A BILL

To amend sections 4501.01, 4503.181, 4513.071, 4513.38, and 4513.41 and to enact section 4505.072 of the Revised Code to establish requirements relative to the titling and use of replica motor vehicles.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 4501.01, 4503.181, 4513.071, 4513.38, and 4513.41 be amended and section 4505.072 of the Revised Code be enacted to read as follows:

Sec. 4501.01. As used in this chapter and Chapters 4503., 4505., 4507., 4509., 4510., 4511., 4513., 4515., and 4517. of the Revised Code, and in the penal laws, except as otherwise provided:

(A) "Vehicles" means everything on wheels or runners, including motorized bicycles, but does not mean electric personal assistive mobility devices, vehicles that are operated exclusively on rails or tracks or from overhead electric trolley wires, and vehicles that belong to any police department, municipal fire department, or volunteer fire department, or that
(B) "Motor vehicle" means any vehicle, including mobile homes and recreational vehicles, that is propelled or drawn by power other than muscular power or power collected from overhead electric trolley wires. "Motor vehicle" does not include utility vehicles as defined in division (VV) of this section, underspeed vehicles as defined in division (XX) of this section, mini-trucks as defined in division (BBB) of this section, motorized bicycles, electric bicycles, road rollers, traction engines, power shovels, power cranes, and other equipment used in construction work and not designed for or employed in general highway transportation, well-drilling machinery, ditch-digging machinery, farm machinery, and trailers that are designed and used exclusively to transport a boat between a place of storage and a marina, or in and around a marina, when drawn or towed on a public road or highway for a distance of no more than ten miles and at a speed of twenty-five miles per hour or less.

(C) "Agricultural tractor" and "traction engine" mean any self-propelling vehicle that is designed or used for drawing other vehicles or wheeled machinery, but has no provisions for carrying loads independently of such other vehicles, and that is used principally for agricultural purposes.

(D) "Commercial tractor," except as defined in division (C) of this section, means any motor vehicle that has motive power and either is designed or used for drawing other motor vehicles, or is designed or used for drawing another motor vehicle while carrying a portion of the other motor vehicle or its load, or both.

(E) "Passenger car" means any motor vehicle that is designed and used for carrying not more than nine persons and
includes any motor vehicle that is designed and used for carrying not more than fifteen persons in a ridesharing arrangement.

(F) "Collector's vehicle" means any motor vehicle or agricultural tractor or traction engine that is of special interest, that has a fair market value of one hundred dollars or more, whether operable or not, and that is owned, operated, collected, preserved, restored, maintained, or used essentially as a collector's item, leisure pursuit, or investment, but not as the owner's principal means of transportation. "Licensed collector's vehicle" means a collector's vehicle, other than an agricultural tractor or traction engine, that displays current, valid license tags issued under section 4503.45 of the Revised Code, or a similar type of motor vehicle that displays current, valid license tags issued under substantially equivalent provisions in the laws of other states.

(G) "Historical motor vehicle" means any motor vehicle that is owned solely as a collector's item and that is either over twenty-five years old and is owned solely as a collector's item and for participation in club activities, exhibitions, tours, parades, and similar uses, but that in no event is used for general transportation or a replica motor vehicle titled under section 4505.072 of the Revised Code.

(H) "Noncommercial motor vehicle" means any motor vehicle, including a farm truck as defined in section 4503.04 of the Revised Code, that is designed by the manufacturer to carry a load of no more than one ton and is used exclusively for purposes other than engaging in business for profit.

(I) "Bus" means any motor vehicle that has motor power and is designed and used for carrying more than nine passengers,
except any motor vehicle that is designed and used for carrying
not more than fifteen passengers in a ridesharing arrangement.

(J) "Commercial car" or "truck" means any motor vehicle
that has motor power and is designed and used for carrying
merchandise or freight, or that is used as a commercial tractor.

(K) "Bicycle" means every device, other than a device that
is designed solely for use as a play vehicle by a child, that is
propelled solely by human power upon which a person may ride,
and that has two or more wheels, any of which is more than
fourteen inches in diameter.

(L) "Motorized bicycle" or "moped" means any vehicle that
either has two tandem wheels or one wheel in the front and two
wheels in the rear, that may be pedaled, and that is equipped
with a helper motor of not more than fifty cubic centimeters
piston displacement that produces no more than one brake
horsepower and is capable of propelling the vehicle at a speed
of no greater than twenty miles per hour on a level surface.
"Motorized bicycle" or "moped" does not include an electric
bicycle.

