continuous employment as a police officer by the institution for 
which the person was employed on April 14, 2006, or by a 
successor institution to the institution for which the person

(B) Upon the application of a company owning or using a railroad in this state and subject to section 4973.171 of the Revised Code, the secretary of state may appoint and commission any persons that the railroad company designates, or as many of those persons as the secretary of state considers proper, to act as police officers for and on the premises of the railroad company, its affiliates or subsidiaries, or elsewhere, when directly in the discharge of their duties. Police officers so appointed, within the time set by the Ohio peace officer training commission, shall successfully complete a commission approved training program and be certified by the commission. They shall hold office for three years, unless, for good cause shown, their commission is revoked by the secretary of state, or railroad company, as provided by law.

Any person holding a similar commission in another state may be commissioned and may hold office in this state without completing the approved training program required by this division provided that the person has completed a substantially equivalent training program in the other state. The Ohio peace officer training commission shall determine whether a training program in another state meets the requirements of this division.
(C) Upon the application of any company under contract with the United States atomic energy commission for the construction or operation of a plant at a site owned by the commission, the secretary of state may appoint and commission persons the company designates, not to exceed one hundred fifty, to act as police officers for the company at the plant or site owned by the commission. Police officers so appointed shall be citizens of this state and of good character. They shall hold office for three years, unless, for good cause shown, their commission is revoked by the secretary of state or by the company, as provided by law.

(D)(1) Upon the application of any hospital that is operated by a public hospital agency or a nonprofit hospital agency and that employs and maintains its own proprietary police department or security department and subject to section 4973.171 of the Revised Code, the secretary of state may appoint and commission any persons that the hospital designates, or as many of those persons as the secretary of state considers proper, to act as police officers for the hospital. No person who is appointed as a police officer under this division shall engage in any duties or activities as a police officer for the hospital or any affiliate or subsidiary of the hospital unless all of the following apply:

(a) The chief of police of the municipal corporation in which the hospital is located or, if the hospital is located in the unincorporated area of a county, the sheriff of that county has granted approval to the hospital to permit persons appointed as police officers under this division to engage in those duties and activities. The approval required by this division is general in nature and is intended to cover in the aggregate all persons appointed as police officers for the hospital under this
division; a separate approval is not required for each appointee on an individual basis.

(b) Subsequent to the grant of approval described in division (D)(1)(a) of this section, the hospital has entered into a written agreement with the chief of police of the municipal corporation in which the hospital is located or, if the hospital is located in the unincorporated area of a county, with the sheriff of that county, that sets forth the standards and criteria to govern the interaction and cooperation between persons appointed as police officers for the hospital under this division and law enforcement officers serving the agency represented by the chief of police or sheriff who signed the agreement in areas of their concurrent jurisdiction. The written agreement shall be signed by the appointing authority of the hospital and by the chief of police or sheriff. The standards and criteria may include, but are not limited to, provisions governing the reporting of offenses discovered by hospital police officers to the agency represented by the chief of police or sheriff, provisions governing investigatory responsibilities relative to offenses committed on hospital property, and provisions governing the processing and confinement of persons arrested for offenses committed on hospital property. The agreement required by this division is intended to apply in the aggregate to all persons appointed as police officers for the hospital under this division; a separate agreement is not required for each appointee on an individual basis.

(c) The person has successfully completed a training program approved by the Ohio peace officer training commission and has been certified by the commission. A person appointed as a police officer under this division may attend a training program approved by the commission and be certified by the
commission regardless of whether the appropriate chief of police or sheriff has granted the approval described in division (D)(1)(a) of this section and regardless of whether the hospital has entered into the written agreement described in division (D)(1)(b) of this section with the appropriate chief of police or sheriff.

