known by one or more of the partners, officers, managers, or members of the business entity;

(26) Submitting or using a document in the conduct of the business of insurance when the person knew or should have known that the document contained a writing that was forged as defined in section 2913.01 of the Revised Code;

(27) Misrepresenting the person's qualifications, status or relationship to another person, agency, or entity, or using in any way a professional designation that has not been conferred upon the person by the appropriate accrediting organization;

(28) Obtaining a premium loan or policy surrender or causing a premium loan or policy surrender to be made to or in the name of an insured or policyholder without that person's knowledge and written authorization;

(29) Using paper, software, or any other materials of or provided by an insurer after the insurer has terminated the authority of the licensee, if the use of such materials would cause a reasonable person to believe that the licensee was acting on behalf of or otherwise representing the insurer;
(30) Soliciting, procuring an application for, or placing, either directly or indirectly, any insurance policy when the person is not authorized under this chapter to engage in such activity;

(31) Soliciting, selling, or negotiating any product or service that offers benefits similar to insurance but is not regulated by the superintendent, without fully disclosing, orally and in writing, to the prospective purchaser that the product or service is not insurance and is not regulated by the superintendent;

(32) Failing to fulfill a refund obligation to a policyholder or applicant in a timely manner. For purposes of division (B)(32) of this section, a rebuttable presumption exists that a refund obligation is not fulfilled in a timely manner unless it is fulfilled within one of the following time periods:

(a) Thirty days after the date the policyholder, applicant, or insurer takes or requests action resulting in a refund;

(b) Thirty days after the date of the insurer's refund check, if the agent is expected to issue a portion of the total refund;

(c) Forty-five days after the date of the agent's statement of account on which the refund first appears.

The presumption may be rebutted by proof that the policyholder or applicant consented to the delay or agreed to permit the agent to apply the refund to amounts due for other coverages.

(33) With respect to a surety bail bond agent license,
rebating or offering to rebate, or unlawfully dividing or offering to divide, any commission, premium, or fee;

(34) Using a license for the principal purpose of procuring, receiving, or forwarding applications for insurance of any kind, other than life, or soliciting, placing, or effecting such insurance directly or indirectly upon or in connection with the property of the licensee or that of relatives, employers, employees, or that for which they or the licensee is an agent, custodian, vendor, bailee, trustee, or payee;

(35) In the case of an insurance agent that is a business entity, using a life license for the principal purpose of soliciting or placing insurance on the lives of the business entity's officers, employees, or shareholders, or on the lives of relatives of such officers, employees, or shareholders, or on the lives of persons for whom they, their relatives, or the business entity is agent, custodian, vendor, bailee, trustee, or payee;

(36) Offering, selling, soliciting, or negotiating policies, contracts, agreements, or applications for insurance, or annuities providing fixed, variable, or fixed and variable benefits, or contractual payments, for or on behalf of any insurer or multiple employer welfare arrangement not authorized to transact business in this state, or for or on behalf of any spurious, fictitious, nonexistent, dissolved, inactive, liquidated or liquidating, or bankrupt insurer or multiple employer welfare arrangement;

(37) In the case of a resident business entity, failing to be qualified to do business in this state under Title XVII of the Revised Code, failing to be in good standing with the
secretary of state, or failing to maintain a valid appointment of statutory agent with the secretary of state;

(38) In the case of a nonresident agent, failing to maintain licensure as an insurance agent in the agent's home state for the lines of authority held in this state;

(39) Knowingly aiding and abetting another person or entity in the violation of any insurance law of this state or the rules adopted under it.

(C) The superintendent shall not refuse to issue a license to an applicant because of a conviction of or plea of guilty or no contest to an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) Before denying, revoking, suspending, or refusing to issue any license or imposing any penalty under this section, the superintendent shall provide the licensee or applicant with notice and an opportunity for hearing as provided in Chapter 119. of the Revised Code, except as follows:

(1)(a) Any notice of opportunity for hearing, the hearing officer's findings and recommendations, or the superintendent's order shall be served by certified mail at the last known address of the licensee or applicant. Service shall be evidenced by return receipt signed by any person.

For purposes of this section, the "last known address" is the residential address of a licensee or applicant, or the principal-place-of-business address of a business entity, that is contained in the licensing records of the department.

(b) If the certified mail envelope is returned with an endorsement showing that service was refused, or that the envelope was unclaimed, the notice and all subsequent notices
required by Chapter 119. of the Revised Code may be served by ordinary mail to the last known address of the licensee or applicant. The mailing shall be evidenced by a certificate of mailing. Service is deemed complete as of the date of such certificate provided that the ordinary mail envelope is not returned by the postal authorities with an endorsement showing failure of delivery. The time period in which to request a hearing, as provided in Chapter 119. of the Revised Code, begins to run on the date of mailing.

(c) If service by ordinary mail fails, the superintendent may cause a summary of the substantive provisions of the notice to be published once a week for three consecutive weeks in a newspaper of general circulation in the county where the last known place of residence or business of the party is located. The notice is considered served on the date of the third publication.

(d) Any notice required to be served under Chapter 119. of the Revised Code shall also be served upon the party's attorney by ordinary mail if the attorney has entered an appearance in the matter.

(e) The superintendent may, at any time, perfect service on a party by personal delivery of the notice by an employee of the department.

(f) Notices regarding the scheduling of hearings and all other matters not described in division (D)(1)(a) of this section shall be sent by ordinary mail to the party and to the party's attorney.

(2) Any subpoena for the appearance of a witness or the production of documents or other evidence at a hearing, or for
the purpose of taking testimony for use at a hearing, shall be
served by certified mail, return receipt requested, by an
attorney or by an employee of the department designated by the
superintendent. Such subpoenas shall be enforced in the manner
provided in section 119.09 of the Revised Code. Nothing in this
section shall be construed as limiting the superintendent's
other statutory powers to issue subpoenas.

(E) If the superintendent determines that a violation
described in this section has occurred, the superintendent may
take one or more of the following actions:

(1) Assess a civil penalty in an amount not exceeding
twenty-five thousand dollars per violation;

(2) Assess administrative costs to cover the expenses
incurred by the department in the administrative action,
including costs incurred in the investigation and hearing
processes. Any costs collected shall be paid into the state
treasury to the credit of the department of insurance operating
fund created in section 3901.021 of the Revised Code.

(3) Suspend all of the person's licenses for all lines of
insurance for either a specified period of time or an indefinite
period of time and under such terms and conditions as the
superintendent may determine;

(4) Permanently revoke all of the person's licenses for
all lines of insurance;

(5) Refuse to issue a license;

(6) Refuse to renew a license;

(7) Prohibit the person from being employed in any
capacity in the business of insurance and from having any
financial interest in any insurance agency, company, surety bail bond business, or third-party administrator in this state. The superintendent may, in the superintendent's discretion, determine the nature, conditions, and duration of such restrictions.

(8) Order corrective actions in lieu of or in addition to the other penalties listed in division (D)-(E) of this section. Such an order may provide for the suspension of civil penalties, license revocation, license suspension, or refusal to issue or renew a license if the licensee complies with the terms and conditions of the corrective action order.

(9) Accept a surrender for cause offered by the licensee, which shall be for at least five years and shall prohibit the licensee from seeking any license authorized under this chapter during that time period. A surrender for cause shall be in lieu of revocation or suspension and may include a corrective action order as provided in division (D)-(E)(8) of this section.

(F) The superintendent may consider the following factors in denying a license, imposing suspensions, revocations, fines, or other penalties, and issuing orders under this section:

(1) Whether the person acted in good faith;

(2) Whether the person made restitution for any pecuniary losses suffered by other persons as a result of the person's actions;

(3) The actual harm or potential for harm to others;

(4) The degree of trust placed in the person by, and the vulnerability of, persons who were or could have been adversely affected by the person's actions;
(5) Whether the person was the subject of any previous administrative actions by the superintendent;

(6) The number of individuals adversely affected by the person's acts or omissions;

(7) Whether the person voluntarily reported the violation, and the extent of the person's cooperation and acceptance of responsibility;

(8) Whether the person obstructed or impeded, or attempted to obstruct or impede, the superintendent's investigation;

(9) The person's efforts to conceal the misconduct;

(10) Remedial efforts to prevent future violations;

(11) If the person was convicted of a criminal offense, the nature of the offense, whether the conviction was based on acts or omissions taken under any professional license, whether the offense involved the breach of a fiduciary duty, the amount of time that has passed, and the person's activities subsequent to the conviction;

(12) Such other factors as the superintendent determines to be appropriate under the circumstances.

(F) (G) (1) A violation described in division (B)(1), (2), (3), (4), (5), (6), (7), (8), (9), (10), (11), (12), (13), (14), (16), (17), (18), (19), (20), (22), (23), (24), (25), (26), (27), (28), (29), (30), (31), (32), (33), (34), (35), and (36) of this section is a class A offense for which the superintendent may impose any penalty set forth in division (D) of this section.

(2) A violation described in division (B)(15) or (21) of this section, or a failure to comply with section 3905.061,
3905.071, or 3905.22 of the Revised Code, is a class B offense for which the superintendent may impose any penalty set forth in division (D)(E)(1), (2), (8), or (9) of this section.

(3) If the superintendent determines that a violation described in division (B)(36) of this section has occurred, the superintendent shall impose a minimum of a two-year suspension on all of the person's licenses for all lines of insurance.

(G) If a violation described in this section has caused, is causing, or is about to cause substantial and material harm, the superintendent may issue an order requiring that person to cease and desist from engaging in the violation. Notice of the order shall be mailed by certified mail, return receipt requested, or served in any other manner provided for in this section, immediately after its issuance to the person subject to the order and to all persons known to be involved in the violation. The superintendent may thereafter publicize or otherwise make known to all interested parties that the order has been issued.

The notice shall specify the particular act, omission, practice, or transaction that is subject to the cease-and-desist order and shall set a date, not more than fifteen days after the date of the order, for a hearing on the continuation or revocation of the order. The person shall comply with the order immediately upon receipt of notice of the order.

The superintendent may, upon the application of a party and for good cause shown, continue the hearing. Chapter 119. of the Revised Code applies to such hearings to the extent that that chapter does not conflict with the procedures set forth in this section. The superintendent shall, within fifteen days after objections are submitted to the hearing officer's report
and recommendation, issue a final order either confirming or revoking the cease-and-desist order. The final order may be appealed as provided under section 119.12 of the Revised Code.

The remedy under this division is cumulative and concurrent with the other remedies available under this section.

If the superintendent has reasonable cause to believe that an order issued under this section has been violated in whole or in part, the superintendent may request the attorney general to commence and prosecute any appropriate action or proceeding in the name of the state against such person.

The court may, in an action brought pursuant to this division, impose any of the following:

1. For each violation, a civil penalty of not more than twenty-five thousand dollars;

2. Injunctive relief;

3. Restitution;

4. Any other appropriate relief.

With respect to a surety bail bond agent license:

1. Upon the suspension or revocation of a license, or the eligibility of a surety bail bond agent to hold a license, the superintendent likewise may suspend or revoke the license or eligibility of any surety bail bond agent who is employed by or associated with that agent and who knowingly was a party to the act that resulted in the suspension or revocation.

2. The superintendent may revoke a license as a surety bail bond agent if the licensee is adjudged bankrupt.
Nothing in this section shall be construed to create or imply a private cause of action against an agent or insurer.

Sec. 3905.15. (A) Upon written application of a person whose license was denied, suspended, revoked, or surrendered for cause under section 3905.14 of the Revised Code, except for a person whose license was denied for a disqualifying offense pursuant to section 9.79 of the Revised Code, the superintendent of insurance shall hold a hearing to determine whether the administrative action imposing the denial, suspension, revocation, or surrender should be modified, provided that all of the following conditions are met:

(1) At least five years have elapsed since the date of the administrative action sought to be modified;

(2) At least two years have elapsed since any previous request for a modification was made under this section;

(3) The burden of proof is on the person requesting the modification.

In that case, the license automatically is canceled after the completion of the investigation or proceedings unless the superintendent revokes the license.

(G) The superintendent may prescribe the forms to be used as evidence of the issuance of a license under this section. The superintendent shall require each licensee to acquire, from a source designated by the superintendent, a wallet identification card that includes the licensee's photograph and any other information required by the superintendent. (C) Before the superintendent refuses to issue a license under this chapter, or suspends, revokes, or refuses to renew the license of a viatical settlement provider or viatical settlement broker, the superintendent shall provide the licensee or applicant with notice and an opportunity for hearing as provided in Chapter 119. of the Revised Code, except as follows:

(1)(a) Any notice of opportunity for hearing, the hearing officer's findings and recommendations, or the superintendent's order shall be served by certified mail at the last known address of the licensee or applicant. Service shall be evidenced by return receipt signed by any person.
For purposes of this section, the "last known address" is the address that appears in the licensing records of the department of insurance.

(b) If the certified mail envelope is returned with an endorsement showing that service was refused, or that the envelope was unclaimed, the notice and all subsequent notices required by Chapter 119. of the Revised Code may be served by ordinary mail to the last known address of the licensee or applicant. The mailing shall be evidenced by a certificate of mailing. Service is deemed complete as of the date of such certificate provided that the ordinary mail envelope is not returned by the postal authorities with an endorsement showing failure of delivery. The time period in which to request a hearing, as provided in Chapter 119. of the Revised Code, begins to run on the date of mailing.

(c) If service by ordinary mail fails, the superintendent shall cause a summary of the substantive provisions of the notice to be published once a week for three consecutive weeks in a newspaper of general circulation in the county where the last known place of residence or business of the licensee or applicant is located. The notice is considered served on the date of the third publication.

(d) Any notice required to be served under Chapter 119. of the Revised Code shall also be served upon the attorney of the licensee or applicant by ordinary mail if the attorney has entered an appearance in the matter.

served by certified mail, return receipt requested, by an
attorney or by an employee of the department designated by the
superintendent. Such subpoenas shall be enforced in the manner

other statutory powers to issue subpoenas.

Sec. 3931.11. (A) Every attorney shall certify to the
superintendent of insurance the names and addresses of the
attorney's traveling full time salaried non-commission
employees, primarily engaged in performing underwriting, loss
prevention engineering and claim services, authorized by the
attorney to solicit powers of attorney or applications for
contracts of indemnity specified in section 3931.01 of the
Revised Code. The authority of such persons shall continue until
the first day of the next April, unless it is cancelled by the
attorney and the certificate of such cancellation is filed with
the superintendent, or unless the license of the attorney or
authority of such person is revoked or suspended by the
superintendent. Expiring certificates of authority of such
persons may be renewed in like manner to continue until the
first day of the next April. The superintendent shall record the
names and addresses of such persons so that their names may
conveniently be inspected and shall thereupon certify and
deliver to the attorney a list of the names of all persons so
recorded.

Thereafter the person shall not act as representative of any attorney until a new certificate of authority by the attorney thereafter appointing the person is filed with and approved by the superintendent.

(C) The superintendent shall not refuse to issue a certificate of authority to an applicant because of a criminal conviction unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) No such person shall act for any attorney in placing insurance or making such contracts of indemnity, unless the attorney has the license required by section 3931.10 of the Revised Code, nor unless the unexpired, unrevoked, and unsuspended certificate of the person's authority is filed with the superintendent. Sec. 4104.09. The certificate of competency issued under section 4104.07 of the Revised Code or the commission provided for in section 4104.08 of the Revised Code may be revoked by the superintendent of industrial compliance for the incompetence or untrustworthiness of the holder thereof, or for willful falsification of any matter or statement contained in the holder's application or in a report of any inspection in accordance with Chapter 119. of the Revised Code. If a certificate or commission is lost or destroyed, a new certificate or commission shall be issued in its place without another examination.

unexpired license may renew the license, without reexamination,
by applying to the superintendent not more than ninety days
before the expiration of the license, and submitting with the
application the renewal fee established in section 4104.18 of
the Revised Code. Upon receipt of the renewal information and
fee, the superintendent shall issue the licensee a certificate
of renewal.

(G) The superintendent, in accordance with Chapter 119. of
the Revised Code, may suspend or revoke any license, or may
refuse to issue a license under this chapter upon finding that a

(F) Except as otherwise provided in this division, whoever violates this section is guilty of a minor misdemeanor. If the offender previously has been convicted of or pleaded guilty to one or more violations of this section or section 4511.63, 4511.761, 4511.762, 4511.764, 4511.77, or 4511.79 of the Revised Code or a municipal ordinance that is substantially similar to any of those sections, whoever violates this section is guilty of a misdemeanor of the fourth degree.

Sec. 4513.34. (A)(1) The director of transportation with respect to all highways that are a part of the state highway system and local authorities with respect to highways under their jurisdiction, upon application in writing, shall issue a special regional heavy hauling permit authorizing the applicant to operate or move a vehicle or combination of vehicles as follows:

(a) At a size or weight of vehicle or load exceeding the maximum specified in sections 5577.01 to 5577.09 of the Revised Code, or otherwise not in conformity with sections 4513.01 to 4513.37 of the Revised Code;

(b) Upon any highway under the jurisdiction of the authority granting the permit except those highways with a condition insufficient to bear the weight of the vehicle or combination of vehicles as stated in the application;

(c) For regional trips at distances of one hundred fifty miles or less from a facility stated on the application as the applicant's point of origin.

Issuance of a special regional heavy hauling permit is subject to the payment of a fee established by the director or local authority in accordance with this section.
(2) In circumstances where a person is not eligible to receive a permit under division (A)(1) of this section, the director of transportation with respect to all highways that are a part of the state highway system and local authorities with respect to highways under their jurisdiction, upon application in writing and for good cause shown, may issue a special permit in writing authorizing the applicant to operate or move a vehicle or combination of vehicles of a size or weight of vehicle or load exceeding the maximum specified in sections 5577.01 to 5577.09 of the Revised Code, or otherwise not in conformity with sections 4513.01 to 4513.37 of the Revised Code, upon any highway under the jurisdiction of the authority granting the permit.

(3) For purposes of this section, the director may designate certain state highways or portions of state highways as special economic development highways. If an application submitted to the director under this section involves travel of a nonconforming vehicle or combination of vehicles upon a special economic development highway, the director, in determining whether good cause has been shown that issuance of a permit is justified, shall consider the effect the travel of the vehicle or combination of vehicles will have on the economic development in the area in which the designated highway or portion of highway is located.

(B) Notwithstanding sections 715.22 and 723.01 of the Revised Code, the holder of a permit issued by the director under this section may move the vehicle or combination of vehicles described in the permit on any highway that is a part of the state highway system when the movement is partly within and partly without the corporate limits of a municipal corporation. No local authority shall require any other permit.
or license or charge any license fee or other charge against the
holder of a permit for the movement of a vehicle or combination
of vehicles on any highway that is a part of the state highway
system. The director shall not require the holder of a permit
issued by a local authority to obtain a special permit for the
movement of vehicles or combination of vehicles on highways
within the jurisdiction of the local authority. Permits may be
issued for any period of time not to exceed one year, as the
director in the director's discretion or a local authority in
its discretion determines advisable, or for the duration of any
public construction project.

(C)(1) The application for a permit issued under this
section shall be in the form that the director or local
authority prescribes. The director or local authority may
prescribe a permit fee to be imposed and collected when any
permit described in this section is issued. The permit fee may
be in an amount sufficient to reimburse the director or local
authority for the administrative costs incurred in issuing the
permit, and also to cover the cost of the normal and expected
damage caused to the roadway or a street or highway structure as
the result of the operation of the nonconforming vehicle or
combination of vehicles. The director, in accordance with
Chapter 119. of the Revised Code, shall establish a schedule of
fees for permits issued by the director under this section;
however, the fee to operate a triple trailer unit, at locations
authorized under federal law, shall be one hundred dollars.

(2) For the purposes of this section and of rules adopted
by the director under this section, milk transported in bulk by
vehicle is deemed a nondivisible load.

(3) For purposes of this section and of rules adopted by
the director under this section, three or fewer aluminum coils, transported by a vehicle, are deemed a nondivisible load. The director shall adopt rules establishing requirements for an aluminum coil permit that are substantially similar to the requirements for a steel coil permit under Chapter 5501:2-1 of the Administrative Code.

(D) The director or a local authority shall issue a special regional heavy hauling permit under division (A)(1) of this section upon application and payment of the applicable fee. However, the director or local authority may issue or withhold a special permit specified in division (A)(2) of this section. If a permit is to be issued, the director or local authority may limit or prescribe conditions of operation for the vehicle and may require the posting of a bond or other security conditioned upon the sufficiency of the permit fee to compensate for damage caused to the roadway or a street or highway structure. In addition, a local authority, as a condition of issuance of an overweight permit, may require the applicant to develop and enter into a mutual agreement with the local authority to compensate for or to repair excess damage caused to the roadway by travel under the permit.

For a permit that will allow travel of a nonconforming vehicle or combination of vehicles on a special economic development highway, the director, as a condition of issuance, may require the applicant to agree to make periodic payments to the department to compensate for damage caused to the roadway by travel under the permit.

(E) Every permit issued under this section shall be carried in the vehicle or combination of vehicles to which it refers and shall be open to inspection by any police officer or
authorized agent of any authority granting the permit. No person shall violate any of the terms of a permit.

(F) The director may debar an applicant from applying for a permit under this section upon a finding based on a reasonable belief that the applicant has done any of the following:

(1) Abused the process by repeatedly submitting false information or false travel plans or by using another company or individual's name, insurance, or escrow account without proper authorization;

(2) Failed to comply with or substantially perform under a previously issued permit according to its terms, conditions, and specifications within specified time limits;

(3) Failed to cooperate in the application process for the permit or in any other procedures that are related to the issuance of the permit by refusing to provide information or documents required in a permit or by failing to respond to and correct matters related to the permit;

(4) Accumulated repeated justified complaints regarding performance under a permit that was previously issued to the applicant or previously failed to obtain a permit when such a permit was required;

(5) Attempted to influence a public employee to breach ethical conduct standards;

(6) Been convicted of a criminal offense related to the application for, or performance under, a permit, including, but not limited to, bribery, falsification, fraud or destruction of records, receiving stolen property, and any other offense that directly reflects on the applicant's integrity or commercial driver's license disqualifying offense as determined under
section 9.79 of the Revised Code;

(7) Accumulated repeated convictions under a state or federal safety law governing commercial motor vehicles or a rule or regulation adopted under such a law;

(8) Accumulated repeated convictions under a law, rule, or regulation governing the movement of traffic over the public streets and highways;

(9) Failed to pay any fees associated with any permitted operation or move;

(10) Deliberately or willfully submitted false or misleading information in connection with the application for, or performance under, a permit issued under this section.

If the applicant is a partnership, association, or corporation, the director also may debar from consideration for permits any partner of the partnership, or the officers, directors, or employees of the association or corporation being debarred.

The director may adopt rules in accordance with Chapter 119. of the Revised Code governing the debarment of an applicant.

(G) When the director reasonably believes that grounds for debarment exist, the director shall send the person that is subject to debarment a notice of the proposed debarment. A notice of proposed debarment shall indicate the grounds for the debarment of the person and the procedure for requesting a hearing. The notice and hearing shall be in accordance with Chapter 119. of the Revised Code. If the person does not respond with a request for a hearing in the manner specified in that chapter, the director shall issue the debarment decision without
a hearing and shall notify the person of the decision by certified mail, return receipt requested. The debarment period may be of any length determined by the director, and the director may modify or rescind the debarment at any time. During the period of debarment, the director shall not issue, or consider issuing, a permit under this section to any partnership, association, or corporation that is affiliated with a debarred person. After the debarment period expires, the person, and any partnership, association, or corporation affiliated with the person, may reapply for a permit.

(H)(1) No person shall violate the terms of a permit issued under this section that relate to gross load limits.

(2) No person shall violate the terms of a permit issued under this section that relate to axle load by more than two thousand pounds per axle or group of axles.

(3) No person shall violate the terms of a permit issued under this section that relate to an approved route except upon order of a law enforcement officer or authorized agent of the issuing authority.

(I) Whoever violates division (H) of this section shall be punished as provided in section 4513.99 of the Revised Code.

(J) A permit issued by the department of transportation or a local authority under this section for the operation of a vehicle or combination of vehicles is valid for the purposes of the vehicle operation in accordance with the conditions and limitations specified on the permit. Such a permit is voidable by law enforcement only for operation of a vehicle or combination of vehicles in violation of the weight, dimension, or route provisions of the permit. However, a permit is not
voidable for operation in violation of a route provision of a permit if the operation is upon the order of a law enforcement officer.

Sec. 4517.12. (A) The registrar of motor vehicles shall
deny the application of any person for a license as a motor

the Revised Code;

individual. The registrar's finding may be based upon facts contained in the application or upon any other information the registrar may have. Immediately upon denying an application for any of the reasons in this section, the registrar shall enter a final order together with the registrar's findings and certify the same to the motor vehicle dealers' and salespersons' licensing board.

(C) Notwithstanding division (A)(4) of this section, the registrar shall not deny the application of any person and refuse to issue a license if the registrar finds that the applicant is engaged or will engage in the business of selling at retail any new motor vehicles and demonstrates all of the following in the form prescribed by the registrar:

(F) Holds a current motor vehicle dealer's license issued under section 4517.10 of the Revised Code, and intends to act as salesperson for another licensed motor vehicle dealer;

(G) Has, less than twelve months prior to making application, been denied a salesperson's license or had a salesperson's license revoked.

The registrar may refuse to issue a salesperson's license to an applicant who was salesperson for, or in the employ of, a motor vehicle dealer at the time the dealer's license was revoked. The registrar's finding may be based upon any statement contained in the application or upon any facts within the registrar's knowledge, and, immediately upon refusing to issue a
salesperson's license, the registrar shall enter a final order and shall certify the final order together with his findings to the motor vehicle dealers board.

Sec. 4517.171. (A) The registrar of motor vehicles shall, except as provided in division (B) of this section, deny the application of any person for a construction equipment auction license or may revoke a license previously issued if the registrar finds that the person:

In addition, the director, in establishing the schedule of civil penalties in the rules, shall consider past violations of this chapter and rules adopted under it, the severity of a violation, and the amount of actual or potential damage to the public or the auction profession.

   (C) The department of agriculture may hear testimony in matters relating to the duties imposed on it, and any person authorized by the director may administer oaths. The department may require other proof of the honesty, and truthfulness, and good reputation of any person named in the application for an auction firm's, auctioneer's, apprentice auctioneer's, or special auctioneer's license before admitting the applicant to an examination or issuing a license.

No hours of instruction earned by an applicant five or more years prior to the examination apply to the hours of study required by this division.

(C) Any applicant who meets all of the requirements of divisions (A) and (B) of this section may take the barber examination at the time and place specified by the board. If the applicant fails to attain at least a seventy-five per cent pass rate on each part of the examination, the applicant is

An applicant is only required to take that part or parts of the examination on which the applicant did not receive a score of seventy-five per cent or higher. If the applicant fails to reapply for examination within ninety days or fails the second examination, in order to reapply for examination for licensure the applicant shall complete an additional course of study of not less than two hundred hours, in a board-approved barber school. The board shall provide to an applicant, upon request, a report which explains the reasons for the applicant's failure to pass the examination.

Any student who is injured or damaged by reason of a barber school's failure to continue instruction in the theory and practice of barbering may maintain an action on the bond against the barber school or the surety, or both, for the recovery of any money or tuition paid in advance for instruction in the theory and practice of barbering which was not received. The aggregate liability of the surety to all students shall not exceed the sum of the bond.

(6) Maintain adequate record keeping to ensure that it has met the requirements for records of student progress as required by board rule;

(7) Establish minimum standards for acceptance of student applicants for admission to the barber school. The barber school may establish entrance requirements which are more stringent than those prescribed by the board, but the requirements must at a minimum require the applicant to meet all of the following:

(a) Be at least seventeen years of age;

(c) Have an eighth grade education, or an equivalent education as determined by the state board of education;

and provided that during that period, the applicant remains
employed as an assistant barber teacher.

The board shall only issue an assistant barber teacher
license to a person who holds a current barber license issued
pursuant to this chapter and pays the required fees.

(D) Any person who meets the qualifications of an
assistant teacher pursuant to division (C) of this section, may

this chapter.

(C) Prior to taking any action under division (A) or (B)
of this section, the board shall provide the person with a
statement of the charges against the person and notice of the
time and place of a hearing on the charges. The board shall

laws, regulations, and rules governing the practice of a dental
hygienist; who proves, to the satisfaction of the board, intent
to practice as a dental hygienist in this state; who is a
graduate from an accredited school of dental hygiene and who
holds a license by examination from a similar dental board, and
who passes an examination as prescribed by the board relating to
dental hygiene.

Upon payment of seventy-three dollars and upon application endorsed by an accredited dental hygiene school in this state, the state dental board may without examination issue a teacher's certificate to a dental hygienist, authorized to practice in another state or country. A teacher's certificate shall be subject to annual renewal in accordance with the standard renewal procedure of sections 4745.01 to 4745.03 of the Revised Code, and shall not be construed as authorizing anything other than teaching or demonstrating the skills of a dental hygienist in the educational programs of the accredited dental hygiene school which endorsed the application.

Sec. 4715.30. (A) Except as provided in division (K) of this section, an applicant for or holder of a certificate or license issued under this chapter is subject to disciplinary action by the state dental board for any of the following reasons:

(1) Employing or cooperating in fraud or material deception in applying for or obtaining a license or certificate;

(2) Obtaining or attempting to obtain money or anything of value by intentional misrepresentation or material deception in
the course of practice;

(3) Advertising services in a false or misleading manner or violating the board's rules governing time, place, and manner of advertising;

(4) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(7) Engaging in lewd or immoral conduct in connection with the provision of dental services;

(8) Selling, prescribing, giving away, or administering drugs for other than legal and legitimate therapeutic purposes, or conviction of, a plea of guilty to, a judicial finding of guilt of, a judicial finding of guilt resulting from a plea of no contest to, or a judicial finding of eligibility for intervention in lieu of conviction for, a violation of any federal or state law regulating the possession, distribution, or use of any drug;

(9) Providing or allowing dental hygienists, expanded function dental auxiliaries, or other practitioners of auxiliary dental occupations working under the certificate or license holder's supervision, or a dentist holding a temporary limited
continuing education license under division (C) of section 4715.16 of the Revised Code working under the certificate or license holder's direct supervision, to provide dental care that departs from or fails to conform to accepted standards for the profession, whether or not injury to a patient results;

(10) Inability to practice under accepted standards of the profession because of physical or mental disability, dependence on alcohol or other drugs, or excessive use of alcohol or other drugs;

(11) Violation of any provision of this chapter or any rule adopted thereunder;

(12) Failure to use universal blood and body fluid precautions established by rules adopted under section 4715.03 of the Revised Code;

(13) Except as provided in division (H) of this section, either of the following:

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers dental services, would otherwise be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that certificate or license holder;

(b) Advertising that the certificate or license holder will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers dental services, would otherwise be required to pay.

(14) Failure to comply with section 4715.302 or 4729.79 of
the Revised Code, unless the state board of pharmacy no longer
maintains a drug database pursuant to section 4729.75 of the
Revised Code;

(15) Any of the following actions taken by an agency
responsible for authorizing, certifying, or regulating an
individual to practice a health care occupation or provide
health care services in this state or another jurisdiction, for
any reason other than the nonpayment of fees: the limitation,
revocation, or suspension of an individual's license to
practice; acceptance of an individual's license surrender;
denial of a license; refusal to renew or reinstate a license;
imposition of probation; or issuance of an order of censure or
other reprimand;

(16) Failure to cooperate in an investigation conducted by
the board under division (D) of section 4715.03 of the Revised
Code, including failure to comply with a subpoena or order
issued by the board or failure to answer truthfully a question
presented by the board at a deposition or in written
interrogatories, except that failure to cooperate with an
investigation shall not constitute grounds for discipline under
this section if a court of competent jurisdiction has issued an
order that either quashes a subpoena or permits the individual
to withhold the testimony or evidence in issue;

(17) Failure to comply with the requirements in section
3719.061 of the Revised Code before issuing for a minor a
prescription for an opioid analgesic, as defined in section
3719.01 of the Revised Code.

(B) A manager, proprietor, operator, or conductor of a
dental facility shall be subject to disciplinary action if any
dentist, dental hygienist, expanded function dental auxiliary,
or qualified personnel providing services in the facility is
found to have committed a violation listed in division (A) of
this section and the manager, proprietor, operator, or conductor
knew of the violation and permitted it to occur on a recurring
basis.

(C) Subject to Chapter 119. of the Revised Code, the board
may take one or more of the following disciplinary actions if
one or more of the grounds for discipline listed in divisions
(A) and (B) of this section exist:

(1) Censure the license or certificate holder;

(2) Place the license or certificate on probationary
status for such period of time the board determines necessary
and require the holder to:

(a) Report regularly to the board upon the matters which
are the basis of probation;

(b) Limit practice to those areas specified by the board;

(c) Continue or renew professional education until a
satisfactory degree of knowledge or clinical competency has been
attained in specified areas.

(3) Suspend the certificate or license;

(4) Revoke the certificate or license.

Where the board places a holder of a license or
certificate on probationary status pursuant to division (C)(2)
of this section, the board may subsequently suspend or revoke
the license or certificate if it determines that the holder has
not met the requirements of the probation or continues to engage
in activities that constitute grounds for discipline pursuant to
division (A) or (B) of this section.
Any order suspending a license or certificate shall state the conditions under which the license or certificate will be restored, which may include a conditional restoration during which time the holder is in a probationary status pursuant to division (C)(2) of this section. The board shall restore the license or certificate unconditionally when such conditions are met.

(D) If the physical or mental condition of an applicant or a license or certificate holder is at issue in a disciplinary proceeding, the board may order the license or certificate holder to submit to reasonable examinations by an individual designated or approved by the board and at the board's expense. The physical examination may be conducted by any individual authorized by the Revised Code to do so, including a physician assistant, a clinical nurse specialist, a certified nurse practitioner, or a certified nurse-midwife. Any written documentation of the physical examination shall be completed by the individual who conducted the examination.

Failure to comply with an order for an examination shall be grounds for refusal of a license or certificate or summary suspension of a license or certificate under division (E) of this section.

(E) If a license or certificate holder has failed to comply with an order under division (D) of this section, the board may apply to the court of common pleas of the county in which the holder resides for an order temporarily suspending the holder's license or certificate, without a prior hearing being afforded by the board, until the board conducts an adjudication hearing pursuant to Chapter 119. of the Revised Code. If the court temporarily suspends a holder's license or certificate,
the board shall give written notice of the suspension personally or by certified mail to the license or certificate holder. Such notice shall inform the license or certificate holder of the right to a hearing pursuant to Chapter 119. of the Revised Code.