(M) "Trailer" means any vehicle without motive power that
is designed or used for carrying property or persons wholly on
its own structure and for being drawn by a motor vehicle, and
includes any such vehicle that is formed by or operated as a
combination of a semitrailer and a vehicle of the dolly type
such as that commonly known as a trailer dolly, a vehicle used
to transport agricultural produce or agricultural production
materials between a local place of storage or supply and the
farm when drawn or towed on a public road or highway at a speed
greater than twenty-five miles per hour, and a vehicle that is
designed and used exclusively to transport a boat between a
place of storage and a marina, or in and around a marina, when drawn or towed on a public road or highway for a distance of more than ten miles or at a speed of more than twenty-five miles per hour. "Trailer" does not include a manufactured home or travel trailer.

(N) "Noncommercial trailer" means any trailer, except a travel trailer or trailer that is used to transport a boat as described in division (B) of this section, but, where applicable, includes a vehicle that is used to transport a boat as described in division (M) of this section, that has a gross weight of no more than ten thousand pounds, and that is used exclusively for purposes other than engaging in business for a profit, such as the transportation of personal items for personal or recreational purposes.

(O) "Mobile home" means a building unit or assembly of closed construction that is fabricated in an off-site facility, is more than thirty-five body feet in length or, when erected on site, is three hundred twenty or more square feet, is built on a permanent chassis, is transportable in one or more sections, and does not qualify as a manufactured home as defined in division (C)(4) of section 3781.06 of the Revised Code or as an industrialized unit as defined in division (C)(3) of section 3781.06 of the Revised Code.

(P) "Semitrailer" means any vehicle of the trailer type that does not have motive power and is so designed or used with another and separate motor vehicle that in operation a part of its own weight or that of its load, or both, rests upon and is carried by the other vehicle furnishing the motive power for propelling itself and the vehicle referred to in this division, and includes, for the purpose only of registration and taxation
under those chapters, any vehicle of the dolly type, such as a trailer dolly, that is designed or used for the conversion of a semitrailer into a trailer.

(Q) "Recreational vehicle" means a vehicular portable structure that meets all of the following conditions:

(1) It is designed for the sole purpose of recreational travel.

(2) It is not used for the purpose of engaging in business for profit.

(3) It is not used for the purpose of engaging in intrastate commerce.

(4) It is not used for the purpose of commerce as defined in 49 C.F.R. 383.5, as amended.

(5) It is not regulated by the public utilities commission pursuant to Chapter 4905., 4921., or 4923. of the Revised Code.

(6) It is classed as one of the following:

(a) "Travel trailer" or "house vehicle" means a nonself-propelled recreational vehicle that does not exceed an overall length of forty feet, exclusive of bumper and tongue or coupling. "Travel trailer" includes a tent-type fold-out camping trailer as defined in section 4517.01 of the Revised Code.

(b) "Motor home" means a self-propelled recreational vehicle that has no fifth wheel and is constructed with permanently installed facilities for cold storage, cooking and consuming of food, and for sleeping.

(c) "Truck camper" means a nonself-propelled recreational vehicle that does not have wheels for road use and is designed
to be placed upon and attached to a motor vehicle. "Truck camper" does not include truck covers that consist of walls and a roof, but do not have floors and facilities enabling them to be used as a dwelling.

(d) "Fifth wheel trailer" means a vehicle that is of such size and weight as to be movable without a special highway permit, that is constructed with a raised forward section that allows a bi-level floor plan, and that is designed to be towed by a vehicle equipped with a fifth-wheel hitch ordinarily installed in the bed of a truck.

(e) "Park trailer" means a vehicle that is commonly known as a park model recreational vehicle, meets the American national standard institute standard A119.5 (1988) for park trailers, is built on a single chassis, has a gross trailer area of four hundred square feet or less when set up, is designed for seasonal or temporary living quarters, and may be connected to utilities necessary for the operation of installed features and appliances.

(R) "Pneumatic tires" means tires of rubber and fabric or tires of similar material, that are inflated with air.

(S) "Solid tires" means tires of rubber or similar elastic material that are not dependent upon confined air for support of the load.

(T) "Solid tire vehicle" means any vehicle that is equipped with two or more solid tires.

