A BILL

To amend sections 122.17, 3735.65, 3735.67, 3735.671, 5709.61, 5709.62, 5709.63, 5709.631, 5709.632, and 5751.01 of the Revised Code to enhance state and local tax inducements for businesses making substantial fixed asset and employment investments and their suppliers.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That sections 122.17, 3735.65, 3735.67, 3735.671, 5709.61, 5709.62, 5709.63, 5709.631, 5709.632, and 5751.01 of the Revised Code be amended to read as follows:

Sec. 122.17. (A) As used in this section:

(1) "Payroll" means the total taxable income paid by the employer during the employer's taxable year, or during the calendar year that includes the employer's tax period, to each employee or each home-based employee employed in the project to the extent such payroll is not used to determine the credit under section 122.171 of the Revised Code. "Payroll" excludes
amounts paid before the day the taxpayer becomes eligible for
the credit and retirement or other benefits paid or contributed
by the employer to or on behalf of employees.

(2) "Baseline payroll" means Ohio employee payroll, except
that the applicable measurement period is the twelve months
immediately preceding the date the tax credit authority approves
the taxpayer's application or the date the tax credit authority
receives the recommendation described in division (C)(2)(a) of
this section, whichever occurs first, multiplied by the sum of
one plus an annual pay increase factor to be determined by the
tax credit authority.

(3) "Ohio employee payroll" means the amount of
compensation used to determine the withholding obligations in
division (A) of section 5747.06 of the Revised Code and paid by
the employer during the employer's taxable year, or during the
calendar year that includes the employer's tax period, to the
following:

(a) An employee employed in the project who is a resident
of this state including a qualifying work-from-home employee not
designated as a home-based employee by an applicant under
division (C)(1) of this section;

(b) An employee employed at the project location who is
not a resident and whose compensation is not exempt from the tax
imposed under section 5747.02 of the Revised Code pursuant to a
reciprocity agreement with another state under division (A)(3)
of section 5747.05 of the Revised Code;

(c) A home-based employee employed in the project.

"Ohio employee payroll" excludes any such compensation to
the extent it is used to determine the credit under section
122.171 of the Revised Code, and excludes amounts paid before the day the taxpayer becomes eligible for the credit under this section.

(4) "Excess payroll" means Ohio employee payroll minus baseline payroll.

(5) "Home-based employee" means an employee whose services are performed primarily from the employee's residence in this state exclusively for the benefit of the project and whose rate of pay is at least one hundred thirty-one per cent of the federal minimum wage under 29 U.S.C. 206.

(6) "Full-time equivalent employees" means the quotient obtained by dividing the total number of hours for which employees were compensated for employment in the project by two thousand eighty. "Full-time equivalent employees" excludes hours that are counted for a credit under section 122.171 of the Revised Code.

(7) "Metric evaluation date" means the date by which the taxpayer must meet all of the commitments included in the agreement.

(8) "Qualifying work-from-home employee" means an employee who is a resident of this state and whose services are supervised from the employer's project location and performed primarily from a residence of the employee located in this state.

(9) "Resident" or "resident of this state" means an individual who is a resident as defined in section 5747.01 of the Revised Code.

(10) "Megaproject" means a project in this state that meets all of the following requirements:
(a) The project requires unique sites, extremely robust utility service, and a technically skilled workforce;

(b) The megaproject operator of the project compensates the project's employees at an average hourly wage of at least three hundred per cent of the federal minimum wage under 29 U.S.C. 206, exclusive of employee benefits, at the time the tax credit authority approves the project for a credit under this section;

(c) The project satisfies either of the following by the metric evaluation date applicable to the project:

(i) The megaproject operator makes at least one billion dollars in fixed-asset investments in the project;

(ii) The megaproject operator creates at least seventy-five million dollars in Ohio employee payroll at the project.

(d) If the project satisfies division (A)(10)(c)(ii) of this section, then, on and after the metric evaluation date and until the end of the last year for which the megaproject qualifies for the credit authorized under this section, the megaproject operator maintains at least seventy-five million dollars in Ohio employee payroll at the project.

(11) "Megaproject operator" means a taxpayer that undertakes and operates a megaproject.

(12) "Megaproject supplier" means a supplier in this state that sells tangible personal property directly to a megaproject operator and meets all of the following requirements:

(a) Satisfies both of the following by the metric evaluation date applicable to the megaproject supplier:

(i) Makes at least one hundred million dollars in fixed-
asset investments in this state;

(ii) Creates at least ten million dollars in Ohio employee payroll.

(b) On and after the metric evaluation date, until the end of the last year for which the megaproject supplier qualifies for the credit authorized under this section, maintains at least ten million dollars in Ohio employee payroll.

(B) The tax credit authority may make grants under this section to foster job creation in this state. Such a grant shall take the form of a refundable credit allowed against the tax imposed by section 5725.18, 5726.02, 5729.03, 5733.06, 5736.02, or 5747.02 or levied under Chapter 5751. of the Revised Code. The credit shall be claimed for the taxable years or tax periods specified in the taxpayer's agreement with the tax credit authority under division (D) of this section. With respect to taxes imposed under section 5726.02, 5733.06, or 5747.02 or Chapter 5751. of the Revised Code, the credit shall be claimed in the order required under section 5726.98, 5733.98, 5747.98, or 5751.98 of the Revised Code. The amount of the credit available for a taxable year or for a calendar year that includes a tax period equals the excess payroll for that year multiplied by the percentage specified in the agreement with the tax credit authority.

(C)(1) A taxpayer or potential taxpayer who proposes a project to create new jobs in this state may apply to the tax credit authority to enter into an agreement for a tax credit under this section.

An application shall not propose to include both home-based employees and employees who are not home-based employees.
in the computation of Ohio employee payroll for the purposes of the same tax credit agreement, except that a qualifying work-from-home employee shall not be considered to be a home-based employee unless so designated by the applicant. If a taxpayer or potential taxpayer employs both home-based employees and employees who are not home-based employees in a project, the taxpayer shall submit separate applications for separate tax credit agreements for the project, one of which shall include home-based employees in the computation of Ohio employee payroll and one of which shall include all other employees in the computation of Ohio employee payroll.

The director of development services shall prescribe the form of the application. After receipt of an application, the authority may enter into an agreement with the taxpayer for a credit under this section if it determines all of the following:

(a) The taxpayer's project will increase payroll;

(b) The taxpayer's project is economically sound and will benefit the people of this state by increasing opportunities for employment and strengthening the economy of this state;

(c) Receiving the tax credit is a major factor in the taxpayer's decision to go forward with the project.

(2)(a) A taxpayer that chooses to begin the project prior to receiving the determination of the authority may, upon submitting the taxpayer's application to the authority, request that the chief investment officer of the nonprofit corporation formed under section 187.01 of the Revised Code and the director review the taxpayer's application and recommend to the authority that the taxpayer's application be considered. As soon as possible after receiving such a request, the chief investment
officer and the director shall review the taxpayer's application and, if they determine that the application warrants consideration by the authority, make that recommendation to the authority not later than six months after the application is received by the authority.

(b) The authority shall consider any taxpayer's application for which it receives a recommendation under division (C)(2)(a) of this section. If the authority determines that the taxpayer does not meet all of the criteria set forth in division (C)(1) of this section, the authority and the development services agency shall proceed in accordance with rules adopted by the director pursuant to division (I) of this section.

(D) An agreement under this section shall include all of the following:

(1) A detailed description of the project that is the subject of the agreement;

(2)(a) The term of the tax credit, which, except as provided in division (D)(2)(b) or (c) of this section, shall not exceed fifteen years, and the first taxable year, or first calendar year that includes a tax period, for which the credit may be claimed;

(b) If the tax credit is computed on the basis of home-based employees, the term of the credit shall expire on or before the last day of the taxable or calendar year ending before the beginning of the seventh year after September 6, 2012, the effective date of H.B. 327 of the 129th general assembly;

(c) If the taxpayer is a megaproject operator or a
megaproject supplier, the term of the tax credit shall not exceed thirty years.

(3) A requirement that the taxpayer shall maintain operations at the project location for at least the greater of seven years or the term of the credit plus three years;

(4) The percentage, as determined by the tax credit authority, of excess payroll that will be allowed as the amount of the credit for each taxable year or for each calendar year that includes a tax period;

(5) The pay increase factor to be applied to the taxpayer's baseline payroll;

(6) A requirement that the taxpayer annually shall report to the director of development services full-time equivalent employees, payroll, Ohio employee payroll, investment, the provision of health care benefits and tuition reimbursement if required in the agreement, and other information the director needs to perform the director's duties under this section;

(7) A requirement that the director of development services annually review the information reported under division (D)(6) of this section and verify compliance with the agreement; if the taxpayer is in compliance, a requirement that the director issue a certificate to the taxpayer stating that the information has been verified and identifying the amount of the credit that may be claimed for the taxable or calendar year. If the taxpayer is a megaproject supplier, the director shall issue such a certificate to the supplier and to any megaproject operator (a) to which the supplier directly sells tangible personal property and (b) that is authorized to claim the credit pursuant to division (D)(10) of this section.
(8) A provision providing that the taxpayer may not relocate a substantial number of employment positions from elsewhere in this state to the project location unless the director of development services determines that the legislative authority of the county, township, or municipal corporation from which the employment positions would be relocated has been notified by the taxpayer of the relocation.