(F) Any holder of a certificate or license issued under this chapter who has pleaded guilty to, has been convicted of, or has had a judicial finding of eligibility for intervention in lieu of conviction entered against the holder in this state for aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary, or who has pleaded guilty to, has been convicted of, or has had a judicial finding of eligibility for treatment or intervention in lieu of conviction entered against the holder in another jurisdiction for any substantially equivalent criminal offense, is automatically suspended from practice under this chapter in this state and any certificate or license issued to the holder under this chapter is automatically suspended, as of the date of the guilty plea, conviction, or judicial finding, whether the proceedings are brought in this state or another jurisdiction. Continued practice by an individual after the suspension of the individual's certificate or license under this division shall be considered practicing without a certificate or license. The board shall notify the suspended individual of the suspension of the individual's certificate or license under this division by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose certificate or license is suspended under this division fails to make a timely request for an adjudicatory hearing, the board shall enter a final order revoking the individual's certificate or license.
(G) If the supervisory investigative panel determines both of the following, the panel may recommend that the board suspend an individual's certificate or license without a prior hearing:

(1) That there is clear and convincing evidence that an individual has violated division (A) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than four dentist members of the board and seven of its members in total, excluding any member on the supervisory investigative panel, may suspend a certificate or license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency or any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The
board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

(H) Sanctions shall not be imposed under division (A)(13) of this section against any certificate or license holder who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person who holds a certificate or license issued pursuant to this chapter to the extent allowed by this chapter and the rules of the board.

(I) In no event shall the board consider or raise during a hearing required by Chapter 119. of the Revised Code the circumstances of, or the fact that the board has received, one or more complaints about a person unless the one or more complaints are the subject of the hearing or resulted in the board taking an action authorized by this section against the person on a prior occasion.

(J) The board may share any information it receives pursuant to an investigation under division (D) of section 4715.03 of the Revised Code, including patient records and patient record information, with law enforcement agencies, other
licensing boards, and other governmental agencies that are
prosecuting, adjudicating, or investigating alleged violations
of statutes or administrative rules. An agency or board that
receives the information shall comply with the same requirements
regarding confidentiality as those with which the state dental
board must comply, notwithstanding any conflicting provision of
the Revised Code or procedure of the agency or board that
applies when it is dealing with other information in its
possession. In a judicial proceeding, the information may be
admitted into evidence only in accordance with the Rules of
Evidence, but the court shall require that appropriate measures
are taken to ensure that confidentiality is maintained with
respect to any part of the information that contains names or
other identifying information about patients or complainants
whose confidentiality was protected by the state dental board
when the information was in the board's possession. Measures to
ensure confidentiality that may be taken by the court include
sealing its records or deleting specific information from its
records.

(K) The board shall not refuse to issue a license or
certificate to an applicant for either of the following reasons
unless the refusal is in accordance with section 9.79 of the
Revised Code:

(1) A conviction or plea of guilty to an offense;

(2) A judicial finding of eligibility for treatment or
intervention in lieu of a conviction.

Sec. 4717.05. (A) Any person who desires to be licensed as
an embalmer shall apply to the board of embalmers and funeral
directors on a form provided by the board. The applicant shall
include with the application an initial license fee as set forth
in section 4717.07 of the Revised Code and evidence, verified by oath and satisfactory to the board, that the applicant meets all of the following requirements:

(1) The applicant is at least eighteen years of age and of good moral character.

(2) If the applicant has pleaded guilty to, has been found by a judge or jury to be guilty of, or has had a judicial finding of eligibility for treatment in lieu of conviction entered against the applicant in this state for aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary, or has pleaded guilty to, has been found by a judge or jury to be guilty of, or has had a judicial finding of eligibility for treatment in lieu of conviction entered against the applicant in another jurisdiction for a substantially equivalent offense, at least five years has elapsed since the applicant was released from incarceration, a community control sanction, a post-release control sanction, parole, or treatment in connection with the offense.

(3) The applicant holds at least a bachelor's degree from a college or university authorized to confer degrees by the department of higher education or the comparable legal agency of another state in which the college or university is located and submits an official transcript from that college or university with the application.

(4) The applicant has satisfactorily completed at least twelve months of instruction in a prescribed course in mortuary science as approved by the board and has presented to the board a certificate showing successful completion of the
The course of mortuary science college training may be completed either before or after the completion of the educational standard set forth in division (A)(2) of this section.

(5) The applicant has registered with the board prior to beginning an embalmer apprenticeship.

(6) The applicant has satisfactorily completed at least one year of apprenticeship under an embalmer licensed in this state and has participated in embalming at least twenty-five dead human bodies.

(7) The applicant, upon meeting the educational standards provided for in divisions (A)(2) and (4) of this section and completing the apprenticeship required in division (A)(6) of this section, has completed the examination for an embalmer's license required by the board.

(B) Upon receiving satisfactory evidence verified by oath that the applicant meets all the requirements of division (A) of this section, the board shall issue the applicant an embalmer's license.

(C) Any person who desires to be licensed as a funeral director shall apply to the board on a form prescribed by the board. The application shall include an initial license fee as set forth in section 4717.07 of the Revised Code and evidence, verified by oath and satisfactory to the board, that the applicant meets all of the following requirements:

(1) Except as otherwise provided in division (D) of this section, the applicant has satisfactorily met all the requirements for an embalmer's license as described in divisions (A)(1) to (4) of this section.
(2) The applicant has registered with the board prior to beginning a funeral director apprenticeship.

(3) The applicant, following mortuary science college training described in division (A)(4)–(3) of this section, has satisfactorily completed a one-year apprenticeship under a licensed funeral director in this state and has participated in directing at least twenty-five funerals.

(4) The applicant has satisfactorily completed the examination for a funeral director's license as required by the board.

(D) In lieu of mortuary science college training required for a funeral director's license under division (C)(1) of this section, the applicant may substitute a satisfactorily completed two-year apprenticeship under a licensed funeral director in this state assisting that person in directing at least fifty funerals.

(E) Upon receiving satisfactory evidence that the applicant meets all the requirements of division (C) of this section, the board shall issue to the applicant a funeral director's license.

(F) A funeral director or embalmer may request the funeral director's or embalmer's license be placed on inactive status by submitting to the board a form prescribed by the board and such other information as the board may request. A funeral director or embalmer may not place the funeral director's or embalmer's license on inactive status unless the funeral director or embalmer is in good standing with the board and is in compliance with applicable continuing education requirements. A funeral director or embalmer who is granted inactive status is
prohibited from participating in any activity for which a
funeral director's or embalmer's license is required in this
state. A funeral director or embalmer who has been granted
inactive status is exempt from the continuing education
requirements under section 4717.09 of the Revised Code during
the period of the inactive status.

(G) A funeral director or embalmer who has been granted
inactive status may not return to active status for at least two
years following the date that the inactive status was granted.
Following a period of at least two years of inactive status, the
funeral director or embalmer may apply to return to active
status upon completion of all of the following conditions:

(1) The funeral director or embalmer files with the board
a form prescribed by the board seeking active status and
provides any other information as the board may request;

(2) The funeral director or embalmer takes and passes the
Ohio laws examination for each license being activated;

(3) The funeral director or embalmer pays a reactivation
fee to the board in the amount of one hundred forty dollars for
each license being reactivated.

(H) As used in this section:

(1) "Community control sanction" has the same meaning as
in section 2929.01 of the Revised Code.

(2) "Post-release control sanction" has the same meaning
as in section 2967.01 of the Revised Code.

Sec. 4717.051. (A) Any person who desires to obtain a
permit as a crematory operator shall apply to the board of
embalmers and funeral directors on a form prescribed by the
board. The applicant shall include with the application the initial permit fee set forth in section 4717.07 of the Revised Code and evidence, verified under oath and satisfactory to the board, that the applicant satisfies both of the following requirements:

(1) The applicant is at least eighteen years of age and of good moral character.

(2) If the applicant has pleaded guilty to, or has been found by a judge or jury to be guilty of, or has had judicial finding of eligibility for treatment in lieu of conviction entered against the applicant in this state for aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary, or has pleaded guilty to, has been found by a judge or jury to be guilty of, or has had judicial finding of eligibility for treatment in lieu of conviction entered against the applicant in another jurisdiction for a substantially equivalent offense, at least five years has elapsed since the applicant was released from incarceration, a community control sanction, a post-release control sanction, parole, or treatment in connection with the offense.

(3) The applicant has satisfactorily completed a crematory operation certification program approved by the board and has presented to the board a certificate showing completion of the program.

(B) If the board of embalmers and funeral directors, upon receiving satisfactory evidence, determines that the applicant satisfies all of the requirements of division (A) of this section, the board shall issue to the applicant a permit as a
crematory operator.

(C) The board of embalmers and funeral directors may revoke or suspend a crematory operator permit or subject a crematory operator permit holder to discipline in accordance with the laws, rules, and procedures applicable to licensees under this chapter.

Sec. 4717.061. (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter.

(B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The board of embalmers and funeral directors shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4717.05, 4717.06, or 4717.10 of the Revised Code.

Sec. 4717.14. (A) The board of embalmers and funeral directors may, except as provided in division (G) of this section, refuse to grant or renew, or may suspend or revoke, any license or permit issued under this chapter or may require the holder of a license or permit to take corrective action courses for any of the following reasons:

(1) The holder of a license or permit obtained the license or permit by fraud or misrepresentation either in the
application or in passing the examination.

(2) The applicant, licensee, or permit holder has been convicted of or has pleaded guilty to a felony or of any crime involving moral turpitude.

(3) The applicant, licensee, or permit holder has recklessly violated any provision of sections 4717.01 to 4717.15 or a rule adopted under any of those sections; division (A) or (B) of section 4717.23; division (B)(1) or (2), (C)(1) or (2), (D), (E), or (F)(1) or (2), or divisions (H) to (K) of section 4717.26; division (D)(1) of section 4717.27; or divisions (A) to (C) of section 4717.28 of the Revised Code; or any provisions of sections 4717.31 to 4717.38 of the Revised Code; any rule or order of the department of health or a board of health of a health district governing the disposition of dead human bodies; or any other rule or order applicable to the applicant or licensee.

(4) The applicant, licensee, or permit holder has committed immoral or unprofessional conduct.

(5) The applicant or licensee knowingly permitted an unlicensed person, other than a person serving an apprenticeship, to engage in the profession or business of embalming or funeral directing under the applicant's or licensee's supervision.

(6) The applicant, licensee, or permit holder has been habitually intoxicated, or is addicted to the use of morphine, cocaine, or other habit-forming or illegal drugs.

(7) The applicant, licensee, or permit holder has refused to promptly submit the custody of a dead human body or cremated remains upon the express order of the person legally entitled to
the body or cremated remains.

(8) The licensee or permit holder loaned the licensee's own license or the permit holder's own permit, or the applicant, licensee, or permit holder borrowed or used the license or permit of another person, or knowingly aided or abetted the granting of an improper license or permit.

(9) The applicant, licensee, or permit holder misled the public by using false or deceptive advertising. As used in this division, "false and deceptive advertising" includes, but is not limited to, any of the following:

(a) Using the names of persons who are not licensed to practice funeral directing in a way that leads the public to believe that such persons are engaging in funeral directing;

(b) Using any name for the funeral home other than the name under which the funeral home is licensed;

(c) Using in the funeral home's name the surname of an individual who is not directly, actively, or presently associated with the funeral home, unless such surname has been previously and continuously used by the funeral home.

(B)(1) The board of embalmers and funeral directors shall refuse to grant or renew, or shall suspend or revoke a license or permit only in accordance with Chapter 119. of the Revised Code.

(2) The board shall send to the crematory review board written notice that it proposes to refuse to issue or renew, or proposes to suspend or revoke, a license to operate a crematory facility. If, after the conclusion of the adjudicatory hearing on the matter conducted under division (F) of section 4717.03 of the Revised Code, the board of embalmers and funeral directors
finds that any of the circumstances described in divisions (A) (1) to (9) of this section apply to the person named in its proposed action, the board may issue a final order under division (F) of section 4717.03 of the Revised Code refusing to issue or renew, or suspending or revoking, the person's license to operate a crematory facility.

(C) If the board of embalmers and funeral directors determines that there is clear and convincing evidence that any of the circumstances described in divisions (A)(1) to (9) of this section apply to the holder of a license or permit issued under this chapter and that the licensee's or permit holder's continued practice presents a danger of immediate and serious harm to the public, the board may suspend the licensee's license or permit holder's permit without a prior adjudicatory hearing. The executive director of the board shall prepare written allegations for consideration by the board.

The board, after reviewing the written allegations, may suspend a license or permit without a prior hearing.

Notwithstanding section 121.22 of the Revised Code, the board may suspend a license or permit under this division by utilizing a telephone conference call to review the allegations and to take a vote.

The board shall issue a written order of suspension by a delivery system or in person in accordance with section 119.07 of the Revised Code. Such an order is not subject to suspension by the court during the pendency of any appeal filed under section 119.12 of the Revised Code. If the licensee or permit holder requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the licensee or permit holder has
requested a hearing, unless the board and the licensee or permit holder agree to a different time for holding the hearing.

Upon issuing a written order of suspension to the holder of a license to operate a crematory facility, the board of embalmers and funeral directors shall send written notice of the issuance of the order to the crematory review board. The crematory review board shall hold an adjudicatory hearing on the order under division (F) of section 4717.03 of the Revised Code within fifteen days, but not earlier than seven days, after the issuance of the order, unless the crematory review board and the licensee agree to a different time for holding the adjudicatory hearing.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicatory order issued by the board of embalmers and funeral directors pursuant to this division and Chapter 119. of the Revised Code, or division (F) of section 4717.03 of the Revised Code, as applicable, becomes effective. The board of embalmers and funeral directors shall issue its final adjudicatory order within sixty days after the completion of its hearing or, in the case of the summary suspension of a license to operate a crematory facility, within sixty days after completion of the adjudicatory hearing by the crematory review board. A failure to issue the order within that time results in the dissolution of the summary suspension order, but does not invalidate any subsequent final adjudicatory order.

(D) If the board of embalmers and funeral directors suspends or revokes a funeral director's license or a license to operate a funeral home for any reason identified in division (A) of this section, the board may file a complaint with the court
of common pleas in the county where the violation occurred
requesting appointment of a receiver and the sequestration of
the assets of the funeral home that held the suspended or
revoked license or the licensed funeral home that employs the
funeral director that held the suspended or revoked license. If
the court of common pleas is satisfied with the application for
a receivership, the court may appoint a receiver.

The board or a receiver may employ and procure whatever
assistance or advice is necessary in the receivership or
liquidation and distribution of the assets of the funeral home,
and, for that purpose, may retain officers or employees of the
funeral home as needed. All expenses of the receivership or
liquidation shall be paid from the assets of the funeral home
and shall be a lien on those assets, and that lien shall be a
priority to any other lien.

(E) Any holder of a license or permit issued under this
chapter who has pleaded guilty to, has been found by a judge or
directory to be guilty of, or has had a judicial finding of
eligibility for treatment in lieu of conviction entered against
the individual in this state for aggravated murder, murder,
voluntary manslaughter, felonious assault, kidnapping, rape,
sexual battery, gross sexual imposition, aggravated arson,
aggravated robbery, or aggravated burglary, or who has pleaded
guilty to, has been found by a judge or jury to be guilty of, or
has had a judicial finding of eligibility for treatment in lieu
of conviction entered against the individual in another
jurisdiction for any substantially equivalent criminal offense,
is hereby suspended from practice under this chapter by
operation of law, and any license or permit issued to the
individual under this chapter is hereby suspended by operation
of law as of the date of the guilty plea, verdict or finding of
guilt, or judicial finding of eligibility for treatment in lieu
of conviction, regardless of whether the proceedings are brought
in this state or another jurisdiction. The board shall notify
the suspended individual of the suspension of the individual's
license or permit by the operation of this division by a
delivery system or in person in accordance with section 119.07
of the Revised Code. If an individual whose license or permit is
suspended under this division fails to make a timely request for
an adjudicatory hearing, the board shall enter a final order
revoking the license.

(F) No person whose license or permit has been suspended
or revoked under or by the operation of this section shall
knowingly practice embalming, funeral directing, or cremation,
or operate a funeral home, embalming facility, or crematory
facility until the board has reinstated the person's license or
permit.

(G) The board shall not refuse to issue a license or
permit to an applicant because of a conviction of or plea of
guilty to a criminal offense unless the refusal is in accordance
with section 9.79 of the Revised Code.

Sec. 4719.03. (A) Except as otherwise provided in division
(B) of this section, the attorney general shall issue a
certificate of registration or registration renewal as a
telephone solicitor to any applicant or registrant that submits
a completed application for the certificate, as specified under
section 4719.02 of the Revised Code, and pays, as applicable,
the registration fee or renewal fee prescribed pursuant to rule
of the attorney general adopted under section 4719.10 of the
Revised Code. All fees collected under this division shall be
deposited into the state treasury to the credit of the
telemarketing fraud enforcement fund created in section 4719.17 of the Revised Code. The certificate of registration or registration renewal shall expire one year after the date on which it is issued.

(B) After an adjudication conducted in accordance with Chapter 119. of the Revised Code, the attorney general may, except as provided in division (C) of this section, deny a certificate of registration or registration renewal or may suspend or revoke a certificate if the attorney general finds, by a preponderance of the evidence, that any of the following conditions apply:

(1) The applicant or registrant obtained a certificate of registration or registration renewal through any false or fraudulent representation or made any material misrepresentation in any registration application.

(2) The applicant or registrant made false promises through advertising or other means or engaged in a continued course of misrepresentations.

(3) The applicant or registrant violated any provision of Chapter 1345. or sections 4719.01 to 4719.18 of the Revised Code or a rule adopted under that chapter or those sections.

A consent agreement, when ratified by a vote of a quorum, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the agreement shall be of no effect.

(D) The hearings of the board shall be conducted in accordance with Chapter 119. of the Revised Code, the board may
appoint a hearing examiner, as provided in section 119.09 of the Revised Code, to conduct any hearing the board is authorized to hold under Chapter 119. of the Revised Code.

In any instance in which the board is required under Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and the applicant, licensee, or certificate holder does not make a timely request for a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by a vote of a quorum, a final order that contains the board's findings. In the final order, the board may order any of the sanctions listed in division (A) or (B) of this section.

(E) If a criminal action is brought against a registered nurse, licensed practical nurse, or dialysis technician for an act or crime described in divisions (B)(3) to (7) of this section and the action is dismissed by the trial court other than on the merits, the board shall conduct an adjudication to determine whether the registered nurse, licensed practical nurse, or dialysis technician committed the act on which the action was based. If the board determines on the basis of the adjudication that the registered nurse, licensed practical nurse, or dialysis technician committed the act, or if the registered nurse, licensed practical nurse, or dialysis technician fails to participate in the adjudication, the board may take action as though the registered nurse, licensed practical nurse, or dialysis technician had been convicted of the act.

If the board takes action on the basis of a conviction, plea, or a judicial finding as described in divisions (B)(3) to (7) of this section that is overturned on appeal, the registered
nurse, licensed practical nurse, or dialysis technician may, on
exhaustion of the appeal process, petition the board for
reconsideration of its action. On receipt of the petition and
supporting court documents, the board shall temporarily rescind
its action. If the board determines that the decision on appeal
was a decision on the merits, it shall permanently rescind its
action. If the board determines that the decision on appeal was
not a decision on the merits, it shall conduct an adjudication
to determine whether the registered nurse, licensed practical
nurse, or dialysis technician committed the act on which the
original conviction, plea, or judicial finding was based. If the
board determines on the basis of the adjudication that the
registered nurse, licensed practical nurse, or dialysis
technician committed such act, or if the registered nurse,
licensed practical nurse, or dialysis technician does not
request an adjudication, the board shall reinstate its action;
otherwise, the board shall permanently rescind its action.

Notwithstanding the provision of division (C)(2) of
section 2953.32 of the Revised Code specifying that if records
pertaining to a criminal case are sealed under that section the
proceedings in the case shall be deemed not to have occurred,
sealing of the following records on which the board has based an
action under this section shall have no effect on the board's
action or any sanction imposed by the board under this section:
records of any conviction, guilty plea, judicial finding of
guilt resulting from a plea of no contest, or a judicial finding
of eligibility for a pretrial diversion program or intervention
in lieu of conviction.

The board shall not be required to seal, destroy, redact,
or otherwise modify its records to reflect the court's sealing
of conviction records.
(F) The board may investigate an individual's criminal background in performing its duties under this section. As part of such investigation, the board may order the individual to submit, at the individual's expense, a request to the bureau of criminal identification and investigation for a criminal records check and check of federal bureau of investigation records in accordance with the procedure described in section 4723.091 of the Revised Code.

(G) During the course of an investigation conducted under this section, the board may compel any registered nurse, licensed practical nurse, or dialysis technician or applicant under this chapter to submit to a mental or physical examination, or both, as required by the board and at the expense of the individual, if the board finds reason to believe that the individual under investigation may have a physical or mental impairment that may affect the individual's ability to provide safe nursing care. Failure of any individual to submit to a mental or physical examination when directed constitutes an admission of the allegations, unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence.

If the board finds that an individual is impaired, the board shall require the individual to submit to care, counseling, or treatment approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. The individual shall be afforded an opportunity to demonstrate to the board that the individual can begin or resume the individual's occupation in compliance with acceptable and prevailing standards of care under the provisions of the individual's authority to practice.
For purposes of this division, any registered nurse, licensed practical nurse, or dialysis technician or applicant under this chapter shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(H) The board shall investigate evidence that appears to show that any person has violated any provision of this chapter or any rule of the board. Any person may report to the board any information the person may have that appears to show a violation of any provision of this chapter or rule of the board. In the absence of bad faith, any person who reports such information or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable for civil damages as a result of the report or testimony.

(I) All of the following apply under this chapter with respect to the confidentiality of information:

(1) Information received by the board pursuant to a complaint or an investigation is confidential and not subject to discovery in any civil action, except that the board may disclose information to law enforcement officers and government entities for purposes of an investigation of either a licensed health care professional, including a registered nurse, licensed practical nurse, or dialysis technician, or a person who may have engaged in the unauthorized practice of nursing or dialysis care. No law enforcement officer or government entity with knowledge of any information disclosed by the board pursuant to this division shall divulge the information to any other person or government entity except for the purpose of a government
investigation, a prosecution, or an adjudication by a court or
government entity.

(2) If an investigation requires a review of patient
records, the investigation and proceeding shall be conducted in
such a manner as to protect patient confidentiality.

(3) All adjudications and investigations of the board
shall be considered civil actions for the purposes of section
2305.252 of the Revised Code.

(4) Any board activity that involves continued monitoring
of an individual as part of or following any disciplinary action
taken under this section shall be conducted in a manner that
maintains the individual's confidentiality. Information received
or maintained by the board with respect to the board's
monitoring activities is not subject to discovery in any civil
action and is confidential, except that the board may disclose
information to law enforcement officers and government entities
for purposes of an investigation of a licensee or certificate
holder.

(J) Any action taken by the board under this section
resulting in a suspension from practice shall be accompanied by
a written statement of the conditions under which the person may
be reinstated to practice.

(K) When the board refuses to grant a license or
certificate to an applicant, revokes a license or certificate,
or refuses to reinstate a license or certificate, the board may
specify that its action is permanent. An individual subject to
permanent action taken by the board is forever ineligible to
hold a license or certificate of the type that was refused or
revoked and the board shall not accept from the individual an
application for reinstatement of the license or certificate or for a new license or certificate.

(L) No unilateral surrender of a nursing license, certificate of authority, or dialysis technician certificate issued under this chapter shall be effective unless accepted by majority vote of the board. No application for a nursing license, certificate of authority, or dialysis technician certificate issued under this chapter may be withdrawn without a majority vote of the board. The board's jurisdiction to take disciplinary action under this section is not removed or limited when an individual has a license or certificate classified as inactive or fails to renew a license or certificate.

(M) Sanctions shall not be imposed under division (B)(24) of this section against any licensee who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person licensed pursuant to this chapter to the extent allowed by this chapter and the rules of the board.

Sec. 4725.44. (A) The state vision professionals board shall be responsible for the administration of sections 4725.40 to 4725.59 of the Revised Code and, in particular, shall process applications for licensure as licensed dispensing opticians and ocularists; schedule, administer, and supervise the qualifying examinations for licensure or contract with a testing service to schedule, administer, and supervise the qualifying examination for licensure; issue licenses to qualified individuals; and revoke and suspend licenses.

(C) The board shall have no authority to adopt rules governing the employment of dispensing opticians, the location or number of optical stores, advertising of optical products or services, or the manner in which optical products can be displayed.

Sec. 4725.48. (A) Any person who desires to engage in
optical dispensing shall file a properly completed application for an examination with the state vision professionals board or with the testing service the board has contracted with pursuant to section 4725.49 of the Revised Code. (B) Any person who desires to engage in optical dispensing shall file a properly completed application for a license with the board with a licensure application fee of fifty dollars.

contact lenses, including methods of fitting contact lenses and post-fitting care.

(C) Any person who desires to obtain a license to practice as an ocularist shall file a properly completed application with the board accompanied by the appropriate fee and proof that the applicant has met the requirements for licensure. The board shall establish, by rule, the application fee and the minimum requirements for licensure, including education, examination, or experience standards recognized by the board as national standards for ocularists. The board shall issue a license to practice as an ocularist to an applicant who satisfies the requirements of this division and rules adopted pursuant to this division.

(D)(1) Subject to divisions (D)(2), (3), and (4) of this section, the board shall not adopt, maintain, renew, or enforce any rule that precludes an individual from receiving or renewing a license as a dispensing optician issued under sections 4725.40 to 4725.59 of the Revised Code due to any past criminal activity or interpretation of moral character, unless the individual has committed a crime of moral turpitude or a disqualifying offense as those terms are defined in section 4776.10 of the Revised Code.

If the board denies an individual a license or license renewal, the reasons for such denial shall be put in writing.

(2) Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the board may use its discretion in granting or denying the individual's application.
Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a felony that is not a crime of moral turpitude or a disqualifying offense less than three years prior to making the application, the board may use its discretion in granting or denying the individual a license. The provisions in this paragraph do not apply with respect to any offense unless the board, prior to September 28, 2012, was required or authorized to deny the application based on that offense.

In all other circumstances, the board shall follow the procedures it adopts by rule that conform to division (D)(1) of this section to an applicant because of a conviction of or plea of guilty to an offense if the refusal is in accordance with section 9.79 of the Revised Code.

(3) In considering a renewal of an individual's license, the board shall not consider any conviction or plea of guilty prior to the initial licensing. However, the board may consider a conviction or plea of guilty if it occurred after the individual was initially licensed, or after the most recent license renewal.

(4) The board may grant an individual a conditional license that lasts for one year. After the one-year period has expired, the license is no longer considered conditional, and the individual shall be considered fully licensed.

(E) The board, subject to the approval of the controlling board, may establish examination fees in excess of the amount established by rule pursuant to this section, provided that such fees do not exceed those amounts established in rule by more than fifty per cent.
Sec. 4725.501. (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter. (B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state vision professionals board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4725.50 or 4725.57 of the Revised Code.

Sec. 4725.52. Any licensed dispensing optician may supervise a maximum of three apprentices who shall be permitted to engage in optical dispensing only under the supervision of the licensed dispensing optician.

To serve as an apprentice, a person shall register with the state vision professionals board on a form provided by the board and in the form of a statement giving the name and address of the supervising licensed dispensing optician, the location at which the apprentice will be employed, and any other information required by the board. For the duration of the apprenticeship, the apprentice shall register annually on the form provided by the board and in the form of a statement.

Each apprentice shall pay an initial registration fee of twenty dollars. For each registration renewal thereafter, each apprentice shall pay a registration renewal fee of twenty
dollars.

The board shall not deny registration as an apprentice under this section to any individual based on the individual's past criminal history or an interpretation of moral character unless the individual has committed denial is for a disqualifying offense or crime of moral turpitude as those terms are defined in accordance with section 4776.10-9.79 of the Revised Code. Except as otherwise provided in this division, if an individual applying for a registration has been convicted of or pleaded guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the board may use its discretion in granting or denying the individual a registration. Except as otherwise provided in this division, if an individual applying for a registration has been convicted of or pleaded guilty to a felony that is not a crime of moral turpitude or a disqualifying offense less than three years prior to making the application, the board may use its discretion in granting or denying the individual a registration. The provisions in this paragraph do not apply with respect to any offense unless the board, prior to September 28, 2012, was required or authorized to deny the registration based on that offense.

In all other circumstances, the board shall follow the procedures it adopts by rule that conform to this section. In considering a renewal of an individual's registration, the board shall not consider any conviction or plea of guilty prior to the initial registration. However, the board may consider a conviction or plea of guilty if it occurred after the individual was initially registered, or after the most recent registration renewal. If the board denies an individual for a registration or registration renewal, the reasons for such denial shall be put...
in writing. Additionally, the board may grant an individual a conditional registration that lasts for one year. After the one-year period has expired, the registration is no longer considered conditional, and the individual shall be considered fully registered.

A person who is gaining experience under the supervision of a licensed optometrist or ophthalmologist that would qualify the person under division (B)(1) of section 4725.48 of the Revised Code to take the examination for optical dispensing is not required to register with the board.

Sec. 4725.53. (A) The state vision professionals board, by a majority vote of its members, may refuse to grant a license and, in accordance with Chapter 119. of the Revised Code, may suspend or revoke the license of a licensed dispensing optician or impose a fine or order restitution pursuant to division (B) of this section on any of the following grounds:

(1) Conviction of a crime involving moral turpitude or a disqualifying offense as those terms are defined in section 4776.10 of the Revised Code;

(2) Obtaining or attempting to obtain a license by fraud or deception;

(3) Obtaining any fee or making any sale of an optical aid by means of fraud or misrepresentation;

(4) Habitual indulgence in the use of controlled substances or other habit-forming drugs, or in the use of alcoholic liquors to an extent that affects professional competency;

(5) Finding by a court of competent jurisdiction that the
applicant or licensee is incompetent by reason of mental illness and no subsequent finding by the court of competency;

(6) Finding by a court of law that the licensee is guilty of incompetence or negligence in the dispensing of optical aids;

(8) Permitting another person to use the licensee's license;

(9) Engaging in optical dispensing not pursuant to the prescription of a licensed physician or licensed optometrist, but nothing in this section shall prohibit the duplication or replacement of previously prepared optical aids, except contact lenses shall not be duplicated or replaced without a written prescription;

(10) Violation of sections 4725.40 to 4725.59 of the Revised Code;

(11) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers optical dispensing services, would otherwise be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that provider;

(12) Advertising that the licensee will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers optical dispensing services, would otherwise be required to pay;
(13) Violating the code of ethical conduct adopted under section 4725.66 of the Revised Code.

(B) The board may impose a fine of not more than five hundred dollars for a first occurrence of an action that is grounds for discipline under this section and of not less than five hundred nor more than one thousand dollars for a subsequent occurrence, or may order the licensee to make restitution to a person who has suffered a financial loss as a result of the licensee's failure to comply with sections 4725.40 to 4725.59 of the Revised Code.

(C) Notwithstanding divisions (A)(11) and (12) of this section, sanctions shall not be imposed against any licensee who waives deductibles and copayments:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copays shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Such consent shall be made available to the board upon request.

(2) For professional services rendered to any other person licensed pursuant to this chapter to the extent allowed by this chapter and the rules of the board.

(D) The board shall not refuse to grant a license to an applicant because of a conviction unless the refusal is in accordance with section 9.79 of the Revised Code.

Sec. 4727.03. (A) As used in this section, "experience and fitness in the capacity involved" means that the applicant for a pawnbroker's license demonstrates sufficient financial responsibility, reputation, and experience in the pawnbroker business, or in a related business, to act as a pawnbroker in
compliance with this chapter. "Experience and fitness in the capacity involved" shall be determined by:

(1) Prior or current ownership or management of, or employment in, a pawnshop;

(2) Demonstration to the satisfaction of the superintendent of financial institutions of a thorough working knowledge of all pawnbroker laws and rules as they relate to the actual operation of a pawnshop.

A demonstration shall include a demonstration of an ability to properly complete forms, knowledge of how to properly calculate interest and storage charges, and knowledge of legal notice and forfeiture procedures. The final determination of whether an applicant's demonstration is adequate rests with the superintendent.

(3) A submission by the applicant and any stockholders, owners, managers, directors, or officers of the pawnshop, and employees of the applicant to a police record check; and

(4) Liquid assets in a minimum amount of one hundred twenty-five thousand dollars at the time of applying for initial licensure and demonstration of the ability to maintain the liquid assets at a minimum amount of seventy-five thousand dollars for the duration of holding a valid pawnbroker's license. If an applicant holds a pawnbroker's license at the time of application or is applying for more than one license, this requirement shall be met separately for each license.

(B) The superintendent may grant a license to act as a pawnbroker to any person of good character and having experience and fitness in the capacity involved to engage in the business of pawnbroking upon the payment to the superintendent of a
license fee determined by the superintendent pursuant to section 1321.20 of the Revised Code. A license is not transferable or assignable.

(C) The superintendent may consider an application withdrawn and may retain the investigation fee required under division (D) of this section if both of the following are true:

(1) An application for a license does not contain all of the information required under division (B) of this section.

(2) The information is not submitted to the superintendent within ninety days after the superintendent requests the information from the applicant in writing.

(D) The superintendent shall require an applicant for a pawnbroker's license to pay to the superintendent a nonrefundable initial investigation fee of two hundred dollars, which is for the exclusive use of the state.

(E)(1) Except as otherwise provided in division (E)(2) of this section, a pawnbroker's license issued by the superintendent expires on the thirtieth day of June next following the date of its issuance, and may be renewed annually by the thirtieth day of June in accordance with the standard renewal procedure set forth in Chapter 4745. of the Revised Code. Fifty per cent of the annual license fee shall be for the use of the state, and fifty per cent shall be paid by the state to the municipal corporation, or if outside the limits of any municipal corporation, to the county, in which the office of the licensee is located. All such fees payable to municipal corporations or counties shall be paid annually.

(2) A pawnbroker's license issued or renewed by the superintendent on or after January 1, 2006, expires on the
thirtieth day of June in the even-numbered year next following the date of its issuance or renewal, as applicable, and may be renewed biennially by the thirtieth day of June in accordance with the standard renewal procedure set forth in Chapter 4745 of the Revised Code. Fifty per cent of the biennial license fee shall be for the use of the state, and fifty per cent shall be paid by the state to the municipal corporation, or if outside the limits of any municipal corporation, to the county, in which the office of the licensee is located. All such fees payable to municipal corporations or counties shall be paid biennially.