(U) "Farm machinery" means all machines and tools that are used in the production, harvesting, and care of farm products, and includes trailers that are used to transport agricultural produce or agricultural production materials between a local
place of storage or supply and the farm, agricultural tractors, 195
threshing machinery, hay-baling machinery, corn shellers, 196
hammermills, and machinery used in the production of 197
horticultural, agricultural, and vegetable products. 198

(V) "Owner" includes any person or firm, other than a 199
manufacturer or dealer, that has title to a motor vehicle, 200
except that, in sections 4505.01 to 4505.19 of the Revised Code, 201
"owner" includes in addition manufacturers and dealers. 202

(W) "Manufacturer" and "dealer" include all persons and 203
firms that are regularly engaged in the business of 204
manufacturing, selling, displaying, offering for sale, or 205
dealing in motor vehicles, at an established place of business 206
that is used exclusively for the purpose of manufacturing, 207
selling, displaying, offering for sale, or dealing in motor 208
vehicles. A place of business that is used for manufacturing, 209
selling, displaying, offering for sale, or dealing in motor 210
vehicles shall be deemed to be used exclusively for those 211
purposes even though snowmobiles or all-purpose vehicles are 212
sold or displayed for sale thereat, even though farm machinery 213
is sold or displayed for sale thereat, or even though repair, 214
accessory, gasoline and oil, storage, parts, service, or paint 215
departments are maintained thereat, or, in any county having a 216
population of less than seventy-five thousand at the last 217
federal census, even though a department in a place of business 218
is used to dismantle, salvage, or rebuild motor vehicles by 219
means of used parts, if such departments are operated for the 220
purpose of furthering and assisting in the business of 221
manufacturing, selling, displaying, offering for sale, or 222
dealing in motor vehicles. Places of business or departments in 223
a place of business used to dismantle, salvage, or rebuild motor 224
vehicles by means of using used parts are not considered as 225
being maintained for the purpose of assisting or furthering the manufacturing, selling, displaying, and offering for sale or dealing in motor vehicles.

(X) "Operator" includes any person who drives or operates a motor vehicle upon the public highways.

(Y) "Chauffeur" means any operator who operates a motor vehicle, other than a taxicab, as an employee for hire; or any operator whether or not the owner of a motor vehicle, other than a taxicab, who operates such vehicle for transporting, for gain, compensation, or profit, either persons or property owned by another. Any operator of a motor vehicle who is voluntarily involved in a ridesharing arrangement is not considered an employee for hire or operating such vehicle for gain, compensation, or profit.

(Z) "State" includes the territories and federal districts of the United States, and the provinces of Canada.

(AA) "Public roads and highways" for vehicles includes all public thoroughfares, bridges, and culverts.

(BB) "Manufacturer's number" means the manufacturer's original serial number that is affixed to or imprinted upon the chassis or other part of the motor vehicle.

(CC) "Motor number" means the manufacturer's original number that is affixed to or imprinted upon the engine or motor of the vehicle.

(DD) "Distributor" means any person who is authorized by a motor vehicle manufacturer to distribute new motor vehicles to licensed motor vehicle dealers at an established place of business that is used exclusively for the purpose of distributing new motor vehicles to licensed motor vehicle
dealers, except when the distributor also is a new motor vehicle dealer, in which case the distributor may distribute at the location of the distributor's licensed dealership.

(EE) "Ridesharing arrangement" means the transportation of persons in a motor vehicle where the transportation is incidental to another purpose of a volunteer driver and includes ridesharing arrangements known as carpools, vanpools, and buspools.

(FF) "Apportionable vehicle" means any vehicle that is used or intended for use in two or more international registration plan member jurisdictions that allocate or proportionally register vehicles, that is used for the transportation of persons for hire or designed, used, or maintained primarily for the transportation of property, and that meets any of the following qualifications:

(1) Is a power unit having a gross vehicle weight in excess of twenty-six thousand pounds;

(2) Is a power unit having three or more axles, regardless of the gross vehicle weight;

(3) Is a combination vehicle with a gross vehicle weight in excess of twenty-six thousand pounds.

"Apportionable vehicle" does not include recreational vehicles, vehicles displaying restricted plates, city pick-up and delivery vehicles, or vehicles owned and operated by the United States, this state, or any political subdivisions thereof.

(GG) "Chartered party" means a group of persons who contract as a group to acquire the exclusive use of a passenger-carrying motor vehicle at a fixed charge for the vehicle in
accordance with the carrier's tariff, lawfully on file with the United States department of transportation, for the purpose of group travel to a specified destination or for a particular itinerary, either agreed upon in advance or modified by the chartered group after having left the place of origin.