For purposes of this section, the movement of an employment position from one political subdivision to another political subdivision shall be considered a relocation of an employment position unless the employment position in the first political subdivision is replaced. The movement of a qualifying work-from-home employee to a different residence located in this state or to the project location shall not be considered a relocation of an employment position.

(9) If the tax credit is computed on the basis of home-based employees, that the tax credit may not be claimed by the taxpayer until the taxable year or tax period in which the taxpayer employs at least two hundred employees more than the number of employees the taxpayer employed on June 30, 2011.

(10) If the taxpayer is a megaproject supplier, the percentage of the annual tax credit certified under division (D) (7) of this section, up to one hundred per cent, that may be claimed by each megaproject operator to which the supplier directly sells tangible personal property, rather than by that supplier, on the condition that the megaproject operator continues to qualify as a megaproject operator.

(11) If the taxpayer is a megaproject operator or megaproject supplier, a requirement that the taxpayer continue to qualify as a megaproject operator or megaproject supplier,
respectively, until the end of the last year for which the taxpayer qualifies for the credit authorized under this section.

(E) If a taxpayer fails to meet or comply with any condition or requirement set forth in a tax credit agreement, the tax credit authority may amend the agreement to reduce the percentage or term of the tax credit. The reduction of the percentage or term may take effect in the current taxable or calendar year.

(F) Projects that consist solely of point-of-final-purchase retail facilities are not eligible for a tax credit under this section. If a project consists of both point-of-final-purchase retail facilities and nonretail facilities, only the portion of the project consisting of the nonretail facilities is eligible for a tax credit and only the excess payroll from the nonretail facilities shall be considered when computing the amount of the tax credit. If a warehouse facility is part of a point-of-final-purchase retail facility and supplies only that facility, the warehouse facility is not eligible for a tax credit. Catalog distribution centers are not considered point-of-final-purchase retail facilities for the purposes of this division, and are eligible for tax credits under this section.

(G) Financial statements and other information submitted to the development services agency or the tax credit authority by an applicant or recipient of a tax credit under this section, and any information taken for any purpose from such statements or information, are not public records subject to section 149.43 of the Revised Code. However, the chairperson of the authority may make use of the statements and other information for purposes of issuing public reports or in connection with court

proceedings concerning tax credit agreements under this section. Upon the request of the tax commissioner or, if the applicant or recipient is an insurance company, upon the request of the superintendent of insurance, the chairperson of the authority shall provide to the commissioner or superintendent any statement or information submitted by an applicant or recipient of a tax credit in connection with the credit. The commissioner or superintendent shall preserve the confidentiality of the statement or information.

(H) A taxpayer claiming a credit under this section shall submit to the tax commissioner or, if the taxpayer is an insurance company, to the superintendent of insurance, a copy of the director of development services' certificate of verification under division (D)(7) of this section with the taxpayer's tax report or return for the taxable year or for the calendar year that includes the tax period. Failure to submit a copy of the certificate with the report or return does not invalidate a claim for a credit if the taxpayer submits a copy of the certificate to the commissioner or superintendent within the time prescribed by section 5703.0510 of the Revised Code or within thirty days after the commissioner or superintendent requests it.

(I) The director of development services, after consultation with the tax commissioner and the superintendent of insurance and in accordance with Chapter 119. of the Revised Code, shall adopt rules necessary to implement this section, including rules that establish a procedure to be followed by the tax credit authority and the development services agency in the event the authority considers a taxpayer's application for which it receives a recommendation under division (C)(2)(a) of this section but does not approve it. The rules may provide for
recipients of tax credits under this section to be charged fees to cover administrative costs of the tax credit program. For the purposes of these rules, a qualifying work-from-home employee shall be considered to be an employee employed at the applicant's project location. The fees collected shall be credited to the tax incentives operating fund created in section 122.174 of the Revised Code. At the time the director gives public notice under division (A) of section 119.03 of the Revised Code of the adoption of the rules, the director shall submit copies of the proposed rules to the chairpersons of the standing committees on economic development in the senate and the house of representatives.

(J) For the purposes of this section, a taxpayer may include a partnership, a corporation that has made an election under subchapter S of chapter one of subtitle A of the Internal Revenue Code, or any other business entity through which income flows as a distributive share to its owners. A partnership, S-corporation, or other such business entity may elect to pass the credit received under this section through to the persons to whom the income or profit of the partnership, S-corporation, or other entity is distributed. The election shall be made on the annual report required under division (D)(6) of this section. The election applies to and is irrevocable for the credit for which the report is submitted. If the election is made, the credit shall be apportioned among those persons in the same proportions as those in which the income or profit is distributed.

(K)(1) If the director of development services determines that a taxpayer who has received a credit under this section is not complying with the requirements of the agreement, the director shall notify the tax credit authority of the
noncompliance. After receiving such a notice, and after giving the taxpayer an opportunity to explain the noncompliance, the tax credit authority may require the taxpayer to refund to this state a portion of the credit in accordance with the following:

(a) If the taxpayer fails to comply with the requirement under division (D)(3) of this section, an amount determined in accordance with the following:

(i) If the taxpayer maintained operations at the project location for a period less than or equal to the term of the credit, an amount not exceeding one hundred per cent of the sum of any credits allowed and received under this section;

(ii) If the taxpayer maintained operations at the project location for a period longer than the term of the credit, but less than the greater of seven years or the term of the credit plus three years, an amount not exceeding seventy-five per cent of the sum of any credits allowed and received under this section.

(b) If, on the metric evaluation date, the taxpayer fails to substantially meet the job creation, payroll, or investment requirements included in the agreement, an amount determined at the discretion of the authority;

(c) If the taxpayer fails to substantially maintain the number of new full-time equivalent employees or amount of payroll required under the agreement at any time during the term of the agreement after the metric evaluation date, an amount determined at the discretion of the authority.

(2) If a taxpayer files for bankruptcy and fails as described in division (K)(1)(a), (b), or (c) of this section, the director may immediately commence an action to recoup an
amount not exceeding one hundred per cent of the sum of any credits received by the taxpayer under this section.

(3) In determining the portion of the tax credit to be refunded to this state, the tax credit authority shall consider the effect of market conditions on the taxpayer's project and whether the taxpayer continues to maintain other operations in this state. After making the determination, the authority shall certify the amount to be refunded to the tax commissioner or superintendent of insurance, as appropriate. If the amount is certified to the commissioner, the commissioner shall make an assessment for that amount against the taxpayer under Chapter 5726., 5733., 5736., 5747., or 5751. of the Revised Code. If the amount is certified to the superintendent, the superintendent shall make an assessment for that amount against the taxpayer under Chapter 5725. or 5729. of the Revised Code. The time limitations on assessments under those chapters do not apply to an assessment under this division, but the commissioner or superintendent, as appropriate, shall make the assessment within one year after the date the authority certifies to the commissioner or superintendent the amount to be refunded.

(L) On or before the first day of August each year, the director of development services shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the tax credit program under this section. The report shall include information on the number of agreements that were entered into under this section during the preceding calendar year, a description of the project that is the subject of each such agreement, and an update on the status of projects under agreements entered into before the preceding calendar year.
(M) There is hereby created the tax credit authority, which consists of the director of development services and four other members appointed as follows: the governor, the president of the senate, and the speaker of the house of representatives each shall appoint one member who shall be a specialist in economic development; the governor also shall appoint a member who is a specialist in taxation. Terms of office shall be for four years. Each member shall serve on the authority until the end of the term for which the member was appointed. Vacancies shall be filled in the same manner provided for original appointments. Any member appointed to fill a vacancy occurring prior to the expiration of the term for which the member's predecessor was appointed shall hold office for the remainder of that term. Members may be reappointed to the authority. Members of the authority shall receive their necessary and actual expenses while engaged in the business of the authority. The director of development services shall serve as chairperson of the authority, and the members annually shall elect a vice-chairperson from among themselves. Three members of the authority constitute a quorum to transact and vote on the business of the authority. The majority vote of the membership of the authority is necessary to approve any such business, including the election of the vice-chairperson.

The director of development services may appoint a professional employee of the development services agency to serve as the director's substitute at a meeting of the authority. The director shall make the appointment in writing. In the absence of the director from a meeting of the authority, the appointed substitute shall serve as chairperson. In the absence of both the director and the director's substitute from a meeting, the vice-chairperson shall serve as chairperson.
(N) For purposes of the credits granted by this section against the taxes imposed under sections 5725.18 and 5729.03 of the Revised Code, "taxable year" means the period covered by the taxpayer's annual statement to the superintendent of insurance.

(O) On or before the first day of March of each of the five calendar years beginning with 2014, each taxpayer subject to an agreement with the tax credit authority under this section on the basis of home-based employees shall report the number of home-based employees and other employees employed by the taxpayer in this state to the development services agency.

(P) On or before the first day of January of 2019, the director of development services shall submit a report to the governor, the president of the senate, and the speaker of the house of representatives on the effect of agreements entered into under this section in which the taxpayer included home-based employees in the computation of income tax revenue, as that term was defined in this section prior to the amendment of this section by H.B. 64 of the 131st general assembly. The report shall include information on the number of such agreements that were entered into in the preceding six years, a description of the projects that were the subjects of such agreements, and an analysis of nationwide home-based employment trends, including the number of home-based jobs created from July 1, 2011, through June 30, 2017, and a description of any home-based employment tax incentives provided by other states during that time.