(F) The fee for renewal of a license shall be equivalent to the fee for an initial license established by the superintendent pursuant to section 1321.20 of the Revised Code. Any licensee who wishes to renew the pawnbroker's license but who fails to do so on or before the date the license expires shall reapply for licensure in the same manner and pursuant to the same requirements as for initial licensure, unless the licensee pays to the superintendent on or before the thirty-first day of August of the year the license expires, a late renewal penalty of one hundred dollars in addition to the regular renewal fee. Any licensee who fails to renew the license on or before the date the license expires is prohibited from acting as a pawnbroker until the license is renewed or a new license is issued under this section. Any licensee who renews a license between the first day of July and the thirty-first day of August of the year the license expires is not relieved from complying with this division. The superintendent may refuse to issue to or renew the license of any licensee who violates this division.

(G) No license shall be granted to any person not a resident of or the principal office of which is not located in
the municipal corporation or county designated in such license
unless that applicant, in writing and in due form approved by
and filed with the superintendent, first appoints an agent, a
resident of the state, and city or county where the office is to
be located, upon whom all judicial and other process, or legal
notice, directed to the applicant may be served. In case of the
death, removal from the state, or any legal disability or any
disqualification of any such agent, service of such process or
notice may be made upon the superintendent.

The superintendent may, upon notice to the licensee and
reasonable opportunity to be heard, suspend or revoke any
license or assess a penalty against the licensee if the
licensee, or the licensee's officers, agents, or employees, has
violated this chapter. Any penalty shall be appropriate to the
violation but in no case shall the penalty be less than two
hundred nor more than two thousand dollars. Whenever, for any
cause, a license is suspended or revoked, the superintendent
shall not issue another license to the licensee nor to the legal
spouse of the licensee, nor to any business entity of which the
licensee is an officer or member or partner, nor to any person
employed by the licensee, until the expiration of at least two
years from the date of revocation or suspension of the license.
The superintendent shall deposit all penalties allocated
pursuant to this section into the state treasury to the credit
of the consumer finance fund.

Any proceedings for the revocation or suspension of a
license or to assess a penalty against a licensee are subject to
Chapter 119. of the Revised Code.

(H) If a licensee surrenders or chooses not to renew the
pawnbroker's license, the licensee shall notify the
As Introduced

superintendent thirty days prior to the date on which the licensee intends to close the licensee's business as a pawnbroker. Prior to the date, the licensee shall do either of the following with respect to all active loans:

(1) Dispose of an active loan by selling the loan to another person holding a valid pawnbroker's license issued under this section;

(2) Reduce the rate of interest on pledged articles held as security for a loan to eight per cent per annum or less effective on the date that the pawnbroker's license is no longer valid.

Sec. 4728.03. (A) As used in this section, "experience and fitness in the capacity involved" means that the applicant for a precious metals dealer's license has had sufficient financial responsibility, reputation, and experience in the business of precious metals dealer, or a related business, to act as a precious metals dealer in compliance with this chapter.

(B)(1) The division of financial institutions in the department of commerce may grant a precious metals dealer's license to any person of good character, having experience and fitness in the capacity involved, who demonstrates a net worth of at least ten thousand dollars and the ability to maintain that net worth during the licensure period. The superintendent of financial institutions shall compute the applicant's net worth according to generally accepted accounting principles.

(2) In place of the demonstration of net worth required by division (B)(1) of this section, an applicant may obtain a surety bond issued by a surety company authorized to do business in this state if all of the following conditions are met:
(a) A copy of the surety bond is filed with the division;  

(b) The bond is in favor of any person, and of the state  
for the benefit of any person, injured by any violation of this  
chapter;  

(c) The bond is in the amount of not less than ten  
thousand dollars.  

(3) Before granting a license under this division, the  
division shall determine that the applicant meets the  
requirements of division (B)(1) or (2) of this section.  

(C) The division shall require an applicant for a precious  
metals dealer's license to pay to the division a nonrefundable,  
initial investigation fee of two hundred dollars which shall be  
for the exclusive use of the state. The license fee for a  
precious metals dealer's license and the renewal fee shall be  
determined by the superintendent, provided that the fee may not  
exceed three hundred dollars. A license issued by the division  
shall expire on the last day of June next following the date of  
its issuance. Fifty per cent of license fees shall be for the  
use of the state, and fifty per cent shall be paid to the  
municipal corporation, or if outside the limits of any municipal  
corporation, to the county in which the office of the licensee  
is located. All portions of license fees payable to municipal  
corporations or counties shall be paid as they accrue, by the  
treasurer of state, on vouchers issued by the director of budget  
and management.  

(D) Every such license shall be renewed annually by the  
last day of June according to the standard renewal procedure of  
Chapter 4745. of the Revised Code. No license shall be granted  
to any person not a resident of or the principal office of which
is not located in the municipal corporation or county designated
in such license, unless, and until such applicant shall, in
writing and in due form, to be first approved by and filed with
the division, appoint an agent, a resident of the state, and
city or county where the office is to be located, upon whom all
judicial and other process, or legal notice, directed to the
applicant may be served; and in case of the death, removal from
the state, or any legal disability or any disqualification of
any agent, service of process or notice may be made upon the
superintendent.

(E) The division may, pursuant to Chapter 119. of the
Revised Code, upon notice to the licensee and after giving the
licensee reasonable opportunity to be heard, revoke or suspend
any license, if the licensee or the licensee's officers, agents,
or employees violate this chapter. Whenever, for any cause, the
license is revoked or suspended, the division shall not issue
another license to the licensee nor to the husband or wife of
the licensee, nor to any copartnership or corporation of which
the licensee is an officer, nor to any person employed by the
licensee, until the expiration of at least one year from the
date of revocation of the license.

(F) In conducting an investigation to determine whether an
applicant satisfies the requirements for licensure under this
section, the superintendent may request that the superintendent
of the bureau of criminal identification and investigation
investigate and determine whether the bureau has procured any
information pursuant to section 109.57 of the Revised Code
pertaining to the applicant.

If the superintendent of financial institutions determines
that conducting an investigation to determine whether an
applicant satisfies the requirements for licensure under this section will require procuring information outside the state, then, in addition to the fee established under division (C) of this section, the superintendent may require the applicant to pay any of the actual expenses incurred by the division to conduct such an investigation, provided that the superintendent shall assess the applicant a total no greater than one thousand dollars for such expenses. The superintendent may require the applicant to pay in advance of the investigation, sufficient funds to cover the estimated cost of the actual expenses. If the superintendent requires the applicant to pay investigation expenses, the superintendent shall provide to the applicant an itemized statement of the actual expenses incurred by the division to conduct the investigation.

(G)(1) Except as otherwise provided in division (G)(2) of this section a precious metals dealer licensed under this section shall maintain a net worth of at least ten thousand dollars, computed as required under division (B)(1) of this section, for as long as the licensee holds a valid precious metals dealer's license issued pursuant to this section.

(2) A licensee who obtains a surety bond under division (B)(2) of this section is exempt from the requirement of division (G)(1) of this section, but shall maintain the bond for at least two years after the date on which the licensee ceases to conduct business in this state.

Sec. 4729.071. (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter.
(B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state board of pharmacy shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4729.08, 4729.09, 4729.11, 4729.552, or 4729.553 of the Revised Code.

Sec. 4729.08. Every applicant for examination and licensure as a pharmacist shall:

(A) Be at least eighteen years of age;

(B) Be of good moral character, as defined in rules adopted by the state board of pharmacy under section 4729.26 of the Revised Code;

(C) Have obtained a degree in pharmacy from a program that has been recognized and approved by the state board of pharmacy, except that graduates of schools or colleges of pharmacy that are located outside the United States and have not demonstrated that the standards of their programs are at least equivalent to programs recognized and approved by the board shall be required to pass an equivalency examination recognized and approved by the board and to establish written and oral proficiency in English.

(D) Have satisfactorily completed at least the minimum requirements for pharmacy internship as outlined by the board.

If the board is satisfied that the applicant meets the foregoing requirements and if the applicant passes the
examination required under section 4729.07 of the Revised Code, the board shall issue to the applicant a license authorizing the individual to practice pharmacy.

**Sec. 4729.09.** The state board of pharmacy may license an individual as a pharmacist without examination if the individual:

(A) Holds a license in good standing to practice pharmacy under the laws of another state, has successfully completed an examination for licensure in the other state, and in the opinion of the board, the examination was at least as thorough as that required by the board at the time the individual took the examination;

(B) Is of good moral character, as defined in rules adopted by the board under section 4729.26 of the Revised Code;

(C) Has filed with the licensing body of the other state at least the credentials or the equivalent that were required by this state at the time the other state licensed the individual as a pharmacist.

The board shall not issue a license to practice pharmacy to an individual licensed in another state if the state in which the individual is licensed does not reciprocate by granting licenses to practice pharmacy to individuals holding valid licenses received through examination by the state board of pharmacy.

**Sec. 4729.16.** (A)(1) The state board of pharmacy, after notice and hearing in accordance with Chapter 119. of the Revised Code, may impose any one or more of the following sanctions on a pharmacist or pharmacy intern if the board finds the individual engaged in any of the conduct set forth in
division (A)(2) of this section:

(a) Revoke, suspend, restrict, limit, or refuse to grant
or renew a license;

(b) Reprimand or place the license holder on probation;

(c) Impose a monetary penalty or forfeiture not to exceed
in severity any fine designated under the Revised Code for a
similar offense, or in the case of a violation of a section of
the Revised Code that does not bear a penalty, a monetary
penalty or forfeiture of not more than five hundred dollars.

(2) The exception as provided in division (I) of this
section, the board may impose the sanctions listed in division
(A)(1) of this section if the board finds a pharmacist or
pharmacy intern:

(a) Has been convicted of a felony, or a crime of moral
turpitude, as defined in section 4776.10 of the Revised Code;

(b) Engaged in dishonesty or unprofessional conduct in the
practice of pharmacy;

(c) Is addicted to or abusing alcohol or drugs or is
impaired physically or mentally to such a degree as to render
the pharmacist or pharmacy intern unfit to practice pharmacy;

(d) Has been convicted of a misdemeanor related to, or
committed in, the practice of pharmacy;

(e) Violated, conspired to violate, attempted to violate,
or aided and abetted the violation of any of the provisions of
this chapter, sections 3715.52 to 3715.72 of the Revised Code,
Chapter 2925. or 3719. of the Revised Code, or any rule adopted
by the board under those provisions;
(f) Permitted someone other than a pharmacist or pharmacy intern to practice pharmacy;

(g) Knowingly lent the pharmacist's or pharmacy intern's name to an illegal practitioner of pharmacy or had a professional connection with an illegal practitioner of pharmacy;

(h) Divided or agreed to divide remuneration made in the practice of pharmacy with any other individual, including, but not limited to, any licensed health professional authorized to prescribe drugs or any owner, manager, or employee of a health care facility, residential care facility, or nursing home;

(i) Violated the terms of a consult agreement entered into pursuant to section 4729.39 of the Revised Code;

(j) Committed fraud, misrepresentation, or deception in applying for or securing a license issued by the board under this chapter or under Chapter 3715. or 3719. of the Revised Code;

(k) Failed to comply with an order of the board or a settlement agreement;

(l) Engaged in any other conduct for which the board may impose discipline as set forth in rules adopted under section 4729.26 of the Revised Code.

(B) Any individual whose license is revoked, suspended, or refused, shall return the license to the offices of the state board of pharmacy within ten days after receipt of notice of such action.

(C) As used in this section:

"Unprofessional conduct in the practice of pharmacy"
includes any of the following:

(1) Advertising or displaying signs that promote dangerous drugs to the public in a manner that is false or misleading;

(2) Except as provided in section 4729.281, 4729.44, or 4729.47 of the Revised Code, the dispensing or sale of any drug for which a prescription is required, without having received a prescription for the drug;

(3) Knowingly dispensing medication pursuant to false or forged prescriptions;

(4) Knowingly failing to maintain complete and accurate records of all dangerous drugs received or dispensed in compliance with federal laws and regulations and state laws and rules;

(5) Obtaining any remuneration by fraud, misrepresentation, or deception;

(6) Failing to conform to prevailing standards of care of similar pharmacists or pharmacy interns under the same or similar circumstances, whether or not actual injury to a patient is established;

(7) Engaging in any other conduct that the board specifies as unprofessional conduct in the practice of pharmacy in rules adopted under section 4729.26 of the Revised Code.

(D) The board may suspend a license under division (B) of section 3719.121 of the Revised Code by utilizing a telephone conference call to review the allegations and take a vote.

(E) For purposes of this division, an individual authorized to practice as a pharmacist or pharmacy intern accepts the privilege of practicing in this state subject to
supervision by the board. By filing an application for or holding a license to practice as a pharmacist or pharmacy intern, an individual gives consent to submit to a mental or physical examination when ordered to do so by the board in writing and waives all objections to the admissibility of testimony or examination reports that constitute privileged communications.

If the board has reasonable cause to believe that an individual who is a pharmacist or pharmacy intern is physically or mentally impaired, the board may require the individual to submit to a physical or mental examination, or both. The expense of the examination is the responsibility of the individual required to be examined.

Failure of an individual who is a pharmacist or pharmacy intern to submit to a physical or mental examination ordered by the board, unless the failure is due to circumstances beyond the individual's control, constitutes an admission of the allegations and a suspension order shall be entered without the taking of testimony or presentation of evidence. Any subsequent adjudication hearing under Chapter 119. of the Revised Code concerning failure to submit to an examination is limited to consideration of whether the failure was beyond the individual's control.

If, based on the results of an examination ordered under this division, the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed license to practice, to submit to a physical or mental examination and treatment.
An order of suspension issued under this division shall not be subject to suspension by a court during pendency of any appeal filed under section 119.12 of the Revised Code.

(F) If the board is required under Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and the applicant or licensee does not make a timely request for a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt a final order that contains the board's findings. In the final order, the board may impose any of the sanctions listed in division (A) of this section.

(G) Notwithstanding the provision of division (C)(2) of section 2953.32 of the Revised Code specifying that if records pertaining to a criminal case are sealed under that section the proceedings in the case must be deemed not to have occurred, sealing of the following records on which the board has based an action under this section shall have no effect on the board's action or any sanction imposed by the board under this section: records of any conviction, guilty plea, judicial finding of guilt resulting from a plea of no contest, or a judicial finding of eligibility for a pretrial diversion program or intervention in lieu of conviction. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(H) No pharmacist or pharmacy intern shall knowingly engage in any conduct described in divisions (A)(2)(b) or (A)(2)(e) to (l) of this section.

(I) The board shall not refuse to issue a license to an applicant for a conviction of an offense unless the refusal is in accordance with section 9.79 of the Revised Code.
Sec. 4729.90. (A) As used in this section, "responsible person" has the same meaning as in rules adopted by the state board of pharmacy under section 4729.26 of the Revised Code.

(B) (1) An applicant for registration as a registered pharmacy technician shall:

(a) Be at least eighteen years of age;

(b) Possess a high school diploma or a certificate of high school equivalence or have been employed continuously since prior to April 8, 2009, as a pharmacy technician without a high school diploma or certificate of high school equivalence;

(c) Be of good moral character, as defined in rules adopted by the state board of pharmacy under section 4729.26 of the Revised Code;

(d) Except as provided in division (D) of this section, comply with sections 4776.01 to 4776.04 of the Revised Code;

(e) Except as provided in division (E)(1) of this section, have successfully completed education and training that meets the requirements established by the board in rules adopted under section 4729.94 of the Revised Code.

(2) An applicant for registration as a certified pharmacy technician shall:

(a) Comply with divisions (B)(1)(a) and (c) of this section;

(b) Possess a high school diploma or a certificate of high school equivalence;

The criminal records check must have been conducted not earlier than twenty-four months before the date of the application for registration.

(E)(1) Until the date that is two years after April 6, 2017, an applicant for registration as a registered pharmacy technician who meets the requirements to be a qualified pharmacy technician under section 4729.42 of the Revised Code, as it existed immediately prior to the effective date of section 4729.95 of the Revised Code, may, instead of complying with division (B)(1)(e) of this section, submit an attestation from a pharmacy's responsible person that the applicant has completed a
pharmacy technician training program that is of appropriate breadth and depth to clearly address the competencies for a technician to safely and effectively work in that particular setting and includes instruction in all of the following:

(a) Packaging and labeling drugs;

(b) Pharmacy terminology;

(c) Basic drug information;

(d) Basic calculations;

(e) Quality control procedures;

(f) State and federal statutes, rules, and regulations regarding pharmacy technician duties, pharmacist duties, pharmacy intern duties, prescription or drug order processing procedures, non-sterile drug compounding, drug record keeping requirements, patient confidentiality, security requirements, and storage requirements.

(2) Until the date that is two years after April 6, 2017, an applicant for registration as a certified pharmacy technician who meets the requirements to be a qualified pharmacy technician under section 4729.42 of the Revised Code, as it existed immediately prior to the effective date of section 4729.95 of the Revised Code, may, instead of complying with division (B)(2)(c) of this section, submit an attestation from a pharmacy’s responsible person that the applicant has completed a pharmacy technician training program that is of appropriate breadth and depth to clearly address the competencies for a technician to safely and effectively work in that particular setting and includes instruction in all of the following:

(a) The topics listed in divisions (E)(1)(a) to (f) of
this section;

(b) Sterile drug compounding;

c) Preparing and mixing intravenous drugs to be injected into a human being.

Sec. 4729.92. (A) An applicant for registration as a pharmacy technician trainee shall:

(1) Comply with divisions (B)(A)(1)(a) to (c) and (b) of section 4729.90 of the Revised Code;

(3) Comply with sections 4776.01 to 4776.04 of the Revised Code.

(B) A pharmacist or pharmacy intern whose license has been denied, revoked, suspended, or otherwise restricted by the board shall not be registered as a pharmacy technician trainee.

Sec. 4729.96. (A)(1) The state board of pharmacy, after notice and hearing in accordance with Chapter 119. of the Revised Code, may impose one or more of the following sanctions on a pharmacy technician trainee, registered pharmacy technician, or certified pharmacy technician if the board finds the individual engaged in any of the conduct set forth in division (A)(2) of this section:

(a) Revoke, suspend, restrict, limit, or refuse to grant or renew a registration;

(b) Reprimand or place the holder of the registration on
probation;

(c) Impose a monetary penalty or forfeiture not to exceed in severity any fine designated under the Revised Code for a similar offense, or in the case of a violation of a section of the Revised Code that does not bear a penalty, a monetary penalty or forfeiture of not more than five hundred dollars.

(2) The board may impose the sanctions listed in division (A)(1) of this section if the board finds a pharmacy technician trainee, registered pharmacy technician, or certified pharmacy technician:

(a) Has been convicted of a felony, or a crime of moral turpitude, as defined in section 4776.10 of the Revised Code;

(C) For purposes of this division, an individual authorized to practice as a pharmacy technician trainee, registered pharmacy technician, or certified pharmacy technician accepts the privilege of practicing in this state subject to supervision by the board. By filing an application for or holding a registration under this chapter, the individual gives consent to submit to a mental or physical examination when ordered to do so by the board in writing and waives all objections to the admissibility of testimony or examination reports that constitute privileged communications.

If the board has reasonable cause to believe that an individual who is a pharmacy technician trainee, registered pharmacy technician, or certified pharmacy technician is physically or mentally impaired, the board may require the individual to submit to a physical or mental examination, or both. The expense of the examination is the responsibility of the individual required to be examined.

Failure of an individual who is a pharmacy technician trainee, registered pharmacy technician, or certified pharmacy technician to submit to a physical or mental examination ordered by the board, unless the failure is due to circumstances beyond
the individual's control, constitutes an admission of the
allegations and a suspension order shall be entered without the
taking of testimony or presentation of evidence. Any subsequent
adjudication hearing under Chapter 119. of the Revised Code
concerning failure to submit to an examination is limited to
consideration of whether the failure was beyond the individual's
control.

If, based on the results of an examination ordered under
this division, the board determines that the individual's
ability to practice is impaired, the board shall suspend the
individual's registration or deny the individual's application
and shall require the individual, as a condition for an initial,
continued, reinstated, or renewed registration to practice, to
submit to a physical or mental examination and treatment.

An order of suspension issued under this division shall
not be subject to suspension by a court during pendency of any
appeal filed under section 119.12 of the Revised Code.

(D) If the board is required under Chapter 119. of the
Revised Code to give notice of an opportunity for a hearing and
the applicant or registrant does not make a timely request for a
hearing in accordance with section 119.07 of the Revised Code,
the board is not required to hold a hearing, but may adopt a
final order that contains the board's findings. In the final
order, the board may impose any of the sanctions listed in
division (A) of this section.

(E) Notwithstanding the provision of division (C)(2) of
section 2953.32 of the Revised Code specifying that if records
pertaining to a criminal case are sealed under that section the
proceedings in the case must be deemed not to have occurred,
sealing of the following records on which the board has based an
action under this section shall have no effect on the board's action or any sanction imposed by the board under this section: records of any conviction, guilty plea, judicial finding of guilt resulting from a plea of no contest, or a judicial finding of eligibility for a pretrial diversion program or intervention in lieu of conviction. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) No pharmacy technician trainee, registered pharmacy technician, or certified pharmacy technician shall knowingly engage in any conduct described in divisions (A)(2)(b) or (A)(2)(d) to (g) of this section.

(G) The board shall not refuse to issue a registration to an applicant because of a conviction of an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

Sec. 4730.10. (A) An individual seeking a license to practice as a physician assistant shall file with the state medical board a written application on a form prescribed and supplied by the board. The application shall include all of the following:

In addition to any other eligibility requirement set forth in this chapter, each applicant for a license to practice as a physician assistant shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state medical board shall not grant to an applicant a license to practice as a physician assistant unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4730.12 of the Revised Code.

(1) The applicant shall hold a current, valid license or
other form of authority to practice as a physician assistant

(2) By meeting the educational or other applicable requirements specified in division (C)(1), (2), or (3) of this section.

Sec. 4730.25. (A) The state medical board, by an affirmative vote of not fewer than six members, may revoke or may refuse to grant a license to practice as a physician assistant to a person found by the board to have committed fraud, misrepresentation, or deception in applying for or securing the license.

(B) The board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend an individual's license to practice as a physician assistant or prescriber number, refuse to issue a license to an applicant, refuse to renew a certificate, refuse to reinstate a license, or reprimand or place on probation the holder of a license for any of the following reasons:

(1) Failure to practice in accordance with the supervising physician's supervision agreement with the physician assistant, including, if applicable, the policies of the health care facility in which the supervising physician and physician assistant are practicing;

(2) Failure to comply with the requirements of this chapter, Chapter 4731. of the Revised Code, or any rules adopted by the board;
(3) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provision of this chapter, Chapter 4731. of the Revised Code, or the rules adopted by the board;

(4) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(5) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(6) Administering drugs for purposes other than those authorized under this chapter;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in soliciting or advertising for employment as a physician assistant; in connection with any solicitation or advertisement for patients; in relation to the practice of medicine as it pertains to physician assistants; or in securing or attempting to secure a license to practice as a physician assistant.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent
person to misunderstand or be deceived.

(9) Representing, with the purpose of obtaining compensation or other advantage personally or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(10) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice;

(11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(12) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(14) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(15) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(17) A plea of guilty to, a judicial finding of guilt of,
or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs;

(18) Any of the following actions taken by the state agency responsible for regulating the practice of physician assistants in another state, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(19) A departure from, or failure to conform to, minimal standards of care of similar physician assistants under the same or similar circumstances, regardless of whether actual injury to a patient is established;

(20) Violation of the conditions placed by the board on a license to practice as a physician assistant;

(21) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(22) Failure to cooperate in an investigation conducted by the board under section 4730.26 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a
subpoena or permits the individual to withhold the testimony or
evidence in issue;

(23) Assisting suicide, as defined in section 3795.01 of
the Revised Code;

(24) Prescribing any drug or device to perform or induce
an abortion, or otherwise performing or inducing an abortion;

(25) Failure to comply with section 4730.53 of the Revised
Code, unless the board no longer maintains a drug database
pursuant to section 4729.75 of the Revised Code;

(26) Failure to comply with the requirements in section
3719.061 of the Revised Code before issuing for a minor a
prescription for an opioid analgesic, as defined in section
3719.01 of the Revised Code;

(27) Having certification by the national commission on
certification of physician assistants or a successor
organization expire, lapse, or be suspended or revoked;

(28) The revocation, suspension, restriction, reduction,
or termination of clinical privileges by the United States
department of defense or department of veterans affairs or the
termination or suspension of a certificate of registration to
prescribe drugs by the drug enforcement administration of the
United States department of justice.

(C) Disciplinary actions taken by the board under
divisions (A) and (B) of this section shall be taken pursuant to
an adjudication under Chapter 119. of the Revised Code, except
that in lieu of an adjudication, the board may enter into a
consent agreement with a physician assistant or applicant to
resolve an allegation of a violation of this chapter or any rule
adopted under it. A consent agreement, when ratified by an
affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(D) For purposes of divisions (B)(12), (15), and (16) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or license holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the license holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under the provisions of this section or upon the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) For purposes of this division, any individual who holds a license issued under this chapter, or applies for a license issued under this chapter, shall be deemed to have given
consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(4) of this section, the board, upon a showing of a possible violation, may compel any individual who holds a license issued under this chapter or who has applied for a license pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds a physician assistant unable to practice because of the reasons set forth in division (B)(4) of this section, the board shall require the physician assistant to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed license. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(5) of this section, if the board has reason to believe that any individual who holds a license issued under this chapter or any applicant for a license suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense
of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure, to submit to treatment.

Before being eligible to apply for reinstatement of a license suspended under this division, the physician assistant shall demonstrate to the board the ability to resume practice or prescribing in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual
has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired physician assistant resumes practice or prescribing, the board shall require continued monitoring of the physician assistant. The monitoring shall include compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the physician assistant has maintained sobriety.

(G) If the secretary and supervising member determine that there is clear and convincing evidence that a physician assistant has violated division (B) of this section and that the individual's continued practice or prescribing presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's license without a prior hearing. Written allegations shall be prepared for consideration by the board.

The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on
the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the physician assistant requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the physician assistant requests the hearing, unless otherwise agreed to by both the board and the license holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(H) If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition and supporting court documents, the board shall reinstate the individual's license. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity
for hearing shall be given in accordance with Chapter 119. of
the Revised Code. If the board finds, pursuant to an
adjudication held under this division, that the individual
committed the act, or if no hearing is requested, it may order
any of the sanctions identified under division (B) of this
section.

(I) The license to practice issued to a physician
assistant and the physician assistant's practice in this state
are automatically suspended as of the date the physician
assistant pleads guilty to, is found by a judge or jury to be
guilty of, or is subject to a judicial finding of eligibility
for intervention in lieu of conviction in this state or
treatment or intervention in lieu of conviction in another state
for any of the following criminal offenses in this state or a
substantially equivalent criminal offense in another
jurisdiction: aggravated murder, murder, voluntary manslaughter,
feloniouss assault, kidnapping, rape, sexual battery, gross
sexual imposition, aggravated arson, aggravated robbery, or
aggravated burglary. Continued practice after the suspension
shall be considered practicing without a license.

The board shall notify the individual subject to the
suspension by certified mail or in person in accordance with
section 119.07 of the Revised Code. If an individual whose
license is suspended under this division fails to make a timely
request for an adjudication under Chapter 119. of the Revised
Code, the board shall enter a final order permanently revoking
the individual's license to practice.

(J) In any instance in which the board is required by
Chapter 119. of the Revised Code to give notice of opportunity
for hearing and the individual subject to the notice does not
timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In that final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the physician assistant's license may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a license suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(L) When the board refuses to grant or issue to an applicant a license to practice as a physician assistant, revokes an individual's license, refuses to renew an individual's license, or refuses to reinstate an individual's license, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold the license and the board shall not accept an application for reinstatement of the license or for issuance of a new license.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a license surrendered to the board requires an affirmative vote of not fewer than six members of the board.
(2) An application made under this chapter for a license may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license in accordance with section 4730.14 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual.

(N) The board shall not refuse to issue a license to an applicant because of a conviction, plea of guilty, judicial finding of guilt, judicial finding of eligibility for intervention in lieu of conviction, or the commission of an act that constitutes a criminal offense, unless the refusal is in accordance with section 9.79 of the Revised Code.

Sec. 4731.08. In addition to any other eligibility requirement set forth in this chapter, each applicant for a license to practice medicine and surgery or osteopathic medicine and surgery shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state medical board shall not grant to an applicant a license to practice medicine and surgery or osteopathic medicine and surgery unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4731.14 of the Revised Code.

Sec. 4731.09. (A) An applicant for a license to practice medicine and surgery or osteopathic medicine and surgery must meet all of the following requirements:

(1) Be at least eighteen years of age and of good moral character;

(2) Possess a high school diploma or a certificate of high school equivalence or have obtained the equivalent of such
education as determined by the state medical board;

(3) Have completed two years of undergraduate work in a college of arts and sciences or the equivalent of such education as determined by the board;

(4) Meet one of the following medical education and graduate medical education requirements:

(a) Hold a diploma from a medical school or osteopathic medical school that, at the time the diploma was issued, was a medical school accredited by the liaison committee on medical education or an osteopathic medical school accredited by the American osteopathic association and have successfully completed not less than twelve months of graduate medical education through the first-year level of graduate medical education or its equivalent as determined by the board;

(b) Hold certification from the educational commission for foreign medical graduates and have successfully completed not less than twenty-four months of graduate medical education through the second-year level of graduate medical education or its equivalent as determined by the board;

(c) Be a qualified graduate of a fifth pathway training program as recognized by the board under section 4731.091 of the Revised Code and have successfully completed, subsequent to completing fifth pathway training, not less than twelve months of graduate medical education or its equivalent as determined by the board.

(5) Have successfully passed an examination prescribed in rules adopted by the board to determine competency to practice medicine and surgery or osteopathic medicine and surgery;

(6) Comply with section 4731.08 of the Revised Code;
(7) Meet the requirements of section 4731.142 of the Revised Code if eligibility for the license applied for is based in part on certification from the educational commission for foreign medical graduates and the undergraduate education requirements established by this section were fulfilled at an institution outside of the United States.

(B) An applicant for a license to practice medicine and surgery or osteopathic medicine and surgery shall submit to the board an application in the form and manner prescribed by the board. The application must include all of the following:

(1) Evidence satisfactory to the board to demonstrate that the applicant meets all of the requirements of division (A) of this section;

(2) An attestation that the information submitted under this section is accurate and truthful;

(3) Consent to the release of the applicant's information;

(4) Any other information the board requires.

(C) An applicant for a license to practice medicine and surgery or osteopathic medicine and surgery shall include with the application a fee of three hundred five dollars, no part of which may be returned. An application is not considered submitted until the board receives the fee.

(D) The board may conduct an investigation related to the application materials received pursuant to this section and may contact any individual, agency, or organization for recommendations or other information about the applicant.

(E) The board shall conclude any investigation of an applicant conducted under section 4731.22 of the Revised Code
not later than ninety days after receipt of a complete application unless the applicant agrees in writing to an extension or the board determines that there is a substantial question of a violation of this chapter or the rules adopted under it and notifies the applicant in writing of the reasons for continuation of the investigation. If the board determines that the applicant is not in violation of this chapter or the rules adopted under it, the board shall issue a license not later than forty-five days after making that determination.

**Sec. 4731.171.** In addition to any other eligibility requirement set forth in this chapter, each applicant for a certificate to practice massage therapy or cosmetic therapy shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state medical board shall not grant to an applicant a certificate to practice massage therapy or cosmetic therapy unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a certificate issued pursuant to section 4731.17 of the Revised Code.

**Sec. 4731.19.** (A) A person seeking a certificate to practice a limited branch of medicine shall file with the state medical board an application in a manner prescribed by the board. The application shall include or be accompanied by all of the following:

1. Evidence that the applicant is at least eighteen years of age and of good moral character;
2. Evidence that the applicant has attained high school graduation or its equivalent;
3. Evidence that the applicant holds one of the
following:

(a) A diploma or certificate from a school, college, or institution in good standing as determined by the board, showing the completion of the required courses of instruction;

(b) A diploma or certificate from a school, college, or institution in another state or jurisdiction showing completion of a course of instruction that meets course requirements determined by the board through rules adopted under section 4731.05 of the Revised Code;

(c) For not less than five years preceding application, a current license, registration, or certificate in good standing in another state for massage therapy or cosmetic therapy.

(4) Evidence that the applicant has successfully passed an examination, prescribed in rules described in section 4731.16 of the Revised Code, to determine competency to practice the applicable limited branch of medicine;

(5) An attestation that the information submitted under this section is accurate and truthful and that the applicant consents to release of information;

(6) Any other information the board requires.

(B) An applicant for a certificate to practice a limited branch of medicine shall comply with the requirements of section 4731.171 of the Revised Code.

(C) At the time of making application for a certificate to practice a limited branch of medicine, the applicant shall pay to the board a fee of one hundred fifty dollars, no part of which shall be returned. No application shall be considered filed until the board receives the appropriate fee.
(D) The board may investigate the application materials received under this section and contact any agency or organization for recommendations or other information about the applicant.

Sec. 4731.22. (A) The state medical board, by an affirmative vote of not fewer than six of its members, may limit, revoke, or suspend a license or certificate to practice or certificate to recommend, refuse to grant a license or certificate, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or certificate if the individual applying for or holding the license or certificate is found by the board to have committed fraud during the administration of the examination for a license or certificate to practice or to have committed fraud, misrepresentation, or deception in applying for, renewing, or securing any license or certificate to practice or certificate to recommend issued by the board.

(B) Except as provided in division (P) of this section, the board, by an affirmative vote of not fewer than six members, shall, to the extent permitted by law, limit, revoke, or suspend a license or certificate to practice or certificate to recommend, refuse to issue a license or certificate, refuse to renew a license or certificate, refuse to reinstate a license or certificate, or reprimand or place on probation the holder of a license or certificate for one or more of the following reasons:

(1) Permitting one's name or one's license or certificate to practice to be used by a person, group, or corporation when the individual concerned is not actually directing the treatment
given;

(2) Failure to maintain minimal standards applicable to the selection or administration of drugs, or failure to employ acceptable scientific methods in the selection of drugs or other modalities for treatment of disease;

(3) Except as provided in section 4731.97 of the Revised Code, selling, giving away, personally furnishing, prescribing, or administering drugs for other than legal and legitimate therapeutic purposes or a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction of, a violation of any federal or state law regulating the possession, distribution, or use of any drug;

(4) Willfully betraying a professional confidence.

