A BILL

To amend sections 111.241, 3505.10, 3513.041, 3513.257, and 3513.31 and to enact section 3505.101 of the Revised Code to require a candidate for President or Vice-President of the United States to submit copies of the candidate's five most recent federal income tax returns for publication on the Secretary of State's official web site.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 111.241, 3505.10, 3513.041, 3513.257, and 3513.31 be amended and section 3505.101 of the Revised Code be enacted to read as follows:

Sec. 111.241. (A) The secretary of state shall not accept a document for filing or recording if the document includes any individual's social security number or federal tax identification number. If a document presented for filing or recording includes any individual's social security number or federal tax identification number and the secretary of state refuses to accept that document for filing or recording, the
secretary of state or the person who attempted to file or record
the document with the secretary of state may immediately redact
the individual's social security number or federal tax
identification number from the document.

(B) Division (A) of this section does not apply to either
any of the following:

(1) Any document that originates with any court or taxing
authority;

(2) Any publicly recorded document that is required by
federal or state law to include an individual's social security
number or federal tax identification number;

(3) Any federal income tax return filed with the secretary
of state under section 3505.101 of the Revised Code.

(C) This section does not apply to documents that were
executed by an individual prior to the effective date of this
section September 1, 2008.

Sec. 3505.10. (A) On the presidential ballot below the
stubs at the top of the face of the ballot shall be printed
"Official Presidential Ballot" centered between the side edges
of the ballot. Below "Official Presidential Ballot" shall be
printed a heavy line centered between the side edges of the
ballot. Below the line shall be printed "Instruction to Voters"
centered between the side edges of the ballot, and below those
words shall be printed the following instructions:

"(1) To vote for the candidates for president and vice-
president whose names are printed below, record your vote in the
manner provided next to the names of such candidates. That
recording of the vote will be counted as a vote for each of the
candidates for presidential elector whose names have been
certified to the secretary of state and who are members of the same political party as the nominees for president and vice-president. A recording of the vote for independent candidates for president and vice-president shall be counted as a vote for the presidential electors filed by such candidates with the secretary of state.

(2) To vote for candidates for president and vice-president in the blank space below, record your vote in the manner provided and write the names of your choice for president and vice-president under the respective headings provided for those offices. Such write-in will be counted as a vote for the candidates' presidential electors whose names have been properly certified to the secretary of state.

(3) If you tear, soil, deface, or erroneously mark this ballot, return it to the precinct election officers or, if you cannot return it, notify the precinct election officers, and obtain another ballot."

(B) Below those instructions to the voter shall be printed a single vertical column of enclosed rectangular spaces equal in number to the number of presidential candidates plus one additional space for write-in candidates. Each of those rectangular spaces shall be enclosed by a heavy line along each of its four sides, and such spaces shall be separated from each other by one-half inch of open space.

In each of those enclosed rectangular spaces, except the space provided for write-in candidates, shall be printed the names of the candidates for president and vice-president certified to the secretary of state or nominated in one of the following manners:
(1) Nominated by the national convention of a political party to which delegates and alternates were elected in this state at the next preceding primary election. A political party certifying candidates so nominated shall certify the names of those candidates to the secretary of state on or before the ninetieth day before the day of the general election. The federal income tax returns required under section 3505.101 of the Revised Code shall accompany the certification.

(2) Nominated by nominating petition in accordance with section 3513.257 of the Revised Code. Such a petition shall be filed on or before the ninetieth day before the day of the general election to provide sufficient time to verify the sufficiency and accuracy of signatures on it. The federal income tax returns required under section 3505.101 of the Revised Code shall accompany the petition.

(3) Certified to the secretary of state for placement on the presidential ballot by authorized officials of a minor political party that has held a state or national convention for the purpose of choosing those candidates or that may, without a convention, certify those candidates in accordance with the procedure authorized by its party rules. The officials shall certify the names of those candidates to the secretary of state on or before the ninetieth day before the day of the general election. The certification shall be accompanied by a designation of a sufficient number of presidential electors to satisfy the requirements of law and by the federal income tax returns required under section 3505.101 of the Revised Code.