(Q) The director of development services may require any agreement entered into under this section for a tax credit computed on the basis of home-based employees to contain a provision that the taxpayer makes available health care benefits
and tuition reimbursement to all employees.

(R) Original agreements approved by the tax credit authority under this section in 2014 or 2015 before September 29, 2015, may be revised at the request of the taxpayer to conform with the amendments to this section and sections 5733.0610, 5736.50, 5747.058, and 5751.50 of the Revised Code by H.B. 64 of the 131st general assembly, upon mutual agreement of the taxpayer and the development services agency, and approval by the tax credit authority.

(S)(1) As used in division (S) of this section:

(a) "Eligible agreement" means an agreement approved by the tax credit authority under this section on or before December 31, 2013.

(b) "Report period" means a period corresponding to the annual report required under division (D)(6) of this section.

(c) "Income tax revenue" has the same meaning as under this section as it existed before September 29, 2015, the effective date of the amendment of this section by H.B. 64 of the 131st general assembly.

(2) In calendar year 2016 and thereafter, the tax credit authority shall annually determine a withholding adjustment factor to be used in the computation of income tax revenue for eligible agreements. The withholding adjustment factor shall be a numerical percentage that equals the percentage that employer income tax withholding rates have been increased or decreased as a result of changes in the income tax rates prescribed by section 5747.02 of the Revised Code by amendment of that section taking effect on or after June 29, 2013.

(3) Except as provided in division (S)(4) of this section,
for reporting periods ending in 2015 and thereafter for taxpayers subject to eligible agreements, the tax credit authority shall adjust the income tax revenue reported on the taxpayer's annual report by multiplying the withholding adjustment factor by the taxpayer's income tax revenue and doing one of the following:

(a) If the income tax rates prescribed by section 5747.02 of the Revised Code have decreased by amendment of that section taking effect on or after June 29, 2013, add the product to the taxpayer's income tax revenue.

(b) If the income tax rates prescribed by section 5747.02 of the Revised Code have increased by amendment of that section taking effect on or after June 29, 2013, subtract the product from the taxpayer's income tax revenue.

(4) Division (S)(3) of this section shall not apply unless all of the following apply for the reporting period with respect to the eligible agreement:

(a) The taxpayer has achieved one hundred per cent of the new employment commitment identified in the agreement.

(b) If applicable, the taxpayer has achieved one hundred per cent of the new payroll commitment identified in the agreement.

(c) If applicable, the taxpayer has achieved one hundred per cent of the investment commitment identified in the agreement.

(5) Failure by a taxpayer to have achieved any of the applicable commitments described in divisions (S)(4)(a) to (c) of this section in a reporting period does not disqualify the taxpayer for the adjustment under division (S) of this section.
The director of development services shall notify the tax commissioner if the director determines that a megaproject operator or megaproject supplier is not in compliance with the agreement pursuant to a review conducted under division (D)(7) of this section.

Sec. 3735.65. As used in sections 3735.65 to 3735.70 of the Revised Code:

(A) "Housing officer" means an officer or agency of a municipal corporation or county designated by the legislative authority of the municipal corporation or county, pursuant to section 3735.66 of the Revised Code, for each community reinvestment area to administer sections 3735.65 to 3735.69 of the Revised Code. One officer or agency may be designated as the housing officer for more than one community reinvestment area.

(B) "Community reinvestment area" means an area within a municipal corporation or unincorporated area of a county for which the legislative authority of the municipal corporation or, for the unincorporated area, of the county, has adopted a resolution under section 3735.66 of the Revised Code describing the boundaries of the area and containing a statement of finding that the area included in the description is one in which housing facilities or structures of historical significance are located and new housing construction and repair of existing facilities or structures are discouraged.

(C) "Remodeling" means any change made in a structure for the purpose of making it structurally more sound, more habitable, or for the purpose of improving its appearance.

(D) "Structure of historical or architectural
significance" means those designated as such by resolution of the legislative authority of a municipal corporation, for those located in a municipal corporation, or the county, for those located in the unincorporated area of the county based on age, rarity, architectural quality, or because of a previous designation by a historical society, association, or agency.

(E) "Megaproject," "megaproject operator," and "megaproject supplier" have the same meanings as in section 122.17 of the Revised Code.

Sec. 3735.67. (A) The owner of real property located in a community reinvestment area and eligible for exemption from taxation under a resolution adopted pursuant to section 3735.66 of the Revised Code may file an application for an exemption from real property taxation of a percentage of the assessed valuation of a new structure, or of the increased assessed valuation of an existing structure after remodeling began, if the new structure or remodeling is completed after the effective date of the resolution adopted pursuant to section 3735.66 of the Revised Code. The application shall be filed with the housing officer designated for the community reinvestment area in which the property is located. If any part of the new structure or remodeled structure that would be exempted is of real property to be used for commercial or industrial purposes, the legislative authority and the owner of the property shall enter into a written agreement pursuant to section 3735.671 of the Revised Code prior to commencement of construction or remodeling; if such an agreement is subject to approval by the board of education of the school district within the territory of which the property is or will be located, the agreement shall not be formally approved by the legislative authority until the board of education approves the agreement in the manner
prescribed by that section.

(B) The housing officer shall verify the construction of the new structure or the cost of the remodeling of the existing structure and the facts asserted in the application. The housing officer shall determine whether the construction or remodeling meets the requirements for an exemption under this section. In cases involving a structure of historical or architectural significance, the housing officer shall not determine whether the remodeling meets the requirements for a tax exemption unless the appropriateness of the remodeling has been certified, in writing, by the society, association, agency, or legislative authority that has designated the structure or by any organization or person authorized, in writing, by such society, association, agency, or legislative authority to certify the appropriateness of the remodeling.

(C) If the construction or remodeling meets the requirements for exemption, the housing officer shall forward the application to the county auditor with a certification as to the division of this section under which the exemption is granted, and the period and percentage of the exemption as determined by the legislative authority pursuant to that division. If the construction or remodeling is of commercial or industrial property and the legislative authority is not required to certify a copy of a resolution under section 3735.671 of the Revised Code, the housing officer shall comply with the notice requirements prescribed under section 5709.83 of the Revised Code, unless the board has adopted a resolution under that section waiving its right to receive such a notice.

(D) Except as provided in division (F) of this section, the tax exemption shall first apply in the year the construction
or remodeling would first be taxable but for this section. In
the case of remodeling that qualifies for exemption, a
percentage, not to exceed one hundred per cent, of the increased
assessed valuation of an existing structure after remodeling
began shall be exempted from real property taxation. In the case
of construction of a structure that qualifies for exemption, a
percentage, not to exceed one hundred per cent, of the assessed
value of the structure shall be exempted from real property
taxation. In either case, the percentage shall be the percentage
set forth in the agreement if the structure or remodeling is to
be used for commercial or industrial purposes, or the percentage
set forth in the resolution describing the community
reinvestment area if the structure or remodeling is to be used
for residential purposes.

The construction of new structures and the remodeling of
existing structures are hereby declared to be a public purpose
for which exemptions from real property taxation may be granted
for the following periods:

(1) For every dwelling and commercial or industrial
properties, located within the same community reinvestment area,
upon which the cost of remodeling is at least two thousand five
hundred dollars in the case of a dwelling containing not more
than two family units or at least five thousand dollars in the
case of all other property, a period to be determined by the
legislative authority adopting the resolution, but not exceeding
fifteen years. The period of exemption for a dwelling described
in division (D)(1) of this section may be extended by a
legislative authority for up to an additional ten years if the
dwelling is a structure of historical or architectural
significance, is a certified historic structure that has been
subject to federal tax treatment under 26 U.S.C. 47 and 170(h),
and units within the structure have been leased to individual
 tenants for five consecutive years;

(2) Except as provided in division (F) of this section, for construction of every dwelling, and commercial or industrial
structure located within the same community reinvestment area, a
period to be determined by the legislative authority adopting
the resolution, but not exceeding fifteen years. The period of
exemption for construction of a commercial or industrial
structure may be extended by a legislative authority for up to
an additional fifteen years if the structure is situated on the
site of a megaproject or is owned and occupied by a megaproject
supplier.

(E) Any person, board, or officer authorized by section
5715.19 of the Revised Code to file complaints with the county
board of revision may file a complaint with the housing officer
challenging the continued exemption of any property granted an
exemption under this section. A complaint against exemption
shall be filed prior to the thirty-first day of December of the
tax year for which taxation of the property is requested. The
housing officer shall determine whether the property continues
to meet the requirements for exemption and shall certify the
housing officer's findings to the complainant. If the housing
officer determines that the property does not meet the
requirements for exemption, the housing officer shall notify the
county auditor, who shall correct the tax list and duplicate
accordingly.

(F) The owner of a dwelling constructed in a community
reinvestment area may file an application for an exemption after
the year the construction first became subject to taxation. The
application shall be processed in accordance with the procedures
prescribed under this section and shall be granted if the construction that is the subject of the application otherwise meets the requirements for an exemption under this section. If approved, the exemption sought in the application first applies in the year the application is filed. An exemption approved pursuant to this division continues only for those years remaining in the period described in division (D)(2) of this section. No exemption may be claimed for any year in that period that precedes the year in which the application is filed.

