

Dear Sirs/Madam,

I am writing on behalf of our parents at Lake Center Christian School (LCCS). Many of our parents would be unable to choose Lake Center without the benefit of the Ed Choice program.

It would be unfair to change the program now. Many who have wanted to send their children here because they need a quality, religious education have made plans to do so based on the most recent list of "failing" schools. And while the state report card may be flawed, to punish these families would not be ethical. Instead, make the change to the report card in the future.

Thank you for considering my views.

Sincerely,

--

Dr. Joseph Beeson, Superintendent