The names of candidates for electors of president and vice-president shall not be placed on the ballot, but shall be certified to the secretary of state as required by sections
3513.11 and 3513.257 of the Revised Code. A vote for any candidates for president and vice-president shall be a vote for the electors of those candidates whose names have been certified to the secretary of state.

(C) The arrangement of the printing in each of the enclosed rectangular spaces shall be substantially as follows: Near the top and centered within the rectangular space shall be printed "For President" in ten-point boldface upper and lower case type. Below "For President" shall be printed the name of the candidate for president in twelve-point boldface upper case type. Below the name of the candidate for president shall be printed the name of the political party by which that candidate for president was nominated in eight-point lightface upper and lower case type. Below the name of such political party shall be printed "For Vice-President" in ten-point boldface upper and lower case type. Below "For Vice-President" shall be printed the name of the candidate for vice-president in twelve-point boldface upper case type. Below the name of the candidate for vice-president shall be printed the name of the political party by which that candidate for vice-president was nominated in eight-point lightface upper and lower case type. Except for candidates nominated by petition under section 3517.012 of the Revised Code, no political identification or name of any political party shall be printed below the names of presidential and vice-presidential candidates nominated by petition.

The rectangular spaces on the ballot described in this section shall be rotated and printed as provided in section 3505.03 of the Revised Code.

Sec. 3505.101. (A) Except as otherwise provided in division (B) of this section, all of the following filings
concerning candidates for president and vice-president of the United States shall be accompanied by copies of each candidate's federal income tax returns for each of the five most recent taxable years for which the candidate filed a return with the internal revenue service, along with a statement signed by the candidate, on a form prescribed by the secretary of state, consenting to the publication of the returns in accordance with this section:

(1) A political party's certification of the names of its candidates for president and vice-president of the United States under division (B)(1) or (3) of section 3505.10 of the Revised Code;

(2) A nominating petition filed by independent joint candidates for the offices of president and vice-president of the United States under section 3513.257 of the Revised Code;

(3) A declaration of intent to be a write-in candidate filed by joint candidates for president and vice-president of the United States under section 3513.041 of the Revised Code;

(4) A certification of the name of a candidate for president or vice-president of the United States who has been selected to fill a ballot vacancy under section 3513.31 of the Revised Code.

(B)(1) If a candidate for president or vice-president of the United States has not filed federal income tax returns with the internal revenue service for five or more taxable years during the candidate's lifetime, the filing described in division (A) of this section shall be accompanied by a statement of that fact, signed by the candidate, on a form prescribed by the secretary of state, along with copies of every federal
income tax return the candidate has filed with the internal revenue service.

(2) A federal income tax return submitted under division (A) of this section may exclude any social security number; individual taxpayer identification number; adoption taxpayer identification number; bank account, debit card, credit card, or other financial account number; or other information that is excluded from the definition of a public record under section 149.43 of the Revised Code. The return shall not exclude any other information.

(C) Not later than seven days after receiving a federal income tax return under division (A) of this section, the secretary of state shall redact from the return all of the information listed in division (B)(2) of this section and make the redacted return available to the public on the secretary of state's official web site.

(D) A certification, nominating petition, or declaration of intent to be a write-in candidate described in division (A) of this section is not valid if it is not accompanied by the federal income tax returns required under that division. If a presidential or vice-presidential candidate's federal income tax returns have not been submitted in accordance with this section, the candidate's name shall not appear on the ballot and shall not be a valid selection as a write-in candidate.

(E) As used in this section, "return" has the same meaning as in 26 U.S.C. 6103.

Sec. 3513.041. A write-in space shall be provided on the ballot for every office, except in an election for which the board of elections has received no valid declarations of intent.
to be a write-in candidate under this section. Write-in votes shall not be counted for any candidate who has not filed a declaration of intent to be a write-in candidate pursuant to this section. A qualified person who has filed a declaration of intent may receive write-in votes at either a primary or general election. Any candidate shall file a declaration of intent to be a write-in candidate before four p.m. of the seventy-second day preceding the election at which such candidacy is to be considered. If the election is to be determined by electors of a county or a district or subdivision within the county, such declaration shall be filed with the board of elections of that county. If the election is to be determined by electors of a subdivision located in more than one county, such declaration shall be filed with the board of elections of the county in which the major portion of the population of such subdivision is located. If the election is to be determined by electors of a district comprised of more than one county but less than all of the counties of the state, such declaration shall be filed with the board of elections of the most populous county in such district. Any candidate for an office to be voted upon by electors throughout the entire state shall file a declaration of intent to be a write-in candidate with the secretary of state before four p.m. of the seventy-second day preceding the election at which such candidacy is to be considered. In addition, candidates for president and vice-president of the United States shall also file with the secretary of state by that seventy-second day a slate of presidential electors sufficient in number to satisfy the requirements of the United States constitution and the federal income tax returns required under section 3505.101 of the Revised Code.