**Sec. 3735.671.** (A) If construction or remodeling of commercial or industrial property is to be exempted from taxation pursuant to section 3735.67 of the Revised Code, the legislative authority and the owner of the property, prior to the commencement of construction or remodeling, shall enter into a written agreement, binding on both parties for a period of time that does not end prior to the end of the period of the exemption, that includes all of the information and statements prescribed by this section. Agreements may include terms not prescribed by this section, but such terms shall in no way derogate from the information and statements prescribed by this section.

(1) Except as otherwise provided in division (A)(2) or (3) of this section, an agreement entered into under this section shall not be approved by the legislative authority unless the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves the agreement. For the purpose of obtaining such approval, the legislative authority shall certify a copy of the agreement to the board of education not later than forty-five days prior to approving the agreement, excluding Saturday, Sunday, and a legal holiday as defined in section 1.14
of the Revised Code. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the legislative authority not later than fourteen days prior to the date stipulated by the legislative authority as the date upon which approval of the agreement is to be formally considered by the legislative authority. The board of education may include in the resolution conditions under which the board would approve the agreement. The legislative authority may approve an agreement at any time after the board of education certifies its resolution approving the agreement to the legislative authority, or, if the board approves the agreement conditionally, at any time after the conditions are agreed to by the board and the legislative authority.

(2) Approval of an agreement by the board of education is not required under division (A)(1) of this section if, for each tax year the real property is exempted from taxation, the sum of the following quantities, as estimated at or prior to the time the agreement is formally approved by the legislative authority, equals or exceeds fifty per cent of the amount of taxes, as estimated at or prior to that time, that would have been charged and payable that year upon the real property had that property not been exempted from taxation:

(a) The amount of taxes charged and payable on any portion of the assessed valuation of the new structure or of the increased assessed valuation of an existing structure after remodeling began that will not be exempted from taxation under the agreement;

(b) The amount of taxes charged and payable on tangible personal property located on the premises of the new structure
or of the structure to be remodeled under the agreement, whether payable by the owner of the structure or by a related member, as defined in section 5733.042 of the Revised Code without regard to division (B) of that section.

(c) The amount of any cash payment by the owner of the new structure or structure to be remodeled to the school district, the dollar value, as mutually agreed to by the owner and the board of education, of any property or services provided by the owner of the property to the school district, whether by gift, loan, or otherwise, and any payment by the legislative authority to the school district pursuant to section 5709.82 of the Revised Code.

The estimates of quantities used for purposes of division (A)(2) of this section shall be estimated by the legislative authority. The legislative authority shall certify to the board of education that the estimates have been made in good faith. Departures of the actual quantities from the estimates subsequent to approval of the agreement by the board of education do not invalidate the agreement.

(3) If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board is not required under this division. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under this division fewer than forty-five business days prior to the legislative authority's execution of the agreement, the legislative authority shall deliver the notice to the board not later than the number of days prior to such execution as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to
approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(B) Each agreement shall include the following information:

(1) The names of all parties to the agreement;

(2) A description of the remodeling or construction, whether or not to be exempted from taxation, including existing or new structure size and cost thereof; the value of machinery, equipment, furniture, and fixtures, including an itemization of the value of machinery, equipment, furniture, and fixtures used at another location in this state prior to the agreement and relocated or to be relocated from that location to the property, and the value of machinery, equipment, furniture, and fixtures at the facility prior to the execution of the agreement; the value of inventory at the property, including an itemization of the value of inventory held at another location in this state prior to the agreement and relocated or to be relocated from that location to the property, and the value of inventory held at the property prior to the execution of the agreement;

(3) The scheduled starting and completion dates of remodeling or construction of real property or of investments made in machinery, equipment, furniture, fixtures, and inventory;

(4) Estimates of the number of employee positions to be created each year of the agreement and of the number of employee positions retained by the owner due to the remodeling or
construction, itemized as to the number of full-time, part-time, permanent, and temporary positions;

(5) Estimates of the dollar amount of payroll attributable to the positions set forth in division (B)(4) of this section, similarly itemized;

(6) The number of employee positions, if any, at the property and at any other location in this state at the time the agreement is executed, itemized as to the number of full-time, part-time, permanent, and temporary positions.

(C) Each agreement shall set forth the following information and incorporate the following statements:

(1) A description of real property to be exempted from taxation under the agreement, the percentage of the assessed valuation of the real property exempted from taxation, and the period for which the exemption is granted, accompanied by the statement: "The exemption commences the first year for which the real property would first be taxable were that property not exempted from taxation. No exemption shall commence after .......... (insert date) nor extend beyond .......... (insert date)."

(2) ".......... (insert name of owner) shall pay such real property taxes as are not exempted under this agreement and are charged against such property and shall file all tax reports and returns as required by law. (3) "......... (insert name of owner) hereby certifies that at the time this agreement is executed, ........ (insert name of owner) does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State of Ohio, and does not owe delinquent taxes for which ........ (insert name of owner) is liable under Chapter 5733., 5735., 5739., 5741., 5743., 5747., or 5753. of the Ohio Revised Code, or, if such delinquent taxes are owed, ........ (insert name of owner) currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State of Ohio or an agent or instrumentality thereof, has filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., or such a petition has been filed against ........ (insert name of owner). For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Revised Code governing payment of those taxes."

(4) "......... (insert name of municipal corporation or county) shall perform such acts as are reasonably necessary or appropriate to effect, claim, reserve, and maintain exemptions from taxation granted under this agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions."

(5) "If for any reason ........ (insert name of municipal corporation or county) revokes the designation of the area, entitlements granted under this agreement shall continue for the number of years specified under this agreement, unless ........ (6) "If ........... (insert name of owner) materially fails to fulfill its obligations under this agreement, or if ........... (insert name of municipal corporation or county) may terminate or modify the exemptions from taxation granted under this agreement."

(7) "........... (insert name of owner) shall provide to the proper tax incentive review council any information reasonably required by the council to evaluate the applicant's compliance with the agreement, including returns filed pursuant to section 5711.02 of the Ohio Revised Code if requested by the council."

(8) "This agreement is not transferable or assignable without the express, written approval of ........... (insert name of municipal corporation or county)."

(9) "Exemptions from taxation granted under this agreement shall be revoked if it is determined that ........... (insert name of owner), any successor to that person, or any related member (as those terms are defined in division (E) of section 3735.671 of the Ohio Revised Code) has violated the prohibition against entering into this agreement under division (E) of section 3735.671 or section 5709.62 or 5709.63 of the Ohio Revised Code prior to the time prescribed by that division or either of those sections."

(10) "........... (insert name of owner) and ........... (insert name of municipal corporation or county) acknowledge
that this agreement must be approved by formal action of the
legislative authority of ........... (insert name of municipal
corporation or county) as a condition for the agreement to take
effect. This agreement takes effect upon such approval."

(11) If the agreement relates to a commercial or
industrial structure subject to the extension for megaprojects
or megaproject suppliers described in division (D)(2) of section
3735.67 of the Revised Code, both of the following:

(a) A requirement that the owner of the structure annually
certify to the legislative authority whether the megaproject
operator of the megaproject upon which the structure is situated
or the megaproject supplier, as applicable, holds a certificate
issued under division (D)(7) of section 122.17 of the Revised
Code on the first day of the current tax year;

(b) A provision authorizing the legislative authority to
terminate the exemption for current and subsequent tax years if
the megaproject operator or megaproject supplier does not hold a
certificate issued under division (D)(7) of section 122.17 of
the Revised Code on the first day of the current tax year.

The statement described in division (C)(6) of this section
may include the following statement, appended at the end of the
statement: ", and may require the repayment of the amount of
taxes that would have been payable had the property not been
exempted from taxation under this agreement." If the agreement
includes a statement requiring repayment of exempted taxes, it
also may authorize the legislative authority to secure repayment
of such taxes by a lien on the exempted property in the amount
required to be repaid. Such a lien shall attach, and may be
perfected, collected, and enforced, in the same manner as a
mortgage lien on real property, and shall otherwise have the
same force and effect as a mortgage lien on real property.

(D) Except as otherwise provided in this division, an agreement entered into under this section shall require that the owner pay an annual fee equal to the greater of one per cent of the amount of taxes exempted under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 3735.672 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive or reduce the amount of the fee, but such waiver or reduction does not affect the obligations of the legislative authority or the tax incentive review council to comply with section 3735.672 or 5709.85 of the Revised Code.

(E) If any person that is party to an agreement granting an exemption from taxation discontinues operations at the structure to which that exemption applies prior to the expiration of the term of the agreement, that person, any successor to that person, and any related member shall not enter into an agreement under this section or section 5709.62, 5709.63, or 5709.632 of the Revised Code, and no legislative authority shall enter into such an agreement with such a person, successor, or related member, prior to the expiration of five years after the discontinuation of operations. As used in this
division, "successor" means a person to which the assets or
equity of another person has been transferred, which transfer
resulted in the full or partial nonrecognition of gain or loss,
or resulted in a carryover basis, both as determined by rule
adopted by the tax commissioner. "Related member" has the same
meaning as defined in section 5733.042 of the Revised Code
without regard to division (B) of that section.

