

To whom it may concern:

My name is Cesira Varanese, I reside in Euclid, Ohio.

My son DJ is a junior at Lake Catholic High School and my daughter Nina, is in 8th grade at St Robert and William Catholic School.

My children have been on the EDCHOICE Scholarship since first grade. It has been a blessing to be able to provide them with an excellent opportunity and a good education.

As a single mom, I couldn't never be able to afford the schools that I chose for my children if it wasn't for this scholarship.

EDCHOICE allows me , a low income parent, to send my children to a school that provides them with an education that will allow them to brake free from possible poverty.

Our children , from low income families, should have the same abilities and opportunities for an excellent education as the kids from upper class families.

Thank you for the opportunity that you have given DJ and Nina. Taking EDCHOICE away, it will force me to send them to Euclid schools, which will be a drastic change in their lives. All they've ever known is a Catholic Education.

Removing this scholarship will be detrimental for them.

Sincerely,

Ms. Varanese