For purposes of this division, "willfully betraying a professional confidence" does not include providing any information, documents, or reports under sections 307.621 to 307.629 of the Revised Code to a child fatality review board; does not include providing any information, documents, or reports to the director of health pursuant to guidelines established under section 3701.70 of the Revised Code; does not include written notice to a mental health professional under section 4731.62 of the Revised Code; and does not include the making of a report of an employee’s use of a drug of abuse, or a report of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by section 2305.33 or 4731.62 of the Revised Code upon a physician who makes a report in accordance with
section 2305.33 or notifies a mental health professional in accordance with section 4731.62 of the Revised Code. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(5) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of medicine and surgery, osteopathic medicine and surgery, podiatric medicine and surgery, or a limited branch of medicine; or in securing or attempting to secure any license or certificate to practice issued by the board.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(6) A departure from, or the failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established;

(7) Representing, with the purpose of obtaining compensation or other advantage as personal gain or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;

(8) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course
of practice;

(9) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(10) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(12) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Violation of the conditions of limitation placed by the board upon a license or certificate to practice;

(16) Failure to pay license renewal fees specified in this chapter;

(17) Except as authorized in section 4731.31 of the Revised Code, engaging in the division of fees for referral of patients, or the receiving of a thing of value in return for a specific referral of a patient to utilize a particular service
or business;

(18) Subject to section 4731.226 of the Revised Code, violation of any provision of a code of ethics of the American medical association, the American osteopathic association, the American podiatric medical association, or any other national professional organizations that the board specifies by rule. The state medical board shall obtain and keep on file current copies of the codes of ethics of the various national professional organizations. The individual whose license or certificate is being suspended or revoked shall not be found to have violated any provision of a code of ethics of an organization not appropriate to the individual's profession.

For purposes of this division, a "provision of a code of ethics of a national professional organization" does not include any provision that would preclude the making of a report by a physician of an employee's use of a drug of abuse, or of a condition of an employee other than one involving the use of a drug of abuse, to the employer of the employee as described in division (B) of section 2305.33 of the Revised Code. Nothing in this division affects the immunity from civil liability conferred by that section upon a physician who makes either type of report in accordance with division (B) of that section. As used in this division, "employee," "employer," and "physician" have the same meanings as in section 2305.33 of the Revised Code.

(19) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, but not limited to, physical deterioration that adversely affects cognitive, motor, or perceptive skills.
In enforcing this division, the board, upon a showing of a possible violation, may compel any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in this division, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or certificate. For the purpose of this division, any individual who applies for or receives a license or certificate to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(20) Except as provided in division (F)(1)(b) of section
4731.282 of the Revised Code or when civil penalties are imposed
under section 4731.225 of the Revised Code, and subject to
section 4731.226 of the Revised Code, violating or attempting to
violate, directly or indirectly, or assisting in or abetting the
violation of, or conspiring to violate, any provisions of this
chapter or any rule promulgated by the board.

This division does not apply to a violation or attempted
violation of, assisting in or abetting the violation of, or a
conspiracy to violate, any provision of this chapter or any rule
adopted by the board that would preclude the making of a report
by a physician of an employee's use of a drug of abuse, or of a
condition of an employee other than one involving the use of a
drug of abuse, to the employer of the employee as described in
division (B) of section 2305.33 of the Revised Code. Nothing in
this division affects the immunity from civil liability
conferred by that section upon a physician who makes either type
of report in accordance with division (B) of that section. As
used in this division, "employee," "employer," and "physician"
have the same meanings as in section 2305.33 of the Revised
Code.

(21) The violation of section 3701.79 of the Revised Code
or of any abortion rule adopted by the director of health
pursuant to section 3701.341 of the Revised Code;

(22) Any of the following actions taken by an agency
responsible for authorizing, certifying, or regulating an
individual to practice a health care occupation or provide
health care services in this state or another jurisdiction, for
any reason other than the nonpayment of fees: the limitation,
revocation, or suspension of an individual's license to
practice; acceptance of an individual's license surrender;
denial of a license; refusal to renew or reinstate a license;
imposition of probation; or issuance of an order of censure or
other reprimand;

(23) The violation of section 2919.12 of the Revised Code
or the performance or inducement of an abortion upon a pregnant
woman with actual knowledge that the conditions specified in
division (B) of section 2317.56 of the Revised Code have not
been satisfied or with a heedless indifference as to whether
those conditions have been satisfied, unless an affirmative
defense as specified in division (H)(2) of that section would
apply in a civil action authorized by division (H)(1) of that
section;

(24) The revocation, suspension, restriction, reduction,
or termination of clinical privileges by the United States
department of defense or department of veterans affairs or the
termination or suspension of a certificate of registration to
prescribe drugs by the drug enforcement administration of the
United States department of justice;

(25) Termination or suspension from participation in the
medicare or medicaid programs by the department of health and
human services or other responsible agency;

(26) Impairment of ability to practice according to
acceptable and prevailing standards of care because of habitual
or excessive use or abuse of drugs, alcohol, or other substances
that impair ability to practice.

For the purposes of this division, any individual
authorized to practice by this chapter accepts the privilege of
practicing in this state subject to supervision by the board. By
filing an application for or holding a license or certificate to
practice under this chapter, an individual shall be deemed to have given consent to submit to a mental or physical examination when ordered to do so by the board in writing, and to have waived all objections to the admissibility of testimony or examination reports that constitute privileged communications.

If it has reason to believe that any individual authorized to practice by this chapter or any applicant for licensure or certification to practice suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician who is qualified to conduct the examination and who is chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or certificate or deny the individual's application and shall require the individual, as a condition for initial, continued, reinstated, or renewed licensure or certification to practice, to submit to treatment.

Before being eligible to apply for reinstatement of a license or certificate suspended under this division, the impaired practitioner shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing
standards of care under the provisions of the practitioner's license or certificate. The demonstration shall include, but shall not be limited to, the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a license or certificate suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(27) A second or subsequent violation of section 4731.66 or 4731.69 of the Revised Code;
(28) Except as provided in division (N) of this section:

(a) Waiving the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay if the waiver is used as an enticement to a patient or group of patients to receive health care services from that individual;

(b) Advertising that the individual will waive the payment of all or any part of a deductible or copayment that a patient, pursuant to a health insurance or health care policy, contract, or plan that covers the individual's services, otherwise would be required to pay.

(29) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(30) Failure to provide notice to, and receive acknowledgment of the notice from, a patient when required by section 4731.143 of the Revised Code prior to providing nonemergency professional services, or failure to maintain that notice in the patient's medical record;

(31) Failure of a physician supervising a physician assistant to maintain supervision in accordance with the requirements of Chapter 4730. of the Revised Code and the rules adopted under that chapter;

(32) Failure of a physician or podiatrist to enter into a standard care arrangement with a clinical nurse specialist, certified nurse-midwife, or certified nurse practitioner with whom the physician or podiatrist is in collaboration pursuant to section 4731.27 of the Revised Code or failure to fulfill the
responsibilities of collaboration after entering into a standard care arrangement;

(33) Failure to comply with the terms of a consult agreement entered into with a pharmacist pursuant to section 4729.39 of the Revised Code;

(34) Failure to cooperate in an investigation conducted by the board under division (F) of this section, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board in an investigative interview, an investigative office conference, at a deposition, or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(35) Failure to supervise an oriental medicine practitioner or acupuncturist in accordance with Chapter 4762. of the Revised Code and the board's rules for providing that supervision;

(36) Failure to supervise an anesthesiologist assistant in accordance with Chapter 4760. of the Revised Code and the board's rules for supervision of an anesthesiologist assistant;

(37) Assisting suicide, as defined in section 3795.01 of the Revised Code;

(38) Failure to comply with the requirements of section 2317.561 of the Revised Code;

(39) Failure to supervise a radiologist assistant in accordance with Chapter 4774. of the Revised Code and the
board's rules for supervision of radiologist assistants;

(40) Performing or inducing an abortion at an office or facility with knowledge that the office or facility fails to post the notice required under section 3701.791 of the Revised Code;

(41) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for the operation of or the provision of care at a pain management clinic;

(42) Failure to comply with the standards and procedures established in rules under section 4731.054 of the Revised Code for providing supervision, direction, and control of individuals at a pain management clinic;

(43) Failure to comply with the requirements of section 4729.79 or 4731.055 of the Revised Code, unless the state board of pharmacy no longer maintains a drug database pursuant to section 4729.75 of the Revised Code;

(44) Failure to comply with the requirements of section 2919.171, 2919.202, or 2919.203 of the Revised Code or failure to submit to the department of health in accordance with a court order a complete report as described in section 2919.171 or 2919.202 of the Revised Code;

(45) Practicing at a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain management clinic classification unless the person operating the facility has obtained and maintains the license with the classification;

(46) Owning a facility that is subject to licensure as a category III terminal distributor of dangerous drugs with a pain
management clinic classification unless the facility is licensed with the classification;

(47) Failure to comply with the requirement regarding maintaining notes described in division (B) of section 2919.191 of the Revised Code or failure to satisfy the requirements of section 2919.191 of the Revised Code prior to performing or inducing an abortion upon a pregnant woman;

(48) Failure to comply with the requirements in section 3719.061 of the Revised Code before issuing for a minor a prescription for an opioid analgesic, as defined in section 3719.01 of the Revised Code;

(49) Failure to comply with the requirements of section 4731.30 of the Revised Code or rules adopted under section 4731.301 of the Revised Code when recommending treatment with medical marijuana;

(50) Practicing at a facility, clinic, or other location that is subject to licensure as a category III terminal distributor of dangerous drugs with an office-based opioid treatment classification unless the person operating that place has obtained and maintains the license with the classification;

(51) Owning a facility, clinic, or other location that is subject to licensure as a category III terminal distributor of dangerous drugs with an office-based opioid treatment classification unless that place is licensed with the classification;

(52) A pattern of continuous or repeated violations of division (E)(2) or (3) of section 3963.02 of the Revised Code.

(C) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to
an adjudication under Chapter 119. of the Revised Code, except
that in lieu of an adjudication, the board may enter into a
consent agreement with an individual to resolve an allegation of
a violation of this chapter or any rule adopted under it. A
consent agreement, when ratified by an affirmative vote of not
fewer than six members of the board, shall constitute the
findings and order of the board with respect to the matter
addressed in the agreement. If the board refuses to ratify a
consent agreement, the admissions and findings contained in the
consent agreement shall be of no force or effect.

A telephone conference call may be utilized for
ratification of a consent agreement that revokes or suspends an
individual's license or certificate to practice or certificate
to recommend. The telephone conference call shall be considered
a special meeting under division (F) of section 121.22 of the
Revised Code.

If the board takes disciplinary action against an
individual under division (B) of this section for a second or
subsequent plea of guilty to, or judicial finding of guilt of, a
violation of section 2919.123 of the Revised Code, the
disciplinary action shall consist of a suspension of the
individual's license or certificate to practice for a period of
at least one year or, if determined appropriate by the board, a
more serious sanction involving the individual's license or
certificate to practice. Any consent agreement entered into
under this division with an individual that pertains to a second
or subsequent plea of guilty to, or judicial finding of guilt
of, a violation of that section shall provide for a suspension
of the individual's license or certificate to practice for a
period of at least one year or, if determined appropriate by the
board, a more serious sanction involving the individual's
license or certificate to practice.

(D) For purposes of divisions (B)(10), (12), and (14) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F)(1) The board shall investigate evidence that appears to show that a person has violated any provision of this chapter or any rule adopted under it. Any person may report to the board in a signed writing any information that the person may have that appears to show a violation of any provision of this chapter or any rule adopted under it. In the absence of bad faith, any person who reports information of that nature or who testifies before the board in any adjudication conducted under Chapter 119. of the Revised Code shall not be liable in damages
in a civil action as a result of the report or testimony. Each complaint or allegation of a violation received by the board shall be assigned a case number and shall be recorded by the board.

(2) Investigations of alleged violations of this chapter or any rule adopted under it shall be supervised by the supervising member elected by the board in accordance with section 4731.02 of the Revised Code and by the secretary as provided in section 4731.39 of the Revised Code. The president may designate another member of the board to supervise the investigation in place of the supervising member. No member of the board who supervises the investigation of a case shall participate in further adjudication of the case.

(3) In investigating a possible violation of this chapter or any rule adopted under this chapter, or in conducting an inspection under division (E) of section 4731.054 of the Revised Code, the board may question witnesses, conduct interviews, administer oaths, order the taking of depositions, inspect and copy any books, accounts, papers, records, or documents, issue subpoenas, and compel the attendance of witnesses and production of books, accounts, papers, records, documents, and testimony, except that a subpoena for patient record information shall not be issued without consultation with the attorney general's office and approval of the secretary and supervising member of the board.

(a) Before issuance of a subpoena for patient record information, the secretary and supervising member shall determine whether there is probable cause to believe that the complaint filed alleges a violation of this chapter or any rule adopted under it and that the records sought are relevant to the
alleged violation and material to the investigation. The subpoena may apply only to records that cover a reasonable period of time surrounding the alleged violation.

(b) On failure to comply with any subpoena issued by the board and after reasonable notice to the person being subpoenaed, the board may move for an order compelling the production of persons or records pursuant to the Rules of Civil Procedure.

(c) A subpoena issued by the board may be served by a sheriff, the sheriff's deputy, or a board employee or agent designated by the board. Service of a subpoena issued by the board may be made by delivering a copy of the subpoena to the person named therein, reading it to the person, or leaving it at the person's usual place of residence, usual place of business, or address on file with the board. When serving a subpoena to an applicant for or the holder of a license or certificate issued under this chapter, service of the subpoena may be made by certified mail, return receipt requested, and the subpoena shall be deemed served on the date delivery is made or the date the person refuses to accept delivery. If the person being served refuses to accept the subpoena or is not located, service may be made to an attorney who notifies the board that the attorney is representing the person.

(d) A sheriff's deputy who serves a subpoena shall receive the same fees as a sheriff. Each witness who appears before the board in obedience to a subpoena shall receive the fees and mileage provided for under section 119.094 of the Revised Code.

(4) All hearings, investigations, and inspections of the board shall be considered civil actions for the purposes of section 2305.252 of the Revised Code.
(5) A report required to be submitted to the board under this chapter, a complaint, or information received by the board pursuant to an investigation or pursuant to an inspection under division (E) of section 4731.054 of the Revised Code is confidential and not subject to discovery in any civil action.

The board shall conduct all investigations or inspections and proceedings in a manner that protects the confidentiality of patients and persons who file complaints with the board. The board shall not make public the names or any other identifying information about patients or complainants unless proper consent is given or, in the case of a patient, a waiver of the patient privilege exists under division (B) of section 2317.02 of the Revised Code, except that consent or a waiver of that nature is not required if the board possesses reliable and substantial evidence that no bona fide physician-patient relationship exists.

The board may share any information it receives pursuant to an investigation or inspection, including patient records and patient record information, with law enforcement agencies, other licensing boards, and other governmental agencies that are prosecuting, adjudicating, or investigating alleged violations of statutes or administrative rules. An agency or board that receives the information shall comply with the same requirements regarding confidentiality as those with which the state medical board must comply, notwithstanding any conflicting provision of the Revised Code or procedure of the agency or board that applies when it is dealing with other information in its possession. In a judicial proceeding, the information may be admitted into evidence only in accordance with the Rules of Evidence, but the court shall require that appropriate measures are taken to ensure that confidentiality is maintained with
respect to any part of the information that contains names or 14967
other identifying information about patients or complainants 14968
whose confidentiality was protected by the state medical board 14969
when the information was in the board's possession. Measures to 14970
ensure confidentiality that may be taken by the court include 14971
sealing its records or deleting specific information from its 14972
records.

(6) On a quarterly basis, the board shall prepare a report 14973
that documents the disposition of all cases during the preceding 14974
three months. The report shall contain the following information 14975
for each case with which the board has completed its activities:

(a) The case number assigned to the complaint or alleged 14976
violation;

(b) The type of license or certificate to practice, if 14977
any, held by the individual against whom the complaint is 14978
directed;

(c) A description of the allegations contained in the 14979
complaint;

(d) The disposition of the case.

The report shall state how many cases are still pending 14980
and shall be prepared in a manner that protects the identity of 14981
each person involved in each case. The report shall be a public 14982
record under section 149.43 of the Revised Code.

(G) If the secretary and supervising member determine both 14983
of the following, they may recommend that the board suspend an 14984
individual's license or certificate to practice or certificate 14985
to recommend without a prior hearing:

(1) That there is clear and convincing evidence that an 14986
individual has violated division (B) of this section;

(2) That the individual's continued practice presents a

danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by
the board. The board, upon review of those allegations and by an
affirmative vote of not fewer than six of its members, excluding
the secretary and supervising member, may suspend a license or
certificate without a prior hearing. A telephone conference call
may be utilized for reviewing the allegations and taking the
vote on the summary suspension.

The board shall issue a written order of suspension by
certified mail or in person in accordance with section 119.07 of
the Revised Code. The order shall not be subject to suspension
by the court during pendency of any appeal filed under section
119.12 of the Revised Code. If the individual subject to the
summary suspension requests an adjudicatory hearing by the
board, the date set for the hearing shall be within fifteen
days, but not earlier than seven days, after the individual
requests the hearing, unless otherwise agreed to by both the
board and the individual.

Any summary suspension imposed under this division shall
remain in effect, unless reversed on appeal, until a final
adjudicative order issued by the board pursuant to this section
and Chapter 119. of the Revised Code becomes effective. The
board shall issue its final adjudicative order within seventy-
five days after completion of its hearing. A failure to issue
the order within seventy-five days shall result in dissolution
of the summary suspension order but shall not invalidate any
subsequent, final adjudicative order.
(H) If the board takes action under division (B)(9), (11),
or (13) of this section and the judicial finding of guilt,
guilty plea, or judicial finding of eligibility for intervention
in lieu of conviction is overturned on appeal, upon exhaustion
of the criminal appeal, a petition for reconsideration of the
order may be filed with the board along with appropriate court
documents. Upon receipt of a petition of that nature and
supporting court documents, the board shall reinstate the
individual's license or certificate to practice. The board may
then hold an adjudication under Chapter 119. of the Revised Code
to determine whether the individual committed the act in
question. Notice of an opportunity for a hearing shall be given
in accordance with Chapter 119. of the Revised Code. If the
board finds, pursuant to an adjudication held under this
division, that the individual committed the act or if no hearing
is requested, the board may order any of the sanctions
identified under division (B) of this section.

(I) The license or certificate to practice issued to an
individual under this chapter and the individual's practice in
this state are automatically suspended as of the date of the
individual's second or subsequent plea of guilty to, or judicial
finding of guilt of, a violation of section 2919.123 of the
Revised Code. In addition, the license or certificate to
practice or certificate to recommend issued to an individual
under this chapter and the individual's practice in this state
are automatically suspended as of the date the individual pleads
guilty to, is found by a judge or jury to be guilty of, or is
subject to a judicial finding of eligibility for intervention in
lieu of conviction in this state or treatment or intervention in
lieu of conviction in another jurisdiction for any of the
following criminal offenses in this state or a substantially
equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing without a license or certificate.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license or certificate is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall do whichever of the following is applicable:

(1) If the automatic suspension under this division is for a second or subsequent plea of guilty to, or judicial finding of guilt of, a violation of section 2919.123 of the Revised Code, the board shall enter an order suspending the individual's license or certificate to practice for a period of at least one year or, if determined appropriate by the board, imposing a more serious sanction involving the individual's license or certificate to practice.

(2) In all circumstances in which division (I)(1) of this section does not apply, enter a final order permanently revoking the individual's license or certificate to practice.

(J) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a
final order that contains the board's findings. In that final
order, the board may order any of the sanctions identified under
division (A) or (B) of this section.

(K) Any action taken by the board under division (B) of
this section resulting in a suspension from practice shall be
accompanied by a written statement of the conditions under which
the individual's license or certificate to practice may be
reinstated. The board shall adopt rules governing conditions to
be imposed for reinstatement. Reinstatement of a license or
certificate suspended pursuant to division (B) of this section
requires an affirmative vote of not fewer than six members of
the board.

(L) When the board refuses to grant or issue a license or
certificate to practice to an applicant, revokes an individual's
license or certificate to practice, refuses to renew an
individual's license or certificate to practice, or refuses to
reinstate an individual's license or certificate to practice, the board may specify that its action is permanent. An
individual subject to a permanent action taken by the board is
forever thereafter ineligible to hold a license or certificate
to practice and the board shall not accept an application for
reinstatement of the license or certificate or for issuance of a
new license or certificate.

(M) Notwithstanding any other provision of the Revised
Code, all of the following apply:

(1) The surrender of a license or certificate issued under
this chapter shall not be effective unless or until accepted by
the board. A telephone conference call may be utilized for
acceptance of the surrender of an individual's license or
certificate to practice. The telephone conference call shall be
considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a license or certificate made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or certificate to practice in accordance with this chapter or a certificate to recommend in accordance with rules adopted under section 4731.301 of the Revised Code shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) At the request of the board, a license or certificate holder shall immediately surrender to the board a license or certificate that the board has suspended, revoked, or permanently revoked.

(N) Sanctions shall not be imposed under division (B)(28) of this section against any person who waives deductibles and copayments as follows:

(1) In compliance with the health benefit plan that expressly allows such a practice. Waiver of the deductibles or copayments shall be made only with the full knowledge and consent of the plan purchaser, payer, and third-party administrator. Documentation of the consent shall be made available to the board upon request.

(2) For professional services rendered to any other person authorized to practice pursuant to this chapter, to the extent allowed by this chapter and rules adopted by the board.
(O) Under the board's investigative duties described in this section and subject to division (F) of this section, the board shall develop and implement a quality intervention program designed to improve through remedial education the clinical and communication skills of individuals authorized under this chapter to practice medicine and surgery, osteopathic medicine and surgery, and podiatric medicine and surgery. In developing and implementing the quality intervention program, the board may do all of the following:

(1) Offer in appropriate cases as determined by the board an educational and assessment program pursuant to an investigation the board conducts under this section;

(2) Select providers of educational and assessment services, including a quality intervention program panel of case reviewers;

(3) Make referrals to educational and assessment service providers and approve individual educational programs recommended by those providers. The board shall monitor the progress of each individual undertaking a recommended individual educational program.

(4) Determine what constitutes successful completion of an individual educational program and require further monitoring of the individual who completed the program or other action that the board determines to be appropriate;

(5) Adopt rules in accordance with Chapter 119. of the Revised Code to further implement the quality intervention program.

An individual who participates in an individual educational program pursuant to this division shall pay the
financial obligations arising from that educational program.

(P) The board shall not refuse to issue a license to an applicant because of a conviction, plea of guilty, judicial finding of guilt, judicial finding of eligibility for intervention in lieu of conviction, or the commission of an act that constitutes a criminal offense, unless the refusal is in accordance with section 9.79 of the Revised Code.

Sec. 4731.291. (A) An individual seeking to pursue an internship, residency, clinical fellowship program, or elective clinical rotation in this state, who does not hold a license to practice medicine and surgery or osteopathic medicine or surgery issued under this chapter, shall apply to the state medical board for a training certificate. The application shall be made on forms that the board shall furnish and shall be accompanied by an application fee of one hundred thirty dollars.

An applicant for a training certificate shall furnish to the board all of the following:

(1) Evidence satisfactory to the board that the applicant is at least eighteen years of age and is of good moral character;

(2) Evidence satisfactory to the board that the applicant has been accepted or appointed to participate in this state in one of the following:

(a) An internship or residency program accredited by either the accreditation council for graduate medical education of the American medical association or the American osteopathic association;

(b) A clinical fellowship program at an institution with a residency program accredited by either the accreditation council
for graduate medical education of the American medical association or the American osteopathic association that is in a clinical field the same as or related to the clinical field of the fellowship program;

(c) An elective clinical rotation that lasts not more than one year and is offered to interns, residents, or clinical fellows participating in programs that are located outside this state and meet the requirements of division (A)(2)(a) or (b) of this section.

(3) Information identifying the beginning and ending dates of the period for which the applicant has been accepted or appointed to participate in the internship, residency, or clinical fellowship program;

(4) Any other information that the board requires.

(B) If no grounds for denying a license or certificate under section 4731.22 of the Revised Code apply, and the applicant meets the requirements of division (A) of this section, the board shall issue a training certificate to the applicant. The board shall not require an examination as a condition of receiving a training certificate.

A training certificate issued pursuant to this section shall be valid only for three years, but may in the discretion of the board and upon application duly made, be renewed for one additional three-year period. The fee for renewal of a training certificate shall be one hundred dollars.

The board shall maintain a register of all individuals who hold training certificates.

(C) The holder of a valid training certificate shall be entitled to perform such acts as may be prescribed by or
incidental to the holder's internship, residency, or clinical fellowship program, but the holder shall not be entitled otherwise to engage in the practice of medicine and surgery or osteopathic medicine and surgery in this state. The holder shall limit activities under the certificate to the programs of the hospitals or facilities for which the training certificate is issued. The holder shall train only under the supervision of the physicians responsible for supervision as part of the internship, residency, or clinical fellowship program.

A training certificate may be revoked by the board upon proof, satisfactory to the board, that the holder thereof has engaged in practice in this state outside the scope of the internship, residency, or clinical fellowship program for which the training certificate has been issued, or upon proof, satisfactory to the board, that the holder thereof has engaged in unethical conduct or that there are grounds for action against the holder under section 4731.22 of the Revised Code.

(D) The board may adopt rules as the board finds necessary to effect the purpose of this section.

Sec. 4731.292. The state medical board may register, without examination, persons who are not citizens of the United States, but who hold the degree of doctor of medicine or the degree of doctor of osteopathic medicine and surgery, for the purpose of permitting such persons to practice in hospitals operated by the state. Registration pursuant to this section permits practice of medicine or osteopathic medicine and surgery in state operated institutions under the supervision of the medical staff of such institution until the next scheduled examination prescribed by the state medical board in its rules.

An applicant for a limited certificate to practice
medicine or osteopathic medicine and surgery shall furnish proof, satisfactory to the board, that:

(A) The applicant has filed an application for naturalization and that such application has not been rejected or withdrawn, or if not yet eligible to file an application for naturalization, the applicant has filed a declaration of intention to become a citizen of the United States in an appropriate court of record.

(B) The applicant has successfully passed the educational council for foreign medical graduates test.

(C) The applicant is at least eighteen years of age and of good moral character.

(D) The applicant is a graduate of a medical or osteopathic school or college which is reputable and in good standing in the judgment of the board.

(E) The applicant will limit the applicant's practice and training within the physical confines of the institution for which the limited certificate to practice is granted.

(F) The medical staff of the institution for which the limited certificate to practice is granted has approved in writing the applicant's application for such certificate.

(G) The applicant will practice medicine or osteopathic medicine and surgery only under the supervision of the attending medical staff of the institution for which the limited certificate is granted.

(H) The applicant has made application to take the state medical board examination as provided by this section.

Registration pursuant to this section shall be valid until
such time as the applicant takes the state medical board examination. If the applicant passes the examination, the applicant shall then be granted a limited certificate to practice medicine or osteopathic medicine and surgery. A holder of a limited certificate to practice, upon completion of the requisite training and upon receipt of United States citizenship, shall be entitled to receive an unlimited license to practice.

A limited certificate to practice issued pursuant to this section shall be valid for a period of one year only, but may be renewed, in the discretion of the board and upon application duly made, annually, with the written approval of the medical staff of the institution for which the limited certificate to practice has been issued, but no limited certificate shall be renewed more than four times. The fee to be paid to the board for the issuance of the pre-examination registration permit to engage in limited practice shall be one hundred dollars; the fee to be paid for each renewal of a limited certificate shall be ten dollars.

An applicant for a limited certificate to practice must take an examination prescribed by the board in its rules at the first reasonable opportunity. Failure to take the examination at the first reasonable opportunity authorizes the termination of the pre-examination registration permit to engage in limited practice as defined in this section.

The holder of a valid limited certificate to practice may engage in the practice of medicine and surgery or osteopathic medicine and surgery only under the supervision of a member of the medical staff of the institution for which the limited certificate to practice has been issued, and only within
physical confines of the institution so named. A limited certificate to practice may be revoked by the board upon proof, satisfactory to the board, that the holder thereof has engaged in the practice of medicine and surgery or osteopathic medicine and surgery in this state outside the scope of the holder's certificate, or upon proof that the holder thereof has engaged in unethical conduct or has violated section 4731.22 of the Revised Code.

The board may promulgate such additional rules and regulations as the board finds necessary to effect the purpose of this section.

Sec. 4731.296. (A) For the purposes of this section, "the practice of telemedicine" means the practice of medicine in this state through the use of any communication, including oral, written, or electronic communication, by a physician located outside this state.

(B) A person who wishes to practice telemedicine in this state shall file an application with the state medical board, together with a fee of three hundred five dollars and shall comply with sections 4776.01 to 4776.04 of the Revised Code. If the board, in its discretion, decides that the results of the criminal records check do not make the person ineligible for a telemedicine certificate, the board may issue, without examination, a telemedicine certificate to a person who meets all of the following requirements:

(1) The person holds a current, unrestricted license to practice medicine and surgery or osteopathic medicine and surgery issued by another state that requires license holders to complete at least fifty hours of continuing medical education every two years.
(2) The person's principal place of practice is in that state.

(3) The person does not hold a license issued under this chapter authorizing the practice of medicine and surgery or osteopathic medicine and surgery in this state.

(4) The person meets the same age, moral character, and educational requirements individuals must meet under sections 4731.09 and 4731.14 of the Revised Code and, if applicable, demonstrates proficiency in spoken English in accordance with section 4731.142 of the Revised Code.

(C) The holder of a telemedicine certificate may engage in the practice of telemedicine in this state. A person holding a telemedicine certificate shall not practice medicine in person in this state without obtaining a special activity certificate under section 4731.294 of the Revised Code.

(D) The board may revoke a certificate issued under this section or take other disciplinary action against a certificate holder pursuant to section 4731.22 of the Revised Code on receiving proof satisfactory to the board that the certificate holder has engaged in practice in this state outside the scope of the certificate or that there are grounds for action against the holder under section 4731.22 of the Revised Code.

(E) A telemedicine certificate shall be valid for a period specified by the board, and the initial renewal shall be in accordance with a schedule established by the board. Thereafter, the certificate shall be valid for two years. A certificate may be renewed on application of the holder.

To be eligible for renewal, the holder of the certificate shall do both of the following:

The board may require a random sample of persons holding a telemedicine certificate to submit materials documenting completion of the continuing medical education requirements described in this division.

(F) The board shall convert a telemedicine certificate to a license issued under section 4731.14 of the Revised Code on receipt of a written request from the certificate holder. Once the telemedicine certificate is converted, the holder is subject to all requirements and privileges attendant to a license issued under section 4731.14 of the Revised Code, including continuing medical education requirements.

Sec. 4731.299. (A) The state medical board may issue, without examination, to an applicant who meets all of the requirements of this section an expedited license to practice medicine and surgery or osteopathic medicine and surgery by endorsement.

The board shall not require an examination as a condition of receiving a training certificate.

A training certificate issued pursuant to this section shall be valid only for three years, but may in the discretion of the board and upon application duly made, be renewed for one additional three-year period. The fee for renewal of a training certificate shall be one hundred dollars.

After suspending a license pursuant to division (F)(1) of this section, the board shall notify the license holder of the suspension in accordance with section 119.07 of the Revised Code. No applicant shall receive credit for more than six years of engineering or surveying experience because of educational qualifications. The mere execution, as a contractor, of work designed by a professional engineer or professional surveyor, or the supervision of the construction of such work as a superintendent is not deemed to be practical experience in engineering or surveying work.

(G) (F) Every person applying for registration as a professional engineer or professional surveyor shall be required to pass the fundamentals examination and the principles and practice examination as provided in section 4733.13 of the Revised Code. In addition to passing each requisite examination, each applicant must submit evidence, satisfactory to the board, that the applicant has completed the practical experience required in this section.

(H) (E) The board shall require the applicant for registration as a professional engineer or professional surveyor to take two examinations. The first examination, known as the fundamentals examination, may be taken by the applicant at any time after the applicant has completed the required education under division (A) or (B) of this section, or, at the discretion of the board, an applicant may be permitted to take the first examination during the applicant's concluding term of an approved curriculum in engineering or surveying of four years or
more.

(I) The board shall give an applicant an appropriate certificate showing the applicant's status as an engineer intern or surveyor intern upon the occurrence of all of the following:

(1) The applicant provides proof to the board that the applicant has passed the fundamentals examination as described in division (A) of section 4733.13 of the Revised Code.

(2) The board believes the applicant meets the requirements of this chapter based on verified evidence.

(3) The applicant applies for registration in accordance with the requirements of this chapter.

(4) The applicant pays the fee required pursuant to section 4733.12 of the Revised Code.

Each applicant applying for registration as a professional engineer or professional surveyor shall first be certified as an engineer intern or surveyor intern in this state.

(K) Any person having the necessary qualifications to entitle the person to registration is eligible for registration though the person may not be practicing the person's profession at the time of making application.

Sec. 4733.20. (A) Pursuant to

Except as provided in division (I) of this section, the state board of registration for professional engineers and surveyors may fine, revoke, suspend, refuse to renew, or limit the registration, or reprimand, place on probation, deny an applicant the opportunity
to sit for an examination or to have an examination scored, or impose any combination of these disciplinary measures on any applicant or registrant, or revoke the certificate of authorization of any holder found to be or to have been engaged in any one or more of the following acts or practices:

(1) Any fraud or deceit in obtaining registration or a certificate of authorization;

(2) Any gross negligence, incompetency, or misconduct in the practice of professional engineering or professional surveying as a registered professional engineer or registered professional surveyor;

(3) Aiding or abetting any person to practice professional engineering or professional surveying illegally in the state;

(4) Conviction of or plea of guilty to any felony or crime involving moral turpitude;

(5) Violation of this chapter or any rule adopted by the board;

(6) Violation of any condition of limitation placed by the board upon the registration of any professional engineer or professional surveyor;

(7) Failure to abide by or comply with examination instructions.

(B) The board shall cause to have prepared and shall adopt a code of ethics, which it shall make known to every registrant. The board may revise and amend this code of ethics from time to time in accordance with Chapter 119. of the Revised Code.

(C) Any person may file with the board a complaint alleging fraud, deceit, gross negligence, incompetency,
misconduct, or violation of this chapter or any rule adopted by the board pursuant to section 4733.07 of the Revised Code. Complaints shall be in writing.

(D) The board may investigate any registrant or holder of a certificate of authorization to determine whether the registrant or certificate holder is or has been engaged in any one or more of the acts or practices listed in division (A) of this section. The board, by subpoena, may compel witnesses to appear and testify in relation to any investigation under this chapter and may require, by subpoena duces tecum, the production and copying of any book, paper, or document pertaining to an investigation. If a person fails to comply with the subpoena or subpoena duces tecum, the board may apply to the Franklin county court of common pleas for an order compelling the person to comply or, for the failure to do so, to be held in contempt of court.