The director of development services shall review all
agreements submitted to the director under division (F) of this
section for the purpose of enforcing this division. If the
director determines there has been a violation of this division,
the director shall notify the legislative authority of such
violation, and the legislative authority immediately shall
revoke the exemption granted under the agreement.

(F) When an agreement is entered into under this section,
the legislative authority authorizing the agreement shall
forward a copy of the agreement to the director of development
services within fifteen days after the agreement is entered
into.

only if such agreements result in the development of the
facilities described in that division, the parcel of land on
which such facilities are situated, or adjacent parcels. The
director of development annually shall review all agreements in
such zones to determine whether the agreements have resulted in
such development; if the director determines that the agreements

defined by the United States office of management and budget as
a principal city of a metropolitan statistical area, the
legislative authority of the municipal corporation may designate
one or more areas within its municipal corporation as proposed
enterprise zones. Upon designating an area, the legislative
authority shall petition the director of development services
for certification of the area as having the characteristics set
forth in division (A)(1) of section 5709.61 of the Revised Code
as amended by Substitute Senate Bill No. 19 of the 120th general
assembly. Except as otherwise provided in division (E) of this
section, on and after July 1, 1994, legislative authorities
shall not enter into agreements under this section unless the
legislative authority has petitioned the director and the
director has certified the zone under this section as amended by
that act; however, all agreements entered into under this
section as it existed prior to July 1, 1994, and the incentives
granted under those agreements shall remain in effect for the
period agreed to under those agreements. Within sixty days after
receiving such a petition, the director shall determine whether
the area has the characteristics set forth in division (A)(1) of
section 5709.61 of the Revised Code, and shall forward the
findings to the legislative authority of the municipal
corporation. If the director certifies the area as having those
characteristics, and thereby certifies it as a zone, the
legislative authority may enter into an agreement with an
enterprise under division (C) of this section.

(B) Any enterprise that wishes to enter into an agreement with a municipal corporation under division (C) of this section shall submit a proposal to the legislative authority of the municipal corporation on a form prescribed by the director of development services, together with the application fee established under section 5709.68 of the Revised Code. The form shall require the following information:

(2) An estimate of the amount to be invested by the enterprise to establish, expand, renovate, or occupy a facility, including investment in new buildings, additions or improvements to existing buildings, machinery, equipment, furniture, fixtures, and inventory;

The enterprise shall review and update the listings required under this division to reflect material changes, and any agreement entered into under division (C) of this section shall set forth final estimates and listings as of the time the agreement is entered into. The legislative authority may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.
As Passed by the Senate

(C) Upon receipt and investigation of a proposal under division (B) of this section, if the legislative authority finds that the enterprise submitting the proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and improve the economic climate of the municipal corporation, the legislative authority may do one of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to seventy-five percent, of the assessed value of tangible personal property first used in business at the project site as a result of the agreement. If an exemption for inventory is specifically granted in the agreement pursuant to this division, the exemption applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except that, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(b) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to seventy-five per
cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the legislative authority;

(c) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance that the municipal corporation is authorized to provide with regard to the project site.

(2) Enter into an agreement under which the enterprise agrees to remediate an environmentally contaminated facility, to spend an amount equal to at least two hundred fifty per cent of the true value in money of the real property of the facility prior to remediation as determined for the purposes of property taxation to establish, expand, renovate, or occupy the remediated facility, and to hire new employees or preserve employment opportunities for existing employees at the remediated facility, in return for one or more of the following incentives:

(a) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, not to exceed fifty per cent, of the assessed valuation of the real property of the facility prior to remediation;

(b) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, not to exceed one hundred per cent, of the increase in the assessed valuation of the real property of the facility during or after remediation;

(c) The incentive under division (C)(1)(a) of this section, except that the percentage of the assessed value of such property exempted from taxation shall not exceed one hundred per cent;
(d) The incentive under division (C)(1)(c) of this section.

(3) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to one hundred percent, of the assessed value of tangible personal property used in business at the project site as a result of the agreement, or of the assessed valuation of real property constituting the project site, or both.

(4) Enter into an agreement with an enterprise that either is the owner of real property constituting the site of a megaproject or is a megaproject supplier in return for an exemption for a specified number of years, not to exceed thirty, of a specified portion, up to one hundred percent, of the increase in the assessed value of real property constituting the site of a megaproject or real property owned and occupied by the megaproject supplier, respectively, beginning after the tax year in which the agreement is formally approved by the legislative authority.

(D)(1) Notwithstanding divisions (C)(1)(a) and (b) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed seventy-five percent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed sixty percent, or if the board of education of the city, local, or exempted village school district within the territory of which the
property is or will be located approves a percentage in excess of seventy-five per cent.

(2) Notwithstanding any provision of the Revised Code to the contrary, the exemptions described in divisions (C)(1)(a), (b), and (c), (C)(2)(a), (b), and (c), and (C)(3) of this section may be for up to fifteen years and the exemption described in division (C)(4) of this section may be for up to thirty years if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a number of years in excess of ten.

(3) For the purpose of obtaining the approval of a city, local, or exempted village school district under division (D)(1) or (2) of this section, the legislative authority shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the legislative authority not later than fourteen days prior to the date stipulated by the legislative authority as the date upon which approval of the agreement is to be formally considered by the legislative authority. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The legislative authority may approve the
agreement at any time after the board of education certifies its resolution approving the agreement to the legislative authority, or, if the board approves the agreement conditionally, at any time after the conditions are agreed to by the board and the legislative authority.

If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board is not required under this division. If a board of education has adopted a resolution allowing a legislative authority to deliver the notice required under this division fewer than forty-five business days prior to the legislative authority's approval of the agreement, the legislative authority shall deliver the notice to the board not later than the number of days prior to such approval as prescribed by the board in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board shall certify a copy of the resolution to the legislative authority. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the legislative authority.

(4) The legislative authority shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(E) This division applies to zones certified by the director of development services under this section prior to July 22, 1994.

The legislative authority that designated a zone to which this division applies may enter into an agreement with an
enterprise if the legislative authority finds that the enterprise satisfies one of the criteria described in divisions (E)(1) to (5) of this section:

(1) The enterprise currently has no operations in this state and, subject to approval of the agreement, intends to establish operations in the zone;

(2) The enterprise currently has operations in this state and, subject to approval of the agreement, intends to establish operations at a new location in the zone that would not result in a reduction in the number of employee positions at any of the enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in another state, to the zone;

(4) The enterprise, subject to approval of the agreement, intends to expand operations at an existing site in the zone that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement, intends to relocate operations, currently located in this state, to the zone, and the director of development services has issued a waiver for the enterprise under division (B) of section 5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for one or more of the incentives described in division (C) of this section.

(F) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code.
Code. After an agreement is entered into under this section, if the legislative authority revokes its designation of a zone, or if the director of development services revokes a zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(G) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one percent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority and shall be used by the legislative authority exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority may waive or reduce the amount of the fee charged against an enterprise, but such a waiver or reduction does not affect the obligations of the legislative authority or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code.

(H) When an agreement is entered into pursuant to this section, the legislative authority authorizing the agreement shall forward a copy of the agreement to the director of development services and to the tax commissioner within fifteen
days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be forgone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development services along with the copy of the agreement forwarded under this division.

(I) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed, or annual report required to be filed under section 5727.08 of the Revised Code, while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(J) Enterprises may agree to give preference to residents of the zone within which the agreement applies relative to residents of this state who do not reside in the zone when hiring new employees under the agreement.

(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(L) The tax commissioner's authority in determining the
accuracy of any exemption granted by an agreement entered into
under this section is limited to divisions (C)(1)(a) and (b),
(C)(2)(a), (b), and (c), (C)(3) and (4), (D), and (I) of this
section and divisions (B)(1) to (10) of section 5709.631 of the
Revised Code and, as authorized by law, to enforcing any
modification to, or revocation of, that agreement by the
legislative authority of a municipal corporation or the director
of development services.

Sec. 5709.63. (A) With the consent of the legislative
authority of each affected municipal corporation or of a board
of township trustees, a board of county commissioners may, in
the manner set forth in section 5709.62 of the Revised Code,
designate one or more areas in one or more municipal
corporations or in unincorporated areas of the county as
proposed enterprise zones. A board of county commissioners may
designate no more than one area within a township, or within
adjacent townships, as a proposed enterprise zone. The board
shall petition the director of development services for
certification of the area as having the characteristics set
forth in division (A)(1) or (2) of section 5709.61 of the
Revised Code as amended by Substitute Senate Bill No. 19 of the
120th general assembly. Except as otherwise provided in division
(D) of this section, on and after July 1, 1994, boards of county
commissioners shall not enter into agreements under this section
unless the board has petitioned the director and the director
has certified the zone under this section as amended by that
act; however, all agreements entered into under this section as
it existed prior to July 1, 1994, and the incentives granted
under those agreements shall remain in effect for the period
agreed to under those agreements. The director shall make the
determination in the manner provided under section 5709.62 of
the Revised Code.