(HH) "International registration plan" means a reciprocal agreement of member jurisdictions that is endorsed by the American association of motor vehicle administrators, and that promotes and encourages the fullest possible use of the highway system by authorizing apportioned registration of fleets of vehicles and recognizing registration of vehicles apportioned in member jurisdictions.

(II) "Restricted plate" means a license plate that has a restriction of time, geographic area, mileage, or commodity, and includes license plates issued to farm trucks under division (J) of section 4503.04 of the Revised Code.

(JJ) "Gross vehicle weight," with regard to any commercial car, trailer, semitrailer, or bus that is taxed at the rates established under section 4503.042 or 4503.65 of the Revised Code, means the unladen weight of the vehicle fully equipped plus the maximum weight of the load to be carried on the vehicle.

(KK) "Combined gross vehicle weight" with regard to any combination of a commercial car, trailer, and semitrailer, that is taxed at the rates established under section 4503.042 or 4503.65 of the Revised Code, means the total unladen weight of the combination of vehicles fully equipped plus the maximum weight of the load to be carried on that combination of vehicles.
(LL) "Chauffeured limousine" means a motor vehicle that is designed to carry nine or fewer passengers and is operated for hire pursuant to a prearranged contract for the transportation of passengers on public roads and highways along a route under the control of the person hiring the vehicle and not over a defined and regular route. "Prearranged contract" means an agreement, made in advance of boarding, to provide transportation from a specific location in a chauffeured limousine. "Chauffeured limousine" does not include any vehicle that is used exclusively in the business of funeral directing.

(MM) "Manufactured home" has the same meaning as in division (C)(4) of section 3781.06 of the Revised Code.

(NN) "Acquired situs," with respect to a manufactured home or a mobile home, means to become located in this state by the placement of the home on real property, but does not include the placement of a manufactured home or a mobile home in the inventory of a new motor vehicle dealer or the inventory of a manufacturer, remanufacturer, or distributor of manufactured or mobile homes.

(OO) "Electronic" includes electrical, digital, magnetic, optical, electromagnetic, or any other form of technology that entails capabilities similar to these technologies.

(PP) "Electronic record" means a record generated, communicated, received, or stored by electronic means for use in an information system or for transmission from one information system to another.

(QQ) "Electronic signature" means a signature in electronic form attached to or logically associated with an electronic record.
(RR) "Financial transaction device" has the same meaning as in division (A) of section 113.40 of the Revised Code.

(SS) "Electronic motor vehicle dealer" means a motor vehicle dealer licensed under Chapter 4517. of the Revised Code whom the registrar of motor vehicles determines meets the criteria designated in section 4503.035 of the Revised Code for electronic motor vehicle dealers and designates as an electronic motor vehicle dealer under that section.

(TT) "Electric personal assistive mobility device" means a self-balancing two non-tandem wheeled device that is designed to transport only one person, has an electric propulsion system of an average of seven hundred fifty watts, and when ridden on a paved level surface by an operator who weighs one hundred seventy pounds has a maximum speed of less than twenty miles per hour.

(UU) "Limited driving privileges" means the privilege to operate a motor vehicle that a court grants under section 4510.021 of the Revised Code to a person whose driver's or commercial driver's license or permit or nonresident operating privilege has been suspended.

(VV) "Utility vehicle" means a self-propelled vehicle designed with a bed, principally for the purpose of transporting material or cargo in connection with construction, agricultural, forestry, grounds maintenance, lawn and garden, materials handling, or similar activities.

(WW) "Low-speed vehicle" means a three- or four-wheeled motor vehicle with an attainable speed in one mile on a paved level surface of more than twenty miles per hour but not more than twenty-five miles per hour and with a gross vehicle weight
rating less than three thousand pounds.

(XX) "Under-speed vehicle" means a three- or four-wheeled vehicle, including a vehicle commonly known as a golf cart, with an attainable speed on a paved level surface of not more than twenty miles per hour and with a gross vehicle weight rating less than three thousand pounds.

(YY) "Motor-driven cycle or motor scooter" means any vehicle designed to travel on not more than three wheels in contact with the ground, with a seat for the driver and floor pad for the driver's feet, and is equipped with a motor with a piston displacement between fifty and one hundred cubic centimeters piston displacement that produces not more than five brake horsepower and is capable of propelling the vehicle at a speed greater than twenty miles per hour on a level surface.