A board of elections shall not accept for filing the
declaration of intent to be a write-in candidate of a person seeking to become a candidate if that person, for the same election, has already filed a declaration of candidacy, a declaration of intent to be a write-in candidate, or a nominating petition, or has become a candidate through party nomination at a primary election or by the filling of a vacancy under section 3513.30 or 3513.31 of the Revised Code, for any federal, state, or county office, if the declaration of intent to be a write-in candidate is for a state or county office, or for any municipal or township office, for member of a city, local, or exempted village board of education, or for member of a governing board of an educational service center, if the declaration of intent to be a write-in candidate is for a municipal or township office, or for member of a city, local, or exempted village board of education, or for member of a governing board of an educational service center.

No person shall file a declaration of intent to be a write-in candidate for the office of governor unless the declaration also shows the intent of another person to be a write-in candidate for the office of lieutenant governor. No person shall file a declaration of intent to be a write-in candidate for the office of lieutenant governor unless the declaration also shows the intent of another person to be a write-in candidate for the office of governor. No person shall file a declaration of intent to be a write-in candidate for the office of governor or lieutenant governor if the person has previously filed a declaration of intent to be a write-in candidate to the office of governor or lieutenant governor at the same primary or general election. A write-in vote for the two candidates who file such a declaration shall be counted as a vote for them as joint candidates for the offices of governor.
and lieutenant governor.

The secretary of state shall not accept for filing the declaration of intent to be a write-in candidate of a person for the office of governor unless the declaration also shows the intent of another person to be a write-in candidate for the office of lieutenant governor, and shall not accept for filing the declaration of intent to be a write-in candidate of a person for the office of lieutenant governor unless the declaration also shows the intent of another person to be a write-in candidate for the office of governor, and shall not accept for filing the declaration of intent to be a write-in candidate of a person to the office of governor or lieutenant governor if that person, for the same election, has already filed a declaration of candidacy, a declaration of intent to be a write-in candidate, or a nominating petition, or has become a candidate through party nomination at a primary election or by the filling of a vacancy under section 3513.30 or 3513.31 of the Revised Code, for any other state office or any federal or county office.

Protests against the candidacy of any person filing a declaration of intent to be a write-in candidate may be filed by any qualified elector who is eligible to vote in the election at which the candidacy is to be considered. The protest shall be in writing and shall be filed not later than four p.m. of the sixty-seventh day before the day of the election. The protest shall be filed with the board of elections with which the declaration of intent to be a write-in candidate was filed. Upon the filing of the protest, the board with which it is filed shall promptly fix the time for hearing it and shall proceed in regard to the hearing in the same manner as for hearings set for protests filed under section 3513.05 of the Revised Code. At the time fixed, the board shall hear the protest and determine the
validity or invalidity of the declaration of intent to be a write-in candidate. If the board finds that the candidate is not an elector of the state, district, county, or political subdivision in which the candidate seeks election to office or has not fully complied with the requirements of Title XXXV of the Revised Code in regard to the candidate's candidacy, the candidate's declaration of intent to be a write-in candidate shall be determined to be invalid and shall be rejected; otherwise, it shall be determined to be valid. The determination of the board is final.

The secretary of state shall prescribe the form of the declaration of intent to be a write-in candidate.