(E) If the board determines there is cause to believe that an applicant, registrant, or a holder of a certificate of authorization is or has been engaged in any act or practice listed in division (A) of this section, the board shall issue a written charge and notify the applicant, registrant, or certificate holder of the right to an adjudication hearing, in accordance with Chapter 119. of the Revised Code. If the accused applicant, registrant, or holder of a certificate of authorization fails or refuses to appear, or does not request a hearing within the time period specified in Chapter 119. of the Revised Code, the board may determine the validity of the charge and issue an adjudication order in accordance with Chapter 119. of the Revised Code.

(F) Except as provided in division (I) of this section,
if a majority of the board votes in favor of sustaining the
charge, the board shall impose one or any combination of the
following disciplinary measures:

(1) Reprimanding the individual;

(2) Imposing a fine on the individual of not more than one
thousand dollars for each offense committed by the individual;

individual's registration, or revoking the holder's certificate
of authorization;

(4) Refusing to allow an applicant to take an examination;

(5) Refusing to score an applicant's examination.

The board, for good cause shown, may reregister any person
or reissue a certificate of authorization to any corporation,
firm, partnership, association, or limited liability company
whose registration or certificate has been revoked or suspended.

(G) Any applicant, registrant, or certificate holder
aggrieved by any action of the board in fining the registrant or
denying, suspending, refusing to renew, or revoking the
registrant's registration or a certificate of authorization, or
denying an applicant the opportunity to take an examination or
to have an examination scored may appeal such action to the
proper court under section 119.12 of the Revised Code.

(H) A new certificate of authorization to replace any
certificate revoked, lost, destroyed, or mutilated, may be
issued, subject to the rules of the board, upon payment of a fee
established by the board at an amount adequate to cover the
expense of issuing a duplicate certificate of authorization.

(I) The board shall not refuse to issue a license or deny
the opportunity to sit for an examination or to have an
examination scored to an applicant because of a conviction of or
plea of guilty to an offense, unless the refusal or denial is in
accordance with section 9.79 of the Revised Code.

Sec. 4734.20. (A) Except for persons seeking to practice
chiropractic under a special limited license issued pursuant to
section 4734.27 of the Revised Code, each person seeking to

the state chiropractic board for a license to practice
chiropractic. The application shall be made under oath, on a

of two hundred fifty dollars.

(2) The applicant must have successfully completed, prior
to matriculation at a school or college of chiropractic, at
least two years of college credit in the arts and sciences at a
college or university accredited by a state or regional

the board may adopt rules in accordance with Chapter 119. of the
Revised Code that require completion of additional years of
college credit or receipt of a college degree in an area
specified in the rules.

(3) The applicant must be a graduate of and hold the
degree of doctor of chiropractic from a school or college of
chiropractic approved by the board under section 4734.21 of the Revised Code.

(4) The applicant must have received one of the following from the national board of chiropractic examiners, as appropriate according to the date of the applicant's graduation from a school or college of chiropractic:

(C) The board shall issue a license to practice chiropractic to each applicant who files a complete application, pays all applicable fees, and meets the conditions specified in division (B) of this section. The burden of proof is on the applicant, to prove by clear and convincing evidence to the board, that the applicant meets the conditions for receipt of the license.
The board may conduct any investigation it considers appropriate to verify an applicant's credentials, moral character, and fitness to receive a license. In conducting an investigation, the board may request information from the records maintained by the federal bureau of investigation, the bureau of criminal identification and investigation, and any other repositories of criminal records held in this or another state. The board may charge the applicant a fee for conducting the investigation. The amount of the fee shall not exceed the expenses the board incurs in conducting the investigation and may include any fees that must be paid to obtain information in the criminal record.

Sec. 4734.202. (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter.

(B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state chiropractic board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4734.20, 4734.23, or 4734.27 of the Revised Code.

Sec. 4734.23. (A) A person licensed by another state or country in the practice of chiropractic may apply under this section for a license to practice chiropractic in this state in
lieu of applying under section 4734.20 of the Revised Code. The fee for applying under this section shall be five hundred dollars.

(B) The state chiropractic board may, for good cause, waive all or part of the educational and testing requirements specified under section 4734.20 of the Revised Code and issue a license to an applicant under this section, if the applicant presents satisfactory proof of being licensed to practice chiropractic in another state or country where the requirements for receipt of the license, on the date the license was issued, are considered by the board to be substantially equivalent to those of this chapter. The applicant must meet the same age and moral character requirements that must be met under section 4734.20 of the Revised Code. If the board does not waive all of the educational and testing requirements, the board may require that the applicant complete and receive a score specified by the board on one or more tests administered by the board or by the national board of chiropractic examiners or another testing entity.

Sec. 4734.27. (A) To the extent it is in the public interest, the state chiropractic board may issue, without examination, a special limited license to practice chiropractic as follows:

The institution from which the applicant received the degree or in which the applicant is enrolled must be a school or college that is approved by the board under section 4734.21 of the Revised Code.

(C) The provisions of this chapter that apply to applicants for and holders of licenses to practice chiropractic shall apply to applicants for and holders of special limited licenses to the extent the board considers appropriate, including the board's authority to conduct any investigation it considers appropriate to verify an applicant's credentials, moral character, and fitness to receive a license and the board's authority to take actions under section 4734.31 of the Revised Code.

(D) The board shall adopt any rules it considers necessary to implement this section. All rules adopted under this section shall be adopted in accordance with Chapter 119. of the Revised Code.
Sec. 4734.31. Except as provided in division (D) of this section, actions taken against an individual shall be taken in accordance with Chapter 119. of the Revised Code. The board may specify that any action it takes is a permanent action. The board's authority to take action against an individual is not removed or limited by the individual's failure to renew a license.

(2) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(3) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude, as determined by the board, in which case a certified copy of the court record shall be conclusive evidence of the matter;

Successful completion of any course required by this section shall be determined by the law in effect on the date the course was completed.

(C) Each applicant for a broker's license shall be examined in the principles of real estate practice, Ohio real estate law, and financing and appraisal, and as to the duties of real estate brokers and real estate salespersons, the applicant's knowledge of real estate transactions and instruments relating to them, and the canons of business ethics pertaining to them. The commission from time to time shall promulgate such canons and cause them to be published in printed form.
(D) Examinations shall be administered with reasonable accommodations in accordance with the requirements of the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C. 12101. The contents of an examination shall be consistent with the requirements of division (B)(6) of this section and with the other specific requirements of this section. An applicant who has completed the requirements of division (B)(6) of this section at the time of application shall be examined no later than twelve months after the applicant is notified of admission to the examination.

(E) The superintendent may waive one or more of the requirements of this section in the case of an application from a nonresident real estate broker pursuant to a reciprocity agreement with the licensing authority of the state from which the nonresident applicant holds a valid real estate broker license.

(F) There shall be no limit placed on the number of times an applicant may retake the examination.

(G)(1) Not earlier than the date of issue of a real estate broker's license to a licensee, but not later than twelve months after the date of issue of a real estate broker's license to a licensee, the licensee shall submit proof satisfactory to the superintendent, on forms made available by the superintendent, of the completion of ten hours of instruction that shall be completed in schools, seminars, and educational institutions that are approved by the commission. Approval of the curriculum and providers shall be granted according to rules adopted pursuant to section 4735.10 of the Revised Code and may be taken through classroom instruction or distance education.

If the required proof of completion is not submitted to
the superintendent within twelve months of the date a license is issued under this section, the license of the real estate broker is suspended automatically without the taking of any action by the superintendent. The broker's license shall not be reactivated by the superintendent until it is established, to the satisfaction of the superintendent, that the requirements of this division have been met and that the licensee is in compliance with this chapter. A licensee's license is revoked automatically without the taking of any action by the superintendent if the licensee fails to submit proof of completion of the education requirements specified under division (G)(1) of this section within twelve months of the date the license is suspended.

(2) If the license of a real estate broker is suspended pursuant to division (G)(1) of this section, the license of a real estate salesperson associated with that broker correspondingly is suspended pursuant to division (H) of section 4735.20 of the Revised Code. However, the suspended license of the associated real estate salesperson shall be reactivated and no fee shall be charged or collected for that reactivation if all of the following occur:

(a) That broker subsequently submits satisfactory proof to the superintendent that the broker has complied with the requirements of division (G)(1) of this section and requests that the broker's license as a real estate broker be reactivated;

(b) The superintendent then reactivates the broker's license as a real estate broker;

(c) The associated real estate salesperson intends to continue to be associated with that broker and otherwise is in
Sec. 4735.09. (A) Application for a license as a real
estate salesperson shall be made to the superintendent of real
estate on forms furnished by the superintendent and signed by
the applicant. The application shall be in the form prescribed
by the superintendent and shall contain such information as is
required by this chapter and the rules of the Ohio real estate
commission. The application shall be accompanied by the
recommendation of the real estate broker with whom the applicant
is associated or with whom the applicant intends to be
associated, certifying that the applicant is honest, truthful,
and of good reputation, has not been convicted of a
felony or a crime involving moral turpitude, and has not been
finally adjudged by a court to have violated any municipal,
state, or federal civil rights laws relevant to the protection
of purchasers or sellers of real estate, which conviction or
adjudication the applicant has not disclosed to the
superintendent, and recommending that the applicant be admitted
to the real estate salesperson examination.

(B) A fee of sixty dollars shall accompany the
application, which fee includes the fee for the initial year of
the licensing period, if a license is issued. The initial year
of the licensing period commences at the time the license is
issued and ends on the applicant's first birthday thereafter.
The application fee shall be nonrefundable. A fee of sixty
dollars shall be charged by the superintendent for each
successive application made by the applicant. One dollar of each
application fee shall be credited to the real estate education
and research fund.

(C) There shall be no limit placed on the number of times
an applicant may retake the examination.

(D) The superintendent, with the consent of the commission, may enter into an agreement with a recognized national testing service to administer the real estate salesperson's examination under the superintendent's supervision and control, consistent with the requirements of this chapter as to the contents of the examination.

If the superintendent, with the consent of the commission, enters into an agreement with a national testing service to administer the real estate salesperson's examination, the superintendent may require an applicant to pay the testing service's examination fee directly to the testing service. If the superintendent requires the payment of the examination fee directly to the testing service, each applicant shall submit to the superintendent a processing fee in an amount determined by the Ohio real estate commission pursuant to division (A)(1) of section 4735.10 of the Revised Code.

(E) The superintendent shall issue a real estate salesperson's license when satisfied that the applicant has received a passing score on each portion of the salesperson's examination as determined by rule by the real estate commission, except that the superintendent may waive one or more of the requirements of this section in the case of an applicant who is a licensed real estate salesperson in another state pursuant to a reciprocity agreement with the licensing authority of the state from which the applicant holds a valid real estate salesperson's license.

(F) No applicant for a salesperson's license shall take the salesperson's examination who has not established to the satisfaction of the superintendent that the applicant:
(1) Is honest and truthful, and of good reputation;

(2)(a) Has not been convicted of a felony or crime of moral turpitude or, if the applicant has been so convicted, the superintendent has disregarded the conviction because the applicant has proven to the superintendent, by a preponderance of the evidence, that the applicant's activities and employment record since the conviction show that the applicant is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant again will violate the laws involved as determined in accordance with section 9.79 of the Revised Code;

(b) Has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate or, if the applicant has been so adjudged, at least two years have passed since the court decision and the superintendent has disregarded the adjudication because the applicant has proven, by a preponderance of the evidence, that the applicant is honest and truthful, and of good reputation, and there is no basis in fact for believing that the applicant again will violate the laws involved.

(3) Has not, during any period in which the applicant was licensed under this chapter, violated any provision of, or any rule adopted pursuant to this chapter, or, if the applicant has violated such provision or rule, has established to the satisfaction of the superintendent that the applicant will not again violate such provision or rule;

(4) Is at least eighteen years of age;

(5) If born after the year 1950, has a high school diploma
or a certificate of high school equivalence issued by the department of education;

(6) Has successfully completed at an institution of higher education all of the following credit-eligible courses by either classroom instruction or distance education:

(a) Forty hours of instruction in real estate practice;

(b) Forty hours of instruction that includes the subjects of Ohio real estate law, municipal, state, and federal civil rights law, new case law on housing discrimination, desegregation issues, and methods of eliminating the effects of prior discrimination. If feasible, the instruction in Ohio real estate law shall be taught by a member of the faculty of an accredited law school. If feasible, the instruction in municipal, state, and federal civil rights law, new case law on housing discrimination, desegregation issues, and methods of eliminating the effects of prior discrimination shall be taught by a staff member of the Ohio civil rights commission who is knowledgeable with respect to those subjects. The requirements of this division do not apply to an applicant who is admitted to practice before the supreme court.

(c) Twenty hours of instruction in real estate appraisal;

(d) Twenty hours of instruction in real estate finance.

(G)(1) Successful completion of the instruction required by division (F)(6) of this section shall be determined by the law in effect on the date the instruction was completed.

(2) Division (F)(6)(c) of this section does not apply to any new applicant who holds a valid Ohio real estate appraiser license or certificate issued prior to the date of application for a real estate salesperson's license.
(H) Only for noncredit course offerings, an institution of higher education shall obtain approval from the appropriate state authorizing entity prior to offering a real estate course that is designed and marketed as satisfying the salesperson license education requirements of division (F)(6) of this section. The state authorizing entity may consult with the superintendent in reviewing the course for compliance with this section.

(I) Any person who has not been licensed as a real estate salesperson or broker within a four-year period immediately preceding the person's current application for the salesperson's examination shall have successfully completed the prelicensure instruction required by division (F)(6) of this section within a ten-year period immediately preceding the person's current application for the salesperson's examination.

(J) Not earlier than the date of issue of a real estate salesperson's license to a licensee, but not later than twelve months after the date of issue of a real estate salesperson license to a licensee, the licensee shall submit proof satisfactory to the superintendent, on forms made available by the superintendent, of the completion of twenty hours of instruction that shall be completed in schools, seminars, and educational institutions approved by the commission. The instruction shall include, but is not limited to, current practices relating to commercial real estate, property management, short sales, and land contracts; contract law; federal and state programs; economic conditions; and fiduciary responsibility. Approval of the curriculum and providers shall be granted according to rules adopted pursuant to section 4735.10 of the Revised Code and may be taken through classroom instruction or distance education.
If proof of completion of the required instruction is not submitted within twelve months of the date a license is issued under this section, the licensee's license is suspended automatically without the taking of any action by the superintendent. The superintendent immediately shall notify the broker with whom such salesperson is associated of the suspension of the salesperson's license. A salesperson whose license has been suspended under this division shall have twelve months after the date of the suspension of the salesperson's license to submit proof of successful completion of the instruction required under this division. No such license shall be reactivated by the superintendent until it is established, to the satisfaction of the superintendent, that the requirements of this division have been met and that the licensee is in compliance with this chapter. A licensee's license is revoked automatically without the taking of any action by the superintendent when the licensee fails to submit the required proof of completion of the education requirements under division (I) of this section within twelve months of the date the license is suspended.

(K) Examinations shall be administered with reasonable accommodations in accordance with the requirements of the "Americans with Disabilities Act of 1990," 104 Stat. 327, 42 U.S.C. 12189. The contents of an examination shall be consistent with the classroom instructional requirements of division (F)(6) of this section. An applicant who has completed the classroom instructional requirements of division (F)(6) of this section at the time of application shall be examined no later than twelve months after the applicant is notified of the applicant's admission to the examination.

Sec. 4735.10. (A)(1) The Ohio real estate commission may
adopt reasonable rules in accordance with Chapter 119. of the Revised Code, necessary for implementing the provisions of this chapter relating, but not limited to, the following:

(a) The form and manner of filing applications for licensure;
(b) Times and form of examination for license;
(c) Placing an existing broker's license on deposit or a salesperson's license on an inactive status for an indefinite period;
(d) Specifying the process by which a licensee may resign the licensee's license;
(e) Defining any additional license status that the commission determines is necessary and that is not otherwise defined in this chapter and establishing the process by which a licensee places the licensee's license in a status defined by the commission in the rules the commission adopts;
(f) Clarification of the activities that require a license under this chapter;
(g) Permitting a broker to act as principal broker for more than one brokerage.

(2) The commission shall adopt reasonable rules in accordance with Chapter 119. of the Revised Code, for implementing the provisions of this chapter relating to the following:

(a) The issuance, renewal, suspension, and revocation of licenses, other sanctions that may be imposed for violations of this chapter, the conduct of hearings related to these actions, and the process of reactivating a license;
(b) A three-year license and a three-year license renewal system;

(c) Standards for the approval of the postlicensure courses as required by division (G) of section 4735.07 and division (J) of section 4735.09 of the Revised Code, courses of study required for licenses, courses offered in preparation for license examinations, or courses required as continuing education for licenses.

(d) Guidelines to ensure that continuing education classes are open to all persons licensed under this chapter. The rules shall specify that an organization that sponsors a continuing education class may offer its members a reasonable reduction in the fees charged for the class.

(e) Requirements for trust accounts and property management accounts. The rules shall specify that:

(i) Brokerages engaged in the management of property for another may, pursuant to a written contract with the property owner, exercise signatory authority for withdrawals from property management accounts maintained in the name of the property owner. The exercise of authority for withdrawals does not constitute a violation of any provision of division (A) of section 4735.18 of the Revised Code.

(ii) The interest earned on property management trust accounts maintained in the name of the property owner or the broker shall be payable to the property owner unless otherwise specified in a written contract.

(f) Notice of renewal forms and filing deadlines;

(g) Special assessments under division (A) of section 4735.12 of the Revised Code.
(B) The commission may adopt rules in accordance with Chapter 119. of the Revised Code establishing standards and guidelines with which the superintendent of real estate shall comply in the exercise of the following powers:

(1) Appointment and recommendation of ancillary trustees under section 4735.05 of the Revised Code;

(2) Rejection of names proposed to be used by partnerships, associations, limited liability companies, limited liability partnerships, and corporations, under division (B) of section 4735.06 of the Revised Code, including procedures for the application and approval of more than one trade name for a brokerage;

(3) Acceptance and rejection of applications to take the broker and salesperson examinations and licensure, with appropriate waivers pursuant to division (E) of section 4735.07 and section 4735.09 of the Revised Code;

(4) Approval of applications of brokers to place their licenses in an inactive status and to become salespersons under section 4735.13 of the Revised Code;

(5) Appointment of hearing examiners under section 119.09 of the Revised Code;

(6) Acceptance and rejection of applications to take the foreign real estate dealer and salesperson examinations and licensure, with waiver of examination, under sections 4735.27 and 4735.28 of the Revised Code;

(7) Qualification of foreign real estate under section 4735.25 of the Revised Code.

If at any time there is no rule in effect establishing a
guideline or standard required by this division, the superintendent may adopt a rule in accordance with Chapter 119 of the Revised Code for such purpose.

(C) The commission or superintendent may hear testimony in matters relating to the duties imposed upon them, and the president of the commission and superintendent may administer oaths. The commission or superintendent may require other proof of the honesty and truthfulness, and good reputation of any person named in an application for a real estate broker's or real estate salesperson's license before admitting the applicant to the examination or issuing a license.

Sec. 4735.13. (A) Every real estate broker licensed under this chapter shall have and maintain a definite place of business in this state. A post office box address is not a definite place of business for purposes of this section. The license of a real estate broker shall be prominently displayed in the office or place of business of the broker, and no license shall authorize the licensee to do business except from the location specified in it. If the broker maintains more than one place of business within the state, the broker shall apply for and procure a duplicate license for each branch office maintained by the broker. Each branch office shall be in the charge of a licensed broker or salesperson. The branch office license shall be prominently displayed at the branch office location.

(B) The license of each real estate salesperson shall be mailed to and remain in the possession of the licensed broker with whom the salesperson is or is to be associated until the licensee places the license on inactive or resigned status or until the salesperson leaves the brokerage or is terminated. The
broker shall keep each salesperson's license in a way that it can, and shall on request, be made immediately available for public inspection at the office or place of business of the broker. Except as provided in divisions (G) and (H) of this section, immediately upon the salesperson's leaving the association or termination of the association of a real estate salesperson with the broker, the broker shall return the salesperson's license to the superintendent of real estate.

The failure of a broker to return the license of a real estate salesperson or broker who leaves or who is terminated, via certified mail return receipt requested, within three business days of the receipt of a written request from the superintendent for the return of the license, is prima-facie evidence of misconduct under division (A)(6) of section 4735.18 of the Revised Code.

(C) A licensee shall notify the superintendent in writing within fifteen days of any of the following occurrences:

(1) The licensee is convicted of a felony.

(2) The licensee is convicted of a crime involving moral turpitude.

(3) The licensee is found to have violated any federal, state, or municipal civil rights law pertaining to discrimination in housing.

(4) The licensee is found to have engaged in a discriminatory practice pertaining to housing accommodations described in division (H) of section 4112.02 of the Revised Code.

(5) The licensee is the subject of an order by the department of commerce, the department of insurance, or the
department of agriculture revoking or permanently surrendering
any professional license, certificate, or registration.

(6) The licensee is the subject of an order by any
government agency concerning real estate, financial matters, or
the performance of fiduciary duties with respect to any license,
certificate, or registration.

If a licensee fails to notify the superintendent within
the required time, the superintendent immediately may suspend
the license of the licensee.

Any court that convicts a licensee of a violation of any
municipal civil rights law pertaining to housing discrimination
also shall notify the Ohio civil rights commission within
fifteen days of the conviction.

(D) In case of any change of business location, a broker
shall give notice to the superintendent, on a form prescribed by
the superintendent, within thirty days after the change of
location, whereupon the superintendent shall issue new licenses
for the unexpired period without charge. If a broker changes a
business location without giving the required notice and without
receiving new licenses that action is prima-facie evidence of
misconduct under division (A)(6) of section 4735.18 of the
Revised Code.

(E) If a real estate broker desires to associate with
another real estate broker in the capacity of a real estate
salesperson, the broker shall apply to the superintendent to
deposit the broker's real estate broker's license with the
superintendent and for the issuance of a real estate
salesperson's license. The application shall be made on a form
prescribed by the superintendent and shall be accompanied by the
recommendation of the real estate broker with whom the applicant intends to become associated and a fee of twenty-five dollars for the real estate salesperson's license. One dollar of the fee shall be credited to the real estate education and research fund. If the superintendent is satisfied that the applicant is honest, and truthful, and of good reputation, has not been convicted of a felony or a crime involving moral turpitude disqualifying offense as determined in accordance with section 9.79 of the Revised Code, and has not been finally adjudged by a court to have violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate, and that the association of the real estate broker and the applicant will be in the public interest, the superintendent shall grant the application and issue a real estate salesperson's license to the applicant. Any license so deposited with the superintendent shall be subject to this chapter. A broker who intends to deposit the broker's license with the superintendent, as provided in this section, shall give written notice of this fact in a format prescribed by the superintendent to all salespersons associated with the broker when applying to place the broker's license on deposit.

(F) If a real estate broker desires to become a member or officer of a partnership, association, limited liability company, limited liability partnership, or corporation that is or intends to become a licensed real estate broker, the broker shall notify the superintendent of the broker's intentions. The notice of intention shall be on a form prescribed by the superintendent and shall be accompanied by a fee of twenty-five dollars. One dollar of the fee shall be credited to the real estate education and research fund.

A licensed real estate broker who is a member or officer
of a partnership, association, limited liability company, limited liability partnership, or corporation shall only act as a real estate broker for such partnership, association, limited liability company, limited liability partnership, or corporation.

(G)(1) If a real estate broker or salesperson enters the armed forces, the broker or salesperson may place the broker's or salesperson's license on deposit with the Ohio real estate commission. The licensee shall not be required to renew the license until the renewal date that follows the date of discharge from the armed forces. Any license deposited with the commission shall be subject to this chapter.

Any licensee whose license is on deposit under this division and who fails to meet the continuing education requirements of section 4735.141 of the Revised Code because the licensee is in the armed forces shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months of the licensee's first birthday after discharge or within the amount of time equal to the total number of months the licensee spent on active duty, whichever is greater. The licensee shall submit proper documentation of active duty service and the length of that active duty service to the superintendent. The extension shall not exceed the total number of months that the licensee served in active duty. The superintendent shall notify the licensee of the licensee's obligations under section 4735.141 of the Revised Code at the time the licensee applies for reactivation of the licensee's license.

(2) If a licensee is a spouse of a member of the armed forces and the spouse's service resulted in the licensee's
absence from this state, both of the following apply:

(a) The licensee shall not be required to renew the license until the renewal date that follows the date of the spouse's discharge from the armed forces.

(b) If the licensee fails to meet the continuing education requirements of section 4735.141 of the Revised Code, the licensee shall satisfy the commission that the licensee has complied with the continuing education requirements within twelve months after the licensee's first birthday after the spouse's discharge or within the amount of time equal to the total number of months the licensee's spouse spent on active duty, whichever is greater. The licensee shall submit proper documentation of the spouse's active duty service and the length of that active duty service. This extension shall not exceed the total number of months that the licensee's spouse served in active duty.

(3) In the case of a licensee as described in division (G)(2) of this section, who holds the license through a reciprocity agreement with another state, the spouse's service shall have resulted in the licensee's absence from the licensee's state of residence for the provisions of that division to apply.

(4) As used in this division, "armed forces" means the armed forces of the United States or reserve component of the armed forces of the United States including the Ohio national guard or the national guard of any other state.

(H) If a licensed real estate salesperson submits an application to the superintendent to leave the association of one broker to associate with a different broker, the broker possessing the licensee's license need not return the
salesperson's license to the superintendent. The superintendent may process the application regardless of whether the licensee's license is returned to the superintendent.

Sec. 4735.27. (A) An application to act as a foreign real estate dealer shall be in writing and filed with the superintendent of real estate. It shall be in the form the superintendent prescribes and shall contain the following information:

1. The name and address of the applicant;

2. A description of the applicant, including, if the applicant is a partnership, unincorporated association, or any similar form of business organization, the names and the residence and business addresses of all partners, officers, directors, trustees, or managers of the organization, and the limitation of the liability of any partner or member; and if the applicant is a corporation, a list of its officers and directors, and the residence and business addresses of each, and, if it is a foreign corporation, a copy of its articles of incorporation in addition;

3. The location and addresses of the principal office and all other offices of the applicant;

4. A general description of the business of the applicant prior to the application, including a list of states in which the applicant is a licensed foreign real estate dealer;

5. The names and addresses of all salespersons of the applicant at the date of the application;

6. The nature of the business of the applicant, and its places of business, for the ten-year period preceding the date of application.
(B) Every nonresident applicant shall name a person within this state upon whom process against the applicant may be served and shall give the complete residence and business address of the person designated. Every applicant shall file an irrevocable written consent, executed and acknowledged by an individual duly authorized to give such consent, that actions growing out of a fraud committed by the applicant in connection with the sale in this state of foreign real estate may be commenced against it, in the proper court of any county in this state in which a cause of action for such fraud may arise or in which the plaintiff in such action may reside, by serving on the secretary of state any proper process or pleading authorized by the laws of this state, in the event that the applicant if a resident of this state, or the person designated by the nonresident applicant, cannot be found at the address given. The consent shall stipulate that the service of process on the secretary of state shall be taken in all courts to be as valid and binding as if service had been made upon the foreign real estate dealer. If the applicant is a corporation or an unincorporated association, the consent shall be accompanied by a certified copy of the resolution of the board of directors, trustees, or managers of the corporation or association, authorizing such individual to execute the consent.

(C) The superintendent may investigate any applicant for a dealer's license, and may require any additional information he considers necessary to determine the business repute and qualifications of the applicant to act as a foreign real estate dealer. If the application for a dealer's license involves investigation outside this state, the superintendent may require the applicant to advance sufficient funds to pay any of the actual expenses of the investigation, and an itemized statement of such expense shall be furnished to the applicant.
(D) Every applicant shall take a written examination, prescribed and conducted by the superintendent, which covers the applicant's knowledge of the principles of real estate practice, real estate law, financing and appraisal, real estate transactions and instruments relating to them, canons of business ethics relating to real estate transactions, and the duties of foreign real estate dealers and salespersons.

The fee for the examination, when administered by the superintendent, is seventy-five dollars. If the applicant does not appear for the examination, the fee shall be forfeited and a new application and fee shall be filed, unless good cause for the failure to appear is shown to the superintendent. The requirement of an examination may be waived in whole or in part by the superintendent if an applicant is licensed as a real estate broker by any state.

Any applicant who fails the examination twice shall wait six months before applying to retake the examination.

(E) No person shall take the foreign real estate dealer's examination who has not established to the satisfaction of the superintendent that he:

1. Has not been convicted of a felony or a crime of moral turpitude or, if he has been so convicted, the superintendent has disregarded the conviction because the applicant has proven to the superintendent, by a preponderance of the evidence, that his activities and employment record since the conviction show that he is honest, truthful, and of good reputation, and there is no basis in fact for believing that he again will violate the laws involved as determined in accordance with section 9.79 of the Revised Code;

2. Has not been finally adjudged by a court to have
violated any municipal, state, or federal civil rights laws relevant to the protection of purchasers or sellers of real estate or, if the applicant has been so adjudged, at least two years have passed since the court decision and the superintendent has disregarded the adjudication because the applicant has proven, by a preponderance of the evidence, that his activities and employment record since the adjudication show that he is honest, truthful, and of good reputation, and there is no basis in fact for believing that he again will violate the laws involved;

(3) Has not, during any period for which he was licensed under this chapter or any former section of the Revised Code applicable to licensed foreign real estate dealers or salespersons, violated any provision of, or any rule adopted pursuant to, this chapter or that section, or, if he has violated any such provision or rule, has established to the satisfaction of the superintendent that he will not again violate the provision or rule.

(F) If the superintendent finds that an applicant for a license as a foreign real estate dealer, or each named member, manager, or officer of a partnership, association, or corporate applicant is at least eighteen years of age, is of good business repute, has passed the examination required under this section or has had the requirement of an examination waived, and appears otherwise qualified, the superintendent shall issue a license to the applicant to engage in business in this state as a foreign real estate dealer. Dealers licensed pursuant to this section shall employ as salespersons of foreign real estate only persons licensed pursuant to section 4735.28 of the Revised Code. If at any time such salespersons resign or are
discharged or new salesmen salespersons are added, the dealer forthwith shall notify the superintendent and shall file with the division of real estate the names and addresses of new salesmen salespersons.

(G) If the applicant merely is renewing his the applicant's license for the previous year, the application need contain only the information required by divisions (A)(2), (3), and (6) of this section.

Sec. 4735.28. (A) An application to act as a foreign real estate salesman salesperson shall be in writing and filed with the superintendent of real estate. It shall be in the form the superintendent prescribes and shall contain the following information:

(1) The name and complete residence and business addresses of the applicant;

(2) The name of the foreign real estate dealer who is employing the applicant or who intends to employ him the applicant;

(4) The nature of the employment, and the names and addresses of the employers, of the applicant for the period of ten years immediately preceding the date of the application.
(B) Every applicant shall take a written examination, prescribed and conducted by the superintendent, which covers the applicant's knowledge of the principles of real estate practice, real estate law, financing and appraisal, real estate transactions and instruments relating to them, canons of business ethics relating to real estate transactions, and the duties of foreign real estate salesmen. The fee for the examination, when administered by the superintendent, is fifty dollars. If the applicant does not appear for the examination, the fee shall be forfeited and a new application and fee shall be filed, unless good cause for the failure to appear is shown to the superintendent. The requirement of an examination may be waived in whole or in part by the superintendent if an applicant is licensed as a real estate broker or salesperson by any state.

Any applicant who fails the examination twice shall wait six months before applying to retake the examination.

(C) No person shall take the foreign real estate salesperson's examination who has not established to the satisfaction of the superintendent that he:

1. Has not been convicted of a felony or a crime of moral turpitude or, if he has been so convicted, the superintendent has disregarded the conviction because the applicant has proven to the superintendent, by a preponderance of the evidence, that his activities and employment record since the conviction show that he is honest, truthful, and of good reputation, and there is no basis in fact for believing that he again will violate the laws involved; disqualifying offense as determined in accordance with section 9.79 of the Revised Code;

(F) Establish or approve a continuing education curriculum for license renewal for each class of contractors for which the section has primary responsibility. No curriculum may require more than five hours per year in specific course requirements. No contractor may be required to take more than ten hours per year in continuing education courses. The ten hours shall be the aggregate of hours of continuing education for all licenses the contractor holds.

(G) Design the examination for the type of contractor the specialty section licenses to determine an applicant's competence to perform that type of contracting.

Sec. 4740.06. (A) Any individual who applies for a license shall file a written application with the appropriate specialty section of the Ohio construction industry licensing board, accompanied with the application fee as determined pursuant to section 4740.09 of the Revised Code. The applicant shall provide information satisfactory to the section showing that the applicant meets the requirements of
division (B) of this section.

(C) When an applicant for licensure as a contractor in a licensed trade meets the qualifications set forth in division (B) of this section and passes the required examination, the appropriate specialty section of the board, within ninety days after the application was filed, shall authorize the administrative section of the board to license the applicant for the type of contractor's license for which the applicant qualifies. A specialty section of the board may withdraw its authorization to the administrative section for issuance of a license for good cause shown, on the condition that notice of that withdrawal is given prior to the administrative section's issuance of the license.

(D)(1) Except as provided in division (D)(2) of this section, if an applicant does not pass the required examination, the applicant may retake the examination not less than sixty days after the applicant's most recent examination.

(2) An applicant who does not pass the required examination after taking the examination five times under this section shall reapply for a license under division (A) of this section before retaking the required examination any subsequent time.

(E) All licenses a contractor holds pursuant to this chapter shall expire annually on the same date, which shall be the expiration date of the original license the contractor holds. An individual holding a valid, unexpired license may renew the license, without reexamination, by submitting an application to the appropriate specialty section of the board not more than ninety calendar days before the expiration of the
license, along with the renewal fee the specialty section requires and proof of compliance with the applicable continuing education requirements. The applicant shall provide information in the renewal application satisfactory to demonstrate to the appropriate specialty section that the applicant continues to meet the requirements of division (B) of this section.

Upon application and within one calendar year after a license has expired, a section may waive any of the requirements for renewal of a license upon finding that an applicant substantially meets the renewal requirements or that failure to timely apply for renewal is due to excusable neglect. A section that waives requirements for renewal of a license may impose conditions upon the licensee and assess a late filing fee of not more than double the usual renewal fee. An applicant shall satisfy any condition the section imposes before a license is reissued.