(ZZ) "Motorcycle" means a motor vehicle with motive power having a seat or saddle for the use of the operator, designed to travel on not more than three wheels in contact with the ground, and having no occupant compartment top or occupant compartment top that can be installed or removed by the user.

(AAA) "Cab-enclosed motorcycle" means a motor vehicle with motive power having a seat or saddle for the use of the operator, designed to travel on not more than three wheels in contact with the ground, and having an occupant compartment top or an occupant compartment top that is installed.

(BBB) "Mini-truck" means a vehicle that has four wheels, is propelled by an electric motor with a rated power of seven thousand five hundred watts or less or an internal combustion engine with a piston displacement capacity of six hundred sixty cubic centimeters or less, has a total dry weight of nine
hundred to two thousand two hundred pounds, contains an enclosed cabin and a seat for the vehicle operator, resembles a pickup truck or van with a cargo area or bed located at the rear of the vehicle, and was not originally manufactured to meet federal motor vehicle safety standards.

(CCC) "Autocycle" means a three-wheeled motorcycle that is manufactured to comply with federal safety requirements for motorcycles and that is equipped with safety belts, a steering wheel, and seating that does not require the operator to straddle or sit astride to ride the motorcycle.

(DDD) "Replica motor vehicle" means a motor vehicle that is constructed, assembled, or modified so as to replicate the make, model, and model year of a motor vehicle that is at least twenty-five years old.

Sec. 4503.181. (A) As used in this section, "historical motor vehicle" means any motor vehicle that is more than twenty-five years old and that is owned solely as a collector's item and for participation in club activities, exhibitions, tours, parades, and similar uses. No person shall use a historical motor vehicle for general transportation, but however, a person may be operated a historical vehicle on the public roads and highways to as follows:

(1) For club activities, exhibitions, tours, parades, and similar uses;

(2) To and from a location where maintenance is performed on the vehicle.

(B) In lieu of the annual license tax levied in sections 4503.02 and 4503.04 of the Revised Code, a license fee of ten dollars is levied on the operation of a historical motor vehicle.
vehicle.

(C) A person who owns a historical motor vehicle and applies for a historical license plate under this section shall execute an affidavit that the vehicle for which the plate is requested is owned and operated solely for the purposes enumerated in division (A) of this section. The affidavit also shall set forth that the vehicle has been inspected and found safe to operate on the public roads and highways in the state. A person who owns a historical motor vehicle that is not a replica motor vehicle and desires to display a model year license plate on the vehicle as permitted by this section shall execute at the time of registration an affidavit setting forth that the model year license plate the person desires to display on the person's historical motor vehicle is a legible and serviceable license plate that originally was issued by this state. No registration issued pursuant to this section need specify the weight of the vehicle.

(D) The owner of a historical motor vehicle registered under this section that is not a replica motor vehicle may display either a historical vehicle license plate issued by the registrar of motor vehicles or a model year license plate procured by the applicant. The owner of a historical motor vehicle registered under this section that is a replica motor vehicle shall display a historical vehicle license plate issued by the registrar of motor vehicles.

A historical vehicle license plate shall not bear a date, but shall bear the inscription "Historical Vehicle--Ohio" and the registration number, which shall be shown thereon. A model year license plate shall be a legible and serviceable license plate issued by this state and inscribed with the date of the
As Introduced

year corresponding to the model year when the vehicle was manufactured. Two model year license plates, duplicates of each other, may be displayed on the historical motor vehicle at any time, one plate on the front and one plate on the rear of the vehicle. The registration certificate and the historical vehicle license plate issued by the registrar shall be kept in the vehicle at all times the vehicle is operated on the public roads and highways in this state.

Notwithstanding section 4503.21 of the Revised Code, the owner of a historical motor vehicle that was manufactured for military purposes and that is registered under this section may display the assigned registration number of the vehicle by painting the number on the front and rear of the vehicle. The number shall be painted, in accordance with the size and style specifications established for numerals and letters shown on license plates in section 4503.22 of the Revised Code, in a color that contrasts clearly with the color of the vehicle, and shall be legible and visible at all times. Upon application for registration under this section and payment of the license fee prescribed in division (B) of this section, the owner of such a historical motor vehicle shall be issued a historical vehicle license plate. The registration certificate and the license plate shall be kept in the vehicle at all times the vehicle is operated on the public roads and highways in this state. If ownership of such a vehicle is transferred, the transferor shall surrender the historical vehicle license plate or transfer it to another historical motor vehicle the transferor owns, and remove or obliterate the registration numbers painted on the vehicle.