Sec. 3513.257. Each person desiring to become an independent candidate for an office for which candidates may be nominated at a primary election, except persons desiring to become independent joint candidates for the offices of governor and lieutenant governor and for the offices of president and vice-president of the United States, shall file no later than four p.m. of the day before the day of the primary election immediately preceding the general election at which such candidacy is to be voted for by the voters, a statement of candidacy and nominating petition as provided in section 3513.261 of the Revised Code. Persons desiring to become independent joint candidates for the offices of governor and lieutenant governor shall file, not later than four p.m. of the day before the day of the primary election, one statement of candidacy and one nominating petition for the two of them. Persons desiring to become independent joint candidates for the offices of president and vice-president of the United States shall file, not later than four p.m. of the ninetieth day before the day of the general election at which the president and vice-

president are to be elected, one statement of candidacy and one
nominating petition for the two of them. The prospective
independent joint candidates' statement of candidacy shall be
filed with the nominating petition as one instrument.

The statement of candidacy and separate petition papers of
each candidate or pair of joint candidates shall be filed at the
same time as one instrument.

The nominating petition shall contain signatures of
qualified electors of the district, political subdivision, or
portion of a political subdivision in which the candidacy is to
be voted on in an amount to be determined as follows:

(A) If the candidacy is to be voted on by electors
throughout the entire state, the nominating petition, including
the nominating petition of independent joint candidates for the
offices of governor and lieutenant governor, shall be signed by
no less than five thousand qualified electors, provided that no
petition shall be accepted for filing if it purports to contain
more than fifteen thousand signatures.

(B) If the candidacy is to be voted on by electors in any
district, political subdivision, or part thereof in which less
than five thousand electors voted for the office of governor at
the most recent election for that office, the nominating
petition shall contain signatures of not less than twenty-five
qualified electors of the district, political subdivision, or
part thereof, or a number of qualified signatures equal to at
least five per cent of that vote, if this number is less than
twenty-five.

(C) If the candidacy is to be voted on by electors in any
district, political subdivision, or part thereof in which five
thousand or more electors voted for the office of governor at the most recent election for that office, the nominating petition shall contain a number of signatures equal to at least one per cent of those electors.

All nominating petitions of candidates for offices to be voted on by electors throughout the entire state shall be filed in the office of the secretary of state. No nominating petition for the offices of president and vice-president of the United States shall be accepted for filing unless there is submitted to the secretary of state, at the time of filing the petition, a slate of presidential electors sufficient in number to satisfy the requirement of the United States Constitution and the federal income tax returns required under section 3505.101 of the Revised Code. The secretary of state shall not accept for filing the statement of candidacy of a person who desires to be an independent candidate for the office of governor unless it also shows the joint candidacy of a person who desires to be an independent candidate for the office of lieutenant governor, shall not accept for filing the statement of candidacy of a person who desires to be an independent candidate for the office of lieutenant governor unless it also shows the joint candidacy of a person who desires to be an independent candidate for the office of governor, and shall not accept for filing the statement of candidacy of a person who desires to be an independent candidate to the office of governor or lieutenant governor who, for the same election, has already filed a declaration of candidacy, a declaration of intent to be a write-in candidate, or a statement of candidacy, or has become a candidate by the filling of a vacancy under section 3513.30 of the Revised Code for any other state office or any federal or county office.
Nominating petitions of candidates for offices to be voted on by electors within a district or political subdivision comprised of more than one county but less than all counties of the state shall be filed with the boards of elections of that county or part of a county within the district or political subdivision which had a population greater than that of any other county or part of a county within the district or political subdivision according to the last federal decennial census.

Nominating petitions for offices to be voted on by electors within a county or district smaller than a county shall be filed with the board of elections for such county.

No petition other than the petition of a candidate whose candidacy is to be considered by electors throughout the entire state shall be accepted for filing if it appears on its face to contain more than three times the minimum required number of signatures. A board of elections shall not accept for filing a nominating petition of a person seeking to become a candidate if that person, for the same election, has already filed a declaration of candidacy, a declaration of intent to be a write-in candidate, or a nominating petition, or has become a candidate by the filling of a vacancy under section 3513.30 of the Revised Code for any federal, state, or county office, if the nominating petition is for a state or county office, or for any municipal or township office, for member of a city, local, or exempted village board of education, or for member of a governing board of an educational service center, if the nominating petition is for a municipal or township office, or for member of a city, local, or exempted village board of education, or for member of a governing board of an educational service center. When a petition of a candidate has been accepted
for filing by a board of elections, the petition shall not be deemed invalid if, upon verification of signatures contained in the petition, the board of elections finds the number of signatures accepted exceeds three times the minimum number of signatures required. A board of elections may discontinue verifying signatures when the number of verified signatures on a petition equals the minimum required number of qualified signatures.