Any enterprise wishing to enter into an agreement with the board under division (B) or (D) of this section shall submit a proposal to the board on the form and accompanied by the application fee prescribed under division (B) of section 5709.62 of the Revised Code. The enterprise shall review and update the estimates and listings required by the form in the manner required under that division. The board may, on a separate form and at any time, require any additional information necessary to determine whether an enterprise is in compliance with an agreement and to collect the information required to be reported under section 5709.68 of the Revised Code.

(B) If the board of county commissioners finds that an enterprise submitting a proposal is qualified by financial responsibility and business experience to create and preserve employment opportunities in the zone and to improve the economic climate of the municipal corporation or municipal corporations or the unincorporated areas in which the zone is located and to which the proposal applies, the board, with the consent of the legislative authority of each affected municipal corporation or of the board of township trustees, may do either one of the following:

(1) Enter into an agreement with the enterprise under which the enterprise agrees to establish, expand, renovate, or occupy a facility in the zone and hire new employees, or preserve employment opportunities for existing employees, in return for the following incentives:

(a) When the facility is located in a municipal corporation, the board may enter into an agreement for one or more of the incentives provided in division (C) of section
(b) When the facility is located in an unincorporated area, the board may enter into an agreement for one or more of the following incentives:

(i) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to sixty per cent, of the assessed value of tangible personal property first used in business at a project site as a result of the agreement. If an exemption for inventory is specifically granted in the agreement pursuant to this division, the exemption applies to inventory required to be listed pursuant to sections 5711.15 and 5711.16 of the Revised Code, except, in the instance of an expansion or other situations in which an enterprise was in business at the facility prior to the establishment of the zone, the inventory that is exempt is that amount or value of inventory in excess of the amount or value of inventory required to be listed in the personal property tax return of the enterprise in the return for the tax year in which the agreement is entered into.

(ii) Exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to sixty per cent, of the increase in the assessed valuation of real property constituting the project site subsequent to formal approval of the agreement by the board;

(iii) Provision for a specified number of years, not to exceed fifteen, of any optional services or assistance the board is authorized to provide with regard to the project site;

(iv) The incentive described in division (C)(2) of section 5709.62 of the Revised Code.
(2) Enter into an agreement with an enterprise that plans to purchase and operate a large manufacturing facility that has ceased operation or has announced its intention to cease operation, in return for exemption for a specified number of years, not to exceed fifteen, of a specified portion, up to one hundred per cent, of tangible personal property used in business at the project site as a result of the agreement, or of real property constituting the project site, or both.

(3) Enter into an agreement with an enterprise that either is the owner of real property constituting the site of a megaproject or is a megaproject supplier in return for an exemption for a specified number of years, not to exceed thirty, of a specified portion, up to one hundred per cent, of the increase in the assessed value of real property constituting the site of a megaproject or real property owned and occupied by the megaproject supplier, respectively, beginning after the tax year in which the agreement is formally approved by the legislative authority.

(C)(1)(a) Notwithstanding divisions (B)(1)(b)(i) and (ii) of this section, the portion of the assessed value of tangible personal property or of the increase in the assessed valuation of real property exempted from taxation under those divisions may exceed sixty per cent in any year for which that portion is exempted if the average percentage exempted for all years in which the agreement is in effect does not exceed fifty per cent, or if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a percentage in excess of sixty per cent.

(b) Notwithstanding any provision of the Revised Code to
the contrary, the exemptions described in divisions (B)(1)(b) (i), (ii), (iii), and (iv) and (B)(2) of this section may be for up to fifteen years and the exemption described in division (B) (3) of this section may be for up to thirty years if the board of education of the city, local, or exempted village school district within the territory of which the property is or will be located approves a number of years in excess of ten.

(c) For the purpose of obtaining the approval of a city, local, or exempted village school district under division (C)(1) (a) or (b) of this section, the board of county commissioners shall deliver to the board of education a notice not later than forty-five days prior to approving the agreement, excluding Saturdays, Sundays, and legal holidays as defined in section 1.14 of the Revised Code. The notice shall state the percentage to be exempted, an estimate of the true value of the property to be exempted, and the number of years the property is to be exempted. The board of education, by resolution adopted by a majority of the board, shall approve or disapprove the agreement and certify a copy of the resolution to the board of county commissioners not later than fourteen days prior to the date stipulated by the board of county commissioners as the date upon which approval of the agreement is to be formally considered by the board of county commissioners. The board of education may include in the resolution conditions under which the board would approve the agreement, including the execution of an agreement to compensate the school district under division (B) of section 5709.82 of the Revised Code. The board of county commissioners may approve the agreement at any time after the board of education certifies its resolution approving the agreement to the board of county commissioners, or, if the board of education approves the agreement conditionally, at any time after the
conditions are agreed to by the board of education and the board of county commissioners.

If a board of education has adopted a resolution waiving its right to approve agreements and the resolution remains in effect, approval of an agreement by the board of education is not required under division (C) of this section. If a board of education has adopted a resolution allowing a board of county commissioners to deliver the notice required under this division fewer than forty-five business days prior to approval of the agreement by the board of county commissioners, the board of county commissioners shall deliver the notice to the board of education not later than the number of days prior to such approval as prescribed by the board of education in its resolution. If a board of education adopts a resolution waiving its right to approve agreements or shortening the notification period, the board of education shall certify a copy of the resolution to the board of county commissioners. If the board of education rescinds such a resolution, it shall certify notice of the rescission to the board of county commissioners.

(2) The board of county commissioners shall comply with section 5709.83 of the Revised Code unless the board of education has adopted a resolution under that section waiving its right to receive such notice.

(D) This division applies to zones certified by the director of development services under this section prior to July 22, 1994.

With the consent of the legislative authority of each affected municipal corporation or board of township trustees of each affected township, the board of county commissioners that designated a zone to which this division applies may enter into
an agreement with an enterprise if the board finds that the
enterprise satisfies one of the criteria described in divisions
(D)(1) to (5) of this section:

(1) The enterprise currently has no operations in this
state and, subject to approval of the agreement, intends to
establish operations in the zone;

(2) The enterprise currently has operations in this state
and, subject to approval of the agreement, intends to establish
operations at a new location in the zone that would not result
in a reduction in the number of employee positions at any of the
enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement,
intends to relocate operations, currently located in another
state, to the zone;

(4) The enterprise, subject to approval of the agreement,
intends to expand operations at an existing site in the zone
that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement,
intends to relocate operations, currently located in this state,
to the zone, and the director of development services has issued
a waiver for the enterprise under division (B) of section
5709.633 of the Revised Code.

The agreement shall require the enterprise to agree to
establish, expand, renovate, or occupy a facility in the zone
and hire new employees, or preserve employment opportunities for
existing employees, in return for one or more of the incentives
described in division (B) of this section.

(E) All agreements entered into under this section shall
be in the form prescribed under section 5709.631 of the Revised
Code. After an agreement under this section is entered into, if the board of county commissioners revokes its designation of a zone, or if the director of development services revokes a zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(F) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one percent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the board of county commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the board and shall be used by the board exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the board or the tax incentive review council to comply with section 5709.68 or 5709.85 of the Revised Code, respectively.

(G) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A) of this section, the board of county commissioners may delegate to
that legislative authority or board any powers and duties of the
board of county commissioners to negotiate and administer
agreements with regard to that zone under this section.

(H) When an agreement is entered into pursuant to this
section, the board of county commissioners authorizing the
agreement or the legislative authority or board of township
trustees that negotiates and administers the agreement shall
forward a copy of the agreement to the director of development
services and to the tax commissioner within fifteen days after
the agreement is entered into. If any agreement includes terms
not provided for in section 5709.631 of the Revised Code
affecting the revenue of a city, local, or exempted village
school district or causing revenue to be foregone by the
district, including any compensation to be paid to the school
district pursuant to section 5709.82 of the Revised Code, those
terms also shall be forwarded in writing to the director of
development services along with the copy of the agreement
forwarded under this division.

(I) After an agreement is entered into, the enterprise
shall file with each personal property tax return required to be
filed, or annual report that is required to be filed under
section 5727.08 of the Revised Code, while the agreement is in
effect, an informational return, on a form prescribed by the tax
commissioner for that purpose, setting forth separately the
property, and related costs and values, exempted from taxation
under the agreement.

(J) Enterprises may agree to give preference to residents
of the zone within which the agreement applies relative to
residents of this state who do not reside in the zone when
hiring new employees under the agreement.
(K) An agreement entered into under this section may include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(L) The tax commissioner's authority in determining the accuracy of any exemption granted by an agreement entered into under this section is limited to divisions (B)(1)(b)(i) and (ii), (B)(2) and (3), (C), and (I) of this section, division (B)(1)(b)(iv) of this section as it pertains to divisions (C)(2)(a), (b), and (c) of section 5709.62 of the Revised Code, and divisions (B)(1) to (10) of section 5709.631 of the Revised Code and, as authorized by law, to enforcing any modification to, or revocation of, that agreement by the board of county commissioners or the director of development services or, if the board's powers and duties are delegated under division (G) of this section, by the legislative authority of a municipal corporation or board of township trustees.

No exemption shall be allowed for any type of tangible personal property if the total investment is less than the minimum dollar amount specified for that type of property. If, for a type of tangible personal property, there are no minimum or maximum investment dollar amounts specified in the statement or the dollar amounts are designated in the statement as not applicable, the exemption shall apply to the total cost of that type of tangible personal property first used in business at the facility as a result of the project. This agreement takes effect upon such approval."