(F) An individual holding a valid license may request the section of the board that authorized that license to place the license in inactive status under conditions, and for a period of time, as that section determines.

(G) Except for the ninety-day extension provided for a license assigned to a contracting company under division (D) of section 4740.07 of the Revised Code, a license held by an individual immediately terminates upon the death of the individual.

(H) Nothing in any license issued by the Ohio construction industry licensing board shall be construed to limit or eliminate any requirement of or any license issued by the Ohio fire marshal.
(I)(1) Subject to division (I)(2), (3), and (4) of this section, no specialty section of the board shall adopt, maintain, renew, or enforce any rule, or otherwise preclude in any way, an individual from receiving or renewing a license under this chapter due to any past criminal activity or interpretation of moral character, except as pursuant to division (B)(5)(a) of this section. If the specialty section denies an individual a license or license renewal, the reasons for such denial shall be put in writing.

(2) Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the section may use its discretion in granting or denying the individual a license. Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a felony that is not a crime of moral turpitude or a disqualifying offense less than three years prior to making the application, the section may use its discretion in granting or denying the individual a license. The provisions in this paragraph do not apply with respect to any offense unless the section, prior to September 28, 2012, was required or authorized to deny the application based on that offense.

In all other circumstances, the section shall follow the procedures it adopts by rule that conform to division (I)(1) of this section to an applicant because of a conviction of or plea of guilty to an offense if the refusal is in accordance with section 9.79 of the Revised Code.

(3) In considering a renewal of an individual's license,
the section shall not consider any conviction or plea of guilty prior to the initial licensing. However, the board may consider a conviction or plea of guilty if it occurred after the individual was initially licensed, or after the most recent license renewal.

(4) The section may grant an individual a conditional license that lasts for one year. After the one-year period has expired, the license is no longer considered conditional, and the individual shall be considered fully licensed.

(I)(J) Notwithstanding divisions (D)(E) and (H)(I) of this section and sections 4740.04 and 4740.05 of the Revised Code, the board may establish rules that amend the continuing education requirements and license renewal schedule for licensees as provided in or adopted pursuant to those sections for the purpose of establishing a compliance incentive program. These rules may include provisions for the creation of the program and the qualifications, continuing education requirements, and renewal schedule for the program.

Sec. 4740.061. (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter.

(B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The Ohio construction industry licensing board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the
results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4740.04 or 4740.08 of the Revised Code.

Sec. 4740.10. (A) A specialty section of the Ohio construction industry licensing board may impose any of the following, or any combination of the following, disciplinary actions against an applicant or license holder for committing an act listed in division (B) of this section:

(1) Suspend, revoke, or refuse to issue any license;

(g) Transferring the person's license to another person
without the approval of the appropriate specialty section;

(h)(i) Allowing the person's license to be used by an unlicensed person or entity;

(j) Failing to maintain insurance throughout the license year, unless the license has properly been placed in inactive status under section 4740.06 of the Revised Code.

(2) The appropriate specialty section of the board may take disciplinary action against an applicant or license holder as prescribed under division (A) of this section upon receiving notice that a municipal corporation or any other governmental agency has suspended or revoked the local contracting license or registration of an individual or contracting company that also holds a license pursuant to this chapter.

(C) Notwithstanding any provision to the contrary in divisions (A) and (B) of this section, a specialty section shall not refuse to issue a license to an applicant because of a conviction of or plea of guilty to an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) The appropriate specialty sections shall direct the administrative section to refuse to issue any license to an applicant upon a finding by the appropriate specialty section that the applicant has done either of the following:

(1) Had another person take the required examination for
the applicant;

(2) Failed to pass the required examination.

(E) If an individual fails to request a hearing within thirty days after the date a specialty section, in accordance with section 119.07 of the Revised Code, notifies the individual of the board's intent to impose a disciplinary action against the individual under division (A) of this section, the specialty section, by a majority vote of a quorum of the section members, may impose the action against the individual without holding an adjudication hearing.

(B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state veterinary medical licensing board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4741.11, 4741.12, 4741.13, or 4741.14 of the Revised Code.

Sec. 4741.12. The state veterinary medical licensing board may issue a license to practice veterinary medicine without the examination required pursuant to section 4741.11 of the Revised Code to an applicant from another state, territory, country, or

(B) The board shall adopt reasonable rules, in accordance with Chapter 119. of the Revised Code, necessary for the administration of this chapter. The board shall include all of the following in those rules:

(1) The amount of any fees required under this chapter;

(2) The information to be included in a hearing aid receipt provided by a licensed hearing aid dealer or fitter to a person under section 4747.09 of the Revised Code;

(3) The amount of time a licensed hearing aid dealer or fitter or trainee permit holder has to provide the notice of a change in address or addresses required under section 4747.11 of the Revised Code and any other requirements relating to the notice;

(4) Any additional conduct for which the board may discipline a licensee or permit holder under section 4747.12 of
the Revised Code.

(C) Nothing in this section shall be interpreted as granting to the board the right to restrict advertising which is not false or misleading, or to prohibit or in any way restrict a hearing aid dealer or fitter from renting or leasing space from any person, firm or corporation in a mercantile establishment for the purpose of using such space for the lawful sale of hearing aids or to prohibit a mercantile establishment from selling hearing aids if the sale would be otherwise lawful under this chapter.

Sec. 4747.05. (A) The state speech and hearing professionals board shall issue to each applicant, within sixty days of receipt of a properly completed application and payment of an application fee set by the board in rules adopted under section 4747.04 of the Revised Code, a hearing aid dealer's or fitter's license if the applicant:

(1) In the case of an individual, the individual is at least eighteen years of age, has not committed a disqualifying offense or a crime of moral turpitude, as those terms are defined in section 4776.10 of the Revised Code, is free of contagious or infectious disease, and has successfully passed a qualifying examination specified and administered by the board.

(2) In the case of a firm, partnership, association, or corporation, the application, in addition to such information as the board requires, is accompanied by an application for a license for each person, whether owner or employee, of the firm, partnership, association, or corporation, who engages in dealing in or fitting of hearing aids, or contains a statement that such applications are submitted separately. No firm, partnership, association, or corporation licensed pursuant to this chapter
shall permit any unlicensed person to sell or fit hearing aids.

(B)(1) Subject to division (B)(2), (3), and (4) of this section, the board shall not adopt or enforce any rule that precludes an individual from receiving or renewing a license issued under this chapter due to any past criminal activity, unless the individual has committed a crime of moral turpitude or a disqualifying offense as those terms are defined in section 4776.10 of the Revised Code. The board shall comply with Chapter 119. of the Revised Code when denying an individual a license or license renewal.

(2) Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the board may use the board's discretion in granting or denying the individual a license. Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a felony that is not a crime of moral turpitude or a disqualifying offense less than three years prior to making the application, the board may use the board's discretion in granting or denying the individual a license. The provisions in this paragraph do not apply with respect to any offense unless the board, prior to September 28, 2012, was required or authorized to deny the application based on that offense.

In all other circumstances, the board shall follow the procedures it adopts by rule that conform to division (B)(1) of this section to an applicant because of a conviction of or plea of guilty to an offense if the refusal is in accordance with
section 9.79 of the Revised Code.

(3) In considering a renewal of an individual's license, the board shall not consider any conviction or plea of guilty prior to the initial licensing. However, the board may consider a conviction or plea of guilty if it occurred after the individual was initially licensed, or after the most recent license renewal.

(4) The board may grant an individual a conditional license that lasts for one year. After the one-year period has expired, the license is no longer considered conditional, and the individual shall be considered fully licensed.

(C)(1) Except as provided in division (C)(2) of this section, each license issued is valid from the date of issuance until the thirty-first day of December of the even-numbered year that follows the date of issuance.

(2) A license issued less than one hundred days before the thirty-first day of December of an even-numbered year is valid from the date of issuance until the thirty-first day of December of the even-numbered year that follows the thirty-first day of December immediately after the date of issuance.

Sec. 4747.051. (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter.

(B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state speech and hearing professionals board shall not
grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4747.05 or 4747.10 of the Revised Code.

Sec. 4747.10. Each person currently engaged in training to become a licensed hearing aid dealer or fitter shall apply to the state speech and hearing professionals board for a hearing aid dealer's and fitter's trainee permit. The board shall issue to each applicant within thirty days of receipt of a properly completed application and payment of an application fee set by the board in rules adopted under section 4747.04 of the Revised Code, a trainee permit if such applicant meets all of the following criteria:

(A) Is at least eighteen years of age;

(B) Is the holder of a diploma from an accredited high school or a certificate of high school equivalence issued by the department of education;

(C) Has not committed a disqualifying offense or a crime of moral turpitude, as those terms are defined in section 4776.10 of the Revised Code;

(D) Is free of contagious or infectious disease.

Subject to the next paragraph, the board shall not deny a trainee permit issued under this section to any individual based on the individual's past criminal history unless the individual has committed a disqualifying offense or crime of moral turpitude as those terms are defined in section 4776.10 of the Revised Code.
Except as otherwise provided in this paragraph, if an individual applying for a trainee permit has been convicted of or pleaded guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the board may use the board's discretion in granting or denying the individual a trainee permit. Except as otherwise provided in this paragraph, if an individual applying for a trainee permit has been convicted of or pleaded guilty to a felony that is not a crime of moral turpitude or a disqualifying offense less than three years prior to making the application, the board may use the board's discretion in granting or denying the individual a trainee permit. The provisions in this paragraph do not apply with respect to any offense unless the board, prior to September 28, 2012, was required or authorized to deny the application based on that offense.

In all other circumstances not described in the preceding paragraph, the board shall follow the procedures it adopts by rule that conform to this section.

In considering a renewal of an individual's trainee permit, the board shall not consider any conviction or plea of guilty prior to the issuance of the initial trainee permit. However, the board may consider a conviction or plea of guilty if it occurred after the individual was initially granted the trainee permit, or after the most recent trainee permit renewal. The board shall comply with Chapter 119. of the Revised Code when denying an individual for a trainee permit or renewal. Additionally, the board may grant an individual a conditional trainee permit that lasts for one year. After the one-year period has expired, the permit is no longer considered conditional, and the individual shall be considered to be
granting a full trainee permit.

Each trainee permit issued by the board expires one year from the date it was first issued, and may be renewed once if the trainee has not successfully completed the qualifying requirements for licensing as a hearing aid dealer or fitter before the expiration date of such permit. The board shall issue a renewed permit to each applicant upon receipt of a properly completed application and payment of a renewal fee set by the board in rules adopted under section 4747.04 of the Revised Code. No person holding a trainee permit shall engage in the practice of dealing in or fitting of hearing aids except while under supervision by a licensed hearing aid dealer or fitter.

Sec. 4747.12. (A) In accordance with Chapter 119. of the Revised Code, the state speech and hearing professionals board may revoke, suspend, place on probation, or, except as provided in division (B) of this section, refuse to issue or renew a license or permit or reprimand a licensee or permit holder if the person who holds such license or permit:

(1) Is convicted of a disqualifying offense or a crime of moral turpitude as those terms are defined in section 4776.10 of the Revised Code;

(2) Procured a license or permit by fraud or deceit practiced upon the board;

(3) Obtained any fee or made any sale of a hearing aid by fraud or misrepresentation;

(4) Used or caused or promoted the use of any advertising matter, promotional literature, testimonial, guarantee, warranty, label, brand, insignia, or any other representation, however disseminated or published, which is misleading,
deceptive, or untruthful;

(5) Advertised a particular model or type of hearing aid for sale when purchasers or prospective purchasers responding to the advertisement cannot purchase the specified model or type of hearing aid;

(6) Represented or advertised that the service or advice of a person licensed to practice medicine will be used or made available in the selection, fitting, adjustment, maintenance, or repair of hearing aids when such is not true, or using the words "doctor," "clinic," or similar words, abbreviations, or symbols which connote the medical profession when such use is not accurate;

(7) Advertised a manufacturer's product or used a manufacturer's name or trademark in a manner which suggested the existence of a relationship with the manufacturer which did not or does not exist;

(8) Fitted or sold, or attempted to fit or sell, a hearing aid to a person without first utilizing the appropriate procedures and instruments required for proper fitting of hearing aids;

(9) Engaged in the fitting and sale of hearing aids under a false name or an alias;

(10) Engaged in the practice of dealing in or fitting of hearing aids while suffering from a contagious or infectious disease;

(11) Was found by the board to be guilty of gross incompetence or negligence in the fitting or sale of hearing aids;
(12) Permitted another person to use the licensee's license;

(13) Violate the code of ethical practice adopted under section 4744.50 of the Revised Code;

(14) Made or filed a false report or record in the sale or dispensing of a hearing aid;

(15) Aided or abetted the unlicensed sale, fitting, or dispensing of a hearing aid;

(16) Committed an act of dishonorable, immoral, or unprofessional conduct while engaging in the sale or practice of dealing in or fitting of hearing aids;

(17) Engaged in illegal, incompetent, or habitually negligent practice;

(18) Provided professional services while mentally incompetent or under the influence of alcohol or while using any narcotic or controlled substance or other drug that is in excess of therapeutic amounts or without valid medical indication;

(19) Violated this chapter or any lawful order given or rule adopted by the board;

(20) Is disciplined by a licensing or disciplinary authority of this or any other state or country or is convicted or disciplined by a court of this or any other state or country for an act that would be grounds for disciplinary action under this section;

(21) Engaged in conduct that the board has identified in a rule adopted under section 4747.04 of the Revised Code as requiring disciplinary action under this section.
(B) The board shall not refuse to issue a license or permit to an applicant because of a criminal conviction unless the refusal is in accordance with section 9.79 of the Revised Code.

(C) If the board revokes a person's license under division (A) of this section, the person may apply for reinstatement. The board may require the person to complete an examination or additional continuing education as a condition of reinstatement.

Sec. 4749.03. (A)(1) Any individual, including a partner in a partnership, may be licensed as a private investigator under a class B license, or as a security guard provider under a class C license, or as a private investigator and a security guard provider under a class A license, if the individual meets all of the following requirements:

(a) Has a good reputation for integrity, has not been convicted of a disqualifying offense as defined in section 4776.10 of the Revised Code within the last three years or any crime of moral turpitude as that term is defined in section 4776.10 of the Revised Code, and has not been adjudicated incompetent for the purpose of holding the license, as provided in section 5122.301 of the Revised Code, without having been restored to legal capacity for that purpose.

(b) Depending upon the class of license for which application is made, for a continuous period of at least two years immediately preceding application for a license, has been engaged in investigatory or security services work for a law enforcement or other public agency engaged in investigatory activities, or for a private investigator or security guard provider, or engaged in the practice of law, or has acquired equivalent experience as determined by rule of the director of
public safety.

(c) Demonstrates competency as a private investigator or security guard provider by passing an examination devised for this purpose by the director, except that any individually licensed person who qualifies a corporation for licensure shall not be required to be reexamined if the person qualifies the corporation in the same capacity that the person was individually licensed.

(d) Submits evidence of comprehensive general liability insurance coverage, or other equivalent guarantee approved by the director in such form and in principal amounts satisfactory to the director, but not less than one hundred thousand dollars for each person and three hundred thousand dollars for each occurrence for bodily injury liability, and one hundred thousand dollars for property damage liability.

(e) Pays the requisite examination and license fees.

(2) A corporation may be licensed as a private investigator under a class B license, or as a security guard provider under a class C license, or as a private investigator and a security guard provider under a class A license, if an application for licensure is filed by an officer of the corporation and the officer, another officer, or the qualifying agent of the corporation satisfies the requirements of divisions (A)(1) and (F)(1) of this section. Officers and the statutory agent of a corporation shall be determined in accordance with Chapter 1701. of the Revised Code.

(3) At least one partner in a partnership shall be licensed as a private investigator, or as a security guard provider, or as a private investigator and a security guard provider.
provider. Partners in a partnership shall be determined as
provided for in Chapter 1775. or 1776. of the Revised Code.

(B) An application for a class A, B, or C license shall be
completed in the form the director prescribes. In the case of an
individual, the application shall state the applicant's name,
birth date, citizenship, physical description, current
residence, residences for the preceding ten years, current
employment, employment for the preceding seven years, experience
qualifications, the location of each of the applicant's offices
in this state, and any other information that is necessary in
order for the director to comply with the requirements of this
chapter. In the case of a corporation, the application shall
state the name of the officer or qualifying agent filing the
application; the state in which the corporation is incorporated
and the date of incorporation; the states in which the
corporation is authorized to transact business; the name of its
qualifying agent; the name of the officer or qualifying agent of
the corporation who satisfies the requirements of divisions (A)
(1) and (F)(1) of this section and the birth date, citizenship,
physical description, current residence, residences for the
preceeding ten years, current employment, employment for the
preceeding seven years, and experience qualifications of that
officer or qualifying agent; and other information that the
director requires. A corporation may specify in its application
information relative to one or more individuals who satisfy the
requirements of divisions (A)(1) and (F)(1) of this section.

The application described in this division shall be
accompanied by all of the following:

(1) One recent full-face photograph of the applicant or,
in the case of a corporation, of each officer or qualifying
agent specified in the application as satisfying the
requirements of divisions (A)(1) and (F)(1) of this section;

(2) Character references from at least five
reputable citizens for the applicant or, in the case of a
corporation, for each officer or qualifying agent specified in
the application as satisfying the requirements of divisions (A)
(1) and (F)(1) of this section, each of whom has known the
applicant, officer, or qualifying agent for at least five years
preceding the application, and none of whom are connected with
the applicant, officer, or qualifying agent by blood or
marriage;

(3) An examination fee of twenty-five dollars for the
applicant or, in the case of a corporation, for each officer or
qualifying agent specified in the application as satisfying the
requirements of divisions (A)(1) and (F)(1) of this section, and
a license fee in the amount the director determines, not to
exceed three hundred seventy-five dollars. The license fee shall
be refunded if a license is not issued.

(C)(1) Each individual applying for a license and each
individual specified by a corporation as an officer or
qualifying agent in an application shall submit one complete set
of fingerprints directly to the superintendent of the bureau of
criminal identification and investigation for the purpose of
conducting a criminal records check. The individual shall
provide the fingerprints using a method the superintendent
prescribes pursuant to division (C)(2) of section 109.572 of the
Revised Code and fill out the form the superintendent prescribes
pursuant to division (C)(1) of section 109.572 of the Revised
Code. An applicant who intends to carry a firearm as defined in
section 2923.11 of the Revised Code in the course of business or
employment shall so notify the superintendent. This notification is in addition to any other requirement related to carrying a firearm that applies to the applicant. The individual or corporation requesting the criminal records check shall pay the fee the superintendent prescribes.

(2) The superintendent shall conduct the criminal records check as set forth in division (B) of section 109.572 of the Revised Code. If an applicant intends to carry a firearm in the course of business or employment, the superintendent shall make a request to the federal bureau of investigation for any information and review the information the bureau provides pursuant to division (B)(2) of section 109.572 of the Revised Code. The superintendent shall submit all results of the completed investigation to the director of public safety.

(3) If the director determines that the applicant, officer, or qualifying agent meets the requirements of divisions (A)(1)(a), (b), and (d) of this section and that an officer or qualifying agent meets the requirement of division (F)(1) of this section, the director shall notify the applicant, officer, or agent of the time and place for the examination. If the director determines that an applicant does not meet the requirements of divisions (A)(1)(a), (b), and (d) of this section, the director shall notify the applicant that the applicant's application is refused and refund the license fee. If the director determines that none of the individuals specified in the application of a corporation as satisfying the requirements of divisions (A)(1) and (F)(1) of this section meet the requirements of divisions (A)(1)(a), (b), and (d) and (F)(1) of this section, the director shall notify the corporation that its application is refused and refund the license fee. If the bureau assesses the director a fee for any investigation, the
director, in addition to any other fee assessed pursuant to this chapter, may assess the applicant, officer, or qualifying agent, as appropriate, a fee that is equal to the fee assessed by the bureau.

(4)(a) Subject to divisions (C)(4)(b), (c), and (d) of this section, the director shall not adopt, maintain, renew, or enforce any rule, or otherwise preclude in any way, an individual from receiving or renewing a license under this chapter due to any past criminal activity or interpretation of moral character, except as pursuant to division (A)(1)(a) of this section. If the director denies an individual a license or license renewal, the reasons for such denial shall be put in writing.

(b) Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a misdemeanor that is not a crime of moral turpitude or a disqualifying offense less than one year prior to making the application, the director may use the director's discretion in granting or denying the individual a license. Except as otherwise provided in this division, if an individual applying for a license has been convicted of or pleaded guilty to a felony that is not a crime of moral turpitude or a disqualifying offense less than three years prior to making the application, the director may use the director's discretion in granting or denying the individual a license. The provisions in this paragraph do not apply with respect to any offense unless the director, prior to the effective date of this amendment, was required or authorized to deny the application based on that offense.

In all other circumstances, the director shall follow the
procedures the director adopts by rule that conform to division (C)(4)(a) of this section to an applicant because of a conviction of or plea of guilty to an offense if the refusal is in accordance with section 9.79 of the Revised Code.

(c) In considering a renewal of an individual's license, the director shall not consider any conviction or plea of guilty prior to the initial licensing. However, the director may consider a conviction or plea of guilty if it occurred after the individual was initially licensed, or after the most recent license renewal.

(d) The director may grant an individual a conditional license that lasts for one year. After the one-year period has expired, the license is no longer considered conditional, and the individual shall be considered fully licensed.

(D) If upon application, investigation, and examination, the director finds that the applicant or, in the case of a corporation, any officer or qualifying agent specified in the application as satisfying the requirements of divisions (A)(1) and (F)(1) of this section, meets the applicable requirements, the director shall issue the applicant or the corporation a class A, B, or C license. The director also shall issue an identification card to an applicant, but not an officer or qualifying agent of a corporation, who meets the applicable requirements. The license and identification card shall state the licensee's name, the classification of the license, the location of the licensee's principal place of business in this state, and the expiration date of the license, and, in the case of a corporation, it also shall state the name of each officer or qualifying agent who satisfied the requirements of divisions (A)(1) and (F)(1) of this section.
Licenses expire on the first day of March following the date of initial issue, and on the first day of March of each year thereafter. Annual renewals shall be according to the standard renewal procedures contained in Chapter 4745. of the Revised Code, upon payment of an annual renewal fee the director determines, not to exceed two hundred seventy-five dollars. No license shall be renewed if the licensee or, in the case of a corporation, each officer or qualifying agent who qualified the corporation for licensure no longer meets the applicable requirements of this section. No license shall be renewed unless the licensee provides evidence of workers' compensation risk coverage and unemployment compensation insurance coverage, other than for clerical employees and excepting sole proprietors who are exempted therefrom, as provided for in Chapters 4123. and 4141. of the Revised Code, respectively, as well as the licensee's state tax identification number. No reexamination shall be required for renewal of a current license.

For purposes of this chapter, a class A, B, or C license issued to a corporation shall be considered as also having licensed the individuals who qualified the corporation for licensure, for as long as they are associated with the corporation.

For purposes of this division, "sole proprietor" means an individual licensed under this chapter who does not employ any other individual.

(E) The director may issue a duplicate copy of a license issued under this section for the purpose of replacement of a lost, spoliated, or destroyed license, upon payment of a fee the director determines, not exceeding twenty-five dollars. Any change in license classification requires new application and
application fees.

(F)(1) In order to qualify a corporation for a class A, B, or C license, an officer or qualifying agent may qualify another corporation for similar licensure, provided that the officer or qualifying agent is actively engaged in the business of both corporations.

(2) Each officer or qualifying agent who qualifies a corporation for class A, B, or C licensure shall surrender any personal license of a similar nature that the officer or qualifying agent possesses.

(3) Upon written notification to the director, completion of an application similar to that for original licensure, surrender of the corporation's current license, and payment of a twenty-five-dollar fee, a corporation's class A, B, or C license may be transferred to another corporation.

(4) Upon written notification to the director, completion of an application similar to that for an individual seeking class A, B, or C licensure, payment of a twenty-five-dollar fee, and, if the individual was the only individual that qualified a corporation for licensure, surrender of the corporation's license, any officer or qualifying agent who qualified a corporation for licensure under this chapter may obtain a similar license in the individual's own name without reexamination. A request by an officer or qualifying agent for an individual license shall not affect a corporation's license unless the individual is the only individual that qualified the corporation for licensure or all the other individuals who qualified the corporation for licensure submit such requests.

(G) If a corporation is for any reason no longer
associated with an individual who qualified it for licensure under this chapter, an officer of the corporation shall notify the director of that fact by certified mail, return receipt requested, within ten days after the association terminates. If the notification is so given, the individual was the only individual that qualified the corporation for licensure, and the corporation submits the name of another officer or qualifying agent to qualify the corporation for the license within thirty days after the association terminates, the corporation may continue to operate in the business of private investigation, the business of security services, or both businesses in this state under that license for ninety days after the association terminates. If the officer or qualifying agent whose name is submitted satisfies the requirements of divisions (A)(1) and (F)(1) of this section, the director shall issue a new license to the corporation within that ninety-day period. The names of more than one individual may be submitted.

Sec. 4751.04. (A) The board of executives of long-term services and supports shall:

(1) Develop, adopt, impose, and enforce regulations prescribing standards which must be met by individuals in order to receive a license as a nursing home administrator, which standards shall be designed to ensure that nursing home administrators are of good character and are otherwise suitable, and who, by training and experience, are qualified to serve as nursing home administrators;

(2) Develop and apply appropriate techniques, including examinations and investigations, for determining whether an individual meets such standards;

(3) Issue licenses and registrations to individuals
determined, after application of such techniques, to meet such standards;

(4) Revoke or suspend licenses or registrations previously issued by the board or impose a civil penalty, fine, or any other sanction authorized by the board on an individual holding a license or registration, in any case where the individual is determined to have failed substantially to conform to the requirements of such standards;

(5) Develop, adopt, impose, and enforce regulations and procedures designed to ensure that individuals holding a temporary license, or licensed as nursing home administrators will, during any period that they serve as such, comply with Chapter 4751. of the Revised Code and the regulations adopted thereunder;

(6) Receive, investigate, and take appropriate action with respect to any charge or complaint filed with the board to the effect that any individual licensed as a nursing home administrator has failed to comply with Chapter 4751. of the Revised Code and the regulations adopted thereunder;

(7) Take such other actions as may be necessary to enable the state to meet the requirements set forth in the "Social Security Amendments of 1967," 81 Stat. 908 (1968), 42 U.S.C. 1396 g;

(8) Pay all license and registration fees, civil penalties, and fines collected under Chapter 4751. of the Revised Code into the board of executives of long-term services and supports fund created by section 4751.14 of the Revised Code to be used in administering and enforcing this chapter and the rules adopted under it;
(9) Administer, or contract with a government or private entity to administer, examinations for licensure as a nursing home administrator. If the board contracts with a government or private entity to administer the examinations, the contract may authorize the entity to collect and keep, as all or part of the entity's compensation under the contract, any fee an applicant for licensure pays to take an examination. The entity is not required to deposit the fee into the state treasury;

(10) Enter into a contract with the department of aging as required under section 4751.042 of the Revised Code;

(11) Create opportunities for the education, training, and credentialing of nursing home administrators, persons in leadership positions who practice in long-term services and supports settings or who direct the practices of others in those settings, and persons interested in serving in those roles. In carrying out this function, the board shall do the following:

(a) Identify core competencies and areas of knowledge that are appropriate for nursing home administrators, credentialed individuals, and others working within the long-term services and supports settings system, with an emphasis on all of the following:

(i) Leadership;

(ii) Person-centered care;

(iii) Principles of management within both the business and regulatory environments;

(iv) An understanding of all post-acute settings, including transitions from acute settings and between post-acute settings.
(b) Assist in the development of a strong, competitive market in Ohio for training, continuing education, and degree programs in long-term services and supports settings administration.

(B) In the administration and enforcement of Chapter 4751. of the Revised Code, and the regulations adopted thereunder, the board is subject to Chapter 119. of the Revised Code and sections 4743.01 and 4743.02 of the Revised Code except that a notice of appeal of an order of the board adopting, amending, or rescinding a rule or regulation does not operate as a stay of the effective date of such order as provided in section 119.11 of the Revised Code. The court, at its discretion, may grant a stay of any regulation in its application against the person filing the notice of appeal.

Sec. 4751.05. (A) The board of executives of long-term services and supports, or a government or private entity under contract with the board to administer examinations for licensure as a nursing home administrator, shall admit to an examination any candidate who:

1. Pays the application fee of fifty dollars;

2. Submits evidence of good moral character and suitability;

3. Is at least eighteen years of age;

4. Has completed educational requirements and work experience satisfactory to the board;

5. Submits an application on forms prescribed by the board;

6. Pays the examination fee charged by the board or
government or private entity.

   (B) Nothing in Chapter 4751. of the Revised Code or the rules adopted thereunder shall be construed to require an applicant for licensure or a temporary license, who is employed by an institution for the care and treatment of the sick to demonstrate proficiency in any medical techniques or to meet any medical educational qualifications or medical standards not in accord with the remedial care and treatment provided by the institution if the institution is all of the following:

   (1) Operated exclusively for patients who use spiritual means for healing and for whom the acceptance of medical care is inconsistent with their religious beliefs;

   (2) Accredited by a national accrediting organization;

   (4) Providing twenty-four hour nursing care pursuant to the exemption in division (E) of section 4723.32 of the Revised Code from the licensing requirements of Chapter 4723. of the Revised Code.

   (C) If a person fails three times to attain a passing grade on the examination, said person, before the person may again be admitted to examination, shall meet such additional education or experience requirements, or both, as may be prescribed by the board.

Sec. 4752.09. (A) The state board of pharmacy may, in accordance with Chapter 119. of the Revised Code, impose any one or more of the following sanctions on an applicant for a license or certificate of registration issued under this chapter or a
license or certificate holder for any of the causes set forth in division (B) of this section:

(1) Suspend, revoke, restrict, limit, or refuse to grant or renew a license or certificate of registration;

(2) Reprimand or place the license or certificate holder on probation;

(3) Impose a monetary penalty or forfeiture not to exceed in severity any fine designated under the Revised Code for a similar offense or not more than five thousand dollars if the acts committed are not classified as an offense by the Revised Code.

(B) The board may impose the sanctions listed in division (A) of this section for any of the following:

(1) Violation of any provision of this chapter or an order or rule of the board, as those provisions, orders, or rules are applicable to persons licensed under this chapter;

The board shall follow the procedure for suspension without a prior hearing in section 119.07 of the Revised Code. The board may vote on the suspension by way of a telephone conference call.

A suspension under this division shall remain in effect, unless reversed by the board, until a final adjudication order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. **Sec. 4753.10.** (A) In accordance with Chapter 119. of the Revised Code, the state speech and hearing professionals board may reprimand or place on probation a speech-language

(D) If any person has engaged in any practice which
constitutes an offense under the provisions of this chapter or

may issue such order.

(E) Any person who wishes to make a complaint against any
person licensed pursuant to this chapter shall submit the
complaint in writing to the board within one year from the date
of the action or event upon which the complaint is based. The

The section may require separate examinations of applicants for licensure as occupational therapy assistants and applicants for licensure as occupational therapists.

Applicants for licensure shall be examined at a time and place and under such supervision as the section determines.

Sec. 4755.08. The occupational therapy section of the Ohio occupational therapy, physical therapy, and athletic trainers board shall issue a license to every applicant who has passed the appropriate examination designated by the section and who otherwise complies with the licensure requirements of sections 4755.04 to 4755.13 of the Revised Code. The license entitles the holder to practice occupational therapy or to assist in the practice of occupational therapy. The licensee shall display the license in a conspicuous place at the licensee's principal place of business.

The section may issue a limited permit to persons who have satisfied the requirements of divisions (A) to (C) and (B) of section 4755.07 of the Revised Code. (b) Failure to cooperate with an investigation does not
constitute grounds for discipline under this section if a court of competent jurisdiction issues an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence at issue.

(20) Conviction of a misdemeanor reasonably related to the practice of occupational therapy, regardless of the state or country in which the conviction occurred;

When a license or limited permit is revoked under this section, application for reinstatement may not be made sooner than one year after the date of revocation. The occupational therapy section may accept or refuse an application for reinstatement and may require that the applicant pass an examination as a condition of reinstatement.

(E) On receipt of a complaint that a person who holds a license or limited permit issued by the occupational therapy section has committed any of the prohibited actions listed in...

Code, a court of common pleas shall not grant a suspension of
the section's order of summary suspension pending the
determination of an appeal filed under that section. Any order
of summary suspension issued under this division shall remain in

order issued by the section pursuant to division (A) of this
section becomes effective. The section shall issue its final
adjudication order regarding an order of summary suspension
issued under this division not later than ninety days after
completion of its hearing. Failure to issue the order within
ninety days shall result in immediate dissolution of the
suspension order, but shall not invalidate any subsequent, final
adjudication order.

(E) (F) If any person other than a person who holds a
license or limited permit issued under section 4755.08 of the
Revised Code has engaged in any practice that is prohibited
under sections 4755.04 to 4755.13 of the Revised Code or the

(2) The board shall renew an applicant's license if the applicant meets the continuing education requirements adopted under division (A)(5) of section 4759.05 of the Revised Code and has paid the license renewal fee specified in section 4759.08 of the Revised Code. The renewal shall be pursuant to the standard renewal procedure of sections 4745.01 to 4745.03 of the Revised Code.

At least one month before a license expires, the board shall provide a renewal notice. Failure of any person to receive a notice of renewal from the board shall not excuse the person from the requirements contained in this section. Each person holding a license shall give notice to the board of a change in the license holder's residence address, business address, or electronic mail address not later than thirty days after the change occurs.

(D) Any person licensed to practice dietetics by the former Ohio board of dietetics before January 21, 2018, may continue to practice dietetics in this state under that license if the person continues to meet the requirements to renew a license under this chapter and renews the license through the state medical board.

A limited permit expires in accordance with rules adopted under section 4759.05 of the Revised Code. A limited permit may be renewed in accordance with those rules.

(3) The board shall maintain a register of all persons holding limited permits under this chapter.

(4) A person holding a limited permit who has failed the examination shall practice only under the direct supervision of a licensed dietitian.

(5) The board may revoke a limited permit on proof satisfactory to the board that the permit holder has engaged in practice in this state outside the scope of the permit, that the
holder has engaged in unethical conduct, or that grounds for action against the holder exist under section 4759.07 of the Revised Code.

Sec. 4759.061. (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter.

The state medical board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4759.06 of the Revised Code.