(E) Historical vehicle and model year license plates are valid without renewal as long as the vehicle for which they were issued or procured is in existence. A historical vehicle plate
is issued for the owner's use only for such vehicle unless later transferred to another historical motor vehicle owned by that person. In order to effect such a transfer, the owner of the historical motor vehicle that originally displayed the historical vehicle plate shall comply with division (C) of this section. In the event of a transfer of title, the transferor shall surrender the historical vehicle license plate or transfer it to another historical motor vehicle owned by the transferor, but a model year license plate or plates may be retained by the transferor. The registrar may revoke license plates issued under this section, for cause shown and after hearing, for failure of the applicant to comply with this section. Upon revocation, a historical vehicle license plate shall be surrendered; a model year license plate or plates may be retained, but the plate or plates are no longer valid for display on the vehicle.

(F) The owner of a historical motor vehicle that is not a replica motor vehicle bearing a historical vehicle license plate may replace it with a model year license plate by surrendering the historical vehicle license plate and motor vehicle certificate of registration to the registrar. The owner, at the time of registration, shall execute an affidavit setting forth that the model year plate is a legible and serviceable license plate that originally was issued by this state. Such an owner is required to pay the license fee prescribed by division (B) of this section, but the owner is not required to have the historical motor vehicle reinspected under division (C) of this section.

A person who owns a historical motor vehicle that is not a replica motor vehicle bearing a model year license plate may replace it with a historical vehicle license plate by surrendering the motor vehicle certificate of registration and

applying for issuance of a historical vehicle license plate. Such a person is required to pay the license fee prescribed by division (B) of this section, but the person is not required to have the historical motor vehicle reinspected under division (C) of this section.

Sec. 4505.072. (A) The owner of a motor vehicle seeking to obtain a certificate of title indicating that the motor vehicle is a replica motor vehicle shall do all of the following:

(1) Have that motor vehicle inspected by the state highway patrol in the manner specified in section 4505.111 of the Revised Code and obtain an inspection report from the state highway patrol;

(2) Obtain a signed written statement from a person or nonprofit corporation with expertise in historical motor vehicles that the owner's motor vehicle reasonably replicates the make, model, and model year of motor vehicle that the owner is intending to replicate;

(3) Sign the written statement and have it notarized by a notary public.

(B) When a clerk of a court of common pleas issues a physical or electronic certificate of title, duplicate certificate of title, or memorandum certificate of title for a motor vehicle, the owner of the motor vehicle may request that the certificate of title indicate that the motor vehicle is a replica motor vehicle.

The owner of that motor vehicle shall surrender to the clerk any existing certificate of title and a copy of the inspection report and the signed notarized written statement described in division (A) of this section.
(C) (1) Upon compliance with divisions (A) and (B) of this section, the clerk shall issue to the owner a certificate of title that complies with this section for a fee prescribed by the registrar of motor vehicles.

(2) The clerk shall use reasonable care in performing the duties imposed on the clerk by this section in issuing a certificate of title pursuant to this section, but the clerk is not liable for any of the clerk's errors or omissions or those of the clerk's deputies, or the automated title processing system in the performance of those duties.

(D) (1) The registrar of motor vehicles shall ensure that the certificate of title of a replica motor vehicle complies with all of the following:

(a) It is in the same form as the original certificate of title.

(b) It bears the word "REPLICA" in black boldface letters on its face.

(c) It includes the make, model, and model year of motor vehicle that the owner is intending the motor vehicle to replicate.

(2) The registrar shall determine the exact location on the face of the certificate of title of the word "REPLICA" and the make, model, and model year of motor vehicle the owner is intending to replicate. The registrar shall develop an automated procedure within the automated title processing system for purposes of this section.

(3) Every subsequent certificate of title, memorandum certificate of title, or duplicate certificate of title issued for a motor vehicle for which a certificate of title has been
issued under this section shall bear the same information as is required under division (D)(1) of this section.

(E)(1) The owner of a replica motor vehicle who titles that vehicle as a replica motor vehicle under this section shall obtain historical motor vehicle license plates and comply with the requirements of section 4503.181 of the Revised Code.