(10) "This agreement is not transferable or assignable without the express, written approval of ........(insert name of municipal corporation or county)."

(11) "Exemptions from taxation granted under this agreement shall be revoked if it is determined that ............(insert name of enterprise), any successor enterprise, or any related member (as those terms are defined in section 5709.61 of the Ohio Revised Code) has violated the prohibition against entering into this agreement under division (E) of section 3735.671 or section 5709.62, 5709.63, or 5709.632 of the Ohio Revised Code prior to the time prescribed by that division or either of those sections."

(12) "In any three-year period during which this agreement is in effect, if the actual number of employee positions created or retained by ........(insert name of enterprise) is not equal to or greater than seventy-five per cent of the number of employee positions estimated to be created or retained under this agreement during that three-year period, ........(insert name of enterprise) shall repay the amount of taxes on property that would have been payable had the property not been exempted from taxation under this agreement during that three-year period. In addition, the ........(insert name of municipal corporation or county) may terminate or modify the
exemptions from taxation granted under this agreement."

(13) If the enterprise is the owner of real property
constituting the site of a megaproject or is a megaproject
supplier, both of the following:

(a) A requirement that the enterprise annually certify to
the legislative authority whether the megaproject operator or
megaproject supplier, as applicable, holds a certificate issued
under division (D)(7) of section 122.17 of the Revised Code on
the first day of the current tax year;

(b) A provision authorizing the legislative authority to
terminate the exemption for current and subsequent tax years if
the megaproject operator or megaproject supplier, as applicable,
does not hold a certificate issued under division (D)(7) of
section 122.17 of the Revised Code on the first day of the
current tax year.

The statement described in division (B)(7) of this section
may include the following statement, appended at the end of the
statement: "and may require the repayment of the amount of taxes
that would have been payable had the property not been exempted
from taxation under this agreement." If the agreement includes a
statement requiring repayment of exempted taxes, it also may
authorize the legislative authority to secure repayment of such
taxes by a lien on the exempted property in the amount required
to be repaid. Such a lien on exempted real property shall
attach, and may be perfected, collected, and enforced, in the
same manner as a mortgage lien on real property, and shall
otherwise have the same force and effect as a mortgage lien on
real property. Notwithstanding section 5719.01 of the Revised
Code, such a lien on exempted tangible personal property shall
attach, and may be perfected, collected, and enforced, in the
same manner as a security interest in goods under Chapter 1309.

of the Revised Code, and shall otherwise have the same force and
effect as such a security interest.

(C) If the director of development had to issue a waiver
under section 5709.633 of the Revised Code as a condition for
the agreement to be executed, the agreement shall include the
following statement:

"Continuation of this agreement is subject to the validity
of the circumstance upon which .......... (insert name of
enterprise) applied for, and the Director of the Ohio Department
of Development issued, the waiver pursuant to section 5709.633
of the Ohio Revised Code. If, after formal approval of this
agreement by .......... (insert name of municipal corporation or
county), the Director or .......... (insert name of municipal
corporation or county) discovers that such a circumstance did
not exist, .......... (insert name of enterprise) shall be
deemed to have materially failed to comply with this agreement."

If the director issued a waiver on the basis of the
circumstance described in division (B)(3) of section 5709.633 of
the Ohio Revised Code, the conditions enumerated in divisions
(B)(3)(a)(i) and (ii) or divisions (B)(3)(b)(i) and (ii) of that
section shall be incorporated in the information described in
divisions (A)(2), (3), and (4) of this section.

Sec. 5709.632. (A)(1) The legislative authority of a
municipal corporation defined by the United States office of
management and budget as a principal city of a metropolitan
statistical area may, in the manner set forth in section 5709.62
of the Revised Code, designate one or more areas in the
municipal corporation as a proposed enterprise zone.
(2) With the consent of the legislative authority of each affected municipal corporation or of a board of township trustees, a board of county commissioners may, in the manner set forth in section 5709.62 of the Revised Code, designate one or more areas in one or more municipal corporations or in unincorporated areas of the county as proposed urban jobs and enterprise zones, except that a board of county commissioners may designate no more than one area within a township, or within adjacent townships, as a proposed urban jobs and enterprise zone.

(3) The legislative authority or board of county commissioners may petition the director of development services for certification of the area as having the characteristics set forth in division (A)(3) of section 5709.61 of the Revised Code. Within sixty days after receiving such a petition, the director shall determine whether the area has the characteristics set forth in that division and forward the findings to the legislative authority or board of county commissioners. If the director certifies the area as having those characteristics and thereby certifies it as a zone, the legislative authority or board may enter into agreements with enterprises under division (B) of this section. Any enterprise wishing to enter into an agreement with a legislative authority or board of county commissioners under this section and satisfying one of the criteria described in divisions (B)(1) to (5) of this section shall submit a proposal to the legislative authority or board on the form prescribed under division (B) of section 5709.62 of the Revised Code and shall review and update the estimates and listings required by the form in the manner required under that division. The legislative authority or board may, on a separate form and at any time, require any additional information
necessary to determine whether an enterprise is in compliance
with an agreement and to collect the information required to be
reported under section 5709.68 of the Revised Code.

(B) Prior to entering into an agreement with an
enterprise, the legislative authority or board of county
commissioners shall determine whether the enterprise submitting
the proposal is qualified by financial responsibility and
business experience to create and preserve employment
opportunities in the zone and to improve the economic climate of
the municipal corporation or municipal corporations or the
unincorporated areas in which the zone is located and to which
the proposal applies, and whether the enterprise satisfies one
of the following criteria:

(1) The enterprise currently has no operations in this
state and, subject to approval of the agreement, intends to
establish operations in the zone;

(2) The enterprise currently has operations in this state
and, subject to approval of the agreement, intends to establish
operations at a new location in the zone that would not result
in a reduction in the number of employee positions at any of the
enterprise's other locations in this state;

(3) The enterprise, subject to approval of the agreement,
intends to relocate operations, currently located in another
state, to the zone;

(4) The enterprise, subject to approval of the agreement,
intends to expand operations at an existing site in the zone
that the enterprise currently operates;

(5) The enterprise, subject to approval of the agreement,
intends to relocate operations, currently located in this state,
to the zone, and the director of development services has issued
a waiver for the enterprise under division (B) of section
5709.633 of the Revised Code.

(C) If the legislative authority or board determines that
the enterprise is so qualified and satisfies one of the criteria
described in divisions (B)(1) to (5) of this section, the
legislative authority or board may, after complying with section
5709.83 of the Revised Code and, in the case of a board of
commissioners, with the consent of the legislative authority of
each affected municipal corporation or of the board of township
trustees, enter into an agreement with the enterprise under
which the enterprise agrees to establish, expand, renovate, or
occupy a facility in the zone and hire new employees, or
preserve employment opportunities for existing employees, in
return for the following incentives:

(1) When the facility is located in a municipal
corporation, a legislative authority or board of commissioners
may enter into an agreement for one or more of the incentives
provided in division divisions (C)(1), (2), and (3) of section
5709.62 of the Revised Code, subject to division (D) of that
section, or for the incentive provided in division (C)(4) of
that section if the enterprise is the owner of real property
constituting the site of a megaproject or is a megaproject
supplier;

(2) When the facility is located in an unincorporated
area, a board of commissioners may enter into an agreement for
one or more of the incentives provided in divisions (B)(1)(b),
and (B)(2), and (B)(3) of section 5709.63 of the Revised Code,
subject to division (C) of that section, or for the incentive
provided in division (B)(3) of that section if the enterprise is
the owner of real property constituting the site of a megaproject or is a megaproject supplier.

(D) All agreements entered into under this section shall be in the form prescribed under section 5709.631 of the Revised Code. After an agreement under this section is entered into, if the legislative authority or board of county commissioners revokes its designation of the zone, or if the director of development services revokes the zone's certification, any entitlements granted under the agreement shall continue for the number of years specified in the agreement.

(E) Except as otherwise provided in this division, an agreement entered into under this section shall require that the enterprise pay an annual fee equal to the greater of one percent of the dollar value of incentives offered under the agreement or five hundred dollars; provided, however, that if the value of the incentives exceeds two hundred fifty thousand dollars, the fee shall not exceed two thousand five hundred dollars. The fee shall be payable to the legislative authority or board of commissioners once per year for each year the agreement is effective on the days and in the form specified in the agreement. Fees paid shall be deposited in a special fund created for such purpose by the legislative authority or board and shall be used by the legislative authority or board exclusively for the purpose of complying with section 5709.68 of the Revised Code and by the tax incentive review council created under section 5709.85 of the Revised Code exclusively for the purposes of performing the duties prescribed under that section. The legislative authority or board may waive or reduce the amount of the fee charged against an enterprise, but such waiver or reduction does not affect the obligations of the legislative authority or board or the tax incentive review council to comply
with section 5709.68 or 5709.85 of the Revised Code, respectively.

(F) With the approval of the legislative authority of a municipal corporation or the board of township trustees of a township in which a zone is designated under division (A)(2) of this section, the board of county commissioners may delegate to that legislative authority or board any powers and duties of the board to negotiate and administer agreements with regard to that zone under this section.