Sec. 4759.07. (A) The state medical board, by an affirmative vote of not fewer than six members, shall, except as provided in division (B) of this section, and to the extent permitted by law, limit, revoke, or suspend an individual's license or limited permit, refuse to issue a license or limited permit to an individual, refuse to renew a license or limited permit, refuse to reinstate a license or limited permit, or reprimand or place on probation the holder of a license or limited permit for one or more of the following reasons:

violation of, or conspiring to violate, any provision of this chapter or the rules adopted by the board;

(2) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of dietetics; or in securing or attempting to secure any license or permit issued by the board under this chapter.

As used in division (A)(2) of this section, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(3) Committing fraud during the administration of the examination for a license to practice or committing fraud, misrepresentation, or deception in applying for, renewing, or securing any license or permit issued by the board;

(13) Violation of the conditions of limitation placed by the board on a license or permit;

(14) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including, physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(15) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for
any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(16) The revocation, suspension, restriction, reduction, or termination of practice privileges by the United States department of defense or department of veterans affairs;

(17) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency for any act or acts that also would constitute a violation of division (A)(11), (12), or (14) of this section;

(18) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(19) Failure to cooperate in an investigation conducted by the board under division (B) of section 4759.05 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board in an investigative interview, an investigative office conference, at a deposition, or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;
Representing with the purpose of obtaining compensation or other advantage as personal gain or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured.

(B) The board shall not refuse to issue a license or limited permit to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(C) Any action taken by the board under division (A) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or permit may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or permit suspended pursuant to division (A) of this section requires an affirmative vote of not fewer than six members of the board.

(D) When the board refuses to grant or issue a license or permit to an applicant, revokes an individual's license or permit, refuses to renew an individual's license or permit, or refuses to reinstate an individual's license or permit, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or permit and the board shall not accept an application for reinstatement of the license or permit or for issuance of a new license or permit.

(E) Disciplinary actions taken by the board under division (A) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that
in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license or permit. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

(E)(F) In enforcing division (A)(14) of this section, the board, upon a showing of a possible violation, may compel any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in division (A)(14) of this section, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or
designated by the board, as a condition for initial, continued, 
reinstated, or renewed authority to practice. An individual 
affected under this division shall be afforded an opportunity to 
demonstrate to the board the ability to resume practice in 
compliance with acceptable and prevailing standards under the 
provisions of the individual's license or permit. For the 
purpose of division (A)(14) of this section, any individual who 
applies for or receives a license or permit under this chapter 
accepts the privilege of practicing in this state and, by so 
doing, shall be deemed to have given consent to submit to a 
mental or physical examination when directed to do so in writing 
by the board, and to have waived all objections to the 
admissibility of testimony or examination reports that 
constitute a privileged communication.

(f)(G) For the purposes of division (A)(18) of this 
section, any individual authorized to practice by this chapter 
accepts the privilege of practicing in this state subject to 
supervision by the board. By filing an application for or 
holding a license or permit under this chapter, an individual 
shall be deemed to have given consent to submit to a mental or 
physical examination when ordered to do so by the board in 
writing, and to have waived all objections to the admissibility 
of testimony or examination reports that constitute privileged 
communications.

If it has reason to believe that any individual authorized 
to practice by this chapter or any applicant for a license or 
permit suffers such impairment, the board may compel the 
individual to submit to a mental or physical examination, or 
both. The expense of the examination is the responsibility of 
the individual compelled to be examined. Any mental or physical 
examination required under this division shall be undertaken by
a treatment provider or physician who is qualified to conduct
the examination and who is chosen by the board.

Failure to submit to a mental or physical examination
ordered by the board constitutes an admission of the allegations
against the individual unless the failure is due to
circumstances beyond the individual's control, and a default and
final order may be entered without the taking of testimony or
presentation of evidence. If the board determines that the
individual's ability to practice is impaired, the board shall
suspend the individual's license or permit or deny the
individual's application and shall require the individual, as a
condition for an initial, continued, reinstated, or renewed
license or permit, to submit to treatment.

Before being eligible to apply for reinstatement of a
license or permit suspended under this division, the impaired
practitioner shall demonstrate to the board the ability to
resume practice in compliance with acceptable and prevailing
standards of care under the provisions of the practitioner's
license or permit. The demonstration shall include, but shall
not be limited to, the following:

(1) Certification from a treatment provider approved under
section 4731.25 of the Revised Code that the individual has
successfully completed any required inpatient treatment;

(2) Evidence of continuing full compliance with an
aftercare contract or consent agreement;

(3) Two written reports indicating that the individual's
ability to practice has been assessed and that the individual
has been found capable of practicing according to acceptable and
prevailing standards of care. The reports shall be made by
individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a license or permit suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(G) (H) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license or permit without a prior hearing:

(1) That there is clear and convincing evidence that an individual has violated division (A) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or permit without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.
The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) of this section.

For purposes of divisions (A)(5), (7), and (9) of this section, the commission of the act may be established by a
finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act.

The board does not have jurisdiction under those divisions if the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(K) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(L) If the board takes action under division (A)(4), (6), or (8) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition for reconsideration and supporting court documents, the board shall reinstate the individual's license or permit. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of an opportunity for a hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant
to an adjudication held under this division, that the individual committed the act or if no hearing is requested, the board may order any of the sanctions identified under division (A) of this section.

(L) (M) The license or permit issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing without a license or permit.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license or permit is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license or permit.

(M) (N) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or permit issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for
acceptance of the surrender of an individual's license or permit. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code. Reinstatement of a license or permit surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a license or permit made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or permit in accordance with this chapter shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) At the request of the board, a license or permit holder shall immediately surrender to the board a license or permit that the board has suspended, revoked, or permanently revoked.

Sec. 4760.03. (A) An individual seeking a certificate to practice as an anesthesiologist assistant shall file with the state medical board a written application on a form prescribed and supplied by the board. The application shall include all of the following information:

(1) Evidence satisfactory to the board that the applicant is at least twenty-one years of age and of good moral character;

(2) Evidence satisfactory to the board that the applicant has successfully completed the training necessary to prepare individuals to practice as anesthesiologist assistants, as specified in section 4760.031 of the Revised Code;

(3) Evidence satisfactory to the board that the applicant
holds current certification from the national commission for

certification of anesthesiologist assistants and that the

requirements for receiving the certification included passage of

an examination to determine the individual's competence to

practice as an anesthesiologist assistant;

(4) Any other information the board considers necessary to

process the application and evaluate the applicant's

qualifications.

(B) At the time of making application for a certificate to

practice, the applicant shall pay the board a fee of one hundred

dollars, no part of which shall be returned.

(C) The board shall review all applications received under

this section. Not later than sixty days after receiving a

complete application, the board shall determine whether an

applicant meets the requirements to receive a certificate to

practice. The affirmative vote of not fewer than six members of

the board is required to determine that an applicant meets the

requirements for a certificate. The board shall not issue a

certificate to an applicant unless the applicant is certified by

the national commission for certification of anesthesiologist

assistants or a successor organization that is recognized by the

board.

Sec. 4760.032. In addition to any other eligibility

requirement set forth in this chapter, each applicant for a

certificate to practice as an anesthesiologist assistant shall

comply with sections 4776.01 to 4776.04 of the Revised Code. The

state medical board shall not grant to an applicant a

certificate to practice as an anesthesiologist assistant unless

the board, in its discretion, decides that the results of the

criminal records check do not make the applicant ineligible for—
a certificate issued pursuant to section 4760.04 of the Revised Code.

Sec. 4760.13. (A) The state medical board, by an affirmative vote of not fewer than six members, may revoke or may refuse to grant a certificate to practice as an anesthesiologist assistant to a person found by the board to have committed fraud, misrepresentation, or deception in applying for or securing the certificate.

(B) The board, by an affirmative vote of not fewer than six members, shall, except as provided in division (C) of this section, and to the extent permitted by law, limit, revoke, or suspend an individual's certificate to practice as an anesthesiologist assistant, refuse to issue a certificate to an applicant, refuse to renew a certificate, refuse to reinstate a certificate, or reprimand or place on probation the holder of a certificate for any of the following reasons:

(1) Permitting the holder's name or certificate to be used by another person;

(2) Failure to comply with the requirements of this chapter, Chapter 4731. of the Revised Code, or any rules adopted by the board;

(3) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provision of this chapter, Chapter 4731. of the Revised Code, or the rules adopted by the board;

(4) A departure from, or failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances whether or not actual injury to the patient is established;
(5) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(6) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in securing or attempting to secure a certificate to practice as an anesthesiologist assistant.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(10) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(11) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;
(12) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(14) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(15) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs;

(17) Any of the following actions taken by the state agency responsible for regulating the practice of anesthesiologist assistants in another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(18) Violation of the conditions placed by the board on a certificate to practice;
(19) Failure to use universal blood and body fluid
precautions established by rules adopted under section 4731.051
of the Revised Code;

(20) Failure to cooperate in an investigation conducted by
the board under section 4760.14 of the Revised Code, including
failure to comply with a subpoena or order issued by the board
or failure to answer truthfully a question presented by the
board at a deposition or in written interrogatories, except that
failure to cooperate with an investigation shall not constitute
grounds for discipline under this section if a court of
competent jurisdiction has issued an order that either quashes a
subpoena or permits the individual to withhold the testimony or
evidence in issue;

(21) Failure to comply with any code of ethics established
by the national commission for the certification of
anesthesiologist assistants;

(22) Failure to notify the state medical board of the
revocation or failure to maintain certification from the
national commission for certification of anesthesiologist
assistants.

(C) The board shall not refuse to issue a certificate to
an applicant because of a plea of guilty to, a judicial finding
of guilt of, or a judicial finding of eligibility for
intervention in lieu of conviction for an offense unless the
refusal is in accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under
divisions (A) and (B) of this section shall be taken pursuant to
an adjudication under Chapter 119. of the Revised Code, except
that in lieu of an adjudication, the board may enter into a
consent agreement with an anesthesiologist assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(D) (E) For purposes of divisions (B)(11), (14), and (15) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or certificate holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the certificate holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal on technical or procedural grounds.

(E) (F) The sealing of conviction records by any court shall have no effect on a prior board order entered under the provisions of this section or on the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.
(G) For purposes of this division, any individual who holds a certificate to practice issued under this chapter, or applies for a certificate to practice, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, on a showing of a possible violation, may compel any individual who holds a certificate to practice issued under this chapter or who has applied for a certificate to practice pursuant to this chapter to submit to a mental or physical examination, or both. A physical examination may include an HIV test. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an anesthesiologist assistant unable to practice because of the reasons set forth in division (B)(5) of this section, the board shall require the anesthesiologist assistant to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed certificate to practice. An individual affected by this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(6) of this section, if
the board has reason to believe that any individual who holds a certificate to practice issued under this chapter or any applicant for a certificate to practice suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's certificate or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed certificate to practice, to submit to treatment.

Before being eligible to apply for reinstatement of a certificate suspended under this division, the anesthesiologist assistant shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;
(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a certificate suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired anesthesiologist assistant resumes practice, the board shall require continued monitoring of the anesthesiologist assistant. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the anesthesiologist assistant has maintained sobriety.

(H) If the secretary and supervising member determine that there is clear and convincing evidence that an anesthesiologist assistant has violated division (B) of this section and that the individual's continued practice presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's certificate without a prior hearing. Written allegations shall be prepared for consideration by the board.

The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding
the secretary and supervising member, may suspend a certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the anesthesiologist assistant requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the anesthesiologist assistant requests the hearing, unless otherwise agreed to by both the board and the certificate holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

[(H)] If the board takes action under division (B)(11), (13), or (14) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and
supporting court documents, the board shall reinstate the certificate to practice. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(I) (J) The certificate to practice of an anesthesiologist assistant and the assistant's practice in this state are automatically suspended as of the date the anesthesiologist assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a certificate.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose certificate is suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's certificate to practice.
(K) In any instance in which the board is required by Chapter 119. of the Revised Code to give notice of opportunity for hearing and the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of this section resulting in a suspension shall be accompanied by a written statement of the conditions under which the anesthesiologist assistant's certificate may be reinstated. The board shall adopt rules in accordance with Chapter 119. of the Revised Code governing conditions to be imposed for reinstatement. Reinstatement of a certificate suspended pursuant to division (B) of this section requires an affirmative vote of not fewer than six members of the board.

(M) When the board refuses to grant or issue a certificate to practice as an anesthesiologist assistant to an applicant, revokes an individual's certificate, refuses to renew an individual's certificate, or refuses to reinstate an individual's certificate, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate to practice as an anesthesiologist assistant and the board shall not accept an application for reinstatement of the certificate or for issuance of a new certificate.

(N) Notwithstanding any other provision of the Revised Code, all of the following apply:
(1) The surrender of a certificate to practice issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application made under this chapter for a certificate to practice may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a certificate to practice in accordance with section 4760.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual.

Sec. 4761.04. (A) Except as provided in division (B) of this section, no person is eligible for licensure as a respiratory care professional unless the person has shown, to the satisfaction of the state medical board, all of the following:

(1) That the person is of good moral character;

(2) That the person has successfully completed the requirements of an educational program approved by the board that includes instruction in the biological and physical sciences, pharmacology, respiratory care theory, procedures, and clinical practice, and cardiopulmonary rehabilitation techniques;

(3) That the person has passed an examination approved under rules adopted by the board that tests the applicant's knowledge of the basic and clinical sciences relating to respiratory care theory and practice, professional skills and judgment in the utilization of respiratory care techniques, and
such other subjects as the board considers useful in determining fitness to practice.

(B) Any person licensed to practice respiratory care by the former Ohio respiratory care board before January 21, 2018, may continue to practice respiratory care in this state under that license if the person continues to meet the requirements to renew a license under this chapter and renews the license through the state medical board.

The state medical board may take any of the following actions, as provided in section 4761.09 of the Revised Code, against the holder of a license to practice respiratory care issued before January 21, 2018, by the former Ohio respiratory care board:

(1) Limit, revoke, or suspend the holder's license;

(2) Refuse to renew or reinstate the holder's license;

(3) Reprimand the holder or place the holder on probation.

Sec. 4761.05. (A) The state medical board shall issue a license to any applicant who complies with the requirements of section 4761.04 of the Revised Code, files the prescribed application form, and pays the fee or fees required under section 4761.07 of the Revised Code. The license entitles the holder to practice respiratory care.

(B)(1) The board shall issue a limited permit to any applicant who meets the requirements of division (A)(1) of section 4761.04 of the Revised Code, files an application on a form furnished by the board, pays the fee required under section 4761.07 of the Revised Code, and meets either of the following requirements:
(a) Is enrolled in and is in good standing in a respiratory care educational program approved by the board that meets the requirements of division (A)(2)(1) of section 4761.04 of the Revised Code leading to a degree or certificate of completion or is a graduate of the program;

(b) Is employed as a provider of respiratory care in this state and was employed as a provider of respiratory care in this state prior to March 14, 1989.

(2) If no grounds apply under section 4761.09 of the Revised Code for denying a limited permit to the applicant and the applicant meets the requirements of division (B) of this section, the board shall issue a limited permit to the applicant.

The board shall maintain a register of all persons holding limited permits under this chapter. The limited permit authorizes the holder to provide respiratory care under the supervision of a respiratory care professional. A person issued a limited permit under division (B)(1)(a) of this section may practice respiratory care under the limited permit for not more than three years after the date the limited permit is issued, except that the limited permit shall cease to be valid one year following the date of receipt of a certificate of completion from a board-approved respiratory care education program or immediately if the holder discontinues participation in the educational program.

The holder shall notify the board as soon as practicable when the holder completes a board-approved respiratory care education program or discontinues participation in the educational program.
This division does not require a student enrolled in an educational program leading to a degree or certificate of completion in respiratory care approved by the board to obtain a limited permit to perform any duties that are part of the required course of study.

(3) A person issued a limited permit under division (B)(1) (b) of this section may practice under a limited permit for not more than three years, except that this restriction does not apply to a permit holder who, on March 14, 1989, has been employed as a provider of respiratory care for an average of not less than twenty-five hours per week for a period of not less than five years by a hospital.

(4) The board may revoke a limited permit upon proof satisfactory to the board that the permit holder has engaged in practice in this state outside the scope of the permit, that the holder has engaged in unethical conduct, or that there are grounds for action against the holder under section 4761.09 of the Revised Code.

(C) The holder of a license or limited permit issued under this section shall either provide verification of licensure or permit status from the board's internet web site on request or prominently display a wall certificate in the license holder's office or place where the majority of the holder's practice is conducted.

Sec. 4761.051. (A) As used in this section, "license" and "applicant for an initial license" have the same meanings as in section 4776.01 of the Revised Code, except that "license" as used in both of those terms refers to the types of authorizations otherwise issued or conferred under this chapter.
(B) In addition to any other eligibility requirement set forth in this chapter, each applicant for an initial license shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state medical board shall not grant a license to an applicant for an initial license unless the applicant complies with sections 4776.01 to 4776.04 of the Revised Code and the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to section 4761.05 of the Revised Code.

Sec. 4761.06. (A) Each license to practice respiratory care shall be renewed biennially on or before the last day of June of every even-numbered year. Each limited permit to practice respiratory care shall be renewed annually. Each person holding a license or limited permit to practice respiratory care shall apply to the state medical board on the form and according to the schedule prescribed by the board for renewal of the license or limited permit. Licenses and limited permits shall be renewed in accordance with the standard renewal procedure of Chapter 4745. of the Revised Code. The state medical board shall renew a license if the holder pays the license renewal fee prescribed under section 4761.07 of the Revised Code and certifies that the holder has completed the continuing education or reexamination requirements of division (B) of this section.

At least one month before a license expires, the board shall provide a renewal notice. Failure of any person to receive a notice of renewal from the board shall not excuse the person from the requirements contained in this section. Each person holding a license shall give notice to the board of a change in the license holder's residence address, business address, or electronic mail address not later than thirty days after the
change occurs.

The board shall renew a limited permit if the holder pays the limited permit renewal fee prescribed under section 4761.07 of the Revised Code and does either of the following:

(1) If the limited permit was issued on the basis of division (B)(1)(a) of section 4761.05 of the Revised Code, certifies that the holder is enrolled and in good standing in an educational program that meets the requirements of division (A) of section 4761.04 of the Revised Code or has graduated from such a program;

(2) If the limited permit was issued on the basis of division (B)(1)(b) of section 4761.05 of the Revised Code, certifies that the applicant is employed as a provider of respiratory care under the supervision of a respiratory care professional.

(B) On and after March 14, 1991, and every year thereafter, on or before the annual renewal date, the holder of a limited permit issued under division (B)(1)(b) of section 4761.05 of the Revised Code shall certify to the board that the holder has satisfactorily completed the number of hours of continuing education required by the board, which shall not be less than three nor more than ten hours of continuing education acceptable to the board.

On or before the biennial renewal date, a license holder shall certify to the board that the license holder has satisfactorily completed the number of hours of continuing education required by the board, which shall be not less than six nor more than twenty hours of continuing education acceptable to the board, or has passed a reexamination in
accordance with the board's renewal requirements.

(C)(1) A license to practice respiratory care that is not renewed on or before its expiration date is automatically suspended on its expiration date. Continued practice after suspension shall be considered as practicing in violation of section 4761.10 of the Revised Code.

(2) If a license has been suspended pursuant to division (C)(1) of this section for two years or less, it may be reinstated. The state medical board shall reinstate the license upon the applicant's submission of a complete renewal application and payment of a reinstatement fee of one hundred dollars.

(3)(a) If a license has been suspended pursuant to division (C)(1) of this section for more than two years, it may be restored. The board may restore the license upon an applicant's submission of a complete restoration application and a restoration fee of one hundred twenty-five dollars and compliance with sections 4776.01 to 4776.04 of the Revised Code. The board shall not restore a license unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a license issued pursuant to division (A) of this section.

(b) The board may impose terms and conditions for the restoration, including any one or more of the following:

(i) Requiring the applicant to pass an oral or written examination, or both, to determine the applicant's present fitness to resume practice;

(ii) Requiring the applicant to obtain additional training and to pass an examination upon completion of such training;
(iii) Restricting or limiting the extent, scope, or type of practice of the applicant.

Sec. 4761.07. (A) The state medical board shall charge any license applicant or holder who is to take an examination required under division (A)(3)(2) of section 4761.04 or a reexamination required under division (B) of section 4761.06 of the Revised Code for license renewal or under section 4761.09 of the Revised Code for license reinstatement, a nonrefundable examination fee, not to exceed the amount necessary to cover the expense of administering the examination. The license applicant or holder shall pay the fee at the time of application for licensure or renewal.

(B) The board shall establish the following additional nonrefundable fees and penalty:

(1) An initial license fee of seventy-five dollars;

(2) A biennial license renewal fee of seventy-five dollars;

(3) A limited permit fee of twenty dollars;

(4) A limited permit renewal fee of ten dollars;

(5) A duplicate license or limited permit fee of thirty-five dollars;

(6) In the case of a person holding a license issued under this chapter, a license verification fee of fifty dollars.

(C) Notwithstanding division (B)(4) of this section, after the third renewal of a limited permit that meets the exception in division (B)(3) of section 4761.05 of the Revised Code, the limited permit renewal fee shall be thirty-five dollars.
(D) All fees received by the board shall be deposited into the state treasury to the credit of the state medical board operating fund pursuant to section 4731.24 of the Revised Code.

Sec. 4761.09. (A) The state medical board, by an affirmative vote of not fewer than six members, shall, except as provided in division (B) of this section, and to the extent permitted by law, limit, revoke, or suspend an individual's license or limited permit, refuse to issue a license or limited permit to an individual, refuse to renew a license or limited permit, refuse to reinstate a license or limited permit, or reprimand or place on probation the holder of a license or limited permit for one or more of the following reasons:

(1) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(2) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(3) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(4) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(5) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(6) Commission of an act involving moral turpitude that
constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(7) Except when civil penalties are imposed under section 4761.091 of the Revised Code, violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provision of this chapter or the rules adopted by the board;

(8) Making a false, fraudulent, deceptive, or misleading statement in the solicitation of or advertising for patients; in relation to the practice of respiratory care; or in securing or attempting to secure any license or permit issued by the board under this chapter.

As used in division (A)(8) of this section, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) Committing fraud during the administration of the examination for a license to practice or committing fraud, misrepresentation, or deception in applying for, renewing, or securing any license or permit issued by the board;

(10) A departure from, or failure to conform to, minimal standards of care of similar practitioners under the same or similar circumstances, whether or not actual injury to a patient is established;

(11) Violating the standards of ethical conduct adopted by
the board, in the practice of respiratory care;

(12) The obtaining of, or attempting to obtain, money or anything of value by fraudulent misrepresentations in the course of practice;

(13) Violation of the conditions of limitation placed by the board upon a license or permit;

(14) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(15) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; imposition of probation; or issuance of an order of censure or other reprimand;

(16) The revocation, suspension, restriction, reduction, or termination of practice privileges by the United States department of defense or department of veterans affairs;

(17) Termination or suspension from participation in the medicare or medicaid programs by the department of health and human services or other responsible agency for any act or acts that also would constitute a violation of division (A)(10), (12), or (14) of this section;

(18) Impairment of ability to practice according to
acceptable and prevailing standards of care because of habitual
or excessive use or abuse of drugs, alcohol, or other substances
that impair ability to practice;

(19) Failure to cooperate in an investigation conducted by
the board under division (E) of section 4761.03 of the Revised
Code, including failure to comply with a subpoena or order
issued by the board or failure to answer truthfully a question
presented by the board in an investigative interview, an
investigative office conference, at a deposition, or in written
interrogatories, except that failure to cooperate with an
investigation shall not constitute grounds for discipline under
this section if a court of competent jurisdiction has issued an
order that either quashes a subpoena or permits the individual
to withhold the testimony or evidence in issue;

(20) Practicing in an area of respiratory care for which
the person is clearly untrained or incompetent or practicing in
a manner that conflicts with section 4761.17 of the Revised
Code;

(21) Employing, directing, or supervising a person who is
not authorized to practice respiratory care under this chapter
in the performance of respiratory care procedures;

(22) Misrepresenting educational attainments or authorized
functions for the purpose of obtaining some benefit related to
the practice of respiratory care;

(23) Assisting suicide as defined in section 3795.01 of
the Revised Code;

(24) Representing, with the purpose of obtaining
compensation or other advantage as personal gain or for any
other person, that an incurable disease or injury, or other
incurable condition, can be permanently cured.

Disciplinary actions taken by the board under division (A) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an individual to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license or permit. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

(B) The board shall not refuse to issue a license or limited permit to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(C) Any action taken by the board under division (A) of this section resulting in a suspension from practice shall be accompanied by a written statement of the conditions under which the individual's license or permit may be reinstated. The board shall adopt rules governing conditions to be imposed for reinstatement. Reinstatement of a license or permit suspended...
pursuant to division (A) of this section requires an affirmative vote of not fewer than six members of the board.

(D) When the board refuses to grant or issue a license or permit to an applicant, revokes an individual's license or permit, refuses to renew an individual's license or permit, or refuses to reinstate an individual's license or permit, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a license or permit and the board shall not accept an application for reinstatement of the license or permit or for issuance of a new license or permit.

(E) If the board is required by Chapter 119. of the Revised Code to give notice of an opportunity for a hearing and if the individual subject to the notice does not timely request a hearing in accordance with section 119.07 of the Revised Code, the board is not required to hold a hearing, but may adopt, by an affirmative vote of not fewer than six of its members, a final order that contains the board's findings. In the final order, the board may order any of the sanctions identified under division (A) of this section.

(F) In enforcing division (A)(14) of this section, the board, upon a showing of a possible violation, may compel any individual authorized to practice by this chapter or who has submitted an application pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and a physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the
individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an individual unable to practice because of the reasons set forth in division (A)(14) of this section, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for initial, continued, reinstated, or renewed authority to practice. An individual affected under this division shall be afforded an opportunity to demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards under the provisions of the individual's license or permit. For the purpose of division (A)(14) of this section, any individual who applies for or receives a license or permit to practice under this chapter accepts the privilege of practicing in this state and, by so doing, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board, and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

**F. (G)** For the purposes of division (A)(18) of this section, any individual authorized to practice by this chapter accepts the privilege of practicing in this state subject to supervision by the board. By filing an application for or holding a license or permit under this chapter, an individual shall be deemed to have given consent to submit to a mental or physical examination when ordered to do so by the board in writing, and to have waived all objections to the admissibility of testimony or examination reports that constitute privileged communications.
If it has reason to believe that any individual authorized to practice by this chapter or any applicant for a license or permit suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician who is qualified to conduct the examination and who is chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual’s control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual’s ability to practice is impaired, the board shall suspend the individual’s license or permit or deny the individual’s application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed license or permit, to submit to treatment.

Before being eligible to apply for reinstatement of a license or permit suspended under this division, the impaired practitioner shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care under the provisions of the practitioner’s license or permit. The demonstration shall include, but shall not be limited to, the following:

(1) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;
(2) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(3) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making the assessments and shall describe the basis for their determination.

The board may reinstate a license or permit suspended under this division after that demonstration and after the individual has entered into a written consent agreement.

When the impaired practitioner resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include, but not be limited to, compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of perjury stating whether the individual has maintained sobriety.

(H) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license or permit without a prior hearing:

(1) That there is clear and convincing evidence that an individual has violated division (A) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by
the board. The board, upon review of those allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license or permit without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the individual subject to the summary suspension requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the individual requests the hearing, unless otherwise agreed to by both the board and the individual.

Any summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within seventy-five days after completion of its hearing. A failure to issue the order within seventy-five days shall result in dissolution of the summary suspension order but shall not invalidate any subsequent, final adjudicative order.

For purposes of divisions (A)(2), (4), and (6) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the individual committed the act. The board does not have jurisdiction under those divisions if
the trial court renders a final judgment in the individual's favor and that judgment is based upon an adjudication on the merits. The board has jurisdiction under those divisions if the trial court issues an order of dismissal upon technical or procedural grounds.

(I) (J) The sealing of conviction records by any court shall have no effect upon a prior board order entered under this section or upon the board's jurisdiction to take action under this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(J) (K) If the board takes action under division (A)(1), (3), or (5) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, upon exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. Upon receipt of a petition for reconsideration and supporting court documents, the board shall reinstate the individual's license or permit. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of an opportunity for a hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act or if no hearing is requested, the board may order any of the sanctions identified under division (A) of this section.
(K) The license or permit issued to an individual under this chapter and the individual's practice in this state are automatically suspended as of the date the individual pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment or intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after suspension shall be considered practicing without a license or permit.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license or permit is automatically suspended under this division fails to make a timely request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license or permit.

(M) Notwithstanding any other provision of the Revised Code, all of the following apply:

(1) The surrender of a license or permit issued under this chapter shall not be effective unless or until accepted by the board. A telephone conference call may be utilized for acceptance of the surrender of an individual's license or permit. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the
Reinstatement of a license or permit surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application for a license or permit made under the provisions of this chapter may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a license or permit in accordance with this chapter shall not remove or limit the board's jurisdiction to take any disciplinary action under this section against the individual.

(4) At the request of the board, a license or permit holder shall immediately surrender to the board a license or permit that the board has suspended, revoked, or permanently revoked.

Sec. 4762.03. (A) An individual seeking a certificate to practice as an oriental medicine practitioner or certificate to practice as an acupuncturist shall file with the state medical board a written application on a form prescribed and supplied by the board.

(B) To be eligible for the certificate to practice, an applicant shall meet all of the following conditions, as applicable:

(1) The applicant shall submit evidence satisfactory to the board that the applicant is at least eighteen years of age and of good moral character.

(2) In the case of an applicant seeking a certificate to practice as an oriental medicine practitioner, the applicant shall submit evidence satisfactory to the board of both of the following:
(a) That the applicant holds a current and active designation from the national certification commission for acupuncture and oriental medicine as either a diplomate in oriental medicine or diplomate of acupuncture and Chinese herbology;

(b) That the applicant has successfully completed, in the two-year period immediately preceding application for the certificate to practice, one course approved by the commission on federal food and drug administration dispensary and compounding guidelines and procedures.

(3) In the case of an applicant seeking a certificate to practice as an acupuncturist, the applicant shall submit evidence satisfactory to the board that the applicant holds a current and active designation from the national certification commission for acupuncture and oriental medicine as a diplomate in acupuncture.

(4) The applicant shall demonstrate to the board proficiency in spoken English by satisfying one of the following requirements:

(a) Passing the examination described in section 4731.142 of the Revised Code;

(b) Submitting evidence satisfactory to the board that the applicant was required to demonstrate proficiency in spoken English as a condition of obtaining designation from the national certification commission for acupuncture and oriental medicine as a diplomate in oriental medicine, diplomate of acupuncture and Chinese herbology, or diplomate in acupuncture;

(c) Submitting evidence satisfactory to the board that the applicant, in seeking a designation from the national
certification commission for acupuncture and oriental medicine as a diplomate of oriental medicine, diplomate of acupuncture and Chinese herbology, or diplomate of acupuncture, has successfully completed in English the examination required for such a designation by the national certification commission for acupuncture and oriental medicine;

(d) In the case of an applicant seeking a certificate to practice as an oriental medicine practitioner, submitting evidence satisfactory to the board that the applicant has previously held a certificate to practice as an acupuncturist issued under section 4762.04 of the Revised Code.

(5) The applicant shall submit to the board any other information the board requires.

(6) The applicant shall pay to the board a fee of one hundred dollars, no part of which may be returned to the applicant.

(C) The board shall review all applications received under this section. The board shall determine whether an applicant meets the requirements to receive a certificate to practice not later than sixty days after receiving a complete application. The affirmative vote of not fewer than six members of the board is required to determine that an applicant meets the requirements for a certificate.

Sec. 4762.031. In addition to any other eligibility requirement set forth in this chapter, each applicant for a certificate to practice as an oriental medicine practitioner or certificate to practice as an acupuncturist shall comply with sections 4776.01 to 4776.04 of the Revised Code. The state medical board shall not grant to an applicant a certificate to
practice unless the board, in its discretion, decides that the results of the criminal records check do not make the applicant ineligible for a certificate issued pursuant to section 4762.04 of the Revised Code.

Sec. 4762.13. (A) The state medical board, by an affirmative vote of not fewer than six members, may revoke or may refuse to grant a certificate to practice as an oriental medicine practitioner or certificate to practice as an acupuncturist to a person found by the board to have committed fraud, misrepresentation, or deception in applying for or securing the certificate.

(B) The board, by an affirmative vote of not fewer than six members, shall, except as provided in division (C) of this section, and to the extent permitted by law, limit, revoke, or suspend an individual's certificate to practice, refuse to issue a certificate to an applicant, refuse to renew a certificate, refuse to reinstate a certificate, or reprimand or place on probation the holder of a certificate for any of the following reasons:

(1) Permitting the holder's name or certificate to be used by another person;

(2) Failure to comply with the requirements of this chapter, Chapter 4731. of the Revised Code, or any rules adopted by the board;

(3) Violating or attempting to violate, directly or indirectly, or assisting in or abetting the violation of, or conspiring to violate, any provision of this chapter, Chapter 4731. of the Revised Code, or the rules adopted by the board;

(4) A departure from, or failure to conform to, minimal
standards of care of similar practitioners under the same or similar circumstances whether or not actual injury to the patient is established;

(5) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(6) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in soliciting or advertising for patients or in securing or attempting to secure a certificate to practice as an oriental medicine practitioner or certificate to practice as an acupuncturist.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) Representing, with the purpose of obtaining compensation or other advantage personally or for any other person, that an incurable disease or injury, or other incurable condition, can be permanently cured;
(10) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(11) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;

(12) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed;

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice;

(14) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude;

(15) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(16) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed;

(17) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs;

(18) Any of the following actions taken by the state
agency responsible for regulating the practice of oriental
medicine or acupuncture in another jurisdiction, for any reason
other than the nonpayment of fees: the limitation, revocation,
or suspension of an individual's license to practice; acceptance
of an individual's license surrender; denial of a license;
refusal to renew or reinstate a license; imposition of
probation; or issuance of an order of censure or other
reprimand;

(19) Violation of the conditions placed by the board on a
certificate to practice as an oriental medicine practitioner or
certificate to practice as an acupuncturist;

(20) Failure to use universal blood and body fluid
precautions established by rules adopted under section 4731.051
of the Revised Code;

(21) Failure to cooperate in an investigation conducted by
the board under section 4762.14 of the Revised Code, including
failure to comply with a subpoena or order issued by the board
or failure to answer truthfully a question presented by the
board at a deposition or in written interrogatories, except that
failure to cooperate with an investigation shall not constitute
grounds for discipline under this section if a court of
competent jurisdiction has issued an order that either quashes a
subpoena or permits the individual to withhold the testimony or
evidence in issue;

(22) Failure to comply with the standards of the national
certification commission for acupuncture and oriental medicine
regarding professional ethics, commitment to patients,
commitment to the profession, and commitment to the public;

(23) Failure to have adequate professional liability
insurance coverage in accordance with section 4762.22 of the Revised Code;

(24) Failure to maintain a current and active designation as a diplomate in oriental medicine, diplomate of acupuncture and Chinese herbology, or diplomate in acupuncture, as applicable, from the national certification commission for acupuncture and oriental medicine, including revocation by the commission of the individual's designation, failure by the individual to meet the commission's requirements for redesignation, or failure to notify the board that the appropriate designation has not been maintained.