Any nonjudicial candidate who files a nominating petition may request, at the time of filing, that the candidate be designated on the ballot as a nonparty candidate or as an other-party candidate, or may request that the candidate's name be placed on the ballot without any designation. Any such candidate who fails to request a designation either as a nonparty candidate or as an other-party candidate shall have the candidate's name placed on the ballot without any designation.

The purpose of establishing a filing deadline for independent candidates prior to the primary election immediately preceding the general election at which the candidacy is to be voted on by the voters is to recognize that the state has a substantial and compelling interest in protecting its electoral process by encouraging political stability, ensuring that the winner of the election will represent a majority of the community, providing the electorate with an understandable ballot, and enhancing voter education, thus fostering informed and educated expressions of the popular will in a general election. The filing deadline for independent candidates required in this section prevents splintered parties and unrestrained factionalism, avoids political fragmentation, and maintains the integrity of the ballot. The deadline, one day prior to the primary election, is the least drastic or
restrictive means of protecting these state interests. The general assembly finds that the filing deadline for independent candidates in primary elections required in this section is reasonably related to the state's purpose of ensuring fair and honest elections while leaving unimpaired the political, voting, and associational rights secured by the first and fourteenth amendments to the United States Constitution.

Sec. 3513.31. (A) If a person nominated in a primary election as a candidate for election at the next general election, whose candidacy is to be submitted to the electors of the entire state, withdraws as that candidate or is disqualified as that candidate under section 3513.052 of the Revised Code, the vacancy in the party nomination so created may be filled by the state central committee of the major political party that made the nomination at the primary election, if the committee's chairperson and secretary certify the name of the person selected to fill the vacancy by the time specified in this division, at a meeting called for that purpose. The meeting shall be called by the chairperson of that committee, who shall give each member of the committee at least two days' notice of the time, place, and purpose of the meeting. If a majority of the members of the committee are present at the meeting, a majority of those present may select a person to fill the vacancy. The chairperson and secretary of the meeting shall certify in writing and under oath to the secretary of state, not later than the eighty-sixth day before the day of the general election, the name of the person selected to fill the vacancy. The certification must be accompanied by the written acceptance of the nomination by the person whose name is certified. A vacancy in a party nomination that may be filled by a minor political party shall be filled in accordance with the party's
rules by authorized officials of the party. Certification must be made as in the manner provided for a major political party.

(B) If a person nominated in a primary election as a party candidate for election at the next general election, whose candidacy is to be submitted to the electors of a district comprised of more than one county but less than all of the counties of the state, withdraws as that candidate or is disqualified as that candidate under section 3513.052 of the Revised Code, the vacancy in the party nomination so created may be filled by a district committee of the major political party that made the nomination at the primary election, if the committee's chairperson and secretary certify the name of the person selected to fill the vacancy by the time specified in this division, at a meeting called for that purpose. The district committee shall consist of the chairperson and secretary of the county central committee of such political party in each county in the district. The district committee shall be called by the chairperson of the county central committee of such political party of the most populous county in the district, who shall give each member of the district committee at least two days' notice of the time, place, and purpose of the meeting. If a majority of the members of the district committee are present at the district committee meeting, a majority of those present may select a person to fill the vacancy. The chairperson and secretary of the meeting shall certify in writing and under oath to the board of elections of the most populous county in the district, not later than four p.m. of the eighty-sixth day before the day of the general election, the name of the person selected to fill the vacancy. The certification must be accompanied by the written acceptance of the nomination by the person whose name is certified. A
vacancy in a party nomination that may be filled by a minor political party shall be filled in accordance with the party's rules by authorized officials of the party. Certification must be made as in the manner provided for a major political party.