(2)(a) A person who is appointed as a police officer under division (D)(1) of this section is entitled, upon the grant of approval described in division (D)(1)(a) of this section and upon the person's and the hospital's compliance with the requirements of divisions (D)(1)(b) and (c) of this section, to act as a police officer for the hospital on the premises of the hospital and of its affiliates and subsidiaries that are within the territory of the municipal corporation served by the chief of police or the unincorporated area of the county served by the sheriff who signed the written agreement described in division (D)(1)(b) of this section, whichever is applicable, and anywhere else within the territory of that municipal corporation or within the unincorporated area of that county. The authority to act as a police officer as described in this division is granted only if the person, when engaging in that activity, is directly in the discharge of the person's duties as a police officer for the hospital. The authority to act as a police officer as described in this division shall be exercised in accordance with the standards and criteria set forth in the written agreement described in division (D)(1)(b) of this section.

(b) Additionally, a person appointed as a police officer under division (D)(1) of this section is entitled, upon the grant of approval described in division (D)(1)(a) of this section and upon the person's and the hospital's compliance with the requirements of divisions (D)(1)(b) and (c) of this section,
to act as a police officer elsewhere, within the territory of a
municipal corporation or within the unincorporated area of a
county, if the chief of police of that municipal corporation or
the sheriff of that county, respectively, has granted approval
for that activity to the hospital, police department, or
security department served by the person as a police officer and
if the person, when engaging in that activity, is directly in
the discharge of the person's duties as a police officer for the
hospital. The approval described in this division may be general
in nature or may be limited in scope, duration, or
applicability, as determined by the chief of police or sheriff
granting the approval.

(3) Police officers appointed under division (D)(1) of
this section shall hold office for three years, unless, for good
cause shown, their commission is revoked by the secretary of
state or by the hospital, as provided by law.

(4) The municipal corporation in which the hospital is
located or, if the hospital is located in the unincorporated
area of a county, the county is immune from civil or criminal
liability in any action brought under the laws of this state if
all of the following apply:

(a) The action arises out of the actions of a police
officer appointed under division (D)(1) of this section.

(b) The actions of the police officer are directly in the
discharge of the person's duties as a police officer for the
hospital.

(c) The actions of the police officer occur on the
premises of the hospital or its affiliates or subsidiaries that
are within the territory of the municipal corporation served by
the chief of police or the unincorporated area of the county served by the sheriff who signed the agreement described in division (D)(1)(b) of this section, whichever is applicable, or anywhere else within the territory of that municipal corporation or within the unincorporated area of that county.

(5) As used in divisions division (D)(1) to (3) of this section, "public hospital agency" and "nonprofit hospital agency" have the same meanings as in section 140.01 of the Revised Code.

(E)(1) Upon the application of any owner or operator of an amusement park that has an average yearly attendance in excess of six hundred thousand guests and that employs and maintains its own proprietary police department or security department and subject to section 4973.171 of the Revised Code, any judge of the municipal court or county court that has territorial jurisdiction over the amusement park may appoint and commission any persons that the owner or operator designates, or as many of those persons as the judge considers proper, to act as police officers for the amusement park. If the amusement park is located in more than one county, any judge of the municipal court or county court of any of those counties may make the appointments and commissions as described in this division. No person who is appointed as a police officer under this division shall engage in any duties or activities as a police officer for the amusement park or any affiliate or subsidiary of the owner or operator of the amusement park unless all of the following apply:

(a) The appropriate chief or chiefs of police of the political subdivision or subdivisions in which the amusement park is located as specified in this division have granted
approval to the owner or operator of the amusement park to permit persons appointed as police officers under this division to engage in those duties and activities. If the amusement park is located in a single municipal corporation or a single township, the chief of police of that municipal corporation or township is the appropriate chief of police for the grant of approval under this division. If the amusement park is located in two or more townships, two or more municipal corporations, or one or more townships and one or more municipal corporations, the chiefs of police of all of the affected townships and municipal corporations are the appropriate chiefs of police for the grant of approval under this division, and the approval must be jointly granted by all of those chiefs of police. The approval required by this division is general in nature and is intended to cover in the aggregate all persons appointed as police officers for the amusement park under this division. A separate approval is not required for each appointee on an individual basis.