(2) The owner of a replica motor vehicle who does not title that vehicle as a replica motor vehicle under this section is not required to obtain historical motor vehicle license plates and comply with the requirements of section 4503.181 of the Revised Code. Such an owner is subject to the general registration requirements of Chapter 4503., the titling requirements of Chapter 4505., and the equipment requirements of Chapter 4513. of the Revised Code.

Sec. 4513.071. (A) Every motor vehicle, trailer, semitrailer, and pole trailer when operated upon a highway shall be equipped with two or more stop lights, except that passenger cars manufactured or assembled prior to January 1, 1967, motorcycles, and motor-driven cycles shall be equipped with at least one stop light. Stop lights shall be mounted on the rear of the vehicle, actuated upon application of the service brake, and may be incorporated with other rear lights. Such stop lights when actuated shall emit a red light visible from a distance of five hundred feet to the rear, provided that in the case of a train of vehicles only the stop lights on the rear-most vehicle need be visible from the distance specified.

Such stop lights when actuated shall give a steady warning light to the rear of a vehicle or train of vehicles to indicate the intention of the operator to diminish the speed of or stop a vehicle or train of vehicles.
When stop lights are used as required by this section, they shall be constructed or installed so as to provide adequate and reliable illumination and shall conform to the appropriate rules and regulations established under section 4513.19 of the Revised Code.

Historical vehicles as defined in section 4503.181 of the Revised Code, that was not originally manufactured with stop lights, are or that replicates a motor vehicle that was not originally manufactured with stop lights is not subject to this section.

(B) Whoever violates this section is guilty of a minor misdemeanor.

Sec. 4513.38. No person shall be prohibited from owning or operating a licensed collector's vehicle or historical motor vehicle that is equipped with a feature of design, type of material, or article of equipment that was not in violation of any motor vehicle equipment law of this state or of its political subdivisions in effect during the calendar year the vehicle was manufactured or the calendar year that it replicates, and no licensed collector's vehicle or historical motor vehicle shall be prohibited from displaying or using any such feature of design, type of material, or article of equipment.

No person shall be prohibited from owning or operating a licensed collector's vehicle or historical motor vehicle for failing to comply with an equipment provision contained in Chapter 4513. of the Revised Code or in any state rule that was enacted or adopted in a year subsequent to that in which the vehicle was manufactured or the calendar year that it replicates, and no licensed collector's vehicle or historical
motor vehicle shall be required to comply with an equipment provision enacted into Chapter 4513. of the Revised Code or adopted by state rule subsequent to the calendar year in which it was manufactured or the calendar year that it replicates. No political subdivision shall require an owner of a licensed collector's vehicle or historical motor vehicle to comply with equipment provisions contained in laws or rules that were enacted or adopted subsequent to the calendar year in which the vehicle was manufactured or the calendar year that it replicates, and no political subdivision shall prohibit the operation of a licensed collector's vehicle or historical motor vehicle for failure to comply with any such equipment laws or rules.

Sec. 4513.41. (A) No owner of a licensed collector's vehicle, a historical motor vehicle, or a collector's vehicle that is an agricultural tractor or traction engine shall be required to comply with an emission, noise control, or fuel usage provision contained in a law or rule of this state or its political subdivisions that was enacted or adopted subsequent to the calendar year in which the vehicle was manufactured or the calendar year that it replicates.

(B) No person shall be prohibited from operating a licensed collector's vehicle, a historical motor vehicle, or a collector's vehicle that is an agricultural tractor or traction engine for failing to comply with an emission, noise control, or fuel usage law or rule of this state or its political subdivisions that was enacted or adopted subsequent to the calendar year in which his vehicle was manufactured or the calendar year that it replicates.

(C) Except as provided in section 4505.061 of the Revised
Code, no person shall be required to submit his collector's vehicle to a physical inspection prior to or in connection with an issuance of title to, or the sale or transfer of ownership of such vehicle, except that a police officer may inspect it to determine ownership.

In accordance with section 1.51 of the Revised Code, this section shall, without exception, prevail over any special or local provision of the Revised Code that requires owners or operators of collector's vehicles to comply with standards of emission, noise, fuel usage, or physical condition in connection with an issuance of title to, or the sale or transfer of ownership of such vehicle or part thereof.

Section 2. That existing sections 4501.01, 4503.181, 4513.071, 4513.38, and 4513.41 of the Revised Code are hereby repealed.

Section 3. Sections 1 and 2 of this act take effect one hundred eighty days after the effective date of this section.
