Representative Nino Vitale, Chair
Energy and Natural Resources Committee
The Ohio House of Representatives
77 South High Street
Columbus, Ohio 43215

Dear Chairman Vitale,

When you buy property and pay taxes it should be my decision what to do with it. I don't want to decide if my neighbor can have a pool, shed, or a quarry which I have aquired in the neighborhood in the last few years.

I didn't get to vote on that. Keep my property rights. I'm against the anti wind bill.....

Sincerely,
Steve Kilgore
