

Dear Ohio Senators & Representatives,

Please vote yes on HB 401 and SB 234. I live in Huron, Ohio but I have family & friends in the wind turbine footprint area. They want to be able to vote NO on the wind turbines in their backyards. It is not fair that the Siting Board votes & they are not in the wind turbine footprint area! Please give my family and many friends the power to vote No on these money grabbing, inefficient wind monstrosities. The wind turbines are destroying their homes and farms. The people deserve the right to vote on this important issue. Please support their right to vote!