(b) Subsequent to the grant of approval described in division (E)(1)(a) of this section, the owner or operator has entered into a written agreement with the appropriate chief or chiefs of police of the political subdivision or subdivisions in which the amusement park is located as specified in this division and has provided the sheriff of the county in which the political subdivision or subdivisions are located with a copy of the agreement. If the amusement park is located in a single municipal corporation or a single township, the chief of police of that municipal corporation or township is the appropriate chief of police for entering into the written agreement under this division. If the amusement park is located in two or more townships, two or more municipal corporations, or one or more
townships and one or more municipal corporations, the chiefs of police of all of the affected townships and municipal corporations are the appropriate chiefs of police for entering into the written agreement under this division, and the written agreement must be jointly entered into by all of those chiefs of police. The written agreement between the owner or operator and the chief or chiefs of police shall address the scope of activities, the duration of the agreement, and mutual aid arrangements and shall set forth the standards and criteria to govern the interaction and cooperation between persons appointed as police officers for the amusement park under this division and law enforcement officers serving the agency represented by the chief of police who signed the agreement. The written agreement shall be signed by the owner or operator and by the chief or chiefs of police who enter into it. The standards and criteria may include, but are not limited to, provisions governing the reporting of offenses discovered by the amusement park's police officers to the agency represented by the chief of police of the municipal corporation or township in which the offense occurred, provisions governing investigatory responsibilities relative to offenses committed on amusement park property, and provisions governing the processing and confinement of persons arrested for offenses committed on amusement park property. The agreement required by this division is intended to apply in the aggregate to all persons appointed as police officers for the amusement park under this division. A separate agreement is not required for each appointee on an individual basis.

(c) The person has successfully completed a training program approved by the Ohio peace officer training commission and has been certified by the commission. A person appointed as
a police officer under this division may attend a training  
program approved by the commission and be certified by the  
commission regardless of whether the appropriate chief of police  
has granted the approval described in division (E)(1)(a) of this  
section and regardless of whether the owner or operator of the  
amusement park has entered into the written agreement described  
in division (E)(1)(b) of this section with the appropriate chief  
of police.

(2)(a) A person who is appointed as a police officer under  
division (E)(1) of this section is entitled, upon the grant of  
approval described in section (E)(1)(a) of this section and upon  
the person's and the owner or operator's compliance with the  
requirements of division (E)(1)(b) and (c) of this section, to  
act as a police officer for the amusement park and its  
affiliates and subsidiaries that are within the territory of the  
political subdivision or subdivisions served by the chief of  
police, or respective chiefs of police, who signed the written  
agreement described in division (E)(1)(b) of this section, and  
upon any contiguous real property of the amusement park that is  
covered by the written agreement, whether within or adjacent to  
the political subdivision or subdivisions. The authority to act  
as a police officer as described in this division is granted  
only if the person, when engaging in that activity, is directly  
in the discharge of the person's duties as a police officer for  
the amusement park. The authority to act as a police officer as  
described in this division shall be exercised in accordance with  
the standards and criteria set forth in the written agreement  
described in division (E)(1)(b) of this section.

(b) In addition to the authority granted under division  
(E)(2)(a) of this section, a person appointed as a police  
officer under division (E)(1) of this section is entitled, upon  

the grant of approval described in division (E)(1)(a) of this section and upon the person's and the owner or operator's compliance with the requirements of divisions (E)(1)(b) and (c) of this section, to act as a police officer elsewhere within the territory of a municipal corporation or township if the chief of police of that municipal corporation or township has granted approval for that activity to the owner or operator served by the person as a police officer and if the person, when engaging in that activity, is directly in the discharge of the person's duties as a police officer for the amusement park. The approval described in this division may be general in nature or may be limited in scope, duration, or applicability, as determined by the chief of police granting the approval.

(3) Police officers appointed under division (E)(1) of this section shall hold office for five years, unless, for good cause shown, their commission is revoked by the appointing judge or the judge's successor or by the owner or operator, as provided by law.

(F) A fee of fifteen dollars for each commission applied for under this section shall be paid at the time the application is made, and this amount shall be returned if for any reason a commission is not issued.

Section 2. That existing section 4973.17 of the Revised Code is hereby repealed.
