Representative Nino Vitale, Chair  
Energy and Natural Resources Committee  
The Ohio House of Representatives  
77 South High Street  
Columbus, Ohio 43215

Dear Chairman Vitale,

I have been a resident of Norwich Twp. In Huron County for most of 60 years and have an association with Apex on two parcels in this county and one in Seneca County. I would like to express my concern regarding HB 401 presently being considered in Columbus.

I hope that all members elected to represent voters Ohio seek to pass legislation for the greater good of the majority. Please do not allow a minority group to force policy which they find appropriate to their cause.

Respectfully,

Stephen Schloemer
