

To Whom it May Concern:

I am writing in regards to the Republic Wind Farm, which is an absolute nightmare to envision! I just love the country without all the city noise, and if this goes through my nerves will be shot with NOISE!

I am also concerned as my Daughter, with a pacemaker and extreme health issues cannot be rescued by LIFE FLIGHT IF THESE MONSTERS ARE ALLOWED HERE!! She lives less than a mile from where these are proposed! I am just so upset to even think about these.

I am concerned as we are fighting these people, who only care about MONEY AND PROFIT!!

Thank you,

Sandra
