

Good morning,

My son is in Kindergarten this year and we have taken advantage of the Ed Choice scholarship. This has been such a blessing to our family. We were able to pick a school to send my son that aligns with our family's academic and spiritual standards and we have been blown away by the way my son has flourished and grown. My daughter will be in Kindergarten in 2021 and am fearful that she will not have the same opportunity as my son if there are changes to the Ed Choice program. My husband and I both work full time and would not be able to pay to keep both of my children at Cornerstone Christian Academy. I would like to petition that Ed Choice continue to provide the choice for parents to use their tax dollars to afford to send their children to a school that aligns with both their academic and spiritual standards. Thank you for your time and consideration. I truly appreciate it.