(C) If a person nominated in a primary election as a party candidate for election at the next general election, whose candidacy is to be submitted to the electors of a county, withdraws as that candidate or is disqualified as that candidate under section 3513.052 of the Revised Code, the vacancy in the party nomination so created may be filled by the county central committee of the major political party that made the nomination at the primary election, or by the county executive committee if so authorized, if the committee's chairperson and secretary certify the name of the person selected to fill the vacancy by the time specified in this division, at a meeting called for that purpose. The meeting shall be called by the chairperson of that committee, who shall give each member of the committee at least two days' notice of the time, place, and purpose of the meeting. If a majority of the members of the committee are present at the meeting, a majority of those present may select a person to fill the vacancy. The chairperson and secretary of the meeting shall certify in writing and under oath to the board of that county, not later than four p.m. of the eighty-sixth day before the day of the general election, the name of the person selected to fill the vacancy. The certification must be accompanied by the written acceptance of the nomination by the person whose name is certified. A vacancy in a party nomination that may be filled by a minor political party shall be filled in accordance with the party's rules by authorized officials of the party. Certification must be made as in the manner provided for a major political party.
(D) If a person nominated in a primary election as a party candidate for election at the next general election, whose candidacy is to be submitted to the electors of a district within a county, withdraws as that candidate or is disqualified as that candidate under section 3513.052 of the Revised Code, the vacancy in the party nomination so created may be filled by a district committee consisting of those members of the county central committee or, if so authorized, those members of the county executive committee in that county of the major political party that made the nomination at the primary election who represent the precincts or the wards and townships within the district, if the committee's chairperson and secretary certify the name of the person selected to fill the vacancy by the time specified in this division, at a meeting called for that purpose. The district committee meeting shall be called by the chairperson of the county central committee or executive committee, as appropriate, who shall give each member of the district committee at least two days' notice of the time, place, and purpose of the meeting. If a majority of the members of the district committee are present at the district committee meeting, a majority of those present may select a person to fill the vacancy. The chairperson and secretary of the district committee meeting shall certify in writing and under oath to the board of the county, not later than four p.m. of the eighty-sixth day before the day of the general election, the name of the person selected to fill the vacancy. The certification must be accompanied by the written acceptance of the nomination by the person whose name is certified. A vacancy in a party nomination that may be filled by a minor political party shall be filled in accordance with the party's rules by authorized officials of the party. Certification must be made as in the manner provided for a major political party.
(E) If a person nominated in a primary election as a party candidate for election at the next general election, whose candidacy is to be submitted to the electors of a subdivision within a county, withdraws as that candidate or is disqualified as that candidate under section 3513.052 of the Revised Code, the vacancy in the party nomination so created may be filled by a subdivision committee consisting of those members of the county central committee or, if so authorized, those members of the county executive committee in that county of the major political party that made the nomination at that primary election who represent the precincts or the wards and townships within that subdivision, if the committee's chairperson and secretary certify the name of the person selected to fill the vacancy by the time specified in this division, at a meeting called for that purpose.

The subdivision committee meeting shall be called by the chairperson of the county central committee or executive committee, as appropriate, who shall give each member of the subdivision committee at least two days' notice of the time, place, and purpose of the meeting. If a majority of the members of the subdivision committee are present at the subdivision committee meeting, a majority of those present may select a person to fill the vacancy. The chairperson and secretary of the subdivision committee meeting shall certify in writing and under oath to the board of the county, not later than four p.m. of the eighty-sixth day before the day of the general election, the name of the person selected to fill the vacancy. The certification must be accompanied by the written acceptance of the nomination by the person whose name is certified. A vacancy in a party nomination that may be filled by a minor political party shall be filled in accordance with the party's rules by
authorized officials of the party. Certification must be made in
the manner provided for a major political party.

(F) If a person nominated by petition as an independent or
nonpartisan candidate for election at the next general election
withdraws as that candidate or is disqualified as that candidate
under section 3513.052 of the Revised Code, the vacancy so
created may be filled by a majority of the committee of five, as
designated on the candidate's nominating petition, if a member
of that committee certifies in writing and under oath to the
election officials with whom the candidate filed the candidate's
nominating petition, not later than the eighty-sixth day before
the day of the general election, the name of the person selected
to fill the vacancy. The certification shall be accompanied by
the written acceptance of the nomination by the person whose
name is certified and shall be made in the manner provided for a
major political party.

