The board shall provide by rule for the general scope of any special examinations for a waiver of the educational requirements under division (D)(1)(a) or (b) (A)(4)(a) of this section and may obtain any advice and assistance that it considers appropriate to assist it in preparing and grading those special examinations. The board may use any existing examinations or may prepare any number of new examinations to assist in determining the equivalent training of a candidate. The board by rule shall prescribe any special examinations for a waiver of the educational requirements under division (D)(1)(a) or (b) of this section and the passing score required for each examination.

The board shall hold the examination referred to in division (E) of this section and the special examinations for a waiver of the educational requirements under division (D)(1)(a) or (b) of this section as often as the board determines to be desirable, but the examination referred to in division (E) of this section shall be held not less frequently than once each year. The board by rule may provide for granting credit to a candidate for satisfactory completion of an examination that a licensing authority of another state gave in one or more of the subjects referred to in division (E) of this section.

(D) A candidate for the certificate of certified public accountant who has successfully completed the examination under division (E)(A)(5) of this section has no status as a certified public accountant, unless and until the candidate has the requisite education and experience and has received a certificate as a certified public accountant. The board shall determine and charge a fee for issuing the certificate that is adequate to cover the expense.

(E) The board by rule may prescribe the terms and conditions under which a candidate who passes part but not all of the examination may retake the examination. It also may provide by rule for a reasonable waiting period for a candidate's reexamination.

The applicable educational and experience requirements under division (D) divisions (A)(4), (B), and (C) of this section shall be those in effect on the date on which the candidate first sits for the examination.

(F) The board shall charge a candidate a reasonable fee, to be determined by the board, that is adequate to cover all rentals, compensation for proctors, and other administrative expenses of the board related to examination or reexamination, including the expenses of procuring and grading the examination provided for in division (E)(A)(5) of this section and for any special examinations for a waiver of the educational requirements under division (E)(1)(a) or (B)(A)(4)(a) of this section. Fees for reexamination under division (E) of this
section shall be charged by the board in amounts determined by it. The applicable fees shall be paid by the candidate at the time the candidate applies for examination or reexamination.

(G) Any person who has received from the board a certificate as a certified public accountant and who holds an Ohio permit shall be styled and known as a "certified public accountant" and also may use the abbreviation "CPA." The board shall maintain a list of certified public accountants. Any certified public accountant also may be known as a "public accountant."

(H) Persons who, on the effective date of an amendment of this section, held certified public accountant certificates previously issued under the laws of this state shall not be required to obtain additional certificates under this section but shall otherwise be subject to all provisions of this section, and those previously issued certificates, for all purposes, shall be considered certificates issued under this section and subject to its provisions.

(I) The board may waive the examination under division (A)(5) of this section and, upon payment of a fee determined by it, may issue a certificate as a "certified public accountant" to any person who possesses the qualifications specified in divisions (A)(1), (B)(2), and (C)(3) of this section and what the board determines to be substantially the equivalent of the applicable qualifications under division (D)(A)(4) of this section and who is the holder of a certificate as a certified public accountant, then in full force and effect, issued under the laws of any state, or is the holder of a certificate, license, or degree in a foreign country that constitutes a recognized qualification for the practice of public accounting.
in that country, that is comparable to that of a certified public accountant of this state, and that is then in full force and effect.

Sec. 4701.17. Upon application in writing and after hearing pursuant to notice, the accountancy board may reissue or reinstate a certificate to a certified public accountant whose certificate has been revoked or suspended or reregister anyone whose registration has been revoked or suspended.

The board may require a reasonable waiting period, commensurate with the offense, before a certificate holder or registrant whose certificate or registration has been revoked or suspended may apply to have the certificate or registration reissued or reinstated. The board may require compliance with any or all requirements of section 4701.06 of the Revised Code, including the taking of any examination described in division (E)(A)(5) of that section as a prerequisite for recertification. The board may require compliance with any or all of the requirements of section 4701.07 of the Revised Code, including the taking of any examination described in division (E) of that section as a prerequisite for reregistration.

Section 2. That existing sections 4701.06 and 4701.17 of the Revised Code are hereby repealed.