(C) The board shall not refuse to issue a certificate to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with an oriental medicine practitioner or acupuncturist or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(E) For purposes of divisions (B)(12), (15), and (16)
of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or certificate holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the certificate holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal upon technical or procedural grounds.

(E) The sealing of conviction records by any court shall have no effect upon a prior board order entered under the provisions of this section or upon the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing or entered into a consent agreement prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) For purposes of this division, any individual who holds a certificate to practice issued under this chapter, or applies for a certificate to practice, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, upon a showing of a possible violation, may compel any
individual who holds a certificate to practice issued under this chapter or who has applied for a certificate pursuant to this chapter to submit to a mental examination, physical examination, including an HIV test, or both a mental and physical examination. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds an oriental medicine practitioner or acupuncturist unable to practice because of the reasons set forth in division (B)(5) of this section, the board shall require the individual to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed certificate to practice. An individual affected by this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(6) of this section, if the board has reason to believe that any individual who holds a certificate to practice issued under this chapter or any applicant for a certificate suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician...
qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's certificate or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed certificate, to submit to treatment.

Before being eligible to apply for reinstatement of a certificate suspended under this division, the oriental medicine practitioner or acupuncturist shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their
determination.

The board may reinstate a certificate suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired individual resumes practice, the board shall require continued monitoring of the individual. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, upon termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the individual has maintained sobriety.

(G) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's certificate to practice without a prior hearing:

(1) That there is clear and convincing evidence that an oriental medicine practitioner or acupuncturist has violated division (B) of this section;

(2) That the individual's continued practice presents a danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, upon review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by
certified mail or in person in accordance with section 119.07 of
the Revised Code. The order shall not be subject to suspension
by the court during pendency of any appeal filed under section
119.12 of the Revised Code. If the oriental medicine
practitioner or acupuncturist requests an adjudicatory hearing
by the board, the date set for the hearing shall be within
fifteen days, but not earlier than seven days, after the hearing
is requested, unless otherwise agreed to by both the board and
the certificate holder.

A summary suspension imposed under this division shall
remain in effect, unless reversed on appeal, until a final
adjudicative order issued by the board pursuant to this section
and Chapter 119. of the Revised Code becomes effective. The
board shall issue its final adjudicative order within sixty days
after completion of its hearing. Failure to issue the order
within sixty days shall result in dissolution of the summary
suspension order, but shall not invalidate any subsequent, final
adjudicative order.

(I) If the board takes action under division (B)(11),
(13), or (14) of this section, and the judicial finding of
guilt, guilty plea, or judicial finding of eligibility for
intervention in lieu of conviction is overturned on appeal, upon
exhaustion of the criminal appeal, a petition for
reconsideration of the order may be filed with the board along
with appropriate court documents. Upon receipt of a petition and
supporting court documents, the board shall reinstate the
certificate to practice. The board may then hold an adjudication
under Chapter 119. of the Revised Code to determine whether the
individual committed the act in question. Notice of opportunity
for hearing shall be given in accordance with Chapter 119. of
the Revised Code. If the board finds, pursuant to an
adjudication held under this division, that the individual
committed the act, or if no hearing is requested, it may order
any of the sanctions specified in division (B) of this section.

\( \text{**J**} \) The certificate to practice of an oriental medicine
practitioner or acupuncturist and the practitioner's or
acupuncturist's practice in this state are automatically
suspended as of the date the practitioner or acupuncturist
pleads guilty to, is found by a judge or jury to be guilty of,
or is subject to a judicial finding of eligibility for
intervention in lieu of conviction in this state or treatment or
intervention in lieu of conviction in another jurisdiction for
any of the following criminal offenses in this state or a
substantially equivalent criminal offense in another
jurisdiction: aggravated murder, murder, voluntary manslaughter,
felony assault, kidnapping, rape, sexual battery, gross
sexual imposition, aggravated arson, aggravated robbery, or
aggravated burglary. Continued practice after the suspension
shall be considered practicing without a certificate.

The board shall notify the individual subject to the
suspension by certified mail or in person in accordance with
section 119.07 of the Revised Code. If an individual whose
certificate is suspended under this division fails to make a
timely request for an adjudication under Chapter 119. of the
Revised Code, the board shall enter a final order permanently
revoking the individual's certificate to practice.

\( \text{**K**} \) In any instance in which the board is required by
Chapter 119. of the Revised Code to give notice of opportunity
for hearing and the individual subject to the notice does not
timely request a hearing in accordance with section 119.07 of
the Revised Code, the board is not required to hold a hearing,
but may adopt, by an affirmative vote of not fewer than six of
its members, a final order that contains the board's findings.
In the final order, the board may order any of the sanctions
identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of
this section resulting in a suspension shall be accompanied by a
written statement of the conditions under which the certificate
to practice may be reinstated. The board shall adopt rules in
accordance with Chapter 119. of the Revised Code governing
conditions to be imposed for reinstatement. Reinstatement of a
certificate suspended pursuant to division (B) of this section
requires an affirmative vote of not fewer than six members of
the board.

(M) When the board refuses to grant or issue a
certificate to practice to an applicant, revokes an individual's
certificate, refuses to renew an individual's certificate, or
refuses to reinstate an individual's certificate, the board may
specify that its action is permanent. An individual subject to a
permanent action taken by the board is forever thereafter
ineligible to hold a certificate to practice as an oriental
medicine practitioner or certificate to practice as an
acupuncturist and the board shall not accept an application for
reinstatement of the certificate or for issuance of a new
certificate.

(N) Notwithstanding any other provision of the Revised
Code, all of the following apply:

(1) The surrender of a certificate to practice as an
oriental medicine practitioner or certificate to practice as an
acupuncturist issued under this chapter is not effective unless
or until accepted by the board. Reinstatement of a certificate
surrendered to the board requires an affirmative vote of not fewer than six members of the board.

(2) An application made under this chapter for a certificate may not be withdrawn without approval of the board.

(3) Failure by an individual to renew a certificate in accordance with section 4762.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual.

Sec. 4763.05. (A) (1) (a) A person shall make application for an initial state-certified general real estate appraiser certificate, an initial state-certified residential real estate appraiser certificate, an initial state-licensed residential real estate appraiser license, or an initial state-registered real estate appraiser assistant registration in writing to the superintendent of real estate on a form the superintendent prescribes. The application shall include the address of the applicant's principal place of business and all other addresses at which the applicant currently engages in the business of performing real estate appraisals and the address of the applicant's current residence. The superintendent shall retain the applicant's current residence address in a separate record which does not constitute a public record for purposes of section 149.43 of the Revised Code. The application shall indicate whether the applicant seeks certification as a general real estate appraiser or as a residential real estate appraiser, licensure as a residential real estate appraiser, or registration as a real estate appraiser assistant and be accompanied by the prescribed examination and certification, registration, or licensure fees set forth in section 4763.09 of the Revised Code. The application also shall include a pledge,
signed by the applicant, that the applicant will comply with the standards set forth in this chapter; and a statement that the applicant understands the types of misconduct for which disciplinary proceedings may be initiated against the applicant pursuant to this chapter.

(b) Upon the filing of an application and payment of any examination and certification, registration, or licensure fees, the superintendent of real estate shall request the superintendent of the bureau of criminal identification and investigation, or a vendor approved by the bureau, to conduct a criminal records check based on the applicant's fingerprints in accordance with section 109.572 of the Revised Code. Notwithstanding division (K) of section 121.08 of the Revised Code, the superintendent of real estate shall request that criminal record information from the federal bureau of investigation be obtained as part of the criminal records check. Any fee required under division (C)(3) of section 109.572 of the Revised Code shall be paid by the applicant.

(2) For purposes of providing funding for the real estate appraiser recovery fund established by section 4763.16 of the Revised Code, the real estate appraiser board shall levy an assessment against each person issued an initial certificate, registration, or license and against current licensees, registrants, and certificate holders, as required by board rule. The assessment is in addition to the application and examination fees for initial applicants required by division (A)(1) of this section and the renewal fees required for current certificate holders, registrants, and licensees. The superintendent of real estate shall deposit the assessment into the state treasury to the credit of the real estate appraiser recovery fund. The assessment for initial certificate holders, registrants, and
licensees shall be paid prior to the issuance of a certificate, registrants, and licensees, at the time of renewal.

(B) An applicant for an initial general real estate appraiser certificate, residential real estate appraiser certificate, or residential real estate appraiser license shall possess experience in real estate appraisal as the board prescribes by rule. In addition to any other information required by the board, the applicant shall furnish, under oath, a detailed listing of the appraisal reports or file memoranda for each year for which experience is claimed and, upon request of the superintendent or the board, shall make available for examination a sample of the appraisal reports prepared by the applicant in the course of the applicant's practice.

(C) An applicant for an initial certificate, registration, or license shall be at least eighteen years of age, honest, and truthful, and of good reputation and shall present satisfactory evidence to the superintendent that the applicant has successfully completed any education requirements the board prescribes by rule.

(D) An applicant for an initial general real estate appraiser or residential real estate appraiser certificate or residential real estate appraiser license shall take and successfully complete a written examination in order to qualify for the certificate or license.

The board shall prescribe the examination requirements by rule.

(E)(1) A person who has obtained a residential real estate appraiser license, a residential real estate appraiser
certificate, or a general real estate appraiser certificate from another state may apply to obtain a license or certificate issued under this chapter provided the state that issued the license or certificate has requirements that meet or exceed the requirements found in this chapter. The board shall adopt rules relating to this division. The application for obtaining a license or certificate under this division may include any of the following:

(a) A pledge, signed by the applicant, that the applicant will comply with the standards set forth in this chapter;

(b) A statement that the applicant understands the types of misconduct for which disciplinary proceedings may be initiated against the applicant pursuant to this chapter;

(c) A consent to service of process.

(2)(a) The board shall recognize on a temporary basis a certification or license issued in another state and shall register on a temporary basis an appraiser who is certified or licensed in another state if all of the following apply:

(i) The temporary registration is to perform an appraisal assignment that is part of a federally related transaction.

(ii) The appraiser's business in this state is of a temporary nature.

(iii) The appraiser registers with the board pursuant to this division.

(b) An appraiser who is certified or licensed in another state shall register with the board for temporary practice before performing an appraisal assignment in this state in connection with a federally related transaction.
(c) The board shall adopt rules relating to registration for the temporary recognition of certification and licensure of appraisers from another state. The registration for temporary recognition of certified or licensed appraisers from another state shall not authorize completion of more than one appraisal assignment in this state. The board shall not issue more than two registrations for temporary practice to any one applicant in any calendar year. The application for obtaining a registration under this division may include any of the following:

(i) A pledge, signed by the applicant, that the applicant will comply with the standards set forth in this chapter;

(ii) A statement that the applicant understands the types of misconduct for which disciplinary proceedings may be initiated against the applicant pursuant to this chapter;

(iii) A consent to service of process.

(3) The board may enter into reciprocal agreements with other states. The board shall prescribe reciprocal agreement requirements by rule.

(F) The superintendent shall not issue a certificate, registration, or license to, or recognize on a temporary basis an appraiser from another state that is a corporation, partnership, or association. This prohibition shall not be construed to prevent a certificate holder or licensee from signing an appraisal report on behalf of a corporation, partnership, or association.

(G) Every person licensed, registered, or certified under this chapter shall notify the superintendent, on a form provided by the superintendent, of a change in the address of the licensee's, registrant's, or certificate holder's principal
place of business or residence within thirty days of the change. If a licensee's, registrant's, or certificate holder's license, registration, or certificate is revoked or not renewed, the licensee, registrant, or certificate holder immediately shall return the annual and any renewal certificate, registration, or license to the superintendent.

(H)(1) The superintendent shall not issue a certificate, registration, or license to any person, or recognize on a temporary basis an appraiser from another state, who does not meet applicable minimum criteria for state certification, registration, or licensure prescribed by federal law or rule.

(2) The superintendent shall not refuse to issue a general real estate appraiser certificate, residential real estate appraiser certificate, residential real estate appraiser license, or real estate appraiser assistant registration to any person who has been convicted because of a conviction of or pleaded guilty to any criminal offense involving theft, receiving stolen property, embezzlement, forgery, fraud, passing bad checks, money laundering, or drug trafficking, or any criminal offense involving money or securities, including a violation of an existing or former law of this state, any other state, or the United States that substantially is equivalent to such an offense. However, if the applicant has pleaded guilty to or been convicted of such an offense, the superintendent shall not consider the offense if the applicant has proven to the superintendent, by a preponderance of the evidence, that the applicant's activities and employment record since the conviction show that the applicant is honest, truthful, and of good reputation, and there is no basis in fact for believing that the applicant will commit such an offense again unless the refusal is in accordance with section 9.79 of the Revised Code.

(18) Violation of the conditions placed by the board on a certificate to practice as a radiologist assistant;

(19) Failure to use universal blood and body fluid precautions established by rules adopted under section 4731.051 of the Revised Code;

(20) Failure to cooperate in an investigation conducted by the board under section 4774.14 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(21) Failure to maintain a license as a radiographer under Chapter 4773. of the Revised Code;

(22) Failure to maintain certification as a registered radiologist assistant from the American registry of radiologic technologists, including revocation by the registry of the assistant's certification or failure by the assistant to meet the registry's requirements for annual registration, or failure to notify the board that the certification as a registered radiologist assistant has not been maintained;

(23) Failure to comply with any of the rules of ethics included in the standards of ethics established by the American registry of radiologic technologists, as those rules apply to an individual who holds the registry's certification as a registered radiologist assistant.
(C) The board shall not refuse to issue a certificate to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a radiologist assistant or applicant to resolve an allegation of a violation of this chapter or any rule adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

(E) For purposes of divisions (B)(11), (14), and (15) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or certificate holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the certificate holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal on technical or procedural grounds.

(F) The sealing of conviction records by any court
shall have no effect on a prior board order entered under the provisions of this section or on the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F) For purposes of this division, any individual who holds a certificate to practice as a radiologist assistant issued under this chapter, or applies for a certificate to practice, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, on a showing of a possible violation, may compel any individual who holds a certificate to practice as a radiologist assistant issued under this chapter or who has applied for a certificate to practice to submit to a mental or physical examination, or both. A physical examination may include an HIV test. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds a radiologist assistant unable to
practice because of the reasons set forth in division (B)(5) of this section, the board shall require the radiologist assistant to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed certificate to practice. An individual affected by this division shall be afforded an opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(6) of this section, if the board has reason to believe that any individual who holds a certificate to practice as a radiologist assistant issued under this chapter or any applicant for a certificate to practice suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's certificate or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed certificate to practice, to submit to treatment.
Before being eligible to apply for reinstatement of a certificate suspended under this division, the radiologist assistant shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a certificate suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired radiologist assistant resumes practice, the board shall require continued monitoring of the radiologist assistant. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the radiologist assistant has maintained sobriety.
If the secretary and supervising member determine that there is clear and convincing evidence that a radiologist assistant has violated division (B) of this section and that the individual's continued practice presents a danger of immediate and serious harm to the public, they may recommend that the board suspend the individual's certificate to practice without a prior hearing. Written allegations shall be prepared for consideration by the board.

The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a certificate without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the radiologist assistant requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the radiologist assistant requests the hearing, unless otherwise agreed to by both the board and the certificate holder.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order...
within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

**(I)** If the board takes action under division (B)(10), (12), or (13) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and supporting court documents, the board shall reinstate the certificate to practice as a radiologist assistant. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

**(J)** The certificate to practice of a radiologist assistant and the assistant's practice in this state are automatically suspended as of the date the radiologist assistant pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross
sexual imposition, aggravated arson, aggravated robbery, or
aggravated burglary. Continued practice after the suspension
shall be considered practicing without a certificate.

The board shall notify the individual subject to the
suspension by certified mail or in person in accordance with
section 119.07 of the Revised Code. If an individual whose
certificate is suspended under this division fails to make a
timely request for an adjudication under Chapter 119. of the
Revised Code, the board shall enter a final order permanently
revoking the individual's certificate to practice.

(K) In any instance in which the board is required by
Chapter 119. of the Revised Code to give notice of opportunity
for hearing and the individual subject to the notice does not
timely request a hearing in accordance with section 119.07 of
the Revised Code, the board is not required to hold a hearing,
but may adopt, by an affirmative vote of not fewer than six of
its members, a final order that contains the board's findings.
In the final order, the board may order any of the sanctions
identified under division (A) or (B) of this section.

(L) Any action taken by the board under division (B) of
this section resulting in a suspension shall be accompanied by a
written statement of the conditions under which the radiologist
assistant's certificate may be reinstated. The board shall adopt
rules in accordance with Chapter 119. of the Revised Code
governing conditions to be imposed for reinstatement.
Reinstatement of a certificate suspended pursuant to division
(B) of this section requires an affirmative vote of not fewer
than six members of the board.

(M) When the board refuses to grant or issue a
certificate to practice as a radiologist assistant to an
applicant, revokes an individual's certificate, refuses to renew an individual's certificate, or refuses to reinstate an individual's certificate, the board may specify that its action is permanent. An individual subject to a permanent action taken by the board is forever thereafter ineligible to hold a certificate to practice as a radiologist assistant and the board shall not accept an application for reinstatement of the certificate or for issuance of a new certificate.

\(\text{(M)}\) Notwithstanding any other provision of the Revised Code, all of the following apply:

1. The surrender of a certificate to practice as a radiologist assistant issued under this chapter is not effective unless or until accepted by the board. Reinstatement of a certificate surrendered to the board requires an affirmative vote of not fewer than six members of the board.

2. An application made under this chapter for a certificate to practice may not be withdrawn without approval of the board.

3. Failure by an individual to renew a certificate to practice in accordance with section 4774.06 of the Revised Code shall not remove or limit the board's jurisdiction to take disciplinary action under this section against the individual.

Sec. 4776.04. The results of any criminal records check conducted pursuant to a request made under this chapter and any report containing those results, including any information the federal bureau of investigation provides, are not public records for purposes of section 149.43 of the Revised Code and shall not be made available to any person or for any purpose other than as follows:
(A) If the request for the criminal records check was submitted by an applicant for an initial license or restored license, as follows:

(1) The superintendent of the bureau of criminal identification and investigation shall make the results available to the licensing agency for use in determining, under the agency's authorizing chapter of the Revised Code and section 9.79 of the Revised Code, whether the applicant who is the subject of the criminal records check should be granted a license under that chapter and that section.

(2) The licensing agency shall make the results available to the applicant who is the subject of the criminal records check.

(B) If the request for the criminal records check was submitted by a person seeking to satisfy the requirements to be an employee of a pain management clinic as specified in section 4729.552 of the Revised Code or a person seeking to satisfy the requirements to be an employee of a facility, clinic, or other location that is subject to licensure as a category III terminal distributor of dangerous drugs with an office-based opioid treatment classification, the superintendent of the bureau of criminal identification and investigation shall make the results available in accordance with the following:

(1) The superintendent shall make the results of the criminal records check, including any information the federal bureau of investigation provides, available to the person who submitted the request and is the subject of the criminal records check.

(2) The superintendent shall make the results of the
portion of the criminal records check performed by the bureau of criminal identification and investigation under division (B)(1) of section 109.572 of the Revised Code available to the employer or potential employer specified in the request of the person who submitted the request and shall send a letter of the type described in division (B)(2) of section 4776.02 of the Revised Code to that employer or potential employer regarding the information provided by the federal bureau of investigation that contains one of the types of statements described in that division.

(C) If the request for the criminal records check was submitted by an applicant for a trainee license under section 4776.021 of the Revised Code, as follows:

(1) The superintendent of the bureau of criminal identification and investigation shall make the results available to the licensing agency or other agency identified in division (B) of section 4776.021 of the Revised Code for use in determining, under the agency's authorizing chapter of the Revised Code and division (D) of section 4776.021 of the Revised Code, and section 9.79 of the Revised Code, whether the applicant who is the subject of the criminal records check should be granted a trainee license under that chapter and that division, and that section.

(2) The licensing agency or other agency identified in division (B) of section 4776.021 of the Revised Code shall make the results available to the applicant who is the subject of the criminal records check.

Sec. 4778.02. (A)(1) Except as provided in division (B) of this section, no person shall practice as a genetic counselor unless the person holds a current, valid license to practice as
a genetic counselor issued under this chapter.

(2) No person shall use the title "genetic counselor," or otherwise hold the person out as a genetic counselor, unless the person holds a current, valid license to practice as a genetic counselor issued under this chapter.

(B) Division (A)(1) of this section does not apply to either of the following:

(1) A student performing an activity as part of a genetic counseling graduate program described in division (B)(1)(b) of section 4778.03 of the Revised Code;

(2) A person who is authorized pursuant to another provision of the Revised Code to perform any of the activities that a genetic counselor is authorized to perform.

Sec. 4778.03. (A) An individual seeking a license to practice as a genetic counselor shall file with the state medical board an application in a manner prescribed by the board. The application shall include all the information the board considers necessary to process the application, including evidence satisfactory to the board that the applicant meets the requirements specified in division (B) of this section.

At the time an application is submitted, the applicant shall pay the board an application fee of two hundred dollars. No part of the fee shall be returned to the applicant or transferred for purposes of another application.

(B) To be eligible to receive a license to practice as a genetic counselor, an applicant shall demonstrate to the board that the applicant meets all of the following requirements:

(a) (1) Is at least eighteen years of age and of good
moral character;

(b) Except as provided in division (B)(2) of this section, has
(2) Has attained a master's degree or higher degree from a
genetic counseling graduate program accredited by the American
board of genetic counseling, inc.;

(c) (3) Is a certified genetic counselor;

(d) (4) Has satisfied any other requirements established
by the board in rules adopted under section 4778.12 of the
Revised Code.

(2) In the case of an applicant who files an application
not later than December 31, 2013, and meets all eligibility
requirements other than the requirement specified in division
(B)(1)(b) of this section, the applicant is eligible for a
license to practice as a genetic counselor if the applicant has
attained a master's or higher degree in education or in a field
that the state medical board considers to be closely related to
genetic counseling.

(C) The board shall review all applications received under
this section. Not later than sixty days after receiving an
application it considers complete, the board shall determine
whether the applicant meets the requirements for a license to
practice as a genetic counselor. The affirmative vote of not
fewer than six members of the board is required to determine
that the applicant meets the requirements for the license.

Sec. 4778.04. In addition to any other eligibility
requirement set forth in this chapter, each applicant for a
license to practice as a genetic counselor shall comply with
sections 4776.01 to 4776.04 of the Revised Code. The state
medical board shall not grant to an applicant a license to
practice as a genetic counselor unless the board, in its
discretion, decides that the results of the criminal records
check do not make the applicant ineligible for a license issued
pursuant to section 4778.05 of the Revised Code.

Sec. 4778.14. (A) The state medical board, by an
affirmative vote of not fewer than six members, may revoke or
may refuse to grant a license to practice as a genetic counselor
to an individual found by the board to have committed fraud,
misrepresentation, or deception in applying for or securing the
license.

(B) The board, by an affirmative vote of not fewer than
six members, shall, except as provided in division (C) of this
section, and to the extent permitted by law, limit, revoke, or
suspend an individual’s license to practice as a genetic
counselor, refuse to issue a license to an applicant, refuse to
renew a license, refuse to reinstate a license, or reprimand or
place on probation the holder of a license for any of the
following reasons:

(1) Permitting the holder's name or license to be used by
another person;

(2) Failure to comply with the requirements of this
chapter, Chapter 4731. of the Revised Code, or any rules adopted
by the board;

(3) Violating or attempting to violate, directly or
indirectly, or assisting in or abetting the violation of, or
conspiring to violate, any provision of this chapter, Chapter
4731. of the Revised Code, or the rules adopted by the board;

(4) A departure from, or failure to conform to, minimal
standards of care of similar practitioners under the same or
similar circumstances whether or not actual injury to the patient is established;

(5) Inability to practice according to acceptable and prevailing standards of care by reason of mental illness or physical illness, including physical deterioration that adversely affects cognitive, motor, or perceptive skills;

(6) Impairment of ability to practice according to acceptable and prevailing standards of care because of habitual or excessive use or abuse of drugs, alcohol, or other substances that impair ability to practice;

(7) Willfully betraying a professional confidence;

(8) Making a false, fraudulent, deceptive, or misleading statement in securing or attempting to secure a license to practice as a genetic counselor.

As used in this division, "false, fraudulent, deceptive, or misleading statement" means a statement that includes a misrepresentation of fact, is likely to mislead or deceive because of a failure to disclose material facts, is intended or is likely to create false or unjustified expectations of favorable results, or includes representations or implications that in reasonable probability will cause an ordinarily prudent person to misunderstand or be deceived.

(9) The obtaining of, or attempting to obtain, money or a thing of value by fraudulent misrepresentations in the course of practice;

(10) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a felony;
(11) Commission of an act that constitutes a felony in this state, regardless of the jurisdiction in which the act was committed; 23961 23962 23963

(12) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor committed in the course of practice; 23964 23965 23966 23967

(13) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for, a misdemeanor involving moral turpitude; 23968 23969 23970

(14) Commission of an act in the course of practice that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed; 23971 23972 23973

(15) Commission of an act involving moral turpitude that constitutes a misdemeanor in this state, regardless of the jurisdiction in which the act was committed; 23974 23975 23976

(16) A plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for violating any state or federal law regulating the possession, distribution, or use of any drug, including trafficking in drugs; 23977 23978 23979 23980 23981

(17) Any of the following actions taken by an agency responsible for authorizing, certifying, or regulating an individual to practice a health care occupation or provide health care services in this state or in another jurisdiction, for any reason other than the nonpayment of fees: the limitation, revocation, or suspension of an individual's license to practice; acceptance of an individual's license surrender; denial of a license; refusal to renew or reinstate a license; 23982 23983 23984 23985 23986 23987 23988 23989
imposition of probation; or issuance of an order of censure or other reprimand;

(18) Violation of the conditions placed by the board on a license to practice as a genetic counselor;

(19) Failure to cooperate in an investigation conducted by the board under section 4778.18 of the Revised Code, including failure to comply with a subpoena or order issued by the board or failure to answer truthfully a question presented by the board at a deposition or in written interrogatories, except that failure to cooperate with an investigation shall not constitute grounds for discipline under this section if a court of competent jurisdiction has issued an order that either quashes a subpoena or permits the individual to withhold the testimony or evidence in issue;

(20) Failure to maintain the individual's status as a certified genetic counselor;

(21) Failure to comply with the code of ethics established by the national society of genetic counselors.

(C) The board shall not refuse to issue a license to an applicant because of a plea of guilty to, a judicial finding of guilt of, or a judicial finding of eligibility for intervention in lieu of conviction for an offense unless the refusal is in accordance with section 9.79 of the Revised Code.

(D) Disciplinary actions taken by the board under divisions (A) and (B) of this section shall be taken pursuant to an adjudication under Chapter 119. of the Revised Code, except that in lieu of an adjudication, the board may enter into a consent agreement with a genetic counselor or applicant to resolve an allegation of a violation of this chapter or any rule.
adopted under it. A consent agreement, when ratified by an affirmative vote of not fewer than six members of the board, shall constitute the findings and order of the board with respect to the matter addressed in the agreement. If the board refuses to ratify a consent agreement, the admissions and findings contained in the consent agreement shall be of no force or effect.

A telephone conference call may be utilized for ratification of a consent agreement that revokes or suspends an individual's license. The telephone conference call shall be considered a special meeting under division (F) of section 121.22 of the Revised Code.

(E) For purposes of divisions (B)(11), (14), and (15) of this section, the commission of the act may be established by a finding by the board, pursuant to an adjudication under Chapter 119. of the Revised Code, that the applicant or license holder committed the act in question. The board shall have no jurisdiction under these divisions in cases where the trial court renders a final judgment in the license holder's favor and that judgment is based upon an adjudication on the merits. The board shall have jurisdiction under these divisions in cases where the trial court issues an order of dismissal on technical or procedural grounds.

(F) The sealing of conviction records by any court shall have no effect on a prior board order entered under the provisions of this section or on the board's jurisdiction to take action under the provisions of this section if, based upon a plea of guilty, a judicial finding of guilt, or a judicial finding of eligibility for intervention in lieu of conviction, the board issued a notice of opportunity for a hearing or took
other formal action under Chapter 119. of the Revised Code prior to the court's order to seal the records. The board shall not be required to seal, destroy, redact, or otherwise modify its records to reflect the court's sealing of conviction records.

(F)(G) For purposes of this division, any individual who holds a license to practice as a genetic counselor, or applies for a license, shall be deemed to have given consent to submit to a mental or physical examination when directed to do so in writing by the board and to have waived all objections to the admissibility of testimony or examination reports that constitute a privileged communication.

(1) In enforcing division (B)(5) of this section, the board, on a showing of a possible violation, may compel any individual who holds a license to practice as a genetic counselor or who has applied for a license to practice as a genetic counselor to submit to a mental or physical examination, or both. A physical examination may include an HIV test. The expense of the examination is the responsibility of the individual compelled to be examined. Failure to submit to a mental or physical examination or consent to an HIV test ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board finds a genetic counselor unable to practice because of the reasons set forth in division (B)(5) of this section, the board shall require the genetic counselor to submit to care, counseling, or treatment by physicians approved or designated by the board, as a condition for an initial, continued, reinstated, or renewed license to practice. An individual affected by this division shall be afforded an
opportunity to demonstrate to the board the ability to resume practicing in compliance with acceptable and prevailing standards of care.

(2) For purposes of division (B)(6) of this section, if the board has reason to believe that any individual who holds a license to practice as a genetic counselor or any applicant for a license suffers such impairment, the board may compel the individual to submit to a mental or physical examination, or both. The expense of the examination is the responsibility of the individual compelled to be examined. Any mental or physical examination required under this division shall be undertaken by a treatment provider or physician qualified to conduct such examination and chosen by the board.

Failure to submit to a mental or physical examination ordered by the board constitutes an admission of the allegations against the individual unless the failure is due to circumstances beyond the individual's control, and a default and final order may be entered without the taking of testimony or presentation of evidence. If the board determines that the individual's ability to practice is impaired, the board shall suspend the individual's license or deny the individual's application and shall require the individual, as a condition for an initial, continued, reinstated, or renewed license, to submit to treatment.

Before being eligible to apply for reinstatement of a license suspended under this division, the genetic counselor shall demonstrate to the board the ability to resume practice in compliance with acceptable and prevailing standards of care. The demonstration shall include the following:

(a) Certification from a treatment provider approved under
section 4731.25 of the Revised Code that the individual has successfully completed any required inpatient treatment;

(b) Evidence of continuing full compliance with an aftercare contract or consent agreement;

(c) Two written reports indicating that the individual's ability to practice has been assessed and that the individual has been found capable of practicing according to acceptable and prevailing standards of care. The reports shall be made by individuals or providers approved by the board for making such assessments and shall describe the basis for their determination.

The board may reinstate a license suspended under this division after such demonstration and after the individual has entered into a written consent agreement.

When the impaired genetic counselor resumes practice, the board shall require continued monitoring of the genetic counselor. The monitoring shall include monitoring of compliance with the written consent agreement entered into before reinstatement or with conditions imposed by board order after a hearing, and, on termination of the consent agreement, submission to the board for at least two years of annual written progress reports made under penalty of falsification stating whether the genetic counselor has maintained sobriety.

(G)(H) If the secretary and supervising member determine both of the following, they may recommend that the board suspend an individual's license to practice without a prior hearing:

(1) That there is clear and convincing evidence that a genetic counselor has violated division (B) of this section;

(2) That the individual's continued practice presents a
danger of immediate and serious harm to the public.

Written allegations shall be prepared for consideration by the board. The board, on review of the allegations and by an affirmative vote of not fewer than six of its members, excluding the secretary and supervising member, may suspend a license without a prior hearing. A telephone conference call may be utilized for reviewing the allegations and taking the vote on the summary suspension.

The board shall issue a written order of suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. The order shall not be subject to suspension by the court during pendency of any appeal filed under section 119.12 of the Revised Code. If the genetic counselor requests an adjudicatory hearing by the board, the date set for the hearing shall be within fifteen days, but not earlier than seven days, after the genetic counselor requests the hearing, unless otherwise agreed to by both the board and the genetic counselor.

A summary suspension imposed under this division shall remain in effect, unless reversed on appeal, until a final adjudicative order issued by the board pursuant to this section and Chapter 119. of the Revised Code becomes effective. The board shall issue its final adjudicative order within sixty days after completion of its hearing. Failure to issue the order within sixty days shall result in dissolution of the summary suspension order, but shall not invalidate any subsequent, final adjudicative order.

(1) If the board takes action under division (B)(10), (12), or (13) of this section, and the judicial finding of guilt, guilty plea, or judicial finding of eligibility for intervention in lieu of conviction is overturned on appeal, on
exhaustion of the criminal appeal, a petition for reconsideration of the order may be filed with the board along with appropriate court documents. On receipt of a petition and supporting court documents, the board shall reinstate the license to practice as a genetic counselor. The board may then hold an adjudication under Chapter 119. of the Revised Code to determine whether the individual committed the act in question. Notice of opportunity for hearing shall be given in accordance with Chapter 119. of the Revised Code. If the board finds, pursuant to an adjudication held under this division, that the individual committed the act, or if no hearing is requested, it may order any of the sanctions specified in division (B) of this section.

(I) The license to practice as a genetic counselor and the counselor's practice in this state are automatically suspended as of the date the genetic counselor pleads guilty to, is found by a judge or jury to be guilty of, or is subject to a judicial finding of eligibility for intervention in lieu of conviction in this state or treatment of intervention in lieu of conviction in another jurisdiction for any of the following criminal offenses in this state or a substantially equivalent criminal offense in another jurisdiction: aggravated murder, murder, voluntary manslaughter, felonious assault, kidnapping, rape, sexual battery, gross sexual imposition, aggravated arson, aggravated robbery, or aggravated burglary. Continued practice after the suspension shall be considered practicing without a license.

The board shall notify the individual subject to the suspension by certified mail or in person in accordance with section 119.07 of the Revised Code. If an individual whose license is suspended under this division fails to make a timely
request for an adjudication under Chapter 119. of the Revised Code, the board shall enter a final order permanently revoking the individual's license to practice.