(G) When an agreement is entered into pursuant to this section, the legislative authority or board of commissioners authorizing the agreement shall forward a copy of the agreement to the director of development services and to the tax commissioner within fifteen days after the agreement is entered into. If any agreement includes terms not provided for in section 5709.631 of the Revised Code affecting the revenue of a city, local, or exempted village school district or causing revenue to be forgone by the district, including any compensation to be paid to the school district pursuant to section 5709.82 of the Revised Code, those terms also shall be forwarded in writing to the director of development services along with the copy of the agreement forwarded under this division.

(H) After an agreement is entered into, the enterprise shall file with each personal property tax return required to be filed while the agreement is in effect, an informational return, on a form prescribed by the tax commissioner for that purpose, setting forth separately the property, and related costs and values, exempted from taxation under the agreement.

(I) An agreement entered into under this section may
include a provision requiring the enterprise to create one or more temporary internship positions for students enrolled in a course of study at a school or other educational institution in the vicinity, and to create a scholarship or provide another form of educational financial assistance for students holding such a position in exchange for the student's commitment to work for the enterprise at the completion of the internship.

(2) A public utility that paid the excise tax imposed by section 5727.24 or 5727.30 of the Revised Code based on one or more measurement periods that include the entire tax period under this chapter, except that a public utility that is a combined company is a taxpayer with regard to the following gross receipts:

(a) Taxable gross receipts directly attributed to a public utility activity, but not directly attributed to an activity that is subject to the excise tax imposed by section 5727.24 or 5727.30 of the Revised Code;

(b) Taxable gross receipts that cannot be directly attributed to any activity, multiplied by a fraction whose numerator is the taxable gross receipts described in division (E)(2)(a) of this section and whose denominator is the total taxable gross receipts that can be directly attributed to any activity;

(c) Except for any differences resulting from the use of an accrual basis method of accounting for purposes of determining gross receipts under this chapter and the use of the cash basis method of accounting for purposes of determining gross receipts under section 5727.24 of the Revised Code, the gross receipts directly attributed to the activity of a natural gas company shall be determined in a manner consistent with division (D) of section 5727.03 of the Revised Code.

(c) In the case of a partnership, trust, or other unincorporated business organization other than a limited liability company, one person owns the organization if, under the articles of organization or other instrument governing the affairs of the organization, that person has a beneficial interest in the organization's profits, surpluses, losses, or

(6) A person that solely facilitates or services one or more securitizations of phase-in-recovery property pursuant to a final financing order as those terms are defined in section 4928.23 of the Revised Code. (F) Except as otherwise provided in divisions (F)(2), (3),
and (4) of this section, "gross receipts" means the total amount
realized by a person, without deduction for the cost of goods

production of gross income of the person, including the fair

As used in division (F)(2)(c) of this section, "hedging transaction" has the same meaning as used in section 1221 of the Internal Revenue Code and also includes transactions accorded hedge accounting treatment under statement of financial accounting standards number 133 of the financial accounting standards board. For the purposes of division (F)(2)(c) of this section, the actual transfer of title of real or tangible personal property to another entity is not a hedging transaction.

defined in section 5736.01 of the Revised Code, an amount equal

of the Revised Code, except "mortgage broker" means a person
assisting a buyer in obtaining a mortgage loan for a fee or
other consideration paid by the buyer or a lender, or a person
engaged in table-funding or warehouse-lending mortgage loans
that are first lien mortgage loans.

(x) Property, money, and other amounts received by a

(z) Qualifying distribution center receipts.

(i) For purposes of division (F)(2)(z) of this section:

(I) "Qualifying distribution center receipts" means
receipts of a supplier from qualified property that is delivered
to a qualified distribution center, multiplied by a quantity
that equals one minus the Ohio delivery percentage. If the
qualified distribution center is a refining facility, "supplier"
includes all dealers, brokers, processors, sellers, vendors,
cosigners, and distributors of qualified property.

(II) "Qualified property" means tangible personal property
delivered to a qualified distribution center that is shipped to
that qualified distribution center solely for further shipping
by the qualified distribution center to another location in this
state or elsewhere or, in the case of gold, silver, platinum, or
palladium delivered to a refining facility solely for refining to a grade and fineness acceptable for delivery to a registered commodities exchange. "Further shipping" includes storing and repackaging property into smaller or larger bundles, so long as the property is not subject to further manufacturing or processing. "Refining" is limited to extracting impurities from gold, silver, platinum, or palladium through smelting or some other process at a refining facility.

(III) "Qualified distribution center" means a warehouse, a facility similar to a warehouse, or a refining facility in this state that, for the qualifying year, is operated by a person that is not part of a combined taxpayer group and that has a qualifying certificate. All warehouses or facilities similar to warehouses that are operated by persons in the same taxpayer group and that are located within one mile of each other shall be treated as one qualified distribution center. All refining facilities that are operated by persons in the same taxpayer group and that are located in the same or adjacent counties may be treated as one qualified distribution center.

(IV) "Qualifying year" means the calendar year to which the qualifying certificate applies.

(V) "Qualifying period" means the period of the first day of July of the second year preceding the qualifying year through the thirtieth day of June of the year preceding the qualifying year.

(VI) "Qualifying certificate" means the certificate issued by the tax commissioner after the operator of a distribution center files an annual application with the commissioner. The application and annual fee shall be filed and paid for each qualified distribution center on or before the first day of
September before the qualifying year or within forty-five days after the distribution center opens, whichever is later.

The applicant must substantiate to the commissioner's satisfaction that, for the qualifying period, all persons operating the distribution center have more than fifty per cent of the cost of the qualified property shipped to a location such that it would be sitused outside this state under the provisions of division (E) of section 5751.033 of the Revised Code. The applicant must also substantiate that the distribution center cumulatively had costs from its suppliers equal to or exceeding five hundred million dollars during the qualifying period. (For purposes of division (F)(2)(z)(i)(VI) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.) The commissioner may require the applicant to have an independent certified public accountant certify that the calculation of the minimum thresholds required for a qualified distribution center by the operator of a distribution center has been made in accordance with generally accepted accounting principles. The commissioner shall issue or deny the issuance of a certificate within sixty days after the receipt of the application. A denial is subject to appeal under section 5717.02 of the Revised Code. If the operator files a timely appeal under section 5717.02 of the Revised Code, the operator shall be granted a qualifying certificate effective for the remainder of the qualifying year or until the appeal is finalized, whichever is earlier. If the operator does not prevail in the appeal, the operator shall pay the ineligible operator's supplier tax liability.

(VII) "Ohio delivery percentage" means the proportion of the total property delivered to a destination inside Ohio from
the qualified distribution center during the qualifying period compared with total deliveries from such distribution center everywhere during the qualifying period.

(VIII) "Refining facility" means one or more buildings located in a county in the Appalachian region of this state as defined by section 107.21 of the Revised Code and utilized for refining or smelting gold, silver, platinum, or palladium to a grade and fineness acceptable for delivery to a registered commodities exchange.

(IX) "Registered commodities exchange" means a board of trade, such as New York mercantile exchange, inc. or commodity exchange, inc., designated as a contract market by the commodity futures trading commission under the "Commodity Exchange Act," 7 U.S.C. 1 et seq., as amended.

(X) "Ineligible operator's supplier tax liability" means an amount equal to the tax liability of all suppliers of a distribution center had the distribution center not been issued a qualifying certificate for the qualifying year. Ineligible operator's supplier tax liability shall not include interest or penalties. The tax commissioner shall determine an ineligible operator's supplier tax liability based on information that the commissioner may request from the operator of the distribution center. An operator shall provide a list of all suppliers of the distribution center and the corresponding costs of qualified property for the qualifying year at issue within sixty days of a request by the commissioner under this division.

(ii)(I) If the distribution center is new and was not open for the entire qualifying period, the operator of the distribution center may request that the commissioner grant a qualifying certificate. If the certificate is granted and it is
later determined that more than fifty per cent of the qualified property during that year was not shipped to a location such that it would be sitused outside of this state under the provisions of division (E) of section 5751.033 of the Revised Code or if it is later determined that the person that operates the distribution center had average monthly costs from its suppliers of less than forty million dollars during that year, then the operator of the distribution center shall pay the ineligible operator's supplier tax liability. (For purposes of division (F)(2)(z)(ii) of this section, "supplier" excludes any person that is part of the consolidated elected taxpayer group, if applicable, of the operator of the qualified distribution center.)

(II) The commissioner may grant a qualifying certificate to a distribution center that does not qualify as a qualified distribution center for an entire qualifying period if the operator of the distribution center demonstrates that the business operations of the distribution center have changed or will change such that the distribution center will qualify as a qualified distribution center within thirty-six months after the date the operator first applies for a certificate. If, at the end of that thirty-six-month period, the business operations of the distribution center have not changed such that the distribution center qualifies as a qualified distribution center, the operator of the distribution center shall pay the ineligible operator's supplier tax liability for each year that the distribution center received a certificate but did not qualify as a qualified distribution center. For each year the distribution center receives a certificate under division (F)(2)(z)(ii)(II) of this section, the distribution center shall pay all applicable fees required under division (F)(2)(z) of this
section and shall submit an updated business plan showing the progress the distribution center made toward qualifying as a qualified distribution center during the preceding year.