(G) If a person nominated in a primary election or
nominated by petition under section 3517.012 of the Revised Code
as a party candidate for election at the next general election
dies, the vacancy so created may be filled by the same committee
in the same manner as provided in this section for the filling
of similar vacancies created by withdrawals or disqualifications
under section 3513.052 of the Revised Code, except that the
certification, when filling a vacancy created by death, may not
be filed with the secretary of state, or with a board of the
most populous county of a district, or with the board of a
county in which the major portion of the population of a
subdivision is located, later than four p.m. of the tenth day
before the day of such general election, or with any other board
later than four p.m. of the fifth day before the day of such
general election.
(H) If a person nominated by petition as an independent or nonpartisan candidate for election at the next general election dies prior to the tenth day before the day of that general election, the vacancy so created may be filled by a majority of the committee of five designated in the nominating petition to represent the candidate named in it. To fill the vacancy a member of the committee shall, not later than four p.m. of the fifth day before the day of the general election, file with the election officials with whom the petition nominating the person was filed, a certificate signed and sworn to under oath by a majority of the members, designating the person they select to fill the vacancy. The certification must be accompanied by the written acceptance of the nomination by the person whose name is so certified.

(I) If a person holding an elective office dies or resigns subsequent to the one hundred fifteenth day before the day of a primary election and prior to the eighty-sixth day before the day of the next general election, and if, under the laws of this state, a person may be elected at that general election to fill the unexpired term of the person who has died or resigned, the appropriate committee of each political party, acting as in the case of a vacancy in a party nomination, as provided in divisions (A) to (D) of this section, may select a person as the party candidate for election for such unexpired term at that general election, and certify the person's name to the appropriate election official not later than four p.m. on the eighty-sixth day before the day of that general election, or on the tenth day following the day on which the vacancy occurs, whichever is later. When the vacancy occurs on or subsequent to the eighty-sixth day and six or more days prior to the fortieth day before the general election, the appropriate committee may
select a person as the party candidate and certify the person's name, as provided in the preceding sentence, not later than four p.m. on the tenth day following the day on which the vacancy occurs. When the vacancy occurs fewer than six days before the fortieth day before the general election, the deadline for filing shall be four p.m. on the thirty-sixth day before the general election. Thereupon the name shall be printed as the party candidate under proper titles and in the proper place on the proper ballots for use at the election. If a person has been nominated in a primary election or nominated by petition under section 3517.012 of the Revised Code, the authorized committee of that political party shall not select and certify a person as the party candidate.

(J) Each person desiring to become an independent candidate to fill the unexpired term shall file a statement of candidacy and nominating petition, as provided in section 3513.261 of the Revised Code, with the appropriate election official not later than four p.m. on the tenth day following the day on which the vacancy occurs, provided that when the vacancy occurs fewer than six days before the fifty-sixth day before the general election, the deadline for filing shall be four p.m. on the fiftieth day before the general election. The nominating petition shall contain at least seven hundred fifty signatures and no more than one thousand five hundred signatures of qualified electors of the district, political subdivision, or portion of a political subdivision in which the office is to be voted upon, or the amount provided for in section 3513.257 of the Revised Code, whichever is less.

(K) When a person nominated as a candidate by a political party in a primary election or by nominating petition for an elective office for which candidates are nominated at a party
primary election withdraws, dies, or is disqualified under section 3513.052 of the Revised Code prior to the general election, the appropriate committee of any other major political party or committee of five that has not nominated a candidate for that office, or whose nominee as a candidate for that office has withdrawn, died, or been disqualified without the vacancy so created having been filled, may, acting as in the case of a vacancy in a party nomination or nomination by petition as provided in divisions (A) to (F) of this section, whichever is appropriate, select a person as a candidate of that party or of that committee of five for election to the office.

(L) A certification of the name of a candidate for president or vice-president of the United States who has been selected to fill a ballot vacancy under this section shall be accompanied by the federal income tax returns required under section 3505.101 of the Revised Code.

Section 2. That existing sections 111.241, 3505.10, 3513.041, 3513.257, and 3513.31 of the Revised Code are hereby repealed.
