Ohio House Commerce and Labor Committee  
HB 67, Veterinarian Student Debt Reduction for Charitable Services  
Proponent Testimony by Beth Sheehan  
May 20, 2020

Good morning, Chair Manning, Vice Chair Dean, Ranking Member Lepore-Hagan, and distinguished members of the Ohio House Commerce and Labor Committee.

I am Beth Sheehan, a Hamilton County resident, who stands before you today, representing a broad, grassroots coalition of dog and cat advocates and engaged, Ohio voters,¹ who enthusiastically support the passage of HB 67, the Veterinarian Student Debt Reduction for Charitable Services bill.

I have participated in six hearings on this bill in the last three and a half years. I ask you to tweak only one item in order to ensure future transparency and accountability.

I suggest adding language to verify the 12 hours of charitable services (not simply self-attest by checking a box, as the bill now supports) by the applicant providing a list of such services rendered, including dates and descriptions, and having signed verification from the agencies where the charitable services were performed.

This bill is a home run for Ohio veterinarians, advocates, and low-income families! It has no cost, is voluntary, no burdensome regulations, saves animal lives, saves taxpayer money, especially in rural counties with limited funds, provides vets the unique opportunity to
engage in shelter medicine (which is only briefly covered in veterinary school).

With the passage of HB 67, we recognize the compassionate, altruistic work of our veterinarians; we hasten fiscal efficiency in our county governments; we attain a higher standard of humanity for ourselves.

I am pleased to now answer your questions.
